Held Third Birthday Party
Lady Grey Rebekah Lodge were hostesses Tuesday night at their lodge rooms to the Oddfellows lodge and their wives and friends, on the occasion of their third birthday anniversary. The early part of evening was spent in progressive euchre. Mrs. R. McLean won the prize on a draw, several ladies being tied for high and Clarence McGirr captured the men's prize. A brief bright program followed, with community singing led by Miss W. Blyth and Mr. P. Ramage, solos by Mrs. C. McGirr, Messrs. John A. Graham and Bert Saunders, a duet by Mrs. M. Wilson and Miss W. Blyth and a short address by Mr. J. P. Irwin. Mr. Allan Bell was in the chair. Refreshments were served, the feature being a fine large birthday fruit cake, lettered I. O. O. P., which all sampled. It was the culinary work of Mrs. Wm. Black. Dancing closed the evening's enjoyment.

DR. SNEATH FRACTURES HIS LEFT LEG

On Friday last, on Durham Bowling green, Dr. T. H. Sneath was so unfortunate as to suffer a bad fracture of his left leg above the knee. The Doctor was in the act of throwing a bowling while in this attitude, his knee cap became displaced and thus powerless, he fell over on the green. Dr. J. L. Smith was near by to administer first aid and the Doctor was taken to Durham hospital, where the x-ray revealed a bad fracture of his leg, in the shaft bone above the knee. He will be a patient here for some weeks and now receives the attention he formerly gave.

SECTIONAL CONFERENCE AT ELMWOOD TUESDAY

A conference of South Grey Women's Missionary Societies of the United Church, was held in Elmwood United Church on Tuesday of this week and carried a good representation of members of the various Societies in the Riding. Elmwood United Church was full for the afternoon session. At the luncheon a delicious chicken dinner was served for the modest sum of 25c.

The speakers of the day were two missionaries of the church at large, at present home on furlough: Miss Kate Rutherford of Angola, Africa, and Mrs. (Dr.) Kilbourn, West China. Both were very inspiring and their addresses carried a real message.

Fall Fair Executives Meet in Durham

Delegates from the various fall fair Societies throughout Bruce and Grey counties, met in large numbers in the Town Hall here Monday evening, to discuss ways and means of improving the fairs and other business relating to them.

Mr. John McGirr, President of the South Grey Society, called the meeting to order, and introduced the Mayor of Durham, W. H. Kress, who extended a welcome on behalf of the town and referred to the splendid work of T. S. Cooper, Agricultural Representative.

Mr. McGirr called upon District Representative Montgomery, who in turn introduced Mr. Young, the secretary. Mr. Cooper was voted to the chair.

The first speaker was Geo. Foster of Honeywood, who thought this an opportune time to meet and consider matters re fairs. He thought it was treading on dangerous ground to attempt to close up smaller fairs, looking upon as they are, as a friendly meet together.

Minutes were read by the Sec'y, and adopted, also statistics relating to grants, and a hearty vote of thanks tendered him on the elucidating minutes presented.

Mr. McKay, Teeswater, said they would not allow booths or stands on the grounds. They held concerns both nights of fair. The president of Owen Sound fair reported gate receipts about the same and thought the plowing match had detracted from the attendance.

The question of a committee to select dates for fairs to avoid conflicting, was discussed. Some dates, it appeared, are set by midways. It was moved by John McGirr, sec. by Mr. Whyte, and carried, that Sec'y of each fair inform the Executive of their dates and if conflicting, to try to settle satisfactorily.

Views were given by five different fair representatives, regarding restricting exhibits to the locality.

Mr. Sam Patterson spoke on behalf of Holstein Shows and quoted the number of exhibits in cattle, equal to any in numbers and quality.

The question of advertising was discussed, some advocating a joint poster with adjoining fairs. No decision was arrived at.

It was the general opinion that no discount should be taken from special prizes. Increased grants was one of the problems to be discussed at the annual meeting in February.

Accident insurance was brought up and instances given.

Mr. Herb. Corbett of Proton, pointed out that instead of electing officers, only recommendations could be made for the election at the February meeting in Toronto. Mr. Young was appointed local Sec'y, and he is to notify all Secretaries of the fee to the Association. Mr. Corbett moved that the President, Vice and Sec'y, be the Executive.

WHAT I LEARNED FROM C. N. E. EXHIBITS

The Toronto Daily Globe has created much interest for their paper and its readers, over the competition they have arranged the past few years back. Visitors to the Canadian National Exhibition in Toronto, were to visit the Fair with mind alert, as well as eye, and express in as graphic a way as possible, what they saw and how it reflected Canada's progress. The topic is styled, "What I learned from the C. N. E. Exhibits" and the prizes and rewards are not to be laughed at. There are ten main prizes—from the first, a Plymouth sedan car, to a \$25 cash prize, from the Globe itself. Mr. H. Steiger of Milverton, was the lucky Plymouth winner and to Mr. A. S. Thurston of Thornbury, son of Editor Thurston of the Fisherton Advance came the tenth prize, and \$25.

Following were 15 contestants who received cash prizes of \$10 each, followed again by an "Honorable Mention" list. To receive mention at all in thousands of essays submitted, bespeaks literary merit for the contestant. In the "Honorable Mention" class, Mr. Ernest J. McGirr of Oshawa, has his name appear among the number. Rev. S. E. Annis, of Thornbury, has his name in same column.

Won and Lost with Orangeville in Lacrosse

Since last issue, Durham lacrosse team has played two games with Orangeville in the district schedule—losing 5-13 in Durham last Friday and winning 8-6 in Orangeville on Tuesday. The last game was a crucial one, as upon the result largely hinged the chances of both teams of entering the play-offs. Durham's win practically assured the locals of at least second place, with Orangeville in third. One more Durham victory will clinch it, and the probability is that Fergus will finish on top, having lost only two games so far.

Durham has yet two games to play with Fergus, in Durham on the 30th, and in Fergus, Thursday, Nov. 2nd; also two with Owen Sound and the Olympians, with only two wins so far, are reported to be dropping out. This will ensure Durham a play-off berth.

Last Friday Orangeville were entitled to their honors here, but Durham had more of the play than the score, 13-5 for Orangeville, would indicate.

The Durhams were very erratic in passing, team work and shooting and allowed Brawley on the Orangeville home to break away for a large share of the goals. The absence of Dean the sparkplug of the team, as a result of injuries in the Owen Sound game, may have had something to do with the lopsided score, but at any rate, the locals got a bad game out of their systems.

Monday night the boys chose a new coach and manager, Sherwood (Red) Rowe, a former player, who suffered a broken ankle last spring, but was recently in harness again. Then they appeared Tuesday gaily bedecked in new uniforms and what a change and surprise to the large Orangeville populace and team! Durham displayed their best form of the season and revealed the lacrosse of which they are capable. To hold the strong Orangeville crew scoreless in their own rink for half the game, (2nd and 3rd periods) was no mean feat. Period scores were 2-3 for Orangeville, 4-3 for Durham, 6-3 for Durham and 8-6 for Durham at finish. There were numerous penalties and the referees, Lovell of Fergus and Houston, Elora, didn't hand the "breaks" Durham's way. The boys earned their lead. With the team going like clockwork, if there were any outstanding stick artists, they were McEachie in the nets and O. McDonald and Murdoch in the field. Murdoch 4, Dean 2, Snell 1, Becker 1, were Durham's goal-getters.

Don't miss the Fergus in Durham game next Monday. Durham defeat the leaders 8-7 only last time here, and another tough battle is anticipated.

Died in the West as Result of Stroke

JAMES McDONALD
Surviving a few days only after suffering a severe stroke, James McDonald, a former Aberdeen resident, died on Sunday evening at Disley, Sask., where he was farming. He has farmed in the West for many years, and in 1926 purchased a home on Countess St., Durham, where he remained for about a year, then returned to his Western farm, while Mrs. McDonald and their two daughters continued to reside here. He was 63 years of age.

Deceased was one of the well-known McDonald family of Aberdeen and over thirty years ago, he wedded Miss Jane Smith of Durham, James Smith, their elder daughter, sister of Messrs Robert, George and James Smith. Their elder daughter, Miss Jennie, resides with her mother here, while the younger, Miss Anne is engaged in Occupational Therapy in Kingston. Mrs. McDonald left Sunday morning for the West, arriving too late to see her husband before his demise. She will return with the remains on noon C.P.R. train, Friday, Oct. 27, and the funeral service will be held in Knox United Church that afternoon at 3 p.m., and interment made in Durham cemetery.

Miss Marjorie McLeod, R. N. is on the staff in their absence.

HYMENEAL CONLEY — BURNET

A pretty fall wedding was solemnized at Kenilworth, Saturday, at 4 p. m., by Rev. C. G. Cole, when Miss Ouma Donald Burnet, only daughter of Mr. and Mrs. George Burnet of town, was united in matrimony's bonds to Mr. James Leslie Conley, son of Mr. and Mrs. Joseph Conley, of Holyrood, near Lucknow. They were unattended, the ceremony being witnessed by the bride's parents and her brother George.

Following the ceremony, the trip was made to home of bride's parents at Durham, where a splendid wedding supper was served to the immediate family wedding party. Adorning bride's table was a striking three-storey wedding cake.

The bride was attractively attired in white satin, carrying a bouquet of pink and white carnations and maiden hair fern. Her travelling dress was a grey crepe gown, gray coat and matching accessories.

The happy couple left on a short honeymoon trip to friends in Kitchener and Listowel and upon their return will take up residence at the groom's farm at Holyrood.

Best wishes follow the young couple, in which the Review wishes to be included.

JOHNSTON — MORTON

The Lewvan United Church, Saskatchewan, was the scene of a pretty wedding, Wednesday, Oct. 4, when Norma, only daughter of Mr. and Mrs. T. C. Morton of Lewvan, became the bride of Ross A. W. Johnston, only son of Mr. and Mrs. A. J. Johnston, Lewvan, Rev. W. H. Hay performing the ceremony.

The bride entered the church with her father to the wedding march from "Lohengrin," played by Miss Lois Crain, pupil of the bride. The ushers were Henry Downs and W. H. Collins, Lewvan.

During the signing of the register, Miss Lura Phillips, accompanied by Miss Lois Crain played as a violin solo, "I love you truly."

The bride wore a gown of white satin, made on princess lines and a veil with orange blossoms. She carried a bouquet of roses. She was attended by her cousin, Miss Blanche McKechnie, of Regina, who chose pale pink georgette with matching accessories and carried yellow mums. Wm. Waffle of Winnipeg, uncle of the groom, was best man.

After the ceremony, a wedding dinner was served at the home of the bride's parents, after which Mr. and Mrs. Johnston left by motor for Saskatoon.

The bride-travelled in a smart, brown swag suit with hat and fox fur to match. On their return the bride and groom will reside on their farm, east of Lewvan.

The bride has her A. T. C. M. certificate, and has been a successful music teacher in Lewvan, where her father, a former Durhamite, has been station agent on the C.N.R. for the past number of years. Her mother was formerly Florence Barber of Varnoy. She is also a grand daughter of Mrs. Richard Barber of Durham. The groom is a former graduate from the Agricultural College, Saskatchewan.

The I.O.D.E. are holding their annual bridge and euchre community party to-night, Thursday.

Miss Mary Walker, B. A. of the High School staff, Orangeville, was a week-end guest of her former colleague on Durham staff, Miss Helen Gerrie.

Rev. Jas. P. Lowen occupied the pulpit at the Foursquare church, on Sunday last and delivered a very inspiring message on "The Believer's Justification." Rev. and Mrs. Lowen rendered an effective duet, since the veil was rent in twain.

The pastor, Mrs. J. P. Lowen, at the evening service, gave an impressive message on "The second coming of Jesus Christ, taking as her text, Luke 17:32. Miss Marjorie Vesie and Mrs. John Caswell sang a duet, "Face to Face" very sweetly.

PERSONAL MENTION

Mrs. Jas. McDonald, Wm. and Janet, were in Orillia Sunday, visiting the former's brother, Mr. Thos. Turnbull of Orillia, who is a patient in the hospital there.

Mr. Mack Graham, Misses Barbara Ritchie and Dorothy Pickering were in Stratford Friday evening last, attending the "night" arranged by the Bell Telephone Co. for their employees.

Dr. and Mrs. C. C. Ramage, Gorrie, were at the former's parental home on Sunday.

Miss Margaret Watson, R. N., Normanby, accompanied her uncle, Wm. S. Watson of Detroit to London, on Monday, where she will make arrangements to re-enter Western University to complete her post-graduate course in Public Health Nursing, which she won from Victoria Hospital as an honorarium for her high standing on graduation. This course was broken last year by illness in the home.

Mr. John Alford has been confined to his home for the past few weeks, and for a few days his condition was considered quite serious. He is now on the upgrade and friends hope it will continue so. His daughter, Miss Margaret of Toronto and niece, Mrs. Harry Wilkinson of Mount Forest, came to see him last week.

Mrs. John Renton, Dromore, was a guest a few days of her friend, Mrs. David Leith and other former Egremontites in town.

Mr. Thos. Binnie leaves on Saturday of this week for his home in New Westminster, B. C., after a pleasant summer with his sister, Mrs. Thos. McGirr and his many nephews and nieces scattered over Ontario. Mr. Binnie is a wonderfully virile man for his years and can claim being a pioneer of both Ontario and British Columbia, going to the latter province in the 70's. of last century. He is a member of a Pioneers' Club in Vancouver that meet monthly, when discourse is in the main, based on the pioneer trials and trails gone through and over in Canada's sunset province.

Miss Maude Stewart of St. Davids, spent a few weeks' holidays with Mr. and Mrs. John Stewart and other friends.

Miss Mae McCreath, Kincairdine, spent a few days last week with Miss Gladys Ritchie.

Dr. and Mrs. Peterson of Saskatoon, (nee George McRae) were interesting visitors on town over the week end. The Doctor was in attendance at a medical convention in Cleveland and with his wife, embraced the opportunity to see her old home town once more. Mrs. Peterson is the mother of five children, the eldest now in their 20's, but has always found time to interest herself in matters of public interest. Her visits to Durham since her removal over 25 years ago, have been few and far between and she naturally notes many changes in the Durham she once knew.

Mr. and Mrs. William S. Watson of Detroit, were week end guests of his brother Bert and family in Normanby Tp. "W. S." has a warm spot in his heart for his birthplace, and early school days. In fact the traditions and characteristics of his forebears are so impressed upon him, that despite the kindness of Uncle Sam to him, he still likes nothing better than roaming the fields surrounding his early home. On Saturday he did some caricature work on the blackboard of the school at S. S. No. 1, wherein an array of children were lined up before the dominie, one hapless student about to receive the tawse from the master, who is pictured as giving him the first chance by asking, "Now young man, what have you got to say for yourself?" Past school days and occasions such as this cannot be obliterated from one's memory.

Following the election of officers, a constitution was drafted, in which it was confirmed that the club should meet once every fortnight.

The next meeting of the Durham Students' Club, will be held on Oct. 28, and will be in the form of an evening bridge, business and other sociability.

The president, in his inaugural address outlined the hopes and aims of the organization and particularly stressed the value of such a group as a social and intellectual centre to the students from Durham.

At the close of meeting a sincere vote of appreciation was tendered to Miss Glass for her graciousness in allowing the members the use of her apartment.

Anyone desiring to attend these meetings, should communicate with President Burnett, at 9 Renwick Ave.
