IN DAYS OF YORE
15 YEARS AGO
From Review file May 2, 1918
Mr Cecil Towner went to Toronto last week to enlist in the Flying Corp and Artillery, but was rejected for both and now will go to the farm. Mr Wallace Findlay also went to Toronto to enlist but has two brothers now on active service.
Mr and Mrs Adam Brown Sr. and daughter, Miss Lizzie, contemplate leaving Durham in a few days to take up residence in Michigan, where several members of the family are.
Sunday last, about 11 p.m. Campbell Dunsmoor's house, 3rd con, Bent, went up in smoke. The family were all in bed and escaped only in night clothes, while of the household articles, only the organ and sewing machine were rescued. This is an unfortunate loss, coming as it did, the day before his sale.
Unless a Company is organized to take over and manage Durham rink, or failing this, have the town purchase it as a municipal enterprise, there is grave possibility that the town will be without a rink next winter and perhaps for some years after. Mr Jos. Brown, the proprietor, is endeavoring to dispose of it and has an offer for its removal, but would prefer to see the town retain it for purpose for which it was built 8 or 9 years ago. A Committee appointed at a public meeting, last Friday, to consider the proposition of a joint Stock Company, taking it over, have since arranged with Mr Brown to secure it for \$3,300.
W. H. Hunter, 20th con, Egremont, had an experience a few days ago he will not wish repeated. He was attacked viciously by a bull that had lost its temper. Had it not been dehorned there might have been a tragic story to tell. The animal in the blindness of fury knocked him down: he got hold of a dung fork to defend himself, but this only made matters worse and had it not been for his agility and a providential opening in a wire fence, it would have finished him. Mr Hunter got some severe bruises and has that animal fast, never again to be loose.
Mulock: The Memorial service in honor of the late Pte W J Hopkins, son of Mr and Mrs Richard Hopkins, was largely attended at the Baptist Church here Sunday last. Pte Hopkins enlisted of his own accord in the 147th Grey Bn., when only 17 years of age.
Married, at Manse, Mt Forest, on April 23rd, Miss Lena Alvina Neilson, of Mt Forest to Wm. Petrie Pollock, of Egremont.
It is learned from an authoritative source that between five and six thousand men between ages of 20, 21 and 22 will be called to the colors in this military district by the recent Order-in-Council. Notices to report are now being sent out. A first batch have been given a week to fix up their affairs. All will be in uniform by May 15.

ZION
Mr and Mrs Wm Walker and Mr. and Mrs Gordon, Eugenia, visited the first of week with Mrs Wm Timmins. Mr Wilfrid Barbour, Mrs Robt Barbour, Mr and Mrs Elmer Fee and son of Egremont spent the first of week with Mr and Mrs Oren Peart.
Mr and Mrs Nelson McGuire and family, Holstein, visited Sunday with Mr and Mrs H. C. Ritchie.
Mr and Mrs E. E. Cook and son, Durham spent the week end with his parents.
Mr and Mrs Stewart Jackson, of Glamis, are visiting with the latter's sister, Mrs J. C. Cook.
Mrs Graydon Moorhead and son Billy, of Palmerston, spent the week end with Mr and Mrs W. R. Jack.
Mrs Jas. McNally and son have returned to their home after spending the past months with her brother in Egremont.
The W. I. will meet next Thursday, at the home of Mrs Oren Peart, when the officers for the new year will be elected.
Mrs Jas. Haley of the 4th con. of Glenelg, passed away at her home, on Friday evening, after a lengthy illness, in her 63rd year.
Mrs Haley was a daughter of the late Mr and Mrs Dan McCarthy and fourteen years ago next June she was happily married to Mr Jos. Haley, moving to the Haley homestead, on the 6th con, Glenelg, until eight years ago, when they moved to the McRae farm, where they have since resided.
She is survived by her husband and two adopted children, Mary and Dan; also two sisters and four brothers: Mrs Jas Christopher (Catherine) and Mrs Malcolm Wilson (Lizzie), both of Toronto; John and Jas. of the 10th con and Wm and Dan of the 12th con, of Glenelg. Three sisters predeceased her, viz: Millie and Mary and Margaret (Mrs Patrick Fogarty).
The funeral was held Monday a.m. at St John's Church, interment made in St John's cemetery, Rev Father Grace having charge of the mass.
The pall bearers were Angus Dunbar, John McGrath, Geo Black, Alex Campbell, Alfred O'Neil, Mike Quillinan.
Friends from a distance were Mrs Jas Christopher, Mrs. Malcolm Wilson, Mr and Mrs O'Rourke (niece), Toronto, and Mr and Mrs Ambrose Block of Owen Sound.
Much sympathy is extended to Mr Haley in his sad bereavement.
The Toronto went on Daylight Saving Time on April 30 and on May 14, the city of Guelph will advance to the same measure. In many cases Daylight Saving Time is regarded as a Summer nuisance and spoils business in many cases.

BERYL AND BANANAS

To which should be added another "B"—Bermuda. Perhaps it seems strange to link "a silicate of beryllium and aluminium, which", as the dictionary puts it, "when transparent flashes blue and green, with the familiar yellow fruit that, so surprisingly, when you find it growing, is upside down and green. It is strange. But then it is just as strange to leave the snow and ice of Canada and less than 60 hours later to find oneself in the gentle, sub-tropic warmth of Bermuda."
"Beryl" as a metaphor, expresses the transparent beauty of the seas around Bermuda; bananas are the least strange of the many luscious fruits with which the island abounds. It is a fascinating combination of ancient and modern that one reaches by 20,021 ton Canadian Pacific Duchess liners sailing from New York every Wednesday and Saturday. No motors are allowed in the island—yet there is an ultra-modern Diesel-electric railway. A "cow's breakfast" hat, a sketch of a shirt, and nondescript pants held up by a one-strap "gallus" suffice laughing dandies for a costume, yet five minutes from where the Duchess of York and Duchess of Atholl dock is the up-to-date Hamilton Hotel, Bermuda's largest hostelry. Only a 20 minute walk separates ship and Princess Hotel, while short drives or launch trips reach many other delightful inns and guest houses.
Canadians in increasing numbers are making Bermuda their winter playground, more so since the inauguration last year of steamship service by trans-Atlantic liners.
(A) Stepping from ship to street.
(B) "Have a banana!" A bright-hued chameleon winked a bright eye and dodged when the young lady approached the tree—otherwise it was just like picking an apple in the orchard back home.
(C) Ancient and modern! The palatial Hamilton Hotel is in effective contrast with the horse-drawn carriage.

A \$40,000 fire occurred in Chesley Friday, which wiped out the manufacturing part of the munitions plant of the Canada Beds Ltd. The Co. has been manufacturing 18 lb shrapnel shells of a high grade continuously for the last 3 years. It is believed to be the deed of an alien enemy.

25 YEARS AGO
From Review file, April 30, 1908
We were pleased to learn that last Sunday Miss Hunt, who is an invalid at her father's residence, was able to hear the services at the Methodist Church by means of a phone reaching from pulpit to room. The establishment of two others is we believe in contemplation.
Through the kindness of Barrister and Mrs Telford, the Presbyterian choir with the pastor, met at their residence last Thursday, when the occasion was a farewell night with J. C. Telford, a former valued member. C. Telford, a former valued member, who came down last week on his last business visit here. Dr Grant and Miss McKenzie, on behalf of choir, presented him with a handsome morocco bound hymnal.
We were sorry to learn that Thos. Swallow Sr. has been forced to have one of his eyes removed, owing to an infection that would endanger both.
At an organization meeting of Durham Baseball Club last Wednesday, the following officers were elected: Hon. Pres., Dr D. Jameson; Hon Vice Pres., R. H. McWilliams; President, Wm Calder; Vice Pres., A. A. Catton; Secy Treas., Fred Search; Com. of Management, Gagnon, Livingston, Mowry, Keeler.
Married, at the residence of the bride's father, 2nd con, Normanby, on Tuesday, April 28, by Rev. J. Little, Miss Lydia Gadd to Mr Adam Pettigrew.
Married, at residence of bride's mother, Normanby, April 29, Ida, daughter of the late John Blyth, ex-M.P.P., to Mr. Schenk.
Mrs Wm McCalman and son Earl, formerly of Varney but who lately resided in town, left for the West on Monday. They intend to live with her son Wm at Lumsden, who has recently purchased a blacksmithing business there.
Four members of the Regina Juniors who took part in the attack upon Referee Johnny Mitchell in the final game with Newmarket were suspended.
Instead of writing that weekly letter to distant friends, why not have the Review tell them the news of the district. Save yourself the trouble of worrying over what to say each week for \$2.00 for a whole year.
3 Marriages, 3 Divorces, She is 24
A story about a lively young millonair who has just taken her latest Reno cure and is ready for new matrimonial adventures, will be told, next Sunday, in the American Weekly, distributed with the Detroit Sunday Times.
