R. R. 3 on Afternoon Schedule
Commencing next Monday, March 5th, the mail courier on R. R. 3, Durham, will return to summer schedule, leaving Durham post office after distribution of the noon mail.

The Durham Women's Institute will hold their annual "At Home", on Thursday evening, March 1, in the school room of Knox Church at 8 p.m. Progressive croquet will be the special feature. Members of the Institute and their friends are cordially invited.

Canadian Greys' Chapter, I.O.D.E. will hold their monthly meeting at home of Mrs G. S. Kearney, on March 6th, at 8 p.m. Mrs (Rev.) W. McCracken, Walkerton, will address the meeting on "Irish Literature and Music."

A recent letter received from Jno. Sinclair, Denver, Col., tells of a beautiful mild sunny winter with only two light snowfalls which all disappeared in half a day. Early spring flowers in bloom, lawns green with temperatures up to 75 deg. No frost in the ground or ice. Quite a contrast to our extreme weather.

Melville United Church, Fergus, has a present membership of 940. 67 were added during the year and 18 removed. Total General Fund receipts were nearly \$11,000 and M. and M. Fund \$5,830.22. There are 35 teachers in the Sabbath School and average S. S. attendance for the first five Sundays of 1934 was 425.

Will Take a Parish in England
Rev. Ernest Hayes of Wingham, has resigned as rector of the Anglican Church in that town and purposes after Easter, taking a parish in his native county of Cheshire, England. This information Mr. Hayes himself conveyed to an out-of-town reader of the Review a few weeks ago. But the former Durham rector also said he did not plan to make England his permanent home. He thought well of Canada and he would likely return to active clerical work in this country.

Owen Sound Olympias Out
In the Intermediate O. H. A. play-offs, Walkerton defeated Durham after three great battles, Owen Sound overwhelmed Walkerton, then Listowel noted out Owen Sound, 7 to 6 on the round. And now, Durham team and fans feel assured that if yet in playing condition, Durham could take Listowel's measure. Travellers and others who have seen the teams in action, state that the Walkerton-Durham play-offs furnished speedier hockey than anything they saw in the Listowel-Arthur-Harriston group.

Thawing Pipes Caused Fire
The first alarm sounded about 8.30 Saturday evening for a blaze in Mrs. Dan McAllister's house, in Upper Town, (former Big 4 Store) occupied by Mr. Clifford Hood, highway traffic officer. Mr. Hood was thawing out a frozen water pipe in cellar with a gasoline torch, and the building caught fire between the joists and the brick veneered outer wall, making the flames difficult to get at. Mr. Hood cut a hole in inside kitchen wall above it and threw in a pan of water, which checked the blaze until the fire brigade arrived. The Brigade responded quickly, finding the house smoke-filled. Chemicals and a line of hose into an upstairs window soon quenched the blaze, but considerable damage to plastering and paper was caused by water. Two upstairs front windows were blown out in an explosion. Credit for saving the double dwelling, (the north half of which is occupied by Clerk B. H. Willis and Mr. Wallace McGowan,) may be given to the waterworks system and the prompt response of the firemen. Repairs will cost approximately \$100.00.

BLYTE—In Durham Hospital, on Thursday, Feb. 22, to Mr and Mrs Victor Blythe, Durham, a daughter, (Nadine Catherine).

MIGHTON—In Durham, at the home of her parents, Mr and Mrs Albert Middleton, to Mr and Mrs Jack Mighton, a son, on Feb. 23rd.

Durham Won Bruce League Durham to Flesherton Road District from Walkerton Now a Provincial Highway

Tied in scheduled games, Durham Bruce League hockeyists won both play-offs from Walkerton, 2-1 in Walkerton and 4 to 3 here on Monday night, thus winning by 2 goals, 6-4. Mildmay are Durham's next opponents, now in semi-finals. The first game is in Mildmay on Wednesday and return in Durham this Friday.

Monday's contest was hard fought with plenty of action. Walkerton was equal to Durham in everything but finish round the nets. Durham's goals were all on pretty team plays, except one on a brilliant rush by Orval McDonald. McEachnie was a star in Durham nets, while Ries, Bolger, Kress and O. McDonald were good both offensively and defensively.

Lost in Mildmay, 7-3

Mildmay handed Durham "Bruisers" a 7-3 setback in their miniature rink Wednesday night, which means Durham must "step on it" here on Friday night to capture the round. Don't miss this clash.

D. McKINNON, CHESLEY, AGAIN HEADS GREY AND BRUCE

The annual meeting of the Grey and Bruce Fire Insurance Co., was held in the Company's business offices, Hanover, on Wednesday, Feb. 28, with a fair representation of officials and policy holders. The meeting was presided over by Mr. John Mills, Hanover, in a satisfactory manner.

Business purely of interest to policy holders was discussed at the meeting. The election of officers resulted in a return to the Presidency of Dougald McKinnon, Chesley; also Angus McArthur of Glenelg as vice president. There was a change made in the Board of Directors. Mr. Arch. Russell succeeds Gilbert Gillies in Proton Tp. and Wm. Aldeon, Egremont, succeeds Donald McQueen of the same township. On the executive Board, Wm. Glauser, Hanover, is succeeded by Spence Nesbitt.

Votes of thanks were tendered the Agents of the Company for the good work they were doing.

W. S. HUNTER ONE OF TROPHY WINNING RINK

Curling has not occupied a prominent place in winter sports here for some winters past and if any zealous curler wants to throw a stone, he has to go abroad for the sport. All of which Durham's reeve does and comes home with the bacon quite frequently. Recently with Dr. W. C. Pickering and two Chatsworth citizens, they were runners-up in the Fergus Centennial bonspiel. Last week "W. S." himself, was attached to a mixed rink, though taking the name of "Chatsworth", which won the Berks-Ellis-Ryrie Trophy at Toronto bonspiel last Friday. The "Ritz" or Chatsworth rink were out in front from the start and at the finish of 8 ends, held a 7-4 lead, only to have it wiped out with a five-end by a Toronto team. The Chatsworth rink came back strongly in the last three ends with singles to win 11-9.

The Chatsworth rink was a powerful one, with Brock McAulay, Southampton's star and veteran player, as vice. Durham's reeve took the lead.

The County Road from Durham to Flesherton, a stretch of 14 or 15 miles, is one of the additions of a total of 259.2 miles of county roads immediately absorbed into the King's Highway system of the Province. Such was the announcement of Hon. Leopold Macaulay, Minister of Highways to the Ontario Good Roads Association convention in the Royal York Hotel, Toronto, last Thursday.

This will be made a continuation of No. 4 Highway, now coming thru Clinton up to Walkerton and across to Durham and will mean a lessened upkeep for the County, in being relieved of this road. It will also mean that dangerous curves and crossings will be improved and grades reduced, all welcome news for the citizens of this locality.

It also means that Durham more than ever will be a provincial highway metropolis, with such radiating North, South, East and West. No other centre in this part of the province is as highly favored in this regard.

The 259 miles taken over is 248 more than that in 1933 and 154 more than that in 1932. Mr. Macaulay pointed out to the convention that county road expenditures had been decreased from \$9,000,000 in 1929 to \$2,800,000 in 1933, and that township road expenditures had decreased over the same period from \$6,500,000 to \$2,000,000—a reduction of approximately 70%. King's Highway expenditures had fallen from \$10,000,000 to \$5,000,000. Now, said he, in view of the facts that prices were lower than ever before, and the need for employment never greater, the time had arrived in the Gov't's opinion for an increase in road expenditure.

Another factor, he said, which entered into the improving situation, was the special grant by the provincial and federal gov't of two-thirds of the direct labor costs of all jobs on all county and township road projects under the recently announced public works construction program.

The years are not so far back as to remember the day when a bus service was the only connection between Durham and Flesherton. His Majesty's mail was transported that method also. Just the same a letter in bus days reached Flesherton the day it was posted here and that more than can be said at present, with modern travelling facilities around you.

AN ENJOYABLE MUSICAL TRAVELOGUE

Walter L. Payne appeared in the Queen St. Church Wednesday night last, under Red Cross Society auspices, with his famous travelogue, "The Call of the Old Country." The enjoyment of the evening was greatly added to by the delightful musical accompaniments played by Harold Eustace Key, the well known musician and composer, who also led the singing of a number of well-known Old Country songs.

Mr. Payne opened his program by demonstrating the contrasts in scenery to be found in the United Kingdom between Land's End and John O'Groats, remarking that these contrasts, combined with a background of romantic, historic, sentimental associations constitute for many people in all parts of the world "The Call of the Old Country."

Still Cherishes Durham Memories
We have received our yearly letter, of a two-fold attitude, both business and friendship, from Mrs. Jennie Kerby, of Ethel, Missouri, U. S. To properly place Mrs. Kerby, you have to think of her as the sister of the late "Bob" Scott, the well-known horseman. Mrs. Kerby was a regular summer visitor to Durham, while her mother was alive, living in the historic horse on Durham Road in Upper Town. Her sentiment and regard for early Durham and its people is yet strong and she notes with regret the passing of the late Mrs. Park and Miss Annie Robertson as noticed in the Review columns. She adds "My flower bulbs are coming up and the spring birds are here. The grass along the side of the road is two inches high."

I. O. D. E. Sponsor Oratorical Contest

First Prizes went to Jean Firth, Edge Hill, and Ailx Tobin, of Durham.

An interesting as well as instructive evening, for both juniors and adults—was hearing the High School students on Friday night last, in their public speaking efforts. The evening was sponsored by Canadian Greys' Chapter, I.O.D.E., as a plank or feature of their educational program. That the night was an enjoyable one, was evident from the many kind remarks heard on all sides at close, on the nature of the evening, as well as the topics chosen by the contestants.

As announced in a previous issue, there were two series or groups of topics to choose from for both Senior and Junior pupils. There were four contestants in the Junior series and three in the Senior series. The topics covered a wide range of taste and thought and were chosen by the committee, who arranged for the evening, with an eye to suit all fancies and opinions. The judges were Rev. J. Billingsley and W. C. Almack and Mrs. C. H. Darling. There were first and second prizes, Junior going to Misses Jean Firth, daughter of W. G. Firth, Edge Hill, and Thelma Priest, daughter of Rev. J. T. Priest, respectively. In the Senior series, the awards went to Miss Ailx Tobin and Allan McLean.

Miss Jean Firth chose "Pioneer life in Ontario" as her topic and round her speech wove the romance that is attached to pioneer life today. To the pioneer it was not romance, but rather hard and oft-times discouraging work. Miss Thelma Priest selected as her topic "Wilfrid Grenfell", the hero of Labrador. It was a well thought-out address and one which showed up the medical missionary doctor in his true light. Other contestants in their class and topics were Florence Greenwood on "Wilfrid Grenfell" George Prew, on "Canada's Natural Resources" and Elsie Connelly, on "The Political life of Sir Wilfrid Laurier."

Miss Ailx Tobin, the prize winner of the Senior series, chose "Great Canadian Writers" as her theme. She specialized on three of them: "Pauline Johnson," "Col. John McCrae" and "Jean Blewett." In fluent style, she first sketched the life of these famous Canadians, and ended by quoting their outstanding poem. Miss Tobin was particularly commended by the judges, for her work. Allan McLean selected "The Menace of Armament Building" and the speech went on to show forth the tragedy of war rather than its glory. The address was very informative, telling of the great armament and munition builders of the higher powers.

Mrs. J. F. Grant, Educational Sec'y, of Canadian Greys' Chapter, presented the handsome awards, which were editions of modern day classics. The non-winning contestants also received a smaller book as a reward for their effort. All did well but all could not be winners.

Miss M. L. Hunter, regent, presided over the meeting and complimented the winners on their achievement. Mr. J. A. Graham also spoke a few words, relative to the good it did both contestant and audience.

In addition to the contest an excellent miscellaneous program was enjoyed, which included a piano duet by Elsie Kearney and Ollie Hahn, piano solos by Margaret Sparling, Jean McClint, Genevieve Saunders; vocal numbers by Marjory Noble and Elizabeth Ries, and a reading by Isabel Jamieson.

Messrs. A. A. McArthur, Glenelg, Nell McLeod, Proton; Robt. Parslow, Priceville and Donald McQueen, Durham, were in attendance at the annual meeting of the Grey and Bruce Insurance Co., in Hanover Wednesday.

Farewell Sermons by Rev. J. Billingsley

Sunday last saw large congregations in attendance at Trinity Church for the farewell services of Rev. J. Billingsley, the popular young rector, who leaves on Thursday to begin his new duties as curate of All Saints Church in Windsor. In the evening the Boy Scouts attended in a body, the rector being a member of their executive board.

Less than two years here, coming direct from college, Mr. Billingsley has proven himself an excellent rector, beloved by old and young. He has also been a public spirited citizen and other churches, as well as his own, regret his departure. All however wish him success in his larger field.

65 deg. Above in Calgary

Mr. James F. Hunter has received paper clippings lately from his daughter, Mrs. Chas. McKinnon, at Bassano, and while we have to believe a newspaper, seeing that is the business we live by, it makes strange reading to easterners this February, which is to us epitomized as the land of snow and zero weather. The clipping from this Calgary daily, reads:

"With the exception of two days, January 23 and 24, when temperatures fell below zero, Calgary has enjoyed continuous warm weather since January 3, according to the city laboratory records. Monday—the highest temperature for February in the known history of the city was recorded, 65 degrees. Including to-day, the warm weather has been continuous for 40 days, exclusive of the two cold days mentioned above."

Another Calgary daily states "The mercury touched 59 degrees Sunday and has not been far below that point for weeks. Effect of such warmth on trees and gardens is disastrous, gardeners point out, as tulips are sprouting, perennials are sending up green shoots, trees are in the budding stage and the grass is becoming green."

Soon the trek will be to Alberta, rather than Florida!

DR. P. PARK

Dr. Park, Hamilton, will be in Durham, at the home of his sister, Miss Winifred Park, on Sat., Sunday & Monday, Mar. 3, 4 and 5, and afterwards every alternate week end for consultation on any Eye, Ear, Nose and Throat cases.
