FORMER HAMPDENITE CELEBRATES GOLDEN WEDDING
Mr. and Mrs. John Young, of Owen Sound, the centre of a Family Party on Thursday last.
Many friends from Normanby and South Bentinck, will wish to join in tendering good wishes to Mr. and Mrs. John Young, of Owen Sound, on the culmination of 50 years of married life. The Sun-Times carries the following kindly write-up of the event.
Mrs. Thos. Young and son, Clifford, from Durham were among the guests.
"Surrounded by a host of friends and the recipients of many lovely gifts and felicitations, Mr. and Mrs. John Young, 1290 4th avenue west, celebrated their golden wedding anniversary on Thursday and again on Friday when they were "at home" to neighbors and friends. Family and friends delighted to pay honor to Mr. and Mrs. Young, who are one of the city's most esteemed couples, while Mr. Young has occupied an important place in the industrial life of the city throughout his long residence here.
In the fifty years of married life there has not been a break in Mr. and

Mrs. Young's immediate family and all their six children were present with them for their anniversary, namely: Mrs. Alfred Home, Guelph, Ont., Miss Emily Young, Owen Sound, Mr. Stewart Young, Regina, Sask., Mr. J. Paterson Young, Kingston, Ont., and Dr. Harold Young, Thorold, Ont. At the happy family dinner party on Thursday evening the table decorations were in white and gold with a centre-piece of yellow roses and a beautifully decorated wedding cake with gold tulle and old tapers in low candle sticks.
Mr. and Mrs. Young's marriage of a half century ago took place in 1883 at Owen Sound, Rev. Mr. Godfrey of the Methodist Church, Brookholme, officiating. Mrs. Young, whose maiden name was Ellen Stewart, was born at Trafalgar. Mr. Young was born and spent his childhood near Hampden, coming to Owen Sound in his youth. He conducted a saw and planing mill for thirty years on the Pottawatamie River in partnership with the late George Nicol, Sr., and later with Leslie Bros. After severing his connection with the lumber business he became interested in the Owen Sound Dairy Company being one of the original members of the firm. He retired from this business several years ago.
Both Mr. and Mrs. Young have been members of Division Street Church for the entire fifty years of their married life. They are both enjoying excellent health and their many friends wish them many more years of continued happiness.
Very lovely was the reception held Friday afternoon and evening when Mr. and Mrs. Young received the many friends called to convey their congratulations. The tea-table was attractive in gold and silver with yellow roses and tapers. A wedding cake decorated with a gold slipper, and surrounded with a mist of yellow tulle, centred the buffet, flanked with roses and tapers in the same shade, carrying out the appropriate color scheme. The daughters and daughters-in-law of the golden wedding couple and also Mrs. E. O. Young of Magnetawan and Mrs. William Johnston, who was one of the guests at the original wedding fifty years ago. Mr. and Mrs. Young received their many guests in the living room, which was profusely decked with lovely bouquets, the gifts of friends.
McMaster University scholarships were announced this week and the top-notchers were all young ladies. It all goes to prove that the male sex has no monopoly of brains.
Alliston Tax Rate
The tax rate for the town of Alliston this year has been struck at 60 mills. Outstanding taxes amount to \$5,093, of which \$3652 is outstanding since 1932.
Premier Bennett admitted to members of the Canadian Bar Association meeting this week in Ottawa, that he was both a total abstainer of the glass and the weed. This may be all to his credit, but we do know it would be better for him if he shared more his plans and hopes with members of his party. He certainly abstains to a tenth degree in taking his conferees into his council.

STEPPING ON THE YEARS
John A. Graham now enters his fifteenth year in Durham School. Former Pupils want a Reunion.

Commencing this Tuesday morning, Principal John A. Graham commences his fifteenth year of service to the Trustee Board of the Durham public School. In that time his former pupils have gone through their high school and university work, others have attained their objective in the business world, and others again have settled down to matrimony's call. We expect also there are many embryo "John A. Graham's" starting in the world all the better equipped because their parents had the tuition of the present comrade of Durham School.

It is also the fortieth year of service in the teaching profession, the longest stretch previous to Durham, being six years. These have been spent in Bruce Co., Hutton Hill, Dorchester, Edge Hill, S. S. No. 9, Glenelg, and shorter terms at other points. Essentially he has been a community man. His higher qualifications were not to be had in Durham at the time, but once through he came back to South Grey and his life-story will in the main centre around Durham.

Many of his former Durham pupils now in the world of business want a reunion picnic and the idea has taken a good root in Mr. Graham's heart and mind. These pupils will number in the hundreds and the natural locale for the event will be Durham, when or if it does transpire. But what has Durham to offer in the line of picnic inducements? Every year Durham is losing color simply because there is no amusement or recreation centre within its bounds, to spend a summer afternoon. What else is there to do but to hike for Harrison Park, etc.

Mr. Graham released all but six of his fourth class this year for the higher forms and has an incoming class of thirty-two. Judging by the mental trim and outlook he carried when the Review scribe saw him on Monday night, he will carry on to fifty years with flying colors.
What's a man's age?
He must hurry more that's all. Cram in an hour what his youth took a year to mold.
When we mind labor, then only are we too old."

PREDICT EARLY WINTER
Brrr, it's cold! Don't laugh, because that's what you'll be saying as you don your red flannels before the middle of October, say the old-timers, who do their weather forecasting by those signs of the times which already are apparent in Western Ontario. Such un-mistakable indications as late fall crops ripening and being harvested by the second week of August can only have one interpretation; wintry winds will be casting their icy breath across this part of the province by the time September is out and snows will be piled high weeks ahead of time. In Guelph last Saturday pumpkins were displayed on the market square in large quantities and Hubbard squash, that should not be ready before fair crops, were also offered for sale. Their early arrival is almost unprecedented. The old-timers claim that Nature is looking after her own, and that such crops are ripening so far ahead of time because in the weeks to come there is going to be an early freeze-up that would destroy such crops. There are some, however, who are inclined to put the cause before the result and blame the early ripening for events which have already occurred. They say the unusually hot weather speeded up growth.

HANOVER MEN GIVEN CONTRACT
With both the C. N. R. and C. P. R. inaugurating a new system of free pick-up and delivery of freight, contracts for this work have been awarded to Mr. Albert Seim by the C.P.R. and to Mr. Cliff Speer by the C.N.R. The system came into force on the first of the month.
Some months ago both Canadian railways tried out a new freight pick-up service on certain lines running westward out of Toronto, and so successful was this innovation in bringing back to the railways the package business they had lost to the trucks that a new zone has been declared. This includes the whole of Western Ontario, from Toronto to Windsor, and north as far as Parry Sound.
There will be no cartage charges at either end in stations in this zone, and no increased freight rate will be added by the railways. In brief the railways are absorbing these charges in the hope that the public will see the benefits of shipping by rail instead of by truck.
All over the territory the contracts have been let for picking up and delivering of all freight coming in or going out by rail and the freight service will be run in a similar way to that adopted by the express companies for years.
The cartage charges, especially in Toronto, formed a serious part of the freight bills and were objected to by many who had to pay them.

DON'T SELL TOO CHEAPLY
ADVICE TO POTATO GROWERS
Growers would be well advised to refuse to accept less than \$1.60 to \$1.75 per bag at the farm for good-quality potatoes, says C. W. Bauer, Secretary of the Ontario Growers' Markets Council. Many growers who are familiar with crop and market conditions are refusing to accept less than \$2 per bag, realizing that with the short crop this price will be easily obtained before the late crop is ready to be harvested.
Even with the increase in price, the net returns per acre of potatoes will be considerably below that of a year ago.
From information obtained from other potato-producing districts in the Dominion the 1933 crop will be considerably below that of the last several years, while reports from the United States indicate a drop of over 60,000,000 bushels from last year.
The unscrupulous trader travels miles daily from grower to grower bearing down on the price, and usually is successful in finding some grower who is not up to date with market conditions and possibly strikes a bargain away below market values. He then is in a position to undersell his competitors, resulting in a general market weakening not at all in keeping with the law of supply and demand. Naturally the grower suffers.
Recent estimates received from reliable sources place the early potato crop at no more than 50 percent of a normal crop.
Prices to the trade on the wholesale market recently were \$1.75 to \$2.25 per bag, according to grade and quality, while other sources were quoting \$1.35 to \$1.60 for the same quality, delivered to Toronto.

We congratulate little Jean Gibson, of Toronto, who won a medal at Toronto Exhibition in the sword dance. There were 48 competitors and the judges were two pipers of H. M. Scots Guard. Jean is real proud of her medal and Priceville district is real proud of Jean, whose mother is a former resident.

ALLAN PARK U. F. W. O.
The regular monthly meeting of the Allan Park U. F. W. O. was held on Friday, September 1st, at the home of Mrs. W. G. McCulloch, with 29 members and visitors present. The president, Mrs. Geo. Reay, in the chair opened the meeting in the usual manner. General business was then transacted. At the beginning of the programme, Mrs. H. Brigham gave a very interesting paper. A good programme was presented, at the close of which the ladies were favored with a splendid address by Dr. R. Burnett, taking "The Dog" as a topic. Dr. Burnett sketched the practical, scientific and medical uses of the dog as to its relationship with the medical world. His address was exceedingly interesting. The ladies wish to extend their thanks together with an invitation to Dr. Burnett to favour them with a little of his time and talent some future date. A corn roast was arranged for in the near future, at the home of Mrs. W. G. McCulloch. A hearty vote of thanks was extended to Mrs. McCulloch for the use of her home, after which a dainty lunch was served by the hostess and Miss Christine. The next regular meeting will be held at the home of Mrs. Ben. Coultis. Everybody welcome.

DEATH OF EDWARD MAJURY
The death of Edward Majury on Saturday last, at his home town of Elderslie and Greenock, Bruce Co., is of interest to the Ritchie connection here, in that he was married to a close connection of theirs, Eliza Jane Waterson. Deceased was in his 82nd year. He was married 55 years ago, and his wife survives him together with seven of their ten children: Mrs. Jas. Alexander, Unity, Sask.; Mrs. Robt. Alexander, Eden Grove; John of Riding Mountain, Man.; Eddie, Owen Sound; Clifford, of Eden Grove; Lawson at home and Leslie of Paisley. The funeral was held Tuesday from his late residence to Stark Vale Cemetery, Paisley.

FOR YOUR BENEFIT
Realizing the necessity of a greater field of employment, the Weller Secretarial College formerly of Orangeville, opened in Toronto in 1930. As conditions tightened in 1932 we dispersed of the Orangeville school and concentrated entirely in Toronto.
We now give you the same service and graduation standing with a better opportunity of positions.
Turn your steps to Weller Secretarial College and Success, 986 Bloor St. W., Toronto.
Fall Term opened September 5.

PRESENTATION TO BRIDE
On Thursday evening, August 31st, the members and friends of Burns Presbyterian church of Rocky Saugeen met at the home of Mr. and Mrs. Lachlan MacLean to present their daughter, Esther, whose marriage took place recently to Mr. Arthur McIntosh, with a chesterfield table and a set of book ends. During the evening an address was read by Miss Isabelle MacQuarrie and Miss Myrtle MacLean and Mrs. Jas. Ewen made the presentation. Mrs. McIntosh made a very fitting reply.
Games and contests and a social hour brought a pleasant evening to a close.
The address was as follows:
Dear Esther:—
We, the members and friends of Burns Presbyterian Church, Rocky Saugeen, have met with you this evening to express in a small way our appreciation of your services as organist in the church. It was with feeling of regret that we learned of your departure from our midst. You have given faithfully of your time in this service, and also other phases of the work of the Church. We feel confident, however, that you have been enriched by these services. We trust God's richest blessing shall be with you in your new home.
We also hope to see you often with us.
We would ask you now to accept of these small gifts as tokens of remembrance of your friends at the Rocky for after all—
"Life is sweet just because of the friends we have made,
And the things which in common we share.
We want to live on, not because of ourselves,
But because of the people who care,
It's giving and doing for somebody else;
On this all life's splendor depends,
And the joy of the world, when we sum it all up,
Is found in the making of friends."
Signed on behalf of the members and friends of Burns Presbyterian Church, Rocky Saugeen.
On Monday and Friday evenings of the same week Mr. and Mrs. Arthur MacIntosh were made the recipients of many beautiful gifts from their respective home communities.
