A Birthday Surprise Party

The home of Mr Alex, Hay, Upper Town, was invaded by a number of friends and neighbors, who gathered here as a surprise to his guid wife, whose birthday it was. The evening was pleasantly spent in social repartee, followed by a bountiful "surprise" lunch. A wonderful birthday cake, mounted with candles (supposed to be the correct number) graced the table. Some tea-cup reading experts supplied the humor after lunch.

Durham Took Second Game from Paisley, 9-1

Playing a more finished game than they exhibited at home, Durham hockey team won their second game from Paisley last Thursday night, by the one-sided score of 9-1 on the latter's ice. The victory practically eliminated any hope Paisley had of entering the play-offs and the real fight is now Durham vs. Walkerton

who have twice defeated Port Elgin. Paisley's chances were not at all enhanced by the absence of McGlenning, the goal'e, who is out with an injured eye, or the fact that Hugh McArthur has a broken rib and only The standing committees for the played about 4 min. But the main reason for defeat was the fact that Durham just couldn't do anything wrong, and from the time that Lauder banged in on McIlraith's pass in the first period, until Elvidge slipped in one on a sole rush in the third the visitors were on top of the play.

Before the first period was done. Elvidge had scored to make it 2-0.
