A total of 120 sailings to and from Halifax will be made during the coming season to the Old Country, the majority of which will be by Canadian Pacific steamships.

A rise in wholesale prices in Canada during September is considered to be one of the outstanding favorable events in the Canadian economic situation, according to a statement recently issued by the Department of Trade and Commerce.

Popularity of Canadian tobacco in the United Kingdom is increasing. For the eight months to August last, 8,950,568 lbs. of Canadian tobacco valued at \$2.545,380 was exported to Great Britain as compared with 4,917,128 lbs. valued at \$1,429,892 exported in the same period of 1931.

The Canadian silver production in 1931 was approximately 2014 million ounces, or 10.5 per cent. of the world's computed production of 196 million ounces. Canada has for many years ranked third amongst the silver-producing countires of the world, being exceeded by Mexico and the United States.

New Brunswick is to stage the North American Cover Dog International Trials as an annual sporting event. Success of two days' trial concluded at Petersville recently, has brought about formation of a permanent dog fanciers and owners association which has fixed dates for 1933.

Photographs of Bangkok's shrines, temples, statues, and other places of interest in Siam taken during world cruises by Canadian Pacific liners, are being taken to Bangkok for King Prajadhipok by the Siamese Consul-General in Canada, who sailed for the Far East on the Empress of Asia recently.

Hon. Herbert M. Marler, Canadian Minister to Japan, left for Tokio recently aboard the Empress of Asia after a two-mouth vacation in Canada, strong in the belief that the Dominion is on the threshold of great trade developments in the East. With 500 million people in Japan and China, the possibilities, said the Minister, are incasculable.
