MR and MRS H. B. McLEAN MARK
25th WEDDING ANNIVERSARY

The 25th or silver wedding anniversary was fittingly observed, Sunday Nov. 12th, of Mr and Mrs H. B. McLean, at their home, when relatives from Toronto, including their daughter Doris and young friend and sister, Mrs H. Richardson and husband, The Boves family of Markdale, Mrs D. G. McLean (mother) and family, and the Misses James of town, gathered at their home. The happy couple had been induced to attend service in church as usual. When on returning they found their house taken possession of, (not by bandits) but by the above mentioned. To say they were surprised, but faintly represents the situation, when on entering the dining room, they found the table decked with the choicest viands together with a prime goose and two ducks, "warm, reeking, rich."

A fine three-storied bride's cake, a work of art, (by the Misses Bertha and Edith James, sisters of the popular bride), was flanked lengthways of the table by two bouquets of beautiful roses and this again, by two large candles, while a large white wedding bell hung from the chandelier above it all. A walnut cabinet of silver by the immediate relatives, graced the table. A circular silver container with triple cut-glass triangular sections, has been later received from Mrs Harry Elliot, nee Emma Robertson, Saskatoon, once of this town, and a dear friend of this couple.

We feel certain that the honored couple have the heartiest congratulations of all who know them, as well as our own warmest regards and best wishes for many more years of married bliss. An amusing incident occurred next day, during a description of the groom's cake, also provided, interrupted by one, who through deficient hearing, taking it for "Broomstick." Laughter followed.

A meeting was held Wednesday night by two of the band of young speakers, who have been undertaking to do their part towards trying to save "Agriculture" and as a result, "Save Canada." It was proposed to hold the meeting in the Agricultural Hall, but the prevailing cold kept many away. One dozen were present. An adjournment was made to Mr. McVicar's dining room, where an equal number were present, with a change in personality. Mr Arthur Haas, Holstein, opened the meeting, stating the object of the movement, to interest the younger generation in the welfare of their country, to encourage the growth of Nationalism.

The enormous debt of Canada of over two billion dollars and 85% of the farms being mortgaged, was a striking statement. It was the duty of the young men to strive to make the world better, assuring that there were no politics or partyism in the movement. He illustrated his talk with charts dealing with the subject. Being well and favorably reported in last issue, it is needless to say more here.

Richard Prou, Brantford, discussed a new Canada, a union of Clubs, a convention to be called soon, and hoped that more young people would take hold of world affairs. 500 young men and women in Bruce Co. had signed for the movement, which was open for anyone and he hoped the young men here would unite and "put this across" to create a greater interest in Canada. Mr McPhail, Holstein teacher, referred to old-time conditions and hoped for the union of all to banish ignorance and indifference. The payment of 25c enrolls one as a member and gets the "Farmers' Sun", for 3 months, who are backing up the movement. The boys are giving their time free. Money (25c) collected goes towards paying expenses of hall and travelling.

We are glad to know that at a concert held in the High School at Flesherton, by the pupils thereof, that it passed off successfully, two young ladies from here taking prominent parts. Miss Erma McLean took the part of 'Priscilla' in the "Courtship of Miles Standish". Miss Catherine McVicar had as a number the Sword Dance and Highland Fling. Acrobatic acts by the young men was a striking feature. There was another play as well as one mentioned.

Mr Fred Karstedt had lately installed a fine hot-water system of heating in his store and dwelling, which is giving good satisfaction. Mr Jas. McDougall did the plumbing in the installing. Mr Arch McArthur lent valuable assistance.

Congratulations to Mr and Mrs. Ray McLean on the birth of a son. (William Donald Glenn.)

The note in last week's North Egremont news, reminds me of an actual expression of a minister's sermon, "Hah, he started in the Sea of Galilee and landed in the Georgian Bay."

The close proximity of the Moon and Venus this Monday night—a beautiful sight,—reminds me of the failure of the Leonides to show up last week, though I was waiting to welcome and perhaps admire them.

We are credibly informed that the Sparrow Lake sleigh factory, or at least a branch of it, has been moved to Priceville and have a fine sample on hand, already sold to Chas. Tucker.

ACTIVITIES OF ST COLUMBA UNITED CHURCH

W. M. S. ELECT OFFICERS

The W.M.S. and Women's Association of St. Columba United Church, held their regular meeting Nov. 15, at home of Mrs D. G. McLean. The election of officers for the W.M.S. took place at the meeting. After a faithful service of many years, Mrs. A. S. Muir resigned the presidency. Miss Moir was elected president for coming year: 1st vice pres, Miss B. James; 2nd vice pres, Miss Belle Weir; Sec'y, Mrs F. G. Karstedt; Treas., Miss Martha Watson; press sec'y, Miss Jewel McArthur; Supply sec'y, Miss L. Mather; Envelope sec. Mrs H. B. McLean; Missy's Monthly sec'y, Miss Anna Shortreed; Temperance sec'y, Mrs F. McKinnon; Strangers' sec'y, Mrs D. G. McLean; Mission Band leaders, Misses Belle Weir and L. Mather. Miss L. Mather's group was in charge of program. Miss Moir gave a reading on the 23rd Psalm. Readings were also given by Miss Jewel McArthur, Mrs G. Whyte and Miss B. James.

At the conclusion of the W.M.S., the Association held their meeting. The election of officers was left over till next month. After business, Mrs. S. McDermid's group served a dainty lunch.

The weekly meeting of the Young People's Society of St. Columba was well attended. It opened with a 15 min. song service. Miss Anna McLean was organist for the evening. Miss Alice Reiley had charge of the worship period. The literary group, under leadership of Mr J. D. McArthur, supplied the program. Miss Edith James read a chapter from one of R. Connor's books, "The Man from Glengarry." Miss Evelyn McDermid sang a solo. Mizpah benediction closed the program. Next week the Missionary group will have charge of program.

We understand Mr John Gillespie, Mount Forest, has bought the farm Mrs Dan Campbell went to Toronto Tuesday to spend two weeks with friends.

Miss Mary McDonald has returned home after two weeks spent at Mr. A. Hincks'.

Glad to report Mr and Mrs George Campbell are improving after an attack of pneumonia. Dr Carefoot is in attendance.

Mrs Stephenson returned to Markdale, after a week with her daughter Mrs Wm. Hincks.

Keep in mind the Christmas concerts—one in St Columba Dec. 21st, and in Presbyterian Church Dec. 20.

Mr and Mrs Chas Tucker and Gerald, Ebenezer, visited Saturday at her father's here.

Mr and Mrs Wm Hincks visited Sunday at Mr Stanley Harrison's.

SWINTON PARK

We are enjoying splendid winter weather: good sleighing. Cars are sometimes held up on the sidewalks and motorists should carry shovels. Last week a great number took advantage of the four days open season for deer hunting, and we noticed several deer going by in the cars. When Wilfrid Black, Billie McKinnie and Sam Goheen go out to hunt, you might as well try to escape from Old Nick. They will get the game, be it deer, fox or weasel.

Howard Watson has also returned from his hunting trip up north, bringing a deer with him.

Dick Hardy and wife attended the wedding of a friend in the city on Saturday.

Mr and Mrs Jean Ambrose were week end visitors at George Haw's, coming by motor from Toronto.

Mr Garfield Anthony who is at present employed in Toronto, spent the week end at his home here.

Mrs Robert Knox visited last week with her daughter in Owen Sound.

Phillip and Clarence Harrison were busy last week and have hauled home enormous piles of dry wood all ready for the stove. That would be the ideal place for a transient to land—no wood to buck. We notice that in Durham the wayfarer has to be introduced to Harry Scott, the cop, before he can eat. I don't think I will go to Durham.

Now at our school preparation is being made to give Santa Claus a real welcome. There being lots of snow, those old reindeer, Dunder and Blitzen, will be in good shape.

As the date for paying the taxes draws near, there is considerable talk about the taxes being reduced, not in Proton, but in the neighboring townships. We are awful beggars in Proton. Every Council meeting a number are there, requesting ditches cleaned, roads improved, or a grant for this or that; and of course, there is some charity these hard times, and the Council gets blamed for spending the money. We heard of only one man suggesting to the threshers that they present his threshing bill to the Council, as he could not pay it. But on Nomination day, all these difficulties will be cleared up.

Instead of writing that weekly letter to distant friends, why not have the Review tell them the news of the district. Save yourself the trouble of worrying over what to say each week for \$2.00 for a whole year.

HOPEVILLE

Miss Lena Wilson is keeping house for Mr Wm. McEachnie and Leonard.

Rev. Gilbert Johnson, of Owen Sound was present at the Young People's Society of Bethany Church, on Friday evening and gave a splendid talk on his recent trip to Palestine, illustrated with lantern slides. Miss Tena Christie has a sore foot, the result of stepping on a nail.

Mrs Chas. Wale is delegate appointed by local Women's Institute to go to Toronto to attend the Provincial convention meeting in the city this week.

Messrs Albert Guymore and E. Green have rented a farm down near Jessopville.

Messrs Will McKinney and G. H. Gilkes each got a deer in Artemesia Township, during the recent open season for deer-hunting.

GREEN GROVE

Miss Eva Gadd of Holstein, who has spent some time at the home of Mrs Will Paterson, returned home on Sunday.

Mr and Mrs Nelson Hunt spent the first of week with Mr and Mrs Thos. Timmins, Glenelg.

Mr and Mrs Ed Lindsay, Egremont, visited recently at his brother Andrew. We are sorry to say that Mrs. Clark Watson is under the Dr's care. Her sister, Mrs W. Ellison is in attendance upon her.

Mr and Mrs George Collinson, Miss May Collinson and Mr McKay, all of Hamilton, visited recently with their parents here.

Miss Muriel Langrill, Hanover, visited recently with Miss Ethel Hargrave.

Miss Jessie Bell and Mr O. Green, Toronto, were week end visitors at her brother's, Mr T. Bell's. Mr Arthur Lawrence treated the young people to a party Friday.

EDGE HILL

Mr A. Anderson is in Toronto this week, attending the Women's Institute Convention.

Mrs Ralph Staples spent last week with Mrs Clark Watson who has been ill.

Mr and Mrs Gordon Geddes visited a day recently at the Macdonald home.

Miss Dorothy Robinson is visiting Ayton relatives this week.

Miss Alix Edge, Barrie, spent the week end with her sisters, Mrs W. J. Ritchie and Mrs W. G. Firth.

Born, on Nov. 18, to Mr and Mrs. R. C. Robinson, a son. Congratulations.

We are sorry to hear that Mr Mike Kenny underwent a serious operation in Durham hospital last week.

On Monday, Nov. 20, the Edge Hill Community club held their annual meeting. A fair crowd was present and the following officers were elected for the coming year: President, Chas. Robson; 1st Vice Pres., Wm. Glencross; 2nd Vice Pres., Mary Anderson; Sec'y, Dan Ritchie; Program Com., Sarah McLean, Dorothy Ritchie, Chas. Timmins, Cameron Robson and Dan Firth; organist, Mrs Howard Ritchie; auditors, Clara Jack and Christina Anderson. The first meeting will be held on Dec. 29.
