The Orangeville lacrosse club have made their town constable their Honorary President. They knew what they were doing. There is nothing quite as good as keeping on good terms with the town constable.

Grey Lodge, I.O.O.F. will hold their annual church service Sunday evening, May 6th, at 7.00 when the brethren will march in a body to the Baptist Church. Brethren will meet in lodge rooms at 6.30 p.m. A large attendance is requested.

The annual meeting of Durham Women's Institute, will be held at home of Mrs Chas. Reay, on Thursday, May 3rd, when all yearly reports will be given and officers elected for the coming year. Roll call will be answered by the payment of fees.

Male Choir on Sunday last

The choir of the Durham Presbyterian church were given a holiday, on Sunday last. At least the ladies of the choir looked at their regular seats, which were occupied on this occasion by the male element, who rendered suitable anthems at both services.

A Successful Dance

The Royal Arch Masons of town, entertained in a handsome way, last Friday evening, when they staged a splendid dance in the Town Hall, all of the net proceeds going to the Red Cross Society. Many outside guests were present from Hanover, Owen Sound, Markdale. The Blue Dragons eight-piece orchestra from Shelburne, supplied the snappy music. The managing committee were Messrs W. R. Alder, G. C. Webster, Dan McCallum, J. F. Irwin, W. H. Kress, H. W. Cross. About \$40.00 was cleared to swell the Hospital funds.

Tender Reception

Mr. and Mrs Gordon McCracken, a recent bride and groom and now residents of No 9 community, were presented on Friday night last from that section with a chair and table. There was read to them a community address of welcome read by Miss J. Nichol, teacher. The gifts were presented by Fred Arnett and R. Peart. The groom in a few words, expressed appreciation for himself and wife. Mr. A. A. Aljoe acted as chairman and several other gentlemen present gave short addresses. The Lake orchestra provided music for dancing which followed.

Only One School Gave Thanks

At one of their sessions last year, the Grey County Council decided to give to each school in the county a copy of history of Grey County, which they have had published but the sales of which have not been very great. At their last session they received a letter of thanks from one section for their gift. The school that thought it worth while to spend a 3c stamp and a little time in acknowledging the gift was S.S. No 1, Holland Tp. It is a commentary on our general attitude, says the Hanover Post. Of course, every section was glad to get the book for their library, and no doubt all of them felt it was very decent of the County Council to give them a copy, yet out of the hundred or so school sections only one sent a letter of acknowledgment.

Funeral of Miss E. Young

The funeral of the late Miss Elizabeth Young, who died in Hamilton, last week, took place on Thursday last, from home of her sister-in-law, Mrs. Thos. Young, in Upper Town, to Hampden cemetery. Rev. W. H. Smith conducted services at house and graveside. Attending the funeral were deceased's brother, Rev. E. Young and son Allan of Magnetawan and the Nicol family, Owen Sound. The pall bearers were three nephews of deceased and three neighbors of Mrs T. Young: Alex and George Nicol, Owen Sound; Clifford Young, Harold McKechnie, Joe Crutchley and George Hay. Several floral tributes reposed on the casket, coming from John Young, O. Sound; the congregation of Rev. E. Young at Magnetawan; Nicol family, O. Sound; Mrs Hessel, London.

South Grey Tories Name H. W. Kernahan, Osprey, Candidate in Coming Vote

Hon. L. Macaulay Defends Henry Government Record and Chaotic Liberal Leader.—H. Corbett in Final Ballot.

Among seven candidates nominated—only two of whom went to ballot—H. Winslaw Kernahan, returned veteran, of Osprey township, and former census commissioner for South Grey, was chosen as Conservative candidate in South Grey, for the Provincial House, in Durham, on Tuesday. The Town Hall was filled to the doors, the presence of Hon. Leopold Macaulay, Minister of Highways, at the meeting, being a feature attraction.

Dr D. B. Jamieson, president of South Grey Conservative Ass'n, was in the chair. Among the first business was the reading of a telegram from Premier Bennett, suggesting that no Federal candidate be nominated at present. It had been advertised that candidates for both houses would be named but on a vote being taken, it was decided not to nominate for the Dominion riding of Grey-Bruce.

Brief addresses were delivered by Messrs Campbell Grant, Allan Bell, Dr L. G. Campbell and others.

Seven were placed in the nomination for the Legislature: Allan Bell, Dr D. B. Jamieson, and J. F. Irwin, Durham; Herbert Corbett, Arden; Wm. Kernahan, Osprey; W. L. Taylor, at present Warden of Grey; Dr Phillips, of Chatsworth. All withdrew except Messrs Corbett and Kernahan. When Pres. Jamieson announced the choice to be Mr Kernahan after the scrutineers had counted the ballots, Mr Corbett at once moved the nomination be unanimous.

Allan Bell considered it an honor to be named to support a leader like Henry—honest and progressive. The enthusiastic gathering looked as if things would change in S. Grey. Dr Phillips said South Grey would not be easily won back but with proper organization there would be a change. "Oliver has been batting down there for 8 years and has not yet got to 1st base. We want a man who can make a home run."

W. L. Taylor for personal reasons would not offer himself as candidate. J. F. Irwin had been all over riding and there was never a time conditions looked brighter. "How long will we continue to send a member, who doesn't belong to any party? S. Grey should return a Conservative or Liberal, then you have a party behind you who can help you out."

Herb Corbett in standing, related his qualifications—a farm of 400 or 500 acres, 7 years in mun. council, Pres. Rural Trustees Ass'n of Ontario, etc.

W. Kernahan said no question of a contentious nature was before the public. He would work with any organization which would forward the interests of true temperance. If he received the Convention's support, would preserve the best traditions of Con. party in this riding.

Dr Jamieson thanked his nominators but would not consider standing. To him fell the honor of introducing the Min. of Highways.

After paying a deserved tribute to the Jamieson family, and its contribution to the Conservative cause, Hon Mr Macaulay proceeded in a robust and vigorous address, to defend the record of the Henry Gov't. Matters pertaining to his Department were first referred to the speaker pointing out that the trend now was from railways to highways, out of which certain economic changes resulted. Credit for Ontario's highway system was due, he maintained, in large measure to Hon G. S. Henry who laid foundations some 11 or 12 years ago. Mention was made of the Government's plan to do considerable road work in Grey this year. The Highways Minister took considerable time to voice his opinion of Mitchell Hepburn, Provincial Liberal leader, a man he opined was not big enough for the job of Premier, and who was mistaken if he thought people approved of "political butchery" in dismissing civil servants, should he be elected. Mr. Macaulay charged that W. E. N. Sinclair was 'fired' as leader because he co-operated with the government and now Dr. McQuibban, his successor, was 'fired' for refusing to co-operate with the government on the beer bill. The speaker queried "Which horse will Mr. Oliver ride, with Mr. Hepburn, or Dr. McQuibban?"

System, Quebec had no railways, farm loans or public water powers. The present economic crisis was due to the Great War and now we are paying the price of economic folly—a lesson to us not to lightly embark on other wars. European countries were growing more self-supporting in the matter of foodstuffs, and thus our markets were hurt.

There was advanced social legislation in Ontario, he averred, and it would be easy to cut the budget if old age pensions and mothers' allowances were reduced. Educational problems have advanced, and it needed more money to keep the school system efficient.

In concluding, Mr. Macaulay contended his party had kept the ship of state on an even keel, and "where in the world are conditions as good as in Ontario?" he asked, admitting at the same time they were not as good as might be wished.

After Mr. Macaulay's address, Dr. Jamieson announced Mr. Kernahan to be the candidate chosen. In voicing his thanks to the convention, the new candidate said it was for him a very sobering occasion. He was in the political kindergarten class as yet, could do little by himself, and his acceptance meant disrupting his business. The present member, Mr. Oliver, could do nothing as a one-man party, and he promised, after this week, to give his full time and efforts to the task of winning back South Grey to Conservatism.

TENNIS CLUB REPORT A SUCCESSFUL YEAR

The Durham Tennis Club held their annual meeting in Town Hall, on Tuesday evening. Reports for the past year were presented and showed the Club to be in an excellent position.

The building and operating of the new courts had cost the Club close to \$300, but of this amount about \$50 remains to be raised. Plans for improving the courts and beautifying the grounds are being made and work has already started. The playing surface is expected to be ready about the end of week and members are looking forward to a big year. Owing to the late start last year the Club membership was not as large as might have been expected.

In reviewing the success of the Club during the past season, special mention was made of the support given by Mrs David Jamieson, Mrs. Jamieson has shown a keen interest in the efforts of the Executive to promote tennis in Durham and it is through her that the Club expect to be favored with a visit from Mr Walter Martin, member of the Canadian Davis Cup Team and some other Tennis Star.

During the year several successful inter-town tournaments were held, and it is expected that these will be a feature of this year's attractions. The fees were set at the same low figure as last year, namely, Ladies, \$2; High and Public School students \$2; Gentlemen \$3; Family tickets \$4 and \$5. Anyone wishing to join, are asked to get in touch with the Membership Com.

The officers elected for this season are: Patroness, Mrs D. Jamieson; President, Norman McIntyre; Vice Pres., Miss E. Hunt, Geo. Hay; Sec'y Treas., R. McGillivray; Grounds Com., R. McGillivray, G. McCrae; V. Goodchild, Jean Harding; Membership Com.—Emily Hunt, M. Mortley, Dorothy Pickering, L. Miller, H. Tinlanov; Tourn. and Social Com.—Barbara Ritchie, Elizabeth Ries, Winnie Blyth, Gordon McCrae, Ned Burnett, M. Bailey.

CAN. GREYS MEET AT MRS. HARDING'S

Can. Greys' Chapter, I.O.D.E. held their May meeting at home of Mrs. J. H. Harding, Tuesday. The Regent, Miss M. Hunter presided. A concise report of the recent Provincial Convention in Hamilton, was given by Mrs Alder. She was impressed with the educational scheme of the Chapter, particularly the desire to equip northern and isolated schools with suitable libraries. Child Welfare work also occupies a prominent place. The Chapter purpose holding their annual Birthday Tea, on June 6th, for which committees were appointed to act.

An Envious Position

That Brant Township in Bruce Co. is rising from the depression in a wonderful manner, is shown by the way the yeomanry have come across with their taxes for 1933. Of \$42,000 levied on the agriculturalists, all but \$400 has been paid into the exchequer. Ontario's gross debt was \$600,000,000, most of which was invested in Good Roads, farm mortgages, T. & N. O. Railway, and Hydro co-ops of 1930.

Fire Razes Large Durham Feed Mill and Menaces Several near by Buildings

Loss will be heavy and severe blow is given to Company, Town and District Farmers

The most disastrous fire in Durham since the McIntyre Block was burned down, occurred last Thursday night, when the Rob Roy Mills went up in flames, only the cement and brick walls being left standing. For the last two years it has been in process of rebuilding, into a feed and alfalfa mill, after lying in ruins for several years since oatmeal mill was wiped out. The interior of mill proper—five storeys high, and cement elevator adjoining, was a mass of bins, elevators and shafts, for the new mill was a well-built and efficient plant for the manufacture of various feeds, which business was in two or three weeks to come into operation. The alfalfa branch of the plant has been in operation for some months.

The fire (cause unknown) was noticed about .45 p.m. in basement of north-west corner of mill, some of the alfalfa stock being ablaze. Such a dense smoke accompanied it that it was difficult to fight, but the fire brigade was soon pouring a couple streams into the building, and 20 minutes later, the blaze appeared conquered, as no flames could be seen. However they had gained a foothold on second floor and upwards among the dry timber the flames later climbed, while the firemen were able to only partially check its spread up to the third floor. Above that the pressure was insufficient for the water to reach, and the top floors and roof blazed fiercely, spreading across to elevator, and little could be done to check the fire there, enclosed in cement walls.

The sparks and flying embers endangered Harry Holmes Mouse across the street, the skating rink, David Hopkins house and Public School, but the brigade with streams and men with pails drenched the roofs, and quenched any live embers before they ignited the roofs. By 12.30 a.m. the fire had burned itself out, and the work of several years was wiped out in a few hours. The loss will mount up into tens of thousands of dollars in loss of building, machinery and stock. All the office books and equipment were removed to safety. Only three weeks ago, a new machine, a mixer, costing \$1800, had been installed, and worked well in a trial run.

The loss is partially covered by insurance but will fall heavily on the Rob Roy Mills Co., of which Mr W. A. McGowan is the manager. It is also a serious blow to the town, as it was a live industry, already employing 6 or 7 men, and as many more would have been in a month, when the feed mill was to be operating. To the farmers, it is a blow as well, as good prices were being paid for all the hay they could bring in. The insurance adjusters were here a day or two after, to settle claims. Nothing has yet been done towards rebuilding, and such is improbable.

LIBERALS OF TORONTO NOMINATE COL. FRASER HUNTER

The Liberals of St. Patrick's riding enthusiastically selected Lieut. Col. F. Fraser Hunter, D.S.O., to bear their standard in the approaching provincial contest. Several others were nominated but withdrew in favor of Col. Hunter.

The successful nominee told his hearers that though he had been a professional soldier "striving always without rancor or hate to serve the interests of the Empire" none loathed war more than the professional soldier. "But now after 34 years of service to my country, I am at liberty to devote the rest of my life to the service of my fellow-Canadians," he said.

He claimed to have been born a Liberal as the son of the late James Hill Hunter, Liberal member for S. Grey, and as one who spent his boyhood in that riding. "My mother, 91 years of age, still lifts her voice in the Liberal cause," he said (Applause.)

"The Conservative party in Ontario, has been in power since 1905, except for Drury regime," he said, "so the ship of state has grown barnacles to such an extent she is unsafe. The people of Ontario do not seek a new heaven or a new deal: what they demand and will soon have is a fair deal," he said. It was costing the people of Ontario, \$80,000 for every day the Grey government remains in power, Col. Hunter claimed.

PERSONAL MENTION

Mr Percy Harding Superintendent of Dominion Stores, Hamilton, was a guest overnight Tuesday, of his brother, J. H. and family.

Mr and Mrs Lewis Renwick and two children, of Wellesley, were visitors with his parents, Mr and Mrs. Robt. Renwick, Sr. over the week end.

Mrs Thomas Henderson spent the week end with her son James in London.

Miss Helen Gerrie, B. A., spent the week end with friends in Stratford and Woodstock. Mrs R. Renwick Jr. accompanied her to Stratford for a visit with friends.

Police Magistrate Somerville McKessock and wife, of Sudbury; Mr. and Mrs Wm McKessock of Massie, were guests at the home of J. N. Perdue over the week end, to see their sister, Miss Polly McKessock, who has since passed away.

Rev. James Binnie, Toronto, was in town a couple of days last week end, seeing his sister, Mrs Thomas McGirr.

Dr. Ward Koch, St Catharines, visited the parental home over the week end.

Mr J. W. Crawford, as we stated in last issue returned to his home here on College St. after the winter in Mount Forest with his daughter, Mrs Skales. On Sunday morning of this week he was about to come down stairs, when in some manner he slipped and dropped to the floor. He suffered considerable pain by the fall and it was felt the wise thing to take the patient to Mount Forest Hospital, to have the X-ray applied, where his daughter would be on hand. It is not known at this writing what extent are the injuries received, but fears were uppermost that his hip might be dislocated.

Mr and Mrs W. J. Bowes, Markdale, announce the engagement of their daughter, Helen Kathleen, to Edward Dean Lucas, son of Mrs Lucas and the late E. G. Lucas, Dundalk, the marriage to take place early in May.

Miss Kathleen Victoria Brunt, a daughter of Mrs Margaret Brunt and the late Ralph Brunt, Hanover, was wedded to Edwin E. Mathewson, son of the late Mr and Mrs M. B. Mathewson of Clifford.

Miss Vera Lauder was again a constant and a winner in Stratford Music Festival last week. There were 4 piano solo entries in Vera's class, she coming second place with 77 scoring points. Mrs C. Lauder, Mrs Schenk and Miss W. Blyth accompanied the young soloist down to Stratford, Mrs Puffield returning with them.

Paving Contracts Let on Grey Co. Highways

The Ontario Dept. of Highways has let the contract for a concrete pavement 20 feet wide, to complete the unpaved portion of No 6 highway from Chatsworth to south of Williamsford, a distance of 6.9 miles. The Standard Paving Co. gets the contract and work is expected to begin as soon as the contractors get their equipment on the job.

The King Construction Co. gets the contract for a 10 foot wide concrete pavement from Dundalk to Markdale, 15 miles. The 8.4 miles of unpaved highway between Thornbury and Collingwood, will be mixed macadam paved, the Dufferin Construction Co. getting the contract. The County authorities will see that all Grey county men are employed where ever possible.

ACCIDENTS OF THE WEEK

Mrs David Davis, 2nd con, Egremont, was unfortunate in breaking her leg above the ankle last week, giving her an enforced rest for some time. She was driving some wayward across down the lane, some straying into the adjoining field. Mrs Davis, in an effort to bring them back, got through an opening in fence and not noticing how she placed her foot down in doing so, proved to be her undoing. She struck a rough knoll, her ankle twisted sharply, with a bone riveted. She was removed to Mt. Forest hospital, where the X-ray was app. ed.

Mrs W. J. Ritchie, Edge Hill, had her thumb fractured last week. With her son Dan, they were driving in the democrat, when the whiffletree broke, causing the horse to lurch backward, throwing Mrs Ritchie out. To break the fall, Mrs Ritchie outspread her hands, the strain coming on the thumb.

Mr Hankerton, Sr., father of Fred Pinkerton of town has safely passed a dangerous icy winter with no broken bones, only to break his leg last week by slipping in his son's house at Harriston last week.
