PRICEVILLE AND VICINITY

PRICEVILLE

A fine service was held at St Columba Church on Sunday last, the occasion being the Rally Day of the School. The children grouped in the front pews, performed their parts well. The selection was read by Miss Anna McLean and Master Alex Weir. The offering was taken up by four boys. A fine voluntary was given by the larger girls, with Miss Ruberta Harris as organ throughout. Wm Mather, Sup., conducted the meeting. J. M. McGillivray leading in prayer and R. Shackleton giving a fine address (not read off either) founded upon the word 'Christian' in the form of an acrostic. 'C' careful in speech and conduct; 'H' helpful in looks, smiles, in acts; 'I' industrious in work and play; 'S' sport in playing fair and honest; 'U' to be clean in thoughts; 'I' ignorance to be avoided by honest attention to instruction; 'A' ambition in all worthy objects to attain; 'N' never fall in striving for that which is good. He finished with a fine poem 'God made my life'. This is but a poor synopsis of the whole meeting, which to be fully appreciated should have been heard in full.

The ladies have decided at a meeting presided over by Mrs Farquhar McKinnon, to have an anniversary and fowl supper sometime about the end of October so wait for it. It promises to be equal if not better to many fine ones in the past. Energetic committees have been appointed to make all necessary arrangements.

Mr and Mrs W. W. Ramage paid their annual visit to Holstein on the occasion of the Fall Fair there and had the pleasure of meeting many old friends in the Township, as well as those from Mt Forest, Toronto, and other places, who take the opportunity of seeing each other. The citizens of Egremont are nothing if not loyal to the Township, who were there to the tune of over \$166 at the gate. Their fine Hall was crowded to the doors and all listened attentively to a humorous and mirth-provoking play, led by that prince of actors, Mr Bert Brebner. All the actors spoke out.

An error appeared in Priceville prize list published last week. For Jersey cow, 1st went to H. B. McLean; 2nd, R. McConkey; 3rd, A. J. McVicar.

Keep in mind the fowl supper to be held in McKinnon Hall, Friday evening, Oct 7. Admission 35 and 15c. A splendid program will be given by the male quartette, Owen Sound; a mixed quartette and duets from Flesherston; Swinton Park orchestra, F. R. Oliver, M.P.P., will also give an address, besides other numbers from Dundalk and Bromore and other local talent. So plan to be there and you'll not leave disappointed.

Mr and Mrs Wm McBride and family visited friends in Orangeville. Preparatory service was held on Friday with a good attendance, five members being added to roll: Mr. and Mrs W. M. McBride, Misses J. and Almeda Hincks, Anna McEachern. On Sunday, sacrament of the Lord's Supper was dispensed, when a church full partook of the ordinance.

Mrs Eliza Burt and Mrs Wright have kindly offered to donate a pulpit for the new church and is much appreciated.

The excavating of basement for the new church has been completed and this week the cement foundation will be built. Mr Dow with his cement mixer and a number of men expect to finish the wall in a few days. The ladies have kindly offered to serve hot meals in the Hall to the men at work.

Mr and Mrs Jas Sturrock and family, Swinton Park, visited Sunday at Mr Hector McLean's.

Mrs Marks, Ottawa, is visiting her daughter, Mrs McBride. Miss Alma McLean, nurse-in-training, Fergus hospital, spent a couple of days at her home here.

Friends of Mrs Emerson Bennett, (nee Rebecca Nichol) were sorry to hear of her illness. She has been at her mother's for the past three weeks and on Sunday was removed to Durham hospital. Her friends here are wishing for her a speedy recovery.

Tuesday of last week the W.M.S. and W. H. held their monthly meeting at the Hall, with 20 ladies present. Mrs Sutherland presided over the W. H. meeting. Considerable business was transacted and it was decided that the Society give \$50 to the Building Com. for the new church. It was also decided to have a fowl supper for Oct. 14. Program com.—Mrs MacIvor, Mrs McBride, Mrs D. Campbell, Mrs W. Watson, Mrs A. L. Hincks. At the close Mrs John Nichol and Mrs Ray McLean served a bountiful lunch. The meeting closed with prayer.

Miss Victoria Jelly, Shelburne, visited over week end with her sister, Mrs Ray McLean. Mr and Mrs Dave McDonald spent Sunday with Mrs Hector McDonald.

A donation of \$150 has been received from Mr John McDougall and daughter Alice, Toronto, to help with the building fund for the new church and was greatly appreciated by all.

On Monday evening neighbors and friends gathered to spend a social time with them. A purse of money was presented, along with good wishes for success in their new home. The regular monthly meeting of W. I., will be held Oct. 12, at home of Mrs Douglas Mitchell.

Misses Tena and Hazel Christie returned from Elora Monday. Mr and Mrs Ed Scott and family, spent last Sunday with his mother, Mrs Wm Scott, Conn. Mrs Spence, Jr. went to O.A.C. at Gt. Falls, Monday, to commence a Veterinary course. Mr Geo Scott, con 10, suffered a stroke of paralysis while working in the field one day last week. His sister, Mrs Gillespie, Mt Forest, is at present taking care of him.

Mr Walter Stewart has purchased Mr Jake Smith's house in the village but we have not heard whether Walter intends keeping back hall or not. Twenty anniversary services were attended by several residents of this district on Sunday.

DEATH OF YOUNG LIFE IN VANCOUVER MOURNED

Sad was the news received of the passing away of the young life, in the person of Arthur Edward (Bud) Summers, at the home of his parents, 241 Woodstock Ave, East Vancouver, on Sept. 24, at 7.0 a. m., after an illness of about six weeks. Deceased was in his seventeenth year and was born in Toronto. When five months old, he moved with his parents to Bruce, Alberta, and later to Vancouver, where he received his education at both public and high schools and where he made a host of friends as was witnessed during his sickness and death. "Bud," as he was called, was the third son of Mr and Mrs Bert Summers (nee Kate McNally.) He leaves to mourn his loss his father and mother and three brothers—Jack, Murray and Roy, all at home. The funeral which was largely attended, was held on Tuesday, 27th Sept. which was taken charge of by his pastor and burial made in the Masonic cemetery. On the grey-covered casket, rested a pillow from the family, wreaths from his uncles and aunts: Mr and Mrs Hugh McArthur, Zion, and Mr and Mrs Frogley, Toronto, besides 25 other floral tributes from friends and neighbors in Vancouver.

This community extends their deepest sympathy to the bereaved parents and brothers.

Babe Ruth won enough glory in the recent world series ball games to entitle him to ask for another \$75,000 in 1933.

Reunion of 147th Greys at Owen Sound

The 147th Greys Overseas battalion are holding their second reunion since the war at Owen Sound, on Thanksgiving Day, Oct. 10th.

The program for the day will start with a parade of the old Battalion on the market square at 3 o'clock p.m. The parade will move off, carrying the old Battalion colors and will proceed to the monument where a short service will be held and a wreath placed on the monument. The dinner will be held in the City Hall and will commence at 5.30. An extensive program has been arranged by members of the Battalion, in which many of the old songs and skills that the boys knew in Camp Borden and Amherst days will be put on.

It is particularly requested that all men arriving in Owen Sound and before the parade, report to the City Hall, register, and get their badges, which will bear their name platoon and company.

This year, a number of members of the regiment have put up almost enough money to cover the whole expense of the re-union, so that there will be no charge for the dinner.

It is hoped that all members of the Regiment will make it a point to come and that the re-union will be as complete as it is possible to make it. The Battalion losses were very great in France and a very considerable number have died since, but it is hoped that all who are alive and well will do their best to get there.

Railroad transportation is an essential economic function on this continent and given reasonably free rein should speedily show good recovery using it to increase buying of materials and employment of labor, says the Greenville (S.C.) News editorially.

Total production of honey in Canada in 1931 amounted to 27,867,397 lbs. valued at \$2,058,094. Ontario led the Dominion with a production of 12,000,000 lbs. with Manitoba second with 7,367,375 lbs., and Quebec third with 5,632,400 lbs.

Ten thousand rainbow trout fingerlings have been deposited in the French River in June, following 7,500 fingerlings deposited last year. The previous experiment was so satisfactory that the present action has been taken and if success still attends these efforts, the French River Bungalow Camp will have added rainbow trout to its already well diversified angling attractions.
