It is not too early to select your personal Christmas Greeting cards. We have a nice assortment and prices from \$1 a dozen, up.

"The Review" We are again the recipient of a tasty bit of venison from J. C. Howell, whose deer was roaming the wilds of Parry Sound District, when shot. Many thanks.

The Carolina Jubilee Singers will appear in Knox Church, Durham, under auspices of Young People's Society, on Tuesday, Nov. 28, at 8.15 p.m. Don't miss hearing them. Admission only 25c and 15c.

On Sunday next in Knox United Church, those wishing to make a financial contribution to the relief situation in Southern Saskatchewan, may do so, by putting same in plate, and marking it "for Western Relief."

Mrs Hazel Fenton, Holstein, charged with criminal negligence in the death of Minnie Conley of Detroit, which occurred following an accident on Highway No. 6, south of Chatsworth, on Oct. 8th, was committed for trial before Judge and jury when she appeared before Magistrate E. C. Spereman, in Owen Sound in police court on Tuesday morning.

**Hanover Editor's Home on Fire** Fire in the home of Mr Geo. H. Mitchell, publisher of the Hanover Post, on Sunday, caused \$1000 damage to his residence, before being quenched by water. The cause was either a defective pipe or bad wiring. The house had been entirely remodelled and redecorated the past summer. Insurance covers the loss.

**What Memory Will Do for You** An interesting proof of the power of the human mind to retain facts over a long period of time was illustrated recently in Kincardine, when the minister of the United Church, seeking a list of ministers who had served that church since its foundation in 1853, went to Mrs Oliver Cole—one of the oldest members of the congregation. Without any material assistance, but working in conjunction with Mrs R. Shelton, Mrs. Cole was able to remember the names of the 27 ministers from the beginning of Methodism in Kincardine in the old church to the present pastorate of the United Church. Mrs Cole, who is 87 years old, has always taken great care and pride in the development of her memory and even now, quite commonly commits whole poems to memory.

## 11 GREY MUNICIPALITIES HOLD NOMINATIONS EARLY

Eleven of the 26 municipalities in Grey County will hold their annual nomination meetings for municipal offices on Friday of this week. The remaining 15 municipalities will not hold their nomination meetings until the close of December. This year there are no municipalities holding nomination meetings on last Monday in November.

The townships of Artemesia, Bentinck, Collingwood, Euphrasia, Glenelg, Keppel and Sullivan, the towns of Meaford and Hanover and the villages of Flesherton and Markdale will hold their nomination meetings on Friday of this week, Nov. 24, with the elections, if necessary, being held on the first Monday in December, Dec. 4th. Acclamations will likely result in the townships of Artemesia, Bentinck, Euphrasia, Keppel, and Sullivan and in the village of Markdale. On the other hand elections seem certain in Collingwood Tp. and in the town of Hanover. Anything is liable to happen in Glenelg, Meaford and Flesherton.

Candidates for municipal offices in other parts of the county will watch these contests with keen interest, since they will indicate the general feeling of the electorate towards the men who have been governing them for the past 12 months.

## REVIEW WILL GIVE PREMIUMS WITH RENEWALS

The Review wants to add 100 new subscribers to its list this winter. To every new subscriber, as well as renewal we are giving as a premium the choice of several articles in ladies' toilettry, all of the very best high grade stock. The choice is that of a ladies' compact, package of face powder (choice of tints), Cleansing cold cream, Olive oil cream skin food and tissue builder.

## Warden D. J. MacDonald Host at Banquet

Following a custom of many years back, the Warden at the closing session of County Council in Owen Sound, plays host to his colleagues and friends,—which this year numbered about 60,—at a banquet, as somewhat of a farewell party. D. J. MacDonald, reeve of Bentinck Township, for some time past, has occupied this honored chair for 1933, and at the banquet which took place at the Queen's Hotel, Owen Sound, on Friday night last, he won unstinted praise and admiration for the manner in which he discharged his duties the past year. It as well showed the general esteem and respect in which Warden MacDonald is held by both peer and peasant. The Review regrets that it was impossible to accept the Warden's invitation to be there.

We quote the "Sun-Times" for a fuller account of this function: "To the strains of soft music played by Miller's orchestra, the company did full justice to the delicacies of the season, after which the program and toast list was proceeded with. Sheriff Wm Breesse made a most efficient chairman and kept things moving along in fine style during the entire evening.

After the toast to "The King" had been honored by the singing of the National Anthem, and the chairman had extended a welcome to all, the toast to "Our Country" was proposed by Reeve Emerson Brown of Clarksburg, who referred to many of the advantages to be found in Grey County, making special mention of the fact that there were 16,000 acres of apple orchards in the county and their product was the best in the province while the beautiful scenery, the great power project at Eagenia Falls, added to the importance. He also referred to the honor which had been brought to Grey Co. by Col W. A. Bishop, V. C. and Sgt. Tommy Holmes, V. C., by their acts during the Great War.

Reeve W. H. Hunter, of Egrement, responded to the toast in a very brief manner, making particular mention of the success achieved this fall by the Provincial Plowing Match in Derby Tp. He declared Grey was the banner county of the province and quoted a recent statement published, showing the general occupation of the farmers, what they earned and what a high place the county held in the country.

After Jack Millar had rendered a beautiful saxophone solo, Chairman Breesse made fitting reference to the loss of John Parker, who for many years was Co. Treasurer, and the gathering observed a minute's silence as a token of respect to his memory.

"Our County Officials" was the next toast, responded to by Reeve W. L. Taylor of Osprey, who paid a high tribute to the manner in which the various officials performed their duties and he also made a special reference to late Co. Treas. This toast was responded to by Co. Clerk Fred Rutherford and Co. Treas. F. D. Bonnell, both of whom expressed appreciation of the co-operation and assistance given them in the discharge of their duties by the members of the Co. Council and particularly by the Warden.

"Agriculture" was proposed by the Normanby reeve, Chas. Holm, and was responded to by Dep-reeve R. L. Aitchison of Sullivan. The latter sounded a warning to the farmers of Grey that they must improve the quality of their cattle they were shipping to the markets, as it was showing a tendency of late to deteriorate. He also paid a very high tribute to the splendid work of T. Stewart Cooper, Agt Representative, for the great work he was doing in the county, especially in regards to the education of the farmer along the lines of grading his products, which was most important.

His Honor, Co. Judge G. W. Morley, in a timely address, proposed the toast to 'Our Country.' He pointed out that while there is a rift in the clouds of depression just now, the people must be prepared to face the most difficult winter they had yet faced, but it was certain it would be the last. It was a hopeful sign when

## William Smith Passes at his Home Sunday

A death that has brought much sorrow to the family circle, as well as to a larger radius, was that of William Smith, son of the late William Smith, of Glenelg, in his 68th year. Two weeks ago he was overtaken by a paralytic stroke and while making slight rallies, gradually became weaker and more helpless as it is thought succeeding strokes overtook him. He has been unconscious most of the time and on Sunday morning last, passed peacefully away at his home on George St. Born in the Paisley Block, near Guelph,—one of a family of eight,—deceased in early boyhood came with his parents to Glenelg Township, where the husband and father first occupied the farm now owned by Mr Dan McArthur of the Glen. The father did not however, remain here long but purchased the well known former Smith homestead, on con 2, Glenelg, now owned by Mr John Hamilton. Here the boyhood and young manhood days were spent and the careful and intelligent upbringing in that home, he early imbibed truths and principles that never left him.

In 1893, the late Mr Smith started out for himself, purchasing the former George Meikle farm on 2nd con. of Bentinck, which he farmed until 1928, when he removed to town. In 1927, he was happily wedded to Miss Jeannie Weir, daughter of the late Adam and Mrs Weir, by the late Rev A. G. Jansen, who survives him with two daughters: Annie, Mrs. E. S. McArthur, north of town and Miss Margaret, R. N., at home. A son Donald died in infancy. There also survive three brothers, James, of Holstein; Charles and Bert, of Guelph, all of whom were present at the funeral on Tuesday.

While of a quiet and retiring disposition, Mr Smith was always found to be a man of his word and respected as neighbor and friend. He was a pillar of strength to Durham Presbyterian Church and in 1930, was honored by a place on the Session Board. In 1928, Mr and Mrs Smith retired from active farm work and purchased a property in town, and since then, have taken things somewhat easier.

The funeral on Tuesday, conducted by his pastor, Rev. B. D. Armstrong, was largely attended,—a recognition of the esteem in which deceased was held. The remains were borne by Messrs T. M. McFadden, Gordon Geddes, John Morrison, John MacKenzie, John McGowan, J. A. Rowland, J. R. Hamilton, Hanover.

Floral tributes rested on the casket from the family; the brothers; Mr and Mrs Murray Henderson and Mr and Mrs R. Henderson, Guelph; Mr and Mrs J. R. Hamilton, Hanover; Session and Managers Durham Presbyterian Church; Mr and Mrs Gordon Geddes; Mr and Mrs John McGowan, Mr and Mrs J. A. Rowland, Dr. and Mrs D. B. Jamieson; Mr and Mrs Herb. Cross; the Laidlaw family.

## "NEW CANADA MOVEMENT" EXPLAINED IN DURHAM

Thursday night last in Durham Public Library, saw a considerable number of young people assembled, to hear explained the aims and objects and ambitions of the "New Canada Movement" that at present is sweeping Ontario. Mr Dan E. Ritchie of Edge Hill presided over the meeting. The gathering was addressed by two young gentlemen, Mr John A. Martin of Lucknow and Mr Ralph Staples of Durham County. Present as well at the meeting were two other men affiliated with the movement, Messrs Gilmour and Closie, who on the following night—Friday, addressed similar meetings with the former two speakers at Varney and Ebenezer. They purpose in about two weeks' time to hold a meeting at Edge Hill.

The Junior Farmers' Institute each previous to the above meeting, held sessions of their own. At the Junior Institute session, Miss Margaret McGirr gave a talk on "Courtesy and Good Manners." Miss Gladys Firth presided.

FOOT-SORE, tired, listless, use Cress Corn Salve. At Calder's Drug Store.

## May be Acclamation in Adjacent Townships

Our neighboring townships of Bentinck and Glenelg will nominate their municipal rulers on Friday of this week, and there is at least an even chance that acclamations will result in both municipalities. There is no great agitation for an election in either township and with reduced taxes this year, the electors may decide to let well enough alone.

In Bentinck, Reeve MacDonald will probably be willing to remain in office another year, after receiving highest county honors but would not cause an election if Dep. Reeve Magwood is anxious to step into the big chair. The expectation is that even if there is one or two changes in the personnel of the Council, there will be no voting.

There is more likelihood of an election in Glenelg. Coun. John McGirr, after several years' experience, is being pressed by many electors to run for the Reevehip and may qualify if there is a race for the Council seats. We have not learned if Reeve Brodie will again be in the field,—probably he will but McGirr will not force a vote for the Reevehip alone. If John steps up, Lawrence Chapman's name has been mentioned as a prospective candidate for Council from Ward 1, and the other present councillors are likely to "stand pat." However Friday will tell the tale and it won't be long now. Elections if necessary, will be held first Monday in December.

## \$59,657.98 SPENT IN 1933 ON GREY COUNTY ROADS

In the first annual report of R. C. McKinnon, as County Engineer and Road Superintendent, he presented Grey County Council with figures, showing what every cent of the money went, what it was for and how divided among the various townships, etc. The report was one of the finest ever presented to the Council and went into great detail.

In order to follow out the program of economy adopted at first of year, with respect to road expenditures, there was comparatively little construction work done, while the maintenance costs were also kept down to the minimum.

The total gross expenditure on construction in 1933 was \$10,674.30, on maintenance, \$26,009.32, and in connection with the general account \$8,072.08. There were also two items in connection with which no subsidy will be paid. These bring the total gross expenditure up to \$59,657.98. Credits of \$7,111.71 reduce this amount to a total net expenditure of \$52,546.27.

## AMONG THE CHURCHES KNOX AUXILIARY

Knox Auxiliary were entertained for their regular monthly meeting at home of Mrs W. R. Alder on Monday evening, Nov. 20. The president, Mrs C. McGirr was in the chair and meeting opened with devotional exercises. Mrs Smith gave the devotional study "The Ideal Minister's wife,—Priscilla" and Miss Winnie Blyth led in prayer. Mrs Stonehouse gave a very interesting paper, "Living Issues in China." The Auxiliary decided they would contribute towards a bala to West, being sent by the W.M.S. The study part of the meeting closed by repeating the class text and the Lord's Prayer in unison. A pleasant hour was spent working on the quilt blocks. At the close of the meeting light refreshments were served.

## PRESBYTERIAN Y. W. A.

The Presbyterian Y.W.A. met for study at the home of Mrs (Rev.) B. D. Armstrong, on Thursday evening, Nov. 16. The meeting opened with Hymn 579 and prayer by Mrs Armstrong. Scripture reading by Miss K. Ritchie, followed by hymn 374 and business meeting. The next meeting will be held at home of Mrs Pickering the first week of December. It will take the form of a 25c supper, at 6 p.m., followed by business and a social time together. Proceeds are to go towards "Expense Fund." Miss Jean Harding sang "The Stranger of Galilee," and Miss Elsie Leitchman gave a paper on "The New Canadians" taken from our new study book.

We were pleased to have with us, Mrs (Rev.) McCracken of Walkerton who gave an interesting talk on the work of the Young Women's Auxiliary, in which she gave us many splendid ideas. Miss Marjory Pickering moved a vote of thanks to the speaker, seconded by Miss Marion Calder. The meeting closed with the Lord's Prayer in unison, refreshments being later served and a social time spent together.

## DURHAM BOY BRINGS HOME WINNER IN TORONTO

Though Durham has never entered the Rugby picture, one of its hometown boys has achieved a mild measure of fame in the great Autumn pastime as a gridiron coach in Toronto. Albert ("Sox") to the sport world) Kress, a former line star at Western University, London, is now in his third year on the staff of the Humber College, Toronto, and among his other duties coaches the Junior Collegiate team. As a result of his training and football job matter, the team won the Junior city title, which in competition with about fifteen other schools, means no mere achievement. Sport writers who singled Albert out for special mention, claim he trotted out one of the most soundly drilled teams seen in the Toronto junior division in years. As part of the celebration activities, the team gave their coach a pen and pencil set and also presented his wife with a beautiful bouquet of roses.

## LADY M. P. TO UNDERGO AN OPERATION

Miss Agnes Macphail, M. P. will shortly enter a Montreal Hospital, to undergo a serious operation. Over a month ago, she was a patient in Dr. Carefoot's private hospital at Markdale, where it was thought a complete rest under medical supervision would do much for her. However, physicians have been watching her case, have deemed an operation the only thing possible for ultimate betterment.

Whatever shade of political opinion, it is conceded that the lady M. P. has worked indefatigably for her party. Oft is the matter expressed, "How does she stand it?" Successful politicians become devoted to their cause and spare no time or effort in putting their views and opinions across. Such has Miss Macphail done for her electors, as well as the larger field of politics, where she has addressed hundreds of meetings on behalf of the C. C. F. movement. While of course, there is reason for divided opinion on the aims and policies of the C.C.F., there are none but will agree that she put much of herself into the speeches and was honest and sincere in her convictions. Her many friends hope that the operation she is about to undergo, will have a successful outcome, and that she will again resume her place in the national life of Canada. Politicians of Miss Macphail's stamp are needed in Canada's parliamentary halls.

## SEVERAL DEER SECURED IN LAST WEEK'S HUNT

While there are probably one or two hundred deer in this locality, their numbers were not appreciably reduced by the four day open season in Grey last week. In Durham, the local issuer, J. C. Howell sold out of licenses and could have disposed of more, at \$4 per. Among those successful in bringing down a buck or doe, were Lorne Allan, Ham Allan, Dr D. B. Jamieson, Harry Simons, Bert Barber and Gordon Grant. Huntsmen in Artemesia and Proton townships, also secured their quota.
