## Amateur Actors Keep

There are some 150 amater theatrical societies established within a few miles of Liverpool Town Hall. Occasonally an amateur company hires a professional theater for a weeks run, but the amateurs' activities are enough to provide the chief support for two smaller theaters in the city-and there is talk of the amateurs building themselves a theater to be owned jointly by the principal societies and at which amateur productions would go on throughout the year.

## Ease Pain, Headache in Few Minutes

For Quick Relief Say ASPIRIN-When You Buy

Now comes amazingly quick relief from headaches, rheumatism, neuritis, neuralgia . . . the fastest safe relief, it is said, yet discovered. Those results are due to a scientific discovery by which an Aspirin Tablet begins to dissolve, or dis-

integrate, in the amazing space of two seconds after touching moisture. And hence to start "taking hold" of pain a few minutes after taking.

The illustration of the glass, here tells the story. An Aspirin Table starts to disintegrate almost instant

ly you swallow it. And thus is ready to go to work almost instantly. When you buy, though, be on guard against substitutes. To be sure you get ASPIRIN'S quick relief, be sure the name Bayer in the form of a cross is on control of the sure that the sure

Alarmed at Drop-Tomorrow's Power Given Up for Comfort Today

Rome-Premier Mussolini's newspaper, Popolo D'Italia, views with alarm the birth rate in the United States. "The diminution of birth in the United States is assuming alarming

proportions," says the newspaper. "If

it continues at this rate the number of biers will surpass the number of cradles. "Some might say it is the effect of the crisis. This observation mirrors one of the most eloquent aspects of that materialist slave of its own strength and position which, in a and of all comforts and mechanical marvels, willingly sacrifices its power of tomorrow to the comfortable life and

illusory well-being of today. "Blind and foolish are these ignorant destroyers who believe they can efficaciously combat the depression by sterility . . . .

"When we reflect there are in the united States 11,500,000 negroes, people of extraordinary fecundit, it is necessary to conclude with a real cry of alarm. The yellow peril is "We will encounter an Africanized

America in which the white race, by

the inexorable law of numbers, will ed by being suffocated by the fertile grandsons of Uncle Tom. "Are we to see within a century a negro in the White House?"

### Her Husband Dies Actress Plays On

London .- The comedy "The Wind and the Rain" at the St. Martin's Theatre, W., became a tragedy one night recently.' But only one woman

That woman was Miss Margaret Moffat, who plays the part of Mrs. McFee, a humorous role.

Throughout the evening the audience laughed and applauded, and her co-players acted with her. They did not know that her husband, Mr. Sewell Collins, the dramatist manager, of Madeville Place, W.I., had died a few hours previously.

Mr. Collins, who nad been suffering from heart trouble, collapsed and died while lunching with friends.

Miss Moffat was told by telephone, but bravely decided to go on with her
