DOWN ON THE FARM Down on the farm 'bout half past four, I slips on my pants and sneak out the door. Out in the yard I run like the dickens To milk all the cows and feed all the chickens: Clean out the stable, curry Rhoda and Jiggs, Separate the cream and slop all the pigs. Rustle two hours, then eat breakfast like a Turk. By heck! I am ready for a full day's work. Then I grease the wagon and put on the rack, Throw a jug of water in the old grain sack, Hitch up the horses, slip down the lane, Must get the hay in, looks like rain. Look over yonder, sure I am born, Cows on the rampage hogs in the corn. Start across the meadow, run a mile or two, Heaving like I am wind-broken, get wet clean through. Back with the horses, then for recreation, Rhoda gets a-straddle the barb-wire fence; Joints all aching, muscles in a jerk, Whoop, fit as a fiddle for a full day's work. Work 'til the summer 'till winter is nigh, Then figure at the bank and heave a big sigh: Worked all the year, didn't make a thing, Less cash now than I had last spring. Some folks say there ain't no hell, Shucks! They never farmed, how can they tell? When spring rolls 'round, I take another chance, As fuzz grows longer on my old gray pants, Give my gaiters a hitch, belt another jerk, By gosh! I am ready for a full year's work.

Norman Russell and some of his friends have recently been experimenting on a queer looking vehicle, and have got it so far on the way that it goes along at a good speed. It is a sleigh, running on four skis, the front pair being controlled by a steering wheel. Motor power is provided by a four-cylinder motorcycle engine which drives a two-bladed propeller at the back. Running along the level road, the sleigh makes good time, and the mechanics are continuing the work on it—Fergus News-Record.

MISSION CIRCLE MEET The Baptist Circle met on Wednesday, Feb. 7, at home of Mrs A. Riesz. The president presided. After singing 'More love to Thee', and a prayer by the president, there was scripture reading by Mrs Robt McLean, followed by a season of prayer, led by Mrs Moffet. Each prayer was on Bolivia, and ended by all repeating the Lord's Prayer. Mrs Priest then gave a talk on the different parts of church work. Minutes of last meeting were read and approved and roll call answered with a verse, with keyword of love. Miss Bedford gave a reading on 'Life', which is so great and short, for there is so much in Life: Tropic by Miss Moffet, and that wonderful missionary, Miss Holmes—her wonderful work in Bolivia. The meeting closed by all repeating 'My Faith looks up to Thee.' A short business meeting of the Ladies' Aid followed and social half hour spent.

25 YEARS AGO Durham outclassed Walkerton 12 to 2 in hockey last Wednesday, and led the district with 6 wins and 0 losses. Friday of this week will mark the completion of 100 years since the birth of Abraham Lincoln, and far beyond the bounds of his own country hearts will warm to the memory of 'a man, a mental giant, with gigantic soul, in forefront of the people, wielding power as trust from God.' Last Friday night a spectacular race of speed and endurance took place in New York between the re-doubtable Canadian, Longboat, and the hitherto invincible Englishman, Shrubbs, which was won by the former. Miss Ida Wilson leaves today, Thursday, to train for a nurse in the Guelph Hospital. A quiet wedding was solemnized at the Baptist parsonage last Wednesday, when Mr. Alf. Vollett and Miss Annie Petty united hand and heart to travel life's journey. The ceremony was performed by Rev. Mr. Newton and immediately after the happy couple left on their honeymoon trip to Arthur, Wingham and other points. Mr. N. W. Campbell left last week for San Antonio, Texas, where his daughter, Islay, had preceded him by a week or two in company with Mrs. (Rev.) Newton, whose son, Carl, is near by.
