

SAFE DRIVING will save money

Our Merit Rating Plan of Automobile Insurance provides reduced premiums for careful drivers.

Because we believe that careful motorists are entitled to a further reward for Care, Courtesy and Common Sense in their driving, we have extended our Merit Rating Plan in Ontario so that DISCOUNTS UP TO 25% are now available for Private Passenger Automobiles on All Classes of Automobile Insurance—PUBLIC LIABILITY, PROPERTY DAMAGE, COLLISION, FIRE AND THEFT.

- 10% DISCOUNT to motorists who have owned and operated a car for the past year without claims.
- 15% DISCOUNT to motorists who have owned and operated a car for the past two years without claims.
- 20% DISCOUNT to motorists who have owned and operated a car for the past three years without claims.
- 25% DISCOUNT to motorists who have owned and operated a car for the past four years or more without claims.

Our Merit Rating Plan is the only one available in Canada which provides such discounts for all coverages for Private Passenger Automobiles. These discounts apply, whether or not the motorist has been insured with this Company in the past, and are deducted from the premium on the issuance of his policy.

A claim having been made under either the Collision, Fire or Theft coverages will not disqualify the motorist for his Merit Discount on the Public Liability and Property Damage sections, and likewise a claim under either the Public Liability or Property Damage sections will not disqualify the motorist for his Merit Discount under the sections of Collision, Fire and Theft.

"It's the man at the wheel that counts"

If you can qualify for this policy, see us today. Full details furnished gladly on request.

SWINTON PARK

All Nature is dressed up in the Park. Fruit trees are in full bloom. Never was there a better prospect. Perhaps a week later than usual, but with present weather conditions, we can easily catch up and even pass many seasons that are gone by. Seeding is now pretty well finished up, and potatoes and other roots will shortly be attended to. The automobile is again coming out, so that we can enjoy the beauties of Nature by a drive through the country, also get the eggs to market quicker.

There were home by auto from Toronto for the week end, Mr and Mrs W. J. McLeod and Miss Ivy Parslow at G. W. Parslow's, and Neil McLeod, Mr and Mrs Palmer Phillips and children at Kinnells and Ed. Quite a number of speckled beauties have been caught but to Mrs H. Watson goes the honor of catching the largest trout, she landing one 18 1/2 inches long, weighing 2 lbs, 9 oz. It is the best we have ever seen taken from the Saugen. The men feel like small fish since.

Quite a number from this locality attended the funeral of Mrs. Robert Lawrence near Durham last Sunday. We too would sympathize with the many bereaved ones.

We are informed that a Swinton Park picnic is to be held in High Park, Toronto, on Saturday, June 10. There are very few homes in this locality that have not a representative living in Toronto. Swinton Park is but a wee place in itself, but in a case of this kind, we reach out quite a distance, and we are all invited. Just after the seeding is finished and everything growing nicely. Let's kill

Where Weight Counts

If you were a working man dependent upon a not too liberal supply of daily work to support your family, what would you think if your weight went down from 150 to 85 pounds?

Herbert was alarmed when this happened to him, but he did not want to take "time off" nor to spend money on himself. However, coughing and weakness had their effect and one day he had to be hurried to the Toronto Hospital for Consumptives. The experienced doctors at the hospital shook their heads when Herbert's weight was known—so little to build on!

However, patience, good nursing and complete rest have had the desired effect. His weight has increased twenty-two pounds, and he feels sure that he will be able to return to support his family at no distant date.

Financial assistance is urgently needed to continue the good work for many such as Herbert. Will you please lend your assistance by sending a generous contribution to G. A. Reid, 223 College St., Toronto 2.
