Guns are being levelled at Premier Henry and his connection with the Abitibi power purchase - one transaction that simply will not down. The Ontario Hydro System took over the Abitibi development which resulted in Liberal demands that Premier Herry resign because he held \$25,000 in bonds in the firm the government utility purchased Hon. A. Meighen is also implicated in the affair and his recent resignation as a Hydro Commissioner and his demands for an investigation, have added fuel to the fire. It is commonly felt that the resignation of Premier Henry is also in order.
