Women's Institutes A Real Boon

(Owen Sound Sun-Tmes)

The recent visit in North Grey Dis-Neighbor Child was two years old. and girlish," if you don't know) and trict Women's Institutes of Mrs. Laura especially the simple. What am I Rose Stephens, the first speaker ever to be sent out by the Ontario Department of Agriculture to the Women's Institutes nearly 40 years ago, brings In the house Vera put a pillow on a realization of how from a humble but earnest beginning, nearly two "Mustn't touch," said her mother. score years ago, the organization has She hastily took up the pillow, plumped it and replaced it grown. Characterized by eminent statesmen in the Old Country as Ontario's greatest gift to the world, the Vera went over to the bookcase movement has extended to practically and pulled down a book. "Horsey" every civilized country in the world, until this year a great international Her mether jerked it away. "No convention is being held in the heart it back." She perked the book out

The success of the Women's Institute, which was organized for and which continues to be practically confined to rural women, may be said to be due to the great spirit of common interest and common good it has engendered. It is primarily a medium of exchange, an opportunity for rural women to benefit by the experience of others, to share household hints and knowledge and to give women whose lives are often necessarily very being conditioned into a "give up restricted to their homes an opportunity to develop their abilities of The other little pest was the exact opposite.
