Spring - In Vancouver come that she is an early comer. and Beacon-Herald. days are mild and benignant, lengthening out to opalescent sunsets that seem to renew the ancient covenant with beauty of earth and sky and putting a heavier tax on police dogs. sea .- Vancouver Province.

Newspaper Ethics

Communications made to and accepted by a newspaper in confidence will always be respected; proverbial "wild horses" being insufficient to drag the names of those making them from newspapermen. Natural ly, the paper is legally answerable for what it prints and is always will ing to accept responsibility but we doubt whether any Court or any Le gislature will ever succeed in induc ing a newspaper man to betray the code of ethics of his profession .-Quebec Chronicle-Telegraph.
