Reception for Newly Weds

The home of Mr and Mrs Palmer Patterson, at Barber's Corners, was thronged Tuesday evening, when the whole neighborhood gathered to tender a reception to Mr and Mrs Harold Watson, the latter the only daughter of the household. The newly wedded couple had just returned from their honeymoon to London and Detroit and were showered with good wishes and innumerable beautiful gifts. The evening was pleasantly spent in social converse, music and cards in the home, while dancing was enjoyed by the young folk in the garage, fitted up for the occasion. Lunch was served shortly after midnight. The young couple have commenced home-making on the groom's farm, 2nd con, Normanby.

Council Com. to plan Work for Town Relief

October meeting of Durham Council was held on Tuesday with all present except Coun. Campbell. No outstanding business was before the Board.

Morden and Helwig, insurance adjusters, had sent a communication that they held the town liable for Father Sullivan's accident a few weeks ago as there were no proper stop signs. Clerk was instructed to reply, disclaiming liability, as signs were in place and unsecured.

Hueston and Co. asked town to take out liability insurance at cost of \$125. No action was taken.

The present market scales are too small for some motor trucks and not of sufficient capacity for large ones, including a load, thus the Council are considering new scales. The Gurney Scale Co. had a communication re a motor truck scale, but Council took no steps to purchase as yet.

A letter from J. A. Ellis, relief officer, set out the Govt's plans for relief aid this season, stating Govt will pay two-thirds cost of labor for all municipal public works for unemployment relief, but municipality must pay total cost of materials.

Accounts totalling \$1122.50 were approved and passed. Coun. McKechnie reported grading on town streets pretty well completed.

Engineer Keiffer of the Standard Paving Co. will make any necessary repairs to town pavement this fall, as soon as work north of town is discontinued.

The I.O.D.E. were given permission by Property Com. to place cupboards in Town Hall kitchen.

Coun. Stonehouse had mentioned that the paved approach to Knox Church driveway had fallen in owing to improper fill beneath, after excavation for water mains. Council felt they should assume responsibility for this repair, and Reeve Hunter suggested that a committee be formed to look after such and any other necessary town improvements or work which may be performed by relief labor. The suggestion was acted upon and the Committee appointed in charge was Reeve Hunter, chairman of Finance Com.; Coun. McKechnie, Chairman of Board of Works; Coun. Stonehouse, chairman of Property Com.

Wm. Andrews, Glenelg Farmer, Fatally Wounded

LIVES ONLY THREE HOURS AFTER ACCIDENT WHILE OUT SHOOTING

A tragic accident befel Wm. J. F. Andrews, a well-known farmer of 2nd con., Glenelg, on Thursday afternoon, when he was the victim of wounds caused by the accidental discharge of his own shot gun, and died the same evening in Durham Hospital. Mr. Andrews had gone out duck-hunting along the Saugeen that afternoon and coming through the farm of Dugald McNab, he noticed David Ritchie of town plowing in the field he was passing through. Removing his gun off his shoulder, Mr. Andrews stood on the ground with his thumb over the muzzle, and leaned over the gun, while he essayed to talk to Mr. Ritchie. Before the latter had time to yell to warn him, the gun suddenly discharged, just how or why is uncertain, but the owner's thumb was blown off and left hanging by the skin, while the discharge tore a large hole in his chest and entered the right lung.

The accident occurred about 4.00 p.m. Mr. Ritchie ran to his aid and then summoned assistance. Dr. D. B. Jamieson was out for a short time after, and had the victim removed to Durham Hospital by six o'clock. However, there was little hope for him. He retained consciousness almost to the end, and before he passed away about seven p.m., he gave the doctor a clear account of his accident and no inquest was deemed necessary.

The deceased was 56 years of age and unmarried. He was the son of Mr and Mrs James Andrews and resided all his life in Glenelg township. He was a good farmer and carpenter, handy with tools and fond of hunting, and was comfortably situated at his home two miles east of town.

Surviving him are two sisters who will keenly feel his loss: Miss Lily, at home and Miss Minnie Andrews, of Hamilton.

The funeral service was conducted Saturday from his late residence and was largely attended. Rev. J. Billingsley and Rev. W. C. Almaack had charge of the services. The floral tributes were placed on the casket by the sisters, Mr and Mrs S. Patterson, Mr and Mrs R. Talbot and Mr and Mrs C. Watson. Friends present from outside points at funeral were Mr Sam'l Sherwood, Mr and Mrs Adam Johnson, Mr Alfred Sherwood, Mr and Mrs Wm Alton, and Mrs Roy Maize from Ashfield, Mr and Mrs Jos. Cranston from Goderich; Mrs McWhinney from Dunganen and Mrs Watson from Colborne Township.

The remains were tenderly laid to rest in Durham cemetery by relatives and neighbors. Messrs Adam Johnson, Alf Sherwood, Jos. Cranston, W. Alton, Wm Patterson, John Hamilton, John Lawrence.

MURRAY — RYAN

A lovely Autumn wedding was solemnized at St Peter's Church, Ayton, on Monday, Sept. 25, when Loretta Marie, only daughter of Mr Thos. Ryan and the late Mrs Ryan, became the bride of James Eugene Murray, son of Mr Michael Murray and the late Mrs Murray. Rev. Father Leavy officiated. The bride, given in marriage by her father, entered the church, to the strains of Lohengrin's wedding march, attired in sapphire blue chiffon velvet, designed on long simple lines. With it she wore a close fitting velvet turban with fallie slippers to match and she carried pale pink roses and lily-of-the-valley. Miss Viola Lynch, girl friend of the bride, attended as bridesmaid, wearing a manilla brown pebble crepe with accessories to match and carrying Talisman roses. The groom was attended by Mr Frank Horri-gan. After the ceremony a wedding breakfast was served at the bride's home to immediate relatives. Later, Mr and Mrs Murray left by motor to Akron, Ohio, the bride wearing a cruise blue swagger suit with grey accessories.

Won Opener from Orangeville in Tri-County Lacrosse

Durham 11, Orangeville 7, was the result of Durham's first game here last Friday night in the new Tri-County group, reputed to be the fastest Int. group in the League. It was a hard-fought match with the bulk of the scoring packed into the last period. Orangeville and Ferguson are allowed four Seniors in their line-up, and to defeat either team of these old lacrosse towns, means that Durham must show real speed and strength.

The opening period saw keen lacrosse with a minimum of goals 1-1 and in second 1-1. In the 3rd the visitors put up stronger resistance, the period concluding with a 6-2 score. The last frame saw the fireworks. The Dufferins took quick advantage of a lapse in Durham's defensive play, and in short order, run in 4 goals, tying the count at 7-7. Then started the Durham fusillade. The homesters had their mette up with prospects of a loss and a determined attack, landed 5 more goals before the visitors could stop them. That ensured victory, but the visitors came back to notch the final tally. Orangeville was given an eye-opener in the speedy passing attack of the locals, who could more than hold their own with them.

Referees White and Doyle divided 14 penalties and handled the game well. Dean, Snyder and E. McDonald, each with 3 goals, were Durham's leading snipers. Durham line-up: goal, McEachnie; defense, Wilson, Ries; rover, Dean; centre, Murdoch; forwards, E. McDonald, Becker; Alternates, O. McDonald, Snyder, Snell, Kearns, Lauder, Elvidge.

Durham Doubled Score at Orangeville

Durham won Tuesday night by a 6-3 score right in Orangeville, their second win in the new League. It was fast, close checking lacrosse before a crowd of 600. The rink manager stated it was the best game of Int. lacrosse played in Orangeville this year. 'Yank' McEachnie, Durham's goalie, was the star, and in holding down the score he suffered the only injury, when temporarily disabled by being struck in the face by the ball.

Period scores were 0-0, 2-2, 3-3, 6-3, which reveals Durham's strong finishing powers. Orangeville scored the first two goals. E. McDonald 2, Snell Becker, Dean, Snider shot Durham's total. It was a clean game, only 5 penalties being given by referees Kendall and Burrell of Brampton.

Owen Sound plays Durham here this Friday and the locals next week will take on the yet undefeated Ferguson team. —Tuesday in Ferguson and Friday in Durham.

Rev. C. Elmer Kenny Anniversary Speaker

Queen Street Church held Successful Services on Sunday last

Queen Street United Church favors September as their anniversary month and it would seem a fitting time,—the opening of another year's work coinciding with the season which takes on a new aspect or dress. The floral decorations at the church altar certainly spoke of some thoughtful hands during the hot summer months preceding, for it was a bower of beauty. The aster, gladioli, cosmos, and even the summer rose, had a place in the decoration scheme. With potted plants in windrows, they made a lovely setting.

The officials of Queen St. Church were fortunate in securing as the speaker for the day, Rev. C. Elmer Kenny, pastor of First United Church at Owen Sound. Mr. Kenny has been shepherd to his flock for the past eleven years, so this former Methodist congregation believe in holding what they have. Mr. Kenny chooses a simple thought and develops it into material for a sermon that lives and stays put. On Sunday he had two companion thoughts, one for the morning, the other for evening service, "Good Starters" and "Good Finishers." The Review did not hear the first sermon and are sorry, if it carried home as much weight as did that of the evening. He based his evening text from Luke 14:20, "This man began to build but was not able to finish." The speaker related the findings of an insurance house regarding the standing of 100 men over a forty year period. It was proved that of these 100 men in that

time, thirty six died, fifty four were on charity, five were well-to-do, four lived in a kind of way and one became rich. Thus many of these had not the finishing qualities necessary to make them independent of the world. In baseball parlance, they were caught napping at third base. As an example of perseverance, the speaker drew illustration from the life of Henry M. Stanley who was once a poor-knave boy, but on death found a resting place in Westminster Abbey. The church has been able to impart to mankind that which stabilizes. There is no place like the Christian church for developing the faith in man that truth will win.

The music on Sunday, was of a high order, the local choir having assistance of Mount Forest talent. At the morning service, the choir rendered an anthem and the male quartette gave a number. In the evening, the choir gave an old favorite setting of "Hark, hark my Soul". Mrs. Hutchison and Mrs. Emerson, Mount Forest, the latter a sister of Mr G. R. Pacfield) assisted materially in a solo and duet. Miss Kathleen Milne, organist, rendered sympathetic accompaniment.

MONDAY EVENING'S MUSICALS

The two piano musicals in the church on Monday evening, under Ladies' Aid auspices, was a novel evening for Durham music lovers—and enjoyable as well. Mr Barker kindly placed another piano at the disposal of the musicians. The assisting artists were Mrs H. Corley, pianist, and Miss Marjorie Trimble, reader, both of Mount Forest, who were warmly received. Mrs F. W. Thomas and daughter Eleanor were heard in a piano duo, (two pianos) A piano quartette at two p.m., comprised Mrs Thomas, Mrs Kress, Mrs Padfield, Mrs Stauffer, Master Billy McGirr in costume, rendered Alice Roger Collins conception of the song "The Jaunty Sailor Lad", and was well received. Mr Bert Saunders also favored with a couple of vocal solos. It was a musical evening seldom heard in Durham.

Car Crash near Chatsworth: One Killed, Several Hurt

FENTON FAMILY OF HOLSTEIN SUFFER INJURIES

About 1.40 last Sunday afternoon, a serious car accident occurred on Prov'l Highway No. 6, at Hardman's corner, half way between Williamsford and Chatsworth, when a Detroit car going south, was struck by a car travelling north, driven by Mrs Clarence Fenton of Holstein.

The head on collision occurred where there is a sharp turn and grade, and loose gravel on the highway, in which the Fenton car is said to have swerved and crashed into the American car. The impact threw Miss Minnie Conley, 60 years of age, of Detroit, from her seat, and her head struck the frame of car, causing a deep gash over her left eye and forehead. She was unconscious when removed from the car and died ten minutes after.

Her brother Harry Conley with the Ford Motor Co. of Detroit, was driver of the car. He escaped with shock and bruises, but two other passengers were more critically hurt. Lloyd Garbutt of Owen Sound, suffered a head wound, requiring several stitches and Arthur Bond of Windsor, a war veteran, had left shoulder dislocated and a scalp wound. He had lost a leg in the Great War. They are recuperating in Owen Sound hospital.

In the Holstein car, Mrs Clarence Fenton was most seriously hurt, suffering a fractured skull: her husband escaped with a few bruises and his mother, Mrs Geo. Fenton and her niece, Miss Gretta Fenton were badly bruised on head and body and suffered from shock. All were taken to their home at Holstein that day, where they are convalescing.

Highway Traffic Officer Storey of Owen Sound, took observations and measurements and secured names of occupants of the cars, and others, who knew anything of the accident. The cars were badly wrecked.

Dr. M. Phillips of Chatsworth, coroner, ordered an inquest and empanelled a jury, who viewed the remains. A two weeks adjournment was made to allow the injured time to recover before giving evidence.

Albert White, 5 years of age, from Proton Station, was operated upon for appendicitis in Durham hospital, Friday last.

Going down with Setting Sun

Former residents of Allan Park, but living in Walkerton for some years back, are Mr. and Mrs. James Forsyth. They have now moved to Brant Township to live in future with their sister-in-law, Mrs John Forsyth. Both are 85 years of age and in feeble health. The Walkerton Times comments thuswise on their leaving the town: "It seems fitting by their removal, that this pioneer couple, who upwards of three decades ago entered the town from the east with their backs to the rising sun should, with faltering steps last week make their exit to the west facing the setting sun, which figuratively speaking, was slowly going down on their horizon."
