**Santa says:**

"Bring all the boys and girls in to see me Saturday Dec. 17. I will arrive about 2 o'clock, and will see that every child on Durham streets gets a bag of candy free."

**A Big Parade**

Will be formed at the Town Hall about 2:00 o'clock, when Santa is due to arrive by truck. All the children will gather in the Town Hall between 1:30 and 2:00, the building being heated. The parade will be led by the Durham Band from the Hall, down main street to the corner at Smith's garage, when it will turn back up the main street past the decorated tree, where Santa will distribute gifts of candy to all children in parade, and to others too small to march. The parade will continue around McFadden's store corner, thence around the small block back to the Tree on the main corner.

**Santa Claus**  
**is Coming to Town**

While he is only coming as a guest of the town we have had messages from him, and he really favors this store for Christmas Shopping.

He says in one of his messages: You have one of the best Christmas displays I have had the pleasure of seeing for I really see all the goods going to the different stores. He winds up his message by saying 'I certainly would like to visit your store while in Durham, Dec. 17, but of course that is impossible, but you can truly say, you have something suitable for everybody.'

We are giving a prize in honor of our friend's visit to Durham, by giving a present to the oldest and youngest person visiting our Store during Santa Claus' day, Saturday the 17th

Leave your name and are in any time during the day. Hoping to have the pleasure of a visit from everybody on this big day.
