Bought Small Farm near Town
The former Caldwell farm on south line, Bentinck, just south-west of Durham, and recently advertised in the Review, has been sold to Mr. Wesley Storrey, who gets possession April 1st. Mr. Storrey will still reside in town, but will work the farm and keep stock there.

Glengie Voice in Centennial Event
Anyone listening in on the broadcast over CFRB or CRCT from Toronto on Monday night, had an "earful" regarding Ontario's premier city, on the occasion of their centennial celebration. There was banqueting, speech making and singing and no less a personage than Liberal Leader MacKenzie King, was present to share in the festivities. His grandfather, William Lyon MacKenzie was Toronto's first Mayor. The Centennial Choir, under the leadership of the renowned Dr. Fricker, - 2500 strong, - had a big part in the Centennial program and from the huge Coliseum in Exhibition Park their numbers were broadcasted over the North American continent. Such soul stirring numbers as "O God, our help in ages past" and "Hallelujah Chorus" were heard among others. Miss Jessie Bell, a Glengie girl, was a member of the alto section of the huge ensemble and while no voice was uppermost, they were heard with splendid effect.

Women's Institute "At Home"
Thursday evening last the school room of Knox United Church was granted to the Women's Institute for their annual "At Home" or social evening. This took the form of a progressive crokinole party at which nearly one hundred participated. There were twenty tables in play and the black and white discs had a merry time of it as they flew over the boards. Miss Mary Morton and Mr. Arthur Derby were high lady and gentleman respectively and for which they received small favors. Mrs. W. Erwin read a chapter from Nina Moore Jamieson's book, "The Cattle in the Stall" and Miss Winnie Blyth played and led in community singing. A tasty lunch of pork and beans, pie and tea, were served by the members at the close.

Presented with Table Lamp
The Young Ladies' Auxiliary of the Presbyterian Church, met at the home of Mrs. (Rev.) B. D. Armstrong on Thursday evening last and in a few words, explained the mission of their visit. Mrs. Armstrong has been greatly responsible for the organization of this Society, and her never-failing interest and co-operation with them in their work, has been a source of much encouragement to them. Accordingly in a few words, Miss Dorothy Pickering read an address to Mrs. Armstrong, expressive of their feelings toward her, and Mrs. J. C. Howell, President, presented her with an electric table lamp. Mrs. Armstrong made a very fine reply, remarking the pleasure it gave her to see the cause of Missions advanced in any way. Light refreshments and a social hour followed.

No Awards came to Durham
The Five Roses Flour Provincial-wide contest came to a close in the city of Guelph last Wednesday, when the final awards were made in Bread and Cake-making entries. It will be recalled last November the local contest was held in Durham, when Mrs. J. S. McIlraith carried off the county prize for cake-making and Mrs. E. G. Lucas, Dundalk, for bread-making. There were five other prize-winners in succession for each class and they were all given the privilege in competing in the provincial-wide contest Wednesday last in Guelph. Most of the local prize-winners did so, but the awards, as published in Monday's Daily Globe, show that Durham does not qualify for a Provincial award. There were 175 entries in each of the two classes, so the non winners need not carry their heart on their sleeve. The high cake prizes went to ladies in Simcoe and Parry Sound and the Bread awards to ladies in Lucan and Niagara-on-the-Lake.

Ireland's Early Literature and Music

Mrs. (Rev.) W. McCracken, Walkerton, addresses I.O.D.E., on above Topic Tuesday Evening.

"Scotland Derived its Name from Ireland"

There was a large membership of Canadian Greys I.O.D.E. present at home of Mrs. G. S. Kearney, on Tuesday night of this week, to hear the special speaker of the evening, Mrs. (Rev.) Wm. McCracken of Walkerton, address the meeting on "Ireland's early Literature and Music". That the evening was as delightful as it was informative, is the general consensus of opinion. Coupled with her knowledge of her native land, Mrs. McCracken is also able to impart it, as few speakers have done in Durham to date. It was also a timely topic, seeing we shortly celebrate the birthday, - on the 17th inst., of the country's honored St. Patrick.

Miss Margaret Hunter, regent, presided, and the business end of the meeting was quickly dispatched to allow full time for the speaker.

Little was known about "the green little isle" at the time of Saint Patrick, in the fifth century. Tales of Ireland date back to the flood. From the time of Moses however, Ireland (Continued on page 5)

Presbyterians Extend Call to New Minister

DAVID GOWDY, B. A., THE POPULAR CHOICE

At a well-attended and representative of the congregations of Durham and Rocky Saugeen Presbyterian Churches, on Monday afternoon in Durham, a unanimous call was extended to David Gowdy, B. A. to become their pastor. Mr. Gowdy is a student at Knox College, Toronto, but expects to graduate this spring. Three weeks ago he occupied the pulpit in Durham church and at Rocky Saugeen and both congregations feel in accepting him, they have chosen wisely. He has had a successful academic career and has won scholarships in the years 1931, 1932 and 1933. Mr. Gowdy is a native of Ireland, and has been in Canada ten or eleven years. His parents are in Belfast, Ireland.

Should Mr. Gowdy accept the call, as it is felt he will, the ordination and induction will not take place for some time - at least until after Easter.

Durham and Rocky congregations are to be congratulated on their unanimity in selecting a pastor so quickly and they with others, look forward to the day when there will be a settled pastorate. Saugeen Presbytery will meet shortly to ratify the call.

Durham Won Game and Round from Mildmay

But must play off in Walkerton on Thursday Night

Last Friday night Durham earned a 7-3 victory here over Mildmay in Bruce League semi-finals. The game in Mildmay Wednesday was reported in the Review, but when the players and referee E. Schutz arrived home, the populace learned that 6-3 for Mildmay was the correct score. Durham thus was 1 goal up on the round, but Mildmay stoutly claimed they had scored 7 goals at home. An executive meeting was called in Walkerton Monday, at which Mildmay's claim was allowed and a sudden death game ordered between Durham and Mildmay in Walkerton on Thursday night. The winner of this game will meet Kincardine in the finals.

Friday's game was one-sided with Durham always holding the upper hand, and it would have concluded 7-0 had McEachnie played his usual puck-tight game in the nets. Three long shots beat him. Orval McDonald was Durham's scoring ace, getting 2 in first and 2 in second frame. Bolger also scored in first to make it 3-0, and Tucker 1 in second to make it 6-1, Lobinger having scored for Mildmay. Black got Durham's only counter in last period and Lobinger and Fedy added 2 for the visitors on long lifts. Only four penalties were given.

Durham - Goal, McEachnie: defence, Black and Hahn: centre, Bolger: wings, Tucker and McDonald: alternates, Kress, McComb and Goodchild.

Mildmay - Goal, Hesch: defence, Shouldice and Kunkel: centre, Milhausen: wings, Fedy and Lobinger: alternates, Fedy, Sauer and Schmidt

DURHAM JUNIORS IN NORTHERN SEMI-FINALS
Durham's newly-entered team in the Junior Northern League, was first drawn against Grand Valley in semi-finals. Grand Valley has however, slipped out, and Durham will now meet Paisley in home and home playoffs, the winner to enter finals.

Athletic Club Staged Good Boxing and Wrestling Bouts

In their ring at the Armories on Tuesday night, many of the active members of the Durham Athletic Club participated in boxing and wrestling for the enjoyment of a crowded room of fellow members. It was their third Open Night and a full bill-of-fare was provided, with eleven boxing bouts and four wrestling contests. About 40 of the 150 members are in active training and several new ones joined up Tuesday night. Mr. W. Gallagher of Barbour's Hardware, is the newly elected Secretary Treasurer.

The boxing bouts were timed according to the physical condition of the contestants and no decisions were rendered for any. Most of them consisted of three one-minute rounds, some two rounds and 5 the last one. The participants were Nathan Ritchie vs. W. Levi; Jack Cordick vs. Charlie McKechnie; W. Buck vs. Stanley Simons; Floyd Kearns vs. Norman Becker; Jack Atkin vs. Jack Lauder; Gordon Greenwood vs. Vic. Goodchild; Carman Allan vs. Billy Firth; W. Neaves vs. Geo. Atkin; Frank Lake vs. Lorne Prue; Jack Cordick vs. Hilliard Armstrong; Dick Atkin vs. Bill Hatfield.

The last bout was a highlight of the night, both being expert boxers. Atkin had a 30 lb. advantage in weight, but Hatfield, a 22 year old boy, with training in England, was nimble and experienced enough to hold his own. He keeps himself in tip top condition and when fourteen old, was the Public School champion of England. He is at present employed by Mr. Herb Atkinson.

Two out of three falls decided the wrestling bouts. Ogle Cluchey and Dick Atkin staged the first tussle; then Jack and George Atkin gave a rough and tumble exhibition. Cliff Hood and Mark Wilson had a tight contest, with Wilson winning the odd fall; Joe Davison and W. Buck were the last gladiators, Davison scoring two falls.

More of these Open nights will be held and the next will probably overtax the capacity of the Armories. In the Spring, the rink may be secured, a ring erected there, and some outside as well as local boxers brought in. It would, of course, be open to the public and a small admission charged. If the public get the same "kick" out of witnessing the bouts as do the members at present, they have some fun ahead of them.

Mr. C. C. Elvidge was removed to Hamilton hospital last week end to secure X-ray and specialist treatment. It is sincerely hoped the means used will benefit the case of Mr. Elvidge, whose continued illness causes his family and friends much anxiety. Later: We learn Mr. Elvidge will undergo an operation on Friday, in Hamilton.

Relief Costs in Durham

While scarcely as heavy as last winter, the expenditures for relief purposes in Durham the past two months have been substantial, but for the number provided for, the cost per person has been held to a low figure.

In January 18 families, containing 105 individuals were on relief. Food supplies cost \$217.12 or \$2.07 per person, almost 7c per day. Fuel cost \$28.00, clothing \$63.88, rents \$11.61 and medical service, \$5.74. 50 transients were fed at a food cost of \$4.60 and \$15.52. Total relief payments for the month were \$346.97

February saw an increased bill of \$419.69 with considerably higher payments for food and fuel. Three more families, 21 in all, were on relief, and 119 persons. \$292.23 was paid for food, \$39.50 for fuel, \$51.33 for clothing, \$20.56 for rents and \$1.49 for medical services. There were 45 transients fed during the month at a cost of \$3.71 and \$10.87 for fuel. Food costs per person averaged \$2.46 for the month, about 8 1/2c per day.

The Council plans to discontinue relief on May 1st, if possible without any undue hardship for anyone: at any rate not later than May 1st.

BAPTIST LADIES' AID HOSTESSES TO TEA

The Ladies' Aid of Durham Baptist Church, held a successful tea on Wednesday of this week, at the home of Mrs. Allan Bell. There was a steady stream of callers throughout the afternoon and all who attended the function, testify that arrangements were perfect and cuisine excellent.

Mrs. Priest and Mrs. Giles received the guests on entrance, while in the living room, Mrs. Bell and Miss Redford assisted in entertaining the guests. In the dining room, Mrs. Wm. Moffet and Mrs. G. A. Thompson presided over a prettily decorated tea-table. It was centred with a large sheaf of marigolds, while flanking each side were green candles in bronze holders. Assisting in serving the guests, were Mrs. Robt McLean, Mrs. Erwin, Mrs. Jas. McLean, Mrs. C. Ritchie and Mrs. C. P. Kinnee. Mrs. Priest, Miss Redford and Mrs. Wilfrid Thompson rendered piano music at intervals and with Mrs. Giles, these ladies also contributed two or three vocal numbers. \$21.00 were the receipts of this tea.

SERIES OF SERMONS

On Sunday evening last in Knox United Church, Rev. W. H. Smith, B. A., based his sermon on "The Choice of a Calling." This was particularly adapted for young people. For successive Sabbath evenings Mr. Smith will continue these addresses on various vocations, among them one for the business man, the architect, teacher, mechanic, journalist, lawyer, nurse, doctor, private secretary, farmer, minister, etc.

PERSONAL MENTION

Mr. Thos. Henderson returned to his home here Friday, after a few weeks in Durham hospital, where he underwent an operation. Tom is convalescing nicely.

Mrs. H. W. Cross entertained at dinner on Monday evening in honor of her uncle, Mr. John H. Hunter, who that day reached the 80th milestone in his career. Mr. Hunter yet enjoys a fair measure of health, having made a good recovery from a severe illness a few years ago. It was in reality a family gathering, the guests being Mr. Hunter's elder brother, James P. Hunter, his son W. S. Hunter, Dr. and Mrs. Pickering, Mr. O. S. and Miss Margaret L. Hunter, Mrs. A. H. Jackson.

Mr. and Mrs. James McLachlan are entertaining the choir of Knox United Church, at the home of Mrs. Jas. Hepburn, this Thursday evening.

Mrs. W. H. Smith and Mrs. W. R. Alder are in Toronto this week attending the sessions of Toronto Conference of the United Church as regards W. M. S. work.

Miss Marjorie McLeod, R. N. and brother Edgar, Swinton Park, were visitors with Mr. and Mrs. J. M. Burgess recently.

Mrs. (Rev.) W. McCracken, Walkerton, was the guest of Mrs. A. Rucd, while in town to address the I.O.D.E. on "Ireland, Her literature and music."

HYMENEAL

GRANT - BROCK

The marriage of Corinne Chivrell Brock, daughter of Mr. and Mrs. Lawrence H. Munro of Toronto, to Mr. Brock Grant, son of the late Mr. and Mrs. Charles L. Grant of Durham, was solemnized on Wednesday last, by Rev. Canon Chas. W. Hedley, in the Church of the Transfiguration. Mrs. Alan Bruce Munro was matron of honor and Dr. Lynn Grant, brother of the groom, was best man. The organist, Mr. J. Nix played the wedding music. The bride wore a French imported gown of pale blue organdy, with hat of tulle to match, and corsage of Columbia roses and freesia. The matron of honor wore a gown and hat of buttercup crepe, with corsage of sweet peas and orchids. Following the ceremony the immediate relatives gathered for the wedding supper in the Royal York. Later Mr. and Mrs. Grant left for Florida, and on their return will live at Welland, Ontario.

BOTH HIGH SCHOOL TEAMS WON

Hanover High School students played hockey against Durham here last Thursday night, Durham girls first winning by 1-0 and Durham boys by 3 to 1. Anna Ritchie scored the lone goal in girls' game when she converted Margaret Ries' pass.

The boys' game saw some speedy youngsters in action, who will make good Juniors material in a year or two. Gordon McGillr and Orville McDonald, both with Chesley Juniors this year, were best on the ice, but Bob Noble, Clark Saunders and others are comers. Durham's 3 were scored by Earl Snider, Carman Noble and Clark Saunders. The Durham teams were:

Girls—Oleida Hahn: defence, Alma Kress, E. Ries: centre, Margaret Ries: wings, Anna Ritchie, J. Rowe: alternates, Genevieve Saunders, Mona McDonald, Clara Thompson.

Boys—Goal, Gordon Grant: defence, Gordon McGillr, Orville McDonald: centre, Carman Noble: wings, Earl Snider, Victor Goodchild: alternates—Clark Saunders, Robert Noble.

After the games a social time was spent in the music store, when lunch was served and dancing followed. Genevieve Saunders and Oleida Hahn supplying music.

Second Set this Week of Contest Pictures

APPEARING IN REVIEW ADVERTISEMENT THIS WEEK.

Judging by comment heard, widespread interest is being taken by readers of the "Review" in its unique "Name the Picture" Contest, which commenced in last week's issue, with the publication of four pictures of men more or less prominent locally, nationally or worldwide. If you missed clipping out last week's pictures, call at or write the Review Office and obtain them.

There is only one qualification necessary for any intending entrant to make. That is the payment of a year's subscription or more (new or renewal) to the Review on his other part or that of a member of the family. The payment must be made during the contest period which ends May 2nd, if not already paid in advance. Up to that time, entrant may qualify and guess the correct name to be written on the line appearing underneath the individual "cut."

The pictures shown in last week's paper and those in this issue may appear "easy" to name to most of our readers, but those appearing in future copies may entail much memory work. What others may not be able to name, you may - that is the uncertainty of it - and where you view your chance as good as any to win any of the three prizes of \$7, \$4 and \$2 being given for the three best solutions in the order named. The proper initials and spelling are a factor in deciding all winners. Pictures with top and bottom lines (latter filed in) must be neatly clipped out. See the large display announcement on Page 4 of this issue.
