# Sending Money Safely at Low Cost

TT is a bank's business to deal in money. That is its function.

Therefore, when you wish to send money by telegram, by draft or by money order, a bank will do it for you with the utmost efficiency as part of its regular business.

This Bank has facilities that make it possible to send money safely and cheaply to practically any point in the civilized world.

Any of our branches will be glad to be of assistance to you in this respect, at any time.

to take place on the 24th of May. Of course it must be admitted that we can live it again in memory only It would be quite out of the question to go through another 24th as it used to be done. In the first place we would not enjoy getting up at 4.30 in the morning to enjoy walking over the hills to the old fishing hole, the old swimming hole for the first swim of the season which simply had to take place on the 24th of May regardless of weather. We are certain that a tendency toward sciatica would prevent any such excursion. Then there is the matter of letting off firecrackers. We are quite sure would not be possible to place a nice Four cylinder Chevrolet, four door large one under the chair of some
