THE FALL FAIR PRIZE LIST OF FIFTY YEARS AGO

The Chesley Fall Fair has been in existence fifty years and the Secretary of that organization, Mrs. W. G. Warrington, has written up an interesting resume of the successes and pitfalls of the Fair from its earliest days. It makes extremely interesting reading, and it would be well for the present directors of Durham Fair to get busy and put in the archives a readable history of the Great South Grey Exhibition. For instance it is interesting alone to compare what a prize list of 50 years ago calls for to that of to-day. Mrs. Warrington in her history says:

"That an interesting rule made was that at 4 o'clock on the last day of the Fair the President should deliver his address from the judge's stand, immediately after which the prize animals would be led around the horse ring, the exhibition then to be declared closed and exhibitors at liberty to remove their property. The first prize list offered prizes for a sack of working oxen, for a 29 lb. sack of hops, for homemade blankets, 10 yards filled cloth, homemade straw hat and 10 yards rag carpet, wax flowers and fruits, feather flowers, flower and seed wreaths, hair jewellery and flowers, moss shell, lead work, worsted work in Berlin and raised work, braiding and a bracelet lambrequin, call up memories of bygone days. Prizes were also offered for carriages, sleighs, cutters, harness, men's and women's fine boots, furniture, ox yoke, bows, cradles, grain cradles, cheese press,

churn, axe handle, many or all of which were manufactured in the village. Prizes were also offered for signs for village dwelling or farm house, \$15.00 for a badge competition, \$5.00 for a badge competition, players to be in costume, also for the fattest baby and prettiest baby."

ONTARIO CROP REPORT

Corn is ripening rapidly. Root crops are being adversely affected by insufficient moisture and potatoes, turnips and mangels will be a light crop. Pastures are badly parched in some sections. A fair peach crop has been marketed and while, due to dry weather, some dropping of apples has occurred, indications continue good for an average yield. Fall ploughing is general.

WITTECH-BILTON
A pretty wedding was solemnized in Trinity United Church on Tuesday afternoon at 5 p. m. when Wilma Charlotte, youngest daughter of Mr. Joseph Bilton and late Mrs. Bilton became the bride of Clayton Albert son of Mr. and Mrs. Wittech of Newstadt. Rev. B. F. Mercer officiated. The church was beautifully decorated for the occasion.

To the strains of the Wedding March by Lohengrin, played by Mrs. Eric Sharpe, the bride entered the church on the arm of her father. The lovely bride wore a gown of crepe-back satin with Alencon lace puffed sleeves. Her white veil arranged in cap effect was set with a bandeau of orange blossoms. She wore white shoes and stockings and long white silk gloves. She carried Ophelia roses, white asters and maiden-hair fern. Miss Vera Allan, bridesmaid, wore periwinkle blue silk chiffon over taffeta, with a wide blue taffeta sash, a blue picture straw pink moire shoes and pink lace mittens. She carried pink asters, Baby's Breath and maiden-hair fern. Mr. Ervine Wittech, brother of the groom, acted as best man. The groom's gift to the bride was a silver ring and to the groomsmen a silver cigarette case. Messrs. Earl Hunt and Arthur Haas were ushers.

During the signing of the register, Miss Iritna Rife sang sweetly, "I Love You Truly." After the ceremony a buffet luncheon was served at the home of the bride. The living room was tastefully decorated with bells and streamers and cut flowers. Amid best wishes the bride and groom left the following day for their new home in Waterford. The bride travelling in a brown crepe dress, brown hat and brown accessories.

ORCHARD

Congratulations to our teacher and pupils, who captured first prize for marching and second for drill at the School Fair held in Holstein last Monday.

Sorry to report that Mr. Robert Nelson is seriously ill at the home of his daughter, Mrs. John Dickson.

EGREMONT SCHOOL FAIR STILL A POPULAR DAY

Egremont Township School Fair was again held in Holstein Park Monday of this week, and judging by the interest exhibited and attendance present, the popularity of the day is not on the wane. The promoters of the day, T. Stewart Cooper, P. Engel, B. S. A. and A. C. Stewart had a busy time, the former acting as chairman over the Hall program. Master Ira Stevenson was presented with the Medal, presented by the W. L. as the highest standing pupil writing at Holstein centre on the Entrance examination. In connection with this feature, Mrs. W. H. Rogers made an address, Mrs. T. J. Reid presenting the medal.

The Public Speaking Contest elicited most interest and were won by the following boys and girls: 1st. Boys, (1) Harry Nutley, S. S. No. 11 (2) Harvey Leith, S. S. No. 12. Solo singing: Boys, Harry Nutley, S. S. No. 11. (2) Ralph McCannel, S. S. No. 14.

Chorus, 7 voices: S. S. No. 14, (2) S. S. No. 4.

Following the program, the scholars marched to the Athletic Grounds, where there were three contests.

Marching: Union School, No. 2, (2) Holstein No. 3.

Drill: (3) S. S. No. 9 (Not complete).

School choruses: (1) S. S. No. 11, (2) S. S. No. 2.

Races closed the day's sport after which the crowd again surged back to Hall to view the exhibits of the children.

HOLSTEIN WINS CUP FINAL: HOLSTEIN 3-LISTOWEL 1

The Listowel Banner reports the final game there when Holstein won the championship, in part as follows: "The return game was played at Listowel on Wednesday afternoon. Holstein winning 3 to 1. The visitors fortunately were accompanied by a large crowd of supporters, otherwise the spectators would have been very few.

From the face-off Listowel started with a determination to overcome their opponents' lead and for the first fifteen minutes their aggressive ball game them much the better of the play. They did everything but score. Five corner kicks and a penalty kick in fifteen minutes failed to produce a goal.

As the game progressed the visitors got away from their defensive style and played more aggressive ball. Their first goal came after twenty minutes of play when a long shot was driven at the Listowel goal.

The Holstein boys have the congratulations of their Listowel opponents on having won the championship. In the final games they won on their merits. They are a good team. The players are all in good condition and play their positions well. Many of them are juniors.

DAVID ALLAN Clerk.

KNOX CORNERS

At our service on Sunday from the words of David in Psalm 138, verse 18: "When I awake I am still with thee", Mr Honeyman drew many comforting thoughts. David knew well the comfort and peace that comes from trusting God and if we will, may know it too. Amid all our sorrows and ups and downs of our lives, how good it is to know that all things work together for good to those who love the Lord and our disappointments may be His appointments for us.

Quite a number of visitors at Knox on Sunday: Mr and Mrs Ed Watson, Varney and Miss Matthews of Egremont.

Recent visitors at the Smallman home were Mr and Mrs Mark McClyment, Mr Harold Glenholme and sister Rita and Mr Frank Lake, all of town.

Our Y.W.A. and Mission Band, will meet in the church on Saturday at 2:30.

A pleasant time was spent in the school grounds on Saturday when about 60 of the scholars and parents from Varney and Knox, gathered to enjoy the afternoon together. The time was spent in ball games, races, mothers' race, Launch and lemonade were served about 5 o'clock.

Mrs. Wm. Marshall, Egremont, and Mrs Wm McNally, visited Friday at Mr D. Marshall's, the latter remaining for a few days' visit.

Mrs. Watson entertained a number of the ladies of the neighborhood at a quilting on Friday last. A pleasant time was spent and two quilts were quilted.

Mrs. Jno. Marshall, Sr., Mrs. McAlister and Miss T. E. Byers attended the meeting of officers of Sturgeon Presbyterian in Harrison Monday a. m., and in the afternoon had the pleasure of hearing Rev. Dr. McNamara. Many thanks to Mr. Chas. McAlister, who took the ladies from here and relatives in and near Harrison.

An item in last week's Review, mentioned the loss of a number of our geese and the item was quite all right too. We did lose them as they were gone for sometime and as we thought gone for good. However they all came home again and are glad to have them. We do not know where they were or what sort of animal had frightened them, as it is unusual for a flock of geese to separate and remain so long apart as they did.

The U. F. W. O. and U. F. O. held their combined meeting on Friday last, at the home of Mr. R. R. Watson. There was a good crowd present that heard an interesting program. F. R. Oliver, M. P. P. was present and addressed the gathering on the current issues of the day. Rev. F. G. Purnell, Mrs. Purnell and family, who are visiting in the neighborhood, were present and each spoke a few words, telling of their pleasures at being back among them. A pleasant event of the evening was the presentation of an electric iron to a former valued member, Mrs. Alex. Smith, now of Durham. Mrs. Harold Barber, president in a few words, told of the value Mrs. Smith had been to Club and the regret of the members at her removal from among them. Lunch was served at the close.

The Hanover Post says: A special meeting of the Bentneck council was held Tuesday evening last at which it was decided to rebuild Torry's bridge on the 4th concession. A subsidy of 45 per cent. will be received from the government in lieu of the usual 40 per cent. and the council thought that under conditions prevailing at the present time the bridge can be built cheaper than it could be next year, when it would have to be rebuilt anyhow. It is expected that the concrete work will cost \$8,000. The tender, but it is expected that by grading and filling can be done by cheap labor. Local labor will be used as much as possible on the job. Engineer McKnight of Owen Sound was at the bridge yesterday afternoon taking measurements and making plans.

WILL BUILD \$8,000 BRIDGE IN BENTNECK

Several thousand dollars in cash and trophies are offered for the various prizes are made available through the generosity and interest manifested by Ontario business and professional men, without whose kindness the efforts of the Association could not be successful.

The Inter-County Competition has succeeded far beyond the hopes of its promoters, and as the year goes by, interest increases. Each county is represented by three young farmers under 20 years of age, selected by the Agricultural Representative for the County conceived.

Previous to this International Plowing Match, plowing demonstrations and expert plowmen give the boys necessary instructions.

Substantial prizes are offered for horses. One hundred teams are furnished by farmers in the district where the demonstration is held from a greater distance than 20 miles. The farmers furnishing and owning the teams receive the prize money, not the contestants.

The Parking Committee arranges for ample space for parking automobiles and other vehicles. The Billing Committee looks after those desiring room and board in hotels and private homes. The Transportation Committee secures reduced rates on the railways which prevail during the four days of the Demonstration. The Ontario Plowmen's Association, together with the citizens of Owen Sound, extend to everyone, whether an invitation to this annual gathering. No admission fee is charged, there are no shrieking midway spielers, thimble-riggers, or fakirs allowed to operate on the farms where manufacturers, merchants, professional men, farmers and their families foregather.

INDIVIDUAL HUNTERS MAY NOW BE LICENSED

With a view to meeting the requirements of the lone hunter, H. C. Boulter, General Passenger Agent of the Canadian National Railways, announced a radical innovation in railway tariffs for the hunting season. In the past the special hunters' fares applied only to parties of five or more. This season the low rates will apply to any individual who can present a hunter's license issued by the provincial department of game and fisheries. In the altering of the tariff regulations we were giving consideration to the individual hunter, who frequently desires to take a moderate week end trip to Northern Ontario and spend a day or so in the bush. Last season many applications of this nature were made and we feel that such men should be afforded the same privilege as those who annually make up parties and spend considerable time in their camps. By adopting this system, the Canadian National Railways feel that it will stimulate interest in this great autumn sport foregather.

Preparations for big Match Nearing Completion

Pertinent Facts Relative to the Grey County Plowing Match, Held in Derby Twp., Near Owen Sound.

So many people in Grey County have failed to grasp the size of the Plowing Match. The Local Committees have secured the use of over 300 acres of land to be plowed. This is located on the farms of Messrs. Vernon Barber, Edwin Abra, A. Clarke, Wilfred Squire, H. S. Weaver, W. S. Cole and others and these men will not get one cent for the use of their land. Indeed no person on any committee will receive any pay for services rendered. Rather do they consider it an honor to work for the good of Grey County and Owen Sound and to help put on this gigantic international event which is so important to agriculture as a whole.

One hundred teams of horses are being loaned by farmers for the use of competitors who live over thirty miles from the site of the Plowing Match. All competitors are required to bring, however, their own plow, whiffletree, etc. The horses will be billeted in nearby farm stables. Forty-two tractors are being arranged for Tractor plowing will be carried on every day.

The Water and Light committee must provide such. It requires the installation of a 30 horsepower electric transformer to supply light to the Tented City and power to operate the large exhibits of farm machinery of every make and description and this alone is worth any farmer's visit.

Fifteen thousand gallons of water are required and at the present time a 90-gallon-per-minute pump is in operation testing the well.

The Ontario Plowmen's Association has branches in every section of the province and has to its credit a record of achievement not often made even by stalwart sons of the soil. The Association's great annual gathering is the Mecca, not only for farmers and their families, but for tens of thousands of citizens who, though engaged in other industries and professions, realize that the farmer's work is truly one of worth and by whose skillful efforts all are fed, he's partner with the sun and rain and no man loses by his gain; that if know a surety that if plowmen fall, hope eternal will surely vanish.

Besides surveying the skilful work of the plowmen at this monster demonstration, every type of cultural machinery is seen in operation. The most up-to-date 20th century power machines pulling many furrow plows, discs and seeders at one operation is a sight worth going many miles to see.

Power and light is furnished by the Hydro-Electric Commission. This comprising public utility corporation will have a hundred foot tent on the grounds in which can be seen all types of household appliances, all operated by electric power. The work of threshing, seed-cleaning, ditching, spraying and milking will also be demonstrated.

Each day from two to four o'clock the Multiple Hitch with six to eight horses, will be seen operating cultural machines. Horses, in this serious testing time, are being largely utilized throughout the countryside.

Last season many applications of this nature were made and we feel that such men should be afforded the same privilege as those who annually make up parties and spend considerable time in their camps. By adopting this system, the Canadian National Railways feel that it will stimulate interest in this great autumn sport foregather.

With a view to meeting the requirements of the lone hunter, H. C. Boulter, General Passenger Agent of the Canadian National Railways, announced a radical innovation in railway tariffs for the hunting season. In the past the special hunters' fares applied only to parties of five or more. This season the low rates will apply to any individual who can present a hunter's
