Wife a Medal

Ferman Lawrence, son of Principal Charles Lawrence of Agincourt Continuation School, won the medal awarded by Agincourt East York W. Institute as the pupil gaining the highest marks in high school entrance examinations written at Agincourt this summer.

Head Janitor at Fort Frances

Miss Esther Petty, 2nd con, Normanby who teaches at Fort Frances, writes the Review and among other matters, refers to the fact that Mr. Geo. Watson (a brother of the late Mrs. Wm Grant of Varney,) is head janitor of the school and "naturally feels very proud of his work." Miss Bierworth, from Elmwood, shares an apartment with Miss Petty.

"Wheel of Chance" had short life. Facing charges of cheating at play following the seizure by Provincial Police of a gaming device at Ferguson Fall Fair, Harry Wilson and Roland Cummings were heavily fined. Wilson, the operator of device was assessed \$100 and costs and Cummings as assistant, \$25. Their arrest followed discovery by the police that the "wheel of chance" was equipped with a brake, which enabled the operator to bring the wheel to a stop on any number they chose.

A Venerable Man Dies

Canada's grand old man of the cloth, Rev. Dr. W. McMullen, passed away at Woodstock on Saturday evening, at the patriarchal age of 101. It can truly be said of him that "he fought a good fight and kept the faith." His testimony a few years ago to the effect that if he had his life to live over again, he would follow the same course in life as he had done, comes with a hallowed grace, now that he is past and gone.

Crokinole Social at Knox

Knox Church Young Ladies' Auxiliary held a pleasant crokinole social on Monday evening in the church school-room. The attendance was not large but the players filling nine tables, had a good time tipping the dice. Velma Blith won the ladies' prize and Arthur Derby the men's, for most games won. Mrs. Stonehouse and Mrs. C. McGirr rendered a fine duet and Miss K. Milne a piano solo. Refreshments were served at close. Proceeds were over \$10.

An Unwelcome Visitor

Mrs. Arthur Ritchie had one of these callers last week end, you are not fond of welcoming back. He did not leave his car, in fact he didn't leave anything but a bad shock and scare behind. About 11 a. m. Friday last, according to Mrs. Ritchie, she was at her telephone behind the front door in her home, talking to friends. The door was ajar a short distance, when suddenly in walked a man demanding money. Mrs. Ritchie told him she had no money, when he rudely took her by the arm, told her to get it and say nothing to anybody, or it would be the worse for her. A small purse was lying on the table. "There's all my money," she said. At that, the intruder rifled the purse of 35c, asked for the back door and was gone. Mrs. Ritchie was too stunned and weak to watch his departure. He was about 35 years of age, she judged. When a man of this type breaks in your home, all the brave resolves made as to what you would do if such a one came, dissolve as snow in July.

"And thus he bore without abuse, The grand old name of gentleman."

JAMES BURT, Durham's young man, who on Monday, Oct. 10, will celebrate his 95th birthday.

HYMENEAL

ROBINSON — RITCHIE

A pretty wedding was solemnized on Saturday afternoon Oct. 1, at Maple Lodge, the home of Mr and Mrs W. J. Ritchie, Edge Hill when their elder daughter, Marjorie Catherine, was married to Mr Robert Clarence Robinson, son of Mr and Mrs David Robinson, Edge Hill. The house was beautifully decorated with colored leaves, gladioli, dahlias and other autumn flowers. The ceremony was performed by Rev. W. H. Smith of Knox United Church, Durham.

To the strains of Lohengrin's "Bridal Chorus," the bride entered the room on the arm of her father. She was dressed in a gown of white triple sheer with satin trimming. She carried a bouquet of talisman roses. The wedding supper took place immediately after. The bride's travelling costume consisted of a brown georgette dress, brown coat with sable trimming shoes and hat to match.

After a honeymoon in Northern Ontario, Mr and Mrs Robinson will reside at Edge Hill.

The Review extends congratulatory wishes to the young couple.

KNAPPITT — DALY

On Thursday, Sept. 29, the marriage took place at Aurora, of Miss Mary Lelita Daly, daughter of Mr. Peter Daly and the late Mrs. Daly, of Egremont, to William Knappitt of Aurora. On Friday, the young couple came to Durham, where they were entertained that day at homes of her aunts, Mrs. Wm Henry and Mrs. W. Hargrave. That same evening Mr and Mrs Clark Watson tendered them a reception at S. S. No. 9 and on Monday evening a shower was held in their honor at home of Mr. Jas. Hargrave.

Death of Rev. Father McGoe

His former parishioners and many other friends here were saddened to learn of the death of Father J. S. McGoe on Wednesday Sept. 26, at Sacred Heart Parish, Paris, where he has been stationed for the past two years. Only forty four years of age, he was called away in the prime of life and usefulness, angina pectoris being the cause.

Deceased was born at Linwood, Ont., and was educated at St. Jerome's College, Kitchener and the Seminary at Montreal. After graduation he was for six years assistant at St. Patrick's Church, Hamilton. From there, he came to his first parish of Markdale, Glenelg and Durham R. C. Churches and here he labored for nine years. During his pastorate he was an energetic worker and saw the new Roman Catholic Church in Durham, built and entirely paid for, and a new furnace installed as well, largely owing to his untiring efforts. His successor, Father McHugh paid tribute "He was good to all but unsparring of himself."

In 1929, he left for Kenilworth parish but was there only a few months, then was removed to Paris. Surviving are two brothers, one of the homestead at Linwood and the other at Coulee, Sask. The remains lay in state in his church at Paris from Wednesday to Saturday when solemn requiem High Mass was sung at 10 a. m. and then brought to Macton for interment there.

Sad Drowning of Margaret Murdock Sunday Cast a Gloom over the Town

A tragic drowning fatality occurred in the Saugeen, about half a mile west of Durham, on Sunday afternoon, the victim being Margaret Murdock, eldest daughter of Mr and Mrs Frank Murdock, of South Line, Bentinck. She was 13 yrs, 6 mos. old and a bright, healthy and active girl.

In company with the two Pollock children, a boy and girl, Margaret and her two brothers, Ernest and John, went back through their farm to the river near Schenk's cottage, and had donned bathing suits. Margaret had climbed astride of a stationary log, but it started to float down stream, and overturned her in a spot some six or eight feet deep. Being unable to swim, she could not extricate herself, and none of the other children, smaller than she was, could swim either, and were unable to rescue her.

Mrs. Murdock was at home, and on learning the children had gone to the river, (Margaret for the first time), she hastened to bring them home, but was met by the children running to meet her, with the shocking news. Neighbors were notified and Mayor Murdock phoned, to secure any possible help from town, and many were quickly on the scene.

Rafts were improvised, and the river dragged, while grappling hooks to aid in the search for the body were secured from Owen Sound. Erben Schutz and Ken Wilson dived, but could not locate the body, and when darkness came on, cars were run to the river bank and their lights turned on the scene, while two large bon-

Public Welfare Board to be Organized Here

Relief work provided the main discussion at Monday's first session of Town Council. Couns. Catton and Ritchie were absent.

A communication was read from Hon. W. G. Martin, Minister of Public Welfare of Ontario, stating that for the purpose of furnishing direct relief, Public Welfare Boards should be appointed in the towns or municipalities concerned. The Board is to consist of seven members, comprising two of the Council and five representative and interested citizens. Mayor Murdock suggested that for the five citizens the Women's Institute appoint a member, the Red Cross two and I.O.D.E. two. Two members for this Welfare Board have already been appointed by this last named Order—Dr J. F. Grant and Miss M. Hunter. Standard forms for relief work are to be supplied by the Department and all persons requiring relief, must be registered.

Accounts totalling \$843.46 were passed, which includes \$377.70 to W. J. McFadden for building, talking wall in front of McAuliffe property in Upper Town and \$18 to W. R. McGowan for superintending the work. The balance was for salaries and relief supplies for several town families. Reeve Bell objected to one family securing relief where a car was being operated. Such will not be allowed in future.

A petition from Mrs. M. Kress, A. B. McLeellan and other residents in same building, upper town, that a street light be placed in front of same, was laid over. The Mayor read a letter from Mr. Gaby of Hydro Commission of Ontario, stating that on all lighting accounts 15 days in arrears on a two month's bill, service was to be discontinued and could be renewed by paying \$1, while the user was still liable for the arrears. Service could be continued for any parties if the town would guarantee payment. Mr. W. Brown of Standard Paving Co. had written promising to be here last month to look over and repair paving defects, but he has not yet arrived.

Mrs Robert Laidlaw of Detroit, is visiting at the home of Mr Wm. Laidlaw.

We regret to state that Magistrate Wm. Laidlaw is at present in a very low state of health, and his recovery is doubtful. A few weeks ago he was relieved by the Government of all managerial duties until he had regained health, and was complimented by the officials on his well kept books.

The story we want to tell hinges on this accident. We will not give the choir member away. She was in the last car containing choir party, who were detained in getting through owing to Geo. McLaughlin's towing outfit pulling the injured car out of the ditch. The injured man was back from hospital, his wounds dressed and bandaged. This lady of the choir party saw something white beside the broken pole and went to see it first hand. It proved to be the Toronto Daily Globe. She took it to Mr. Thompson, who remarked thuswise: "That terrible paper! It is responsible for getting me in this mess. If I had had the Mail and Empire, this would not have happened!"

The Globe champion retorted, "Indeed if it had been the Mail and Empire, you would have been taken home in the ambulance!"

The Tennis Club of town have arranged for a dance in Town Hall, on Friday, 18th November.

Thanksgiving Day, Oct. 10. No need to wander afar off to find something to be thankful for. The story is told of a grateful but poor old lady who was thankful that her two remaining teeth were opposite each other.
