We thank quite a number of our subscribers for renewals received recently, and would appreciate it if many more would do likewise.

Among others, Mr John M. Campbell of Regina, says: "We are having a pretty stiff winter so far: 20 below zero most of the time."

Don. McCormick of Castor, Alta., writes: "We are having a very cold winter, with lots of snow."

Thos. Ewen of Bethune, Sask., says: "We had a month of very cold weather, down to 40 below for Christmas and New Year. The roads are all blocked for car use. Our crop was not too good last year again, but hope they may be better this year, with prices a little higher."

Don. McIntyre, of Flint, Michigan, writes: "Enclosed find subscription to the Review. We enjoy the weekly news, and cannot get along without it."

PRICEVILLE AND VICINITY

PRICEVILLE

Miss Marjorie McLean underwent an operation for tonsils last week in Owen Sound hospital, and is at present at her cousins, Mr. and Mrs. A. B. McDonald.

The fine Christmas Tree, erected on the public square or triangle, has now been taken down after performing the part in showing the beauties of Science, with its lights, as also that of Nature, with its fine conformation of growth.

The funeral of Mrs Donald McDonald, of the townline Proton and Egremont, took place on Saturday, Rev. N. McDonald conducting the service in the church. The deceased was highly spoken of, of fine quiet quality. The funeral was largely attended by sympathizing friends and neighbors. J. F. George, Jimmie and Gordon are her sons; Mrs McNally and Mrs Thos. Collier, of Durham, are the daughters. W. G. Watson, funeral director.

Mr J. P. McMillan was elected as Village Trustee at a recent meeting, taking the place of Mr. McBride, resigned.

Mr. Donald McArthur is again home from the hospital, much improved, pleased to hear.

Mr Donald Reiley is assisting Mr. Harold Karstedt, with the latter's fine ranch of foxes.

Mr. Karstedt has recently made some fine sales to British Columbia, to Owen Sound and to many places elsewhere, besides pelting some fine ones. With good selections and good management, they are going "over top" (not the foxes here I mean).

Mr. Les Anderson is engaged with Mr. D. McDougall for the early spring work.

It is felt the skating rink here, has too large a roof with the variable weather prevailing. The streets until Monday, were not wanted, anyhow a friendly game was played on Wednesday. On Wednesday of this week, our Connachers and Clancy's will play at Durham. A return game is expected here on Saturday by the same teams.

A small company of the youth and beauty of the town, spent a pleasant New Year's evening at the home of Mr. and Mrs McVicar, when a jovial and well-bred time was had with the forty or more present.

Congratulations to Mr and Mrs N. Norman, Dundalk, (nee Esther McLean), on the arrival of a baby girl, Jan. 2nd. (Janet Ruth.)

Miss Mary McCuaig returned home after spending two weeks with her sisters in Pontiac, Mich.

Mr and Mrs Arch. McKechnie, Laurie and Kenneth, Mrs Allie McLean, visited Sunday at Mr Andrew Hincks.

The Bean Contest closed on Dec. 30, and the prize winner was Mrs. Hector McLean. She guessed the correct number in jar—760. Mrs. Wm Hay came second, guessing 761 and Wm. Hay 759. Miss Marjorie McLeod, R. N., next, with 757. \$5 was made and was in aid of the Willing Helpers' Society.

Mr David Hincks spent a few days this week visiting Egremont friends.

The W.M.S. and Willing Helpers, will have their monthly meeting at home of Miss Nellie McLean on Jan. 16th. Lunch com.—Mrs Colin McLean, Mrs John Nichol.

SWINTON PARK

We in the Park, were sorry when hearing of the death of our old neighbor, Mrs John McQueen of the town of Durham. Also the passing of Mrs McDonald of the townline corners. Both of these ladies were much esteemed members of Swinton Park church in the years gone by, and sincerest sympathy is extended to the bereaved families.

There has been many ailing throughout this section during the past month. Dr Mountain has no need to complain of unemployment and is, we think, fulfilling his mission to the satisfaction of all. Mrs Jas Sturrock has suffered very much from an ailment in the eyes for some time, and on Dr. Mountain's advice, went to a specialist in the city last week. We hope to soon hear of her recovery.

Miss McLeod, R. N., has been nursing John Parker for about three weeks, he having a serious case of pneumonia, but is now making progress.

Only the blacksmith has benefitted by the tricks of the weather,—so many thaws and intense frosts, causing so much ice.

The New Year resolutions are mostly all made, but no doubt a few extras will be added by the new council at their first meeting in 1934.

The school concert, which was postponed before Christmas, on account of deaths in the section, is to be held in the Hall Friday night, Jan. 12, the young people assisting with the play.

The annual meeting of Presbyterian Church was announced to be held on Friday, the 19th, at 2 p.m. Not many out to church the past two Sundays on account of ice. Horses cannot go safely; old people cannot walk and cars in general are stored away, though some are running but frequently in the ditch.

Mr. and Mrs Dick Hardy returned last week, having spent Christmas and New Year in Toronto.

Fred Knox came home Saturday from up around Spanish River in

New Ontario, where he has spent the past three months trapping and hunting.

Several from this locality journeyed to Toronto Saturday, making use of the cheap rates on C.P.R., to visit friends and do some shopping.

HOPEVILLE

The regular monthly meeting of Women's Institute, will be held Wednesday, Jan. 10, at home of Mrs Ed. Gilkes.

Roll call: New Year resolutions Paper: "From Babyhood to Manhood with the poets", by Mrs Wm. Dingwall.

Recitation, Miss Tena Christie Paper: "From Candlelight to Electricity", by Mrs Jas. Scott.

Mr and Mrs Elwin Hood spent over New Years with her parents, Mr. and Mrs G. Bailey, Shelburne.

Mr. Aubrey McKechnie has been dangerously ill the past week with blood poisoning and erysipelas, but glad to hear he is now making some improvement. His aunt, Mrs Alex. Henderson, has been assisting in the home.

The annual meetings of the local churches are the order of the day. After a lively municipal election January 1st, ratepayers gave their opinion of the former council's doings in no uncertain tones by electing a new group with the exception of one former member. Everyone seems satisfied with the results.

Public office at present is not one grand sweet song: rigid economy is demanded and still the affairs have to be kept going which presents quite a problem. It seems much easier to sit back and criticize than to do a thing. One thing the new council can be sure of, which will hinder a good start, is the old debt and finances, which are really in a bad middle.

The Amusement Club concert held Thursday, Jan. 4th, was very well attended. Reeve Jack made a splendid chairman and instead of the usual chairman's address, gave two recitations, one a real braw Scotch one: recitations by Violet Ferris, H. Gow, Arthur Gilkes, Alan Sinclair; violin music by Wm McEachnie; solos, Mrs E. Hood and Leonard McEachnie; duets, Mr Ed. Gilkes and Mrs Wilfrid Black; reading by Miss Arlie Montgomery; a good dialogue, "Uncle Joseph's Will" conducted by the Stewart boys; Mr and Mrs C. Riddell, Will Gilkes, Miss P. Wiltshire and Alex Stewart; by special request a humorous short play "Kidnapping Betty", with cast, Mr and Mrs Geo. Shand, Mrs J. Sinclair, Myrtle McTaggart, Irma and Theron Dingwall, and Walton Sinclair. An appreciative audience gathered to hear it.

Traffic earnings of the Canadian railways for July show an aggregate gain of nearly a million dollars as compared with July, 1932, the best showing in many months on similar comparisons. Gross earnings of the Canadian Pacific account for \$473,000 of this gain during the month.

"He got you that time," said Mrs. Montagu Norman to the governor of the Bank of England, when they landed recently at Quebec from Canadian Pacific liner, Duchess of Atholl, on their way to Bar Harbor, Maine. The purpose of the visit is a mystery, not even a holiday being admitted by the distinguished visitor.

John Nelson, president of Rotary International, sailed recently by Empress of Britain on his way to Lausanne where the second European regional conference of the world-wide organization was held this month. He stated that Rotary had 150,000 members in 300 clubs.

"If from the conferences, speeches and exhibitions at the World's Grain Exhibition at Regina we can derive even one suggestion of importance to agriculturists, the show will be voted a success," said E. S. McGrow, manager, United Grain Growers office in Calgary, in a recent address at the Palliser Hotel in that city.
