The Club are accepting the kind invitation of Mr. and Mrs Neil Macfarlane, May 19th, and are looking forward to a real social evening together. The next meeting will be held at the home of Mrs. Fred Torry, June 2nd.

Will Benefit County

Wellington county council will save about \$9000 this year through a windfall which has come to the House of Industry, a county-maintained institution. About 11 years ago a prominent Harriston resident named Crosbie died and in his will left \$8,800, the interest from which was to be applied to the maintenance of an old man who lived in the House of Industry. On his death the whole sum was to revert to the Home. He died January of this year and week an executive of the Crosbie estate appeared and informed the reces that the estate was turning over \$8,000 principal to the county. Naturally the county councillors welcomed enthusiastically this lightening of the financial burden.

Robert McHardy Victim of Robbers

Robert McHardy of 21 Afton Ave., Toronto, figured in a hold-up in Toronto, on Saturday night last in Dickson's Pharmacy, 502 Queen St. West, when he was backed against a wall and between \$30 and \$40 taken from the cash register. Mr McHardy is known locally, through the fact that his wife was Miss Jennie Macphail, sister of the late Donald Macphail and therefore an uncle of Miss Agnes Macphail, M. P. According to the police the men entered the drug store, where McHardy is employed, shortly before closing time and asked for rubbing alcohol. When the clerk turned to go to rear room, they commanded him to back up against the wall. One man lifted the pocket of his coat as though concealing a revolver and menaced McHardy, while the second extracted all the paper money from the cash register. Warning McHardy to remain quiet, they left the store and hurried west on Queen St. Their arrest was effected Sunday morning, the men being identified by McHardy.

Durham will see Tri-County League Lacrosse

This summer Durham should see the best lacrosse, since years ago when the national game was booming in this part of the province, where it has been supplanted by softball and baseball. A Durham team has been grouped in the Tri-County League, which comprises counties of Simcoe, Grey and Dufferin and which is affiliated with the O. A. L. A. We are placed in Int. group No. 2, with such fast company as Alliston, Camp Eorden, Owen Sound and Meaford. It will mean some long-distance trips, but new teams and faces add zest to the competition. The schedule will shortly be arranged.

An organization meeting in Murdoch's Office Friday evening, officers were elected as follows: Hon. Pres. J. H. Harding; Pres., J. N. Murdoch; Sec'y, M. H. Bailey; Treas., Fred Murdoch; Manager, Martin Lauder; Managing Com., Dr Royden Burnett, Bert McDonald, R. L. Saunders.

Tennis Club Re-organize

McGillivray; Sec'y Treas., Jean Harding; Membership Com.—Myrtle Mortley, Emily Hunt, Harry Timianov, Reg. Steeds, Grounds Com.—Oscar Moon, Eddie Kearney.

The membership fee was fixed at \$3 for men and \$2 for ladies. The Club are on the lookout for suitable close-in property which may be made into courts, as they failed to come to an agreement for the rental of the Hopkins courts formerly in use.

The Saugeen Presbyterial of the Presbyterial W.M.S. met at Amos Church, Dromore, on Wednesday of this week with an excellent representation of delegates and visitors. About 125 ladies registered. The speakers of the afternoon were Miss Lamont, Field Sec'y of the W.M.S.; Miss Stringer, missionary on furlough from India, and the organizing Sec'y of the Young Ladies' Auxiliaries. All told of their varied experiences in their respective work.

The laurels for having the banner Mission Band in the Presbytery went this year to Conn, of whom Mrs Gordon Coult is the leader. Mrs Armstrong, Durham, president of the Presbyterial presided. At election of officers she was unanimously returned to the office for another year. Other officials elected were: Sub. Pres., Mrs Jas Miller, Palmerston; Recording Sec'y Mrs Pickering, Durham; Corr. Sec'y, Mrs G. Coult, Conn; Treasurer, Mrs Eckenswiler, Clifford; Home Helpers' Sec'y Miss Agnes Renwick, Durham.

Dromore ladies served splendid meals to the delegates. The sessions in 1934 will be held at Harriston.

THE ROLL CALL

MRS. JOHN McINNES

The news of the death of Mrs John McInnes, brought much sorrow to relatives and old friends in South Grey. She passed away on Sunday, at her home near Calgary, after a lingering illness. On Christmas Day of last year, Mrs McInnes came east to Toronto, to stay with her sister, Miss Jennie Cameron hoping the best from a change of air and scene. She returned in March last to her home and alternate hopes and fears, gave way to fear as the patient became weaker.

Mrs McInnes was formerly Maggie Cameron, daughter of the late Mr. and Mrs. John Cameron of the Durham Road, near Priceville. About 40 years ago she was wedded to John McInnes and for some years they continued to reside on the Durham Road. But the allurements of Western farming and ranching life called, and they have been residents of that country for the last 25 years, settling at Midnapore which locality has since been their home. Four children were born to them: Charles, at home with his father; Miss Christina, teacher in Calgary; Misses Margaret and Jean in Toronto.

The Review editor cherishes warm memories of the hospitality of Mr. and Mrs McInnes when a visitor in Western Canada in 1913. We regard

our visit to this home as one of the highlights of the trip. We will refrain from extending this notice, feeling that an obituary of deceased lady will be sent us.

HYMENEAL

MORTIMER — RUSSELL

A wedding of beauty took place on Wednesday evening, at 7 p.m. at the home of Mr and Mrs T. Morton Russell, Winnipeg, when their second daughter, Enid Roberta, became the bride of John Crawford Mortimer of Vancouver, son of Mr and Mrs J. S. Mortimer, Winnipeg and grandson of Mr and Mrs J. W. Crawford, Durham. Ferns, palms and tall brass standards of Easter lilies banked the end of the living room, which was lighted by clusters of ivory tapers in cathedral brass candelabras. Rev. A. E. Kerr performed the ceremony.

The attractive bride, who was given in marriage by her father wore an exquisite gown of white suede velvet, moulded to her figure and malee length. A bolero jacket of the velvet with double puff sleeves was fashioned of shirring. Her veil of ivory bridal net was held by a classic fitting Juliet cap of antique Carrickmacross lace and clusters of orange blossoms. She carried a shower bouquet of Johanna Hill roses and lily of the valley.

Miss Norma Russell who attended her sister, chose a gown of abstanthe green crepe chiffon made on princess lines and showing insets of corceid shirrings. The short jacket fashioned of the shirred crepe had full double puff sleeves. She wore a bandeau of abstanthe green crepe French roses and carried a lovely bouquet of pink snapdragons. Mr Leslie Russell was groomsmen to Mr Mortimer.

Mrs A. E. Kerr presided at the piano and played softly during the ceremony. Miss Margaret Marsh sang Beethoven's "Mutual Love" during the signing of register and was accompanied by Mrs Kerr.

Following the ceremony an informal reception was held. The bride's table was centred by the wedding cake and artistically decorated with lily-of-the-valley and butterfly roses.

Later in the evening, Mr and Mrs John C. Mortimer left for Banff and for Vancouver, where they will make their home. Mrs Mortimer travelled in a becoming tailleur of Mandarin made short, and slightly fitted, showed a wide rever and collar of mink. She wore a blouse of green and sand patterned crepe, and her hat was a French sailor of stitched wool in matching green. She wore green accessories and a corsage bouquet of deep purple pansies and Permet roses.

Mrs J. S. Mortimer, mother of the bridegroom, wore a graceful gown of hyacinth blue crepe made on princess lines and showing a jacket of the crepe. She wore a corsage bouquet of Permet roses and lilies of the valley.

Salaries of Public School Staff cut to \$700 a year

At their monthly meeting last Thursday of Durham Public School Board, the question of teachers' salaries for the ensuing year was discussed. The Board decided that in view of the greatly declining incomes of the workmen, business and professional men, in fact all taxpayers, to reduce the salaries of the staff to \$700 a year for all, regardless of qualifications and experience. At present the scale is from \$800 to \$950 per year. The teachers have two weeks to decide on accepting the new figure. The salary of Principal Graham was not changed, as the Board felt he is doing splendid work in passing large Entrance classes each year, thus preventing the necessity of a larger staff.

The work of the staff has also been highly satisfactory, but the reduction was made in line with conditions everywhere and to help in balancing the municipal budget. After holidays Miss E. Hunt and Mr Geo. Noble will exchange rooms, Mr Noble taking the Sr III class, next in line to Principal Graham's and Miss Hunt the Jr. III. The salary of the caretaker, Geo. Myers, was reduced from \$65 to \$50 per month.

As a playground for the Public School pupils on Saturdays, the south half of school grounds will be available for sports and the property com. will secure prices for fencing it.

McLachlan's Store Partially Destroyed by Fire

Stock and that of D. M. Saunders next door, also damaged by Water.

Fire breaking out in the A. Y. P. A. rooms above J. and W. McLachlan's store about 2.30 Sunday morning, caused a loss of several thousand dollars before it was brought under control. The blaze was confined to the kitchen or centre room upstairs, where it started, and several times broke through the roof, but smoke filled the whole building and neighboring stores of B. Morlock and D. M. Saunders, while the main damage was caused by water, which largely ruined the stocks of McLachlan's and Saunders'. However the tons of water poured quickly on, with great difficulty in locating the blaze, were doubtless the means of saving the entire block, thanks now, to our efficient and effective water-works system.

Some of the A.Y.P.A. members had tea in the rooms Saturday evening and used them for a few hours, leaving early. A spark from the stove must have escaped and ignited, and probably smouldered for several hours before breaking into flames. It was the crackling noise of burning timbers which awoke Frank Morlock about 2.20 a.m. who was sleeping in his bedroom just the other side of the wall. He jumped up, and noting the smoke filling the rooms as well, he roused his brother and his wife, and Mack Saunders in his residence at rear of his store, and gave the alarm.

The brigade quickly turned out from their slumbers and in short order had four strong streams playing on the building. With so much smoke and no flames yet visible, the firemen couldn't locate the blaze at first and were almost breaking windows of the Prov. Highways Dept., over Saunders' store, to see if fire was there. It was fortunate this was not done, as the valuable books and blueprints there might have been ruined by water and luckily, nothing in the offices was damaged, only the floor being water-soaked.

When the fire was definitely located in the centre room upstairs, a hole was cut in roof and the blaze effectively conquered when the hose were played directly upon it. Jolts were also blazing and a hole was also cut in Morlock's roof to curb the blaze working in.

McLachlan's store will require almost entire re-building as floors were flooded with water. A new roof is essential and new joists throughout centre of building while plastering ceiling and new floors will be necessary.

Morlock's residence up-stairs will require roof repaired and redecorating for damage caused by smoke. Saunders' gents furnishing store and stock is considerably damaged by water and Mack is now holding a fire sale of his stock.

Town's residence to the north of Saunders' also suffered minor damage from smoke.

We understand the insurance adjusters have made satisfactory settlements with all affected.

A big crowd was soon on the scene that morning, but many more in town slept on and heard no alarm and knew nothing of the fire until church services some seven or eight hours later.

Departmental Exams. Decreased in Cost

With 50,000 pupils about to write lower school examinations, hard-pressed family budgets the Province over will be saved an estimated \$10,000 by a curtailment of lower school examination fees from \$1.50 for each examination to \$1.

The Ont. Dep't of Education is the authority to effect this one reduction in the "high cost of education", and according to an explanation given on Monday, it is done by handing back the lower school papers to the high school Entrance boards. Formerly the work has been done in the Dept. of Education.

There is no joy in the hearts of a couple of hundred thousand other Ontario adolescents however, as they—theoretically—burn midnight oil, in preparation for midsummer examinations. The Dept. of Education, which during the last year has been steadily stealing days from the summer vacation period, grabs another whole week of the hot weather and adds it on to the high school term. July 11 is the date set this summer as get-away day from high schools.

SOCIAL INTERCHANGE OF CHESLEY AND DURHAM CHURCHES

The interchange between pastors and choirs of Knox United Church, Durham and St Johns' United Church, Chesley, proved to be of the most pleasant nature. Pastors, choirs and congregations enjoyed the visit and friendly associations of the social side of church life.

At Knox Church, Durham, Rev. A. R. Huband delivered an impressive discourse and his choir—25 strong—filled the choir pews. Following the service proper, the Ladies' Aid took charge of the visitors in the school-room, where light refreshments were served the guests. Messrs W. J. Young and W. R. Alder spoke of the pleasure it gave the people of Knox Church, to entertain a brother pastor and choir and of their fine contribution to the service. The choir were responsible for five numbers, the soloists being Mrs Leitch and Mrs. Krug.

Mrs W. R. Alder, Mrs A. Rudd and Mrs J. N. Perdue were a reception committee appointed by the Ladies' Aid to receive the visiting guests.

The Durham aggregation were equally delighted with the reception tendered them at Chesley. Following the service at church, where Rev. W. H. Smith enlarged on the beauties of the friendly visit, as scripture passages showed forth, the visiting party were entertained at St John's of Manse, where a bevy of Ladies' Aid members, with Mrs Huband, welcomed the guests. Light refreshments were served, and Mrs Wilkins acting as chairman, expressed the pleasure of the people of St John's, in this fraternal visit. Rev John McKinnon, Messrs Davey, McCulloch and Halliday, added short words of appreciation, also Mrs Peterson, as Pres. of Ladies' Aid. Rev. Mr Smith spoke on behalf of the visitors and of the mutual pleasure it gave to fraternize on this occasion.

I.O.O.F. and Rebekahs Annual Service

This year to Presbyterian Church

The brethren of Grey Lodge, I. O. O. F. and sisters of Lady Grey Rebekah Lodge, attended Divine service in a body on Sunday evening in the Presbyterian Church. A number of the lady members of Hanover Rebekah Lodge also worshipped with them.

The members enjoyed an excellent discourse from the pastor, Rev B. D. Armstrong, his message being from Luke 10: 29, "Who is my Neighbor?"

In recalling to his auditors the story of the Good Samaritan, he emphasized that neighborliness should not be bounded by race, country or creed. Our fellowman's need should be the basis of our neighborly deeds and words. To be a true neighbor requires the personal touch of sympathy.

The choir in good strength, rendered two fine anthems and Mrs T. M. McPadden a beautiful solo, "Face to face with Christ, my Saviour."

Before dispersing at the lodge rooms after the service, the brethren rendered a hearty vote of thanks to Rev. Mr Armstrong for his timely message, and to the choir.
