This reduction works out at about fare and one month for the round trip to any one of a score of glorious summer centres on Canada's unsurpassed Atlantic seaboard with proportionately reduced fares to many other destinations in eastern Quebec and the Maritime Provinces which are also in effect from stations in the province of Quebec, Montreal and west, and also in Ontario, Sudbury, Capreol, Windsor, Serbia and east. HOLSTEIN LEADER

LOCAL AND PERSONAL

Jr. W.F.A. Cup Won by Holstein 3-1 on Round

HOLSTEIN 1, MILVERTON 0 To Holstein Juniors go the honor of bringing the first Western Football Association Cup to Holstein, when they defeated Milverton 1-0 in Milverton Thursday Aug. 18. As they had defeated Milverton at Holstein 2-1, on Tuesday, Aug. 16, they won the round by the score of 3 goals to 1.

We are justly proud of our Junior team and rightly so. Four years ago our Jrs were defeated in the finals by Kitchener 2-1. Holstein has been playing W.F.A. Football since 1921, the year following the successful year of 1920, when the Egremont League was formed. Since that time Holstein Intermediates and Seniors have made splendid showings, winning their groups nearly every year, but being defeated in the semi-finals and could never get past O. Sound.

This year the Intermediates are again in the semi-finals with Strath-Avon. Some 50 fans accompanied the Jr. team to Milverton, to cheer their team to victory. The boys wish to thank those who took cars and also the fans for their part in the victory.

Holstein won the toss and chose to play with a slight breeze and up-grade. The boys were gathered together at centre field and advised to forget the man and play ball. The whistle blew: it was Milverton's kick off. Patrick intercepted, passed to Gibson, to Schenk, who shot and missed by inches with a cross shot. This gave the boys the needed confidence and the rest of game all played like one inspired. Play ranged from end to end with Milverton pressing but Fidler and Schenk booted the ball well up the field. Milverton were in for several shots but were shooting wide and those that were dead on were handled by Christie. Half way through first half, Holstein took the upper hand and Patrick was in close on a pass from Gibson but shot wide.

On a clever combination play, Taylor was in close, but was checked before he got the shot away. Holstein was having the best of play. Schenk at centre half for Holstein and assisted Fidler and Schenk were breaking up every rush at centre field. Simat this time, was easily the best man on the field and half time ended with Holstein pressing and still holding their one goal lead.

It was thought by many that the pace of the first half would tell on the boys as recent showers made the field heavy and the body-checking of their heavier opponents would show our boys up. But with a Junior cup looming in front of them, there was no stopping them and the second half produced as fast ball as the first half.

Holstein, now playing down the grade was an advantage and although Milverton made some dangerous rushes early in second half they were unable to score. Schenk saved a sure goal as Christie ran out of his goal to save. Patrick shot again before Christie could get back in position, but Schenk saved the situation when he cleared as the ball was heading goalwards and only a few further to travel. It was a nice play by Schenk. Play now remained near centre field. Cowan of Milverton proved a stumbling block to our forwards, but on a rush down right wing Arnill got in for a shot which the back missed and eluded the goal keeper. It was a chance for the faithful fifty to let loose and the cheering had hardly died down for the remaining minutes of the game.

After the goal was scored there was yet 4 min. to play. Milverton made a determined bid for a goal but met stubborn resistance. Players began to mix it up with the result that it turned into a bumping bee, players flying in all directions and during the strenuous minutes many fouls arose and old scores evoked. Shortly after Arnill scored, Patrick eluded the Milverton backs and was in close for a shot but the goalie saved. Patrick retrieved the ball, passed to Schenk, who headed the ball, it going over the bar and the game ended with Holstein 2 goals up.

After game in dressing room of hotel, pandemonium let loose which did not die down for some time. At Mt Forest all cars met and came into Holstein together and after a half hour demonstration on Main St. decided to call it a night.

Line up: Milverton—M. Drench, M. Coxon, H. Cowan, G. Nurmester, E. Gommann, C. McDowell, A. Baird, B. Harrow, J. Petrie, G. Golythly, N. Erskine, G. Leppard, M. Chalmers, G. Schmidt.

Holstein—R. Christie, M. Fidler, L. Schenk, F. Cowan, A. Sim, W. Aitken, M. Schenk, B. Gibson, G. Patrick, W. Arnill, R. Taylor, K. Alles, E. Long, N. Burnett.

Referee, Geo. Tanner, Milverton

WHAT THE FARMER IS GROWLING ABOUT

By S. J. R. of Lion's Head in the Warton Canadian Echo)

What's the matter with the farmer? What's he growling about? What does he want money for anyway? If he wants a fresh egg for breakfast he has it; he can kill the hen that laid the egg and have fricassee for dinner; he has fresh milk, cream and butter; fresh pork and beef just for the killing; apples, plums, berries, etc just for the picking. And vegetables—no trouble at all, just dig them up—there they are in the garden.

Then why does he growl? Do you suppose the reason is—that while farm products have gone down 60 per cent. what he has to buy only 14 per cent. (Miss Macphail's figures). Last week I bought a bag of sugar, and it took 20 lbs of butter and 22 1/2 doz. eggs to pay for it. Wheat is less than 1c a lb. I sent for 25c worth of rolled wheat and received a box containing 2 lbs. It would take 98 1/2 bags of potatoes at the price they sold here last spring to pay Mr Pallant's bill, or if you didn't have potatoes, 370 1/2 lbs of wool. Amount of sold bill \$14.81. 3 years ago 2 fat steers paid the taxes; last year it took 2 fat steers, 5 fat lambs, 10 turkeys, 10 chickens and 147 lbs of butter to settle up the tax bill (this must be in cash) and this year!

What's the farmer growling about? Well figure it out for yourself. I am glad someone likes the depression. I don't and I haven't had to eat the buttons yet, either.
