

PRICEVILLE

Mrs D. G. McLean has had her lawn all nicely fixed, with a commanding rockery on the bank in front.

The Provincial Highway workmen have been here, under the direction of Mr Geo Whitmore and have been erecting sign and guard posts thru the Village for our now Provincial Roadway.

To Mr Robt Vance has been allotted the task of building new steps to St. Columba Church. The old ones, as far as we know, have done service since 1888.

At the football match here Friday, between Feversham and the home team, the game resulted in a scoreless tie. At the dance which followed, \$20 was made to the good for the Club, after expenses were paid.

The funeral of the late Mrs Geo Campbell was held Monday from her late residence and was largely attended by neighbors and friends.

Service was conducted by Bishop Finch, the pall bearers being neighboring women: Mrs Wm Beaton, Mrs Edgar Patterson, Mrs Angus McCormack, Mrs P. Steele, Mrs S. Martin, Mrs Lawrence McKeown, Mrs T. Irwin, Mrs Frank Hale.

Attending the funeral from a distance were Mrs Wm Vance, Mrs J. Hannam and Herb, Toronto: Mrs. Fred Clark, Markdale, also a number of friends from Proton and Sw. Park. Floral tributes were from the Holdfast U.F.W.O. Club, Mrs D. Campbell, Mrs Graham, Mrs Bowie,

and Joe Black, Toronto. Murray McMillan has left for the city to accept a position. The session and managers held a meeting the first of week and they decided the Anniversary services to be Sunday, July 1st, with garden party following day.

A quilting bee was on in church basement Wednesday, when 2 quilts were prepared for sale. The men also had a bee cleaning up around the church. Lunch was served to all.

Mr. and Mrs T. Nichol and Miss Donald, visited Collingwood friends Sunday. Mr and Mrs A. McCannel, Proton Stn., spent the week end at A. L. Hincks and attended the Gaelic service.

There will be a debate in church on June 19: "Resolved that pioneer women contributed more to the welfare of the home and community, than does the modern woman." Aff. D. Campbell, Negative, by Mrs D. L. McArthur and Miss Nellie McLean.

KNOX CORNERS

The subject of the sermon Sunday was "Prayer". No one can estimate the power of a soul yielded to God. Our pastor mentioned names of ministers of the gospel who have spent whole nights in prayer and on the morrow have seen one hundred converted to God. We may have many organizations and activities but without communion with God, they will profit us little or nothing.

Mr and Mrs Harold Watson visited Sunday with her parents, Mr and Mrs P. Patterson. The W.M.S. met on Tuesday at Mrs Smallman's with 23 ladies present. Miss Margaret Watson read the scripture lesson and Mrs Walter McAlister from the study book, based on hospital work in India and Formosa.

A well known resident of Mulock locality, Mr Clark Torry, died on Monday of last week, at his home on 5th con, Bentnick. He had lived all his life in that township, having been born on the 4th con, about 61 years ago, a son of the late Mr and Mrs Clark Torry. He was taken ill a few years ago with pernicious anaemia, and has since never been in good health, and while the disease was arrested for a time, he recently sank rapidly, though only a few days bedfast.

Thirty two years ago deceased was married to Miss Jane Bailey, who with son George and daughter Hazel, both at home, survives him, as well as a little grandson, William Clark. Two sisters also survive, Miss Martha Torry and Mrs Fred Reay, Durham.

The late Mr Torry was a member of Allan Park Anglican Church and the largely attended funeral Wednesday last, was a marked tribute of respect to his memory. His pastor, Rev. W. C. Allison, Hanover, was in charge of the service, assisted by Rev. J. Galloway, Mulock. Interment was made in Durham cemetery.

The pall bearers were eight old neighbors of the deceased: John Adlam, Spence Hopkins, James McDonald, Fred Torry, Robt Ashbury, Jas. Hopkins, Sam Vickers, Wm Adlam.

Mrs. David Hopkins In Hanover hospital, Saturday week Mrs. David Hopkins, a former Bentnick resident, died as a result of a fall on the pavement the previous Wednesday, when she broke her leg. She contracted pneumonia the day previous to her death. The late Mrs Hopkins was in her 66th year, her maiden name being Ellen Reay. She was born on the farm at Ebenezer, now occupied by Cecil Reay, and lived in that locality after her marriage until a few years ago, when they went to the West. After living there a few years, they came back to Ontario, and have resided the past three years in Hanover. They had no family.

The deceased was a member of the Salvation Army—a quiet, devout, Christian woman, who ever returned good for evil and was held in the highest respect wherever she lived. Her husband, four brothers and three sisters survive her: Mrs Thos Wilson in Durham, and Mrs Jos. Edmonds, Mrs John Murdie, Joseph, Harry, John and Chris Reay, all in Bentnick.

The funeral service was held on Tuesday of last week, conducted by Rev. Mr Foster of the Army. Interment was made in Hanover cemetery. Among the beautiful floral tokens were a wreath from nieces and nephews, the Dunns and Toplams; sprays from Will Hopkins, Maggie and Cecily; Mrs Chris Reay and family; Mr and Mrs Joe Edmonds, Mr and Mrs. Walter Bailey, Mr D. Hopkins; Mr Hopkins' S. S. class, Mr and Mrs. Chadwick, Mrs Wilson and Mrs Murdie; L.O.L.; the Scouts; the officers and soldiers of the Corps.

OBAN McLACHLAN (Collingwood Bulletin) Wasaga Beach was the scene of a fatal accident on May 24, when Mervyn McLachlan, an employee of the Hydro Electric Power Commission of Toronto, was electrocuted. The man with others, was working on a pole on Frances St. directly behind the Slipper dance hall, when he came in contact with a high tension wire carrying 23000 volts. On an adjoining pole was another employee who heard his companion call out. Clamoring to the ground, he climbed to McLachlan and releasing the safety belt, lowered him to other men who had run to his assistance. Placing a tarpaulin on the ground and wrapping the unfortunate man in blankets and overcoats, first aid was administered by the foreman and six hydro workers, who were unceasing in their efforts at resuscitation for five hours. The accident occurred at 2:15 p.m. and not until rigor mortis began to set in at 7:05 did they give up. For the past couple of months the Hydro men have been running a heavier line from Stayner and had reached the Beach last week.

CARD OF THANKS Mr and Mrs Ezra Schenk wish to extend their grateful thanks and gratitude through the columns of the Review, to all friends who in any way, gave help and sympathy in their recent sad loss. Particularly do they feel grateful to those who did not leave the riverside, until the body of their son was recovered.

IN MEMORIAM TUCKER In loving memory of our dear father, Alfred Tucker, who passed away June 15, 1933. Gone, dear father: gone forever, How we miss your smiling face, But you left us to remember None on earth can take your place. Our hearts still ache with sadness, Our eyes shed many a tear; God alone knows how we miss you, As it ends the first sad year. —Sadly missed by his daughters, Mary, Susie and Sarah.

Do YOU wish to be a KULAK ?

STAGNATION AND MORTIFICATION

Ontario's Liberal leader would cut the cost of government fifty per cent.

A tall order, but quite possible if Mr. Hepburn and his party are prepared to sacrifice progress and give the people of Ontario stagnation and mortification.

To cut his expenditures Ontario's Liberal leader, among other "economies" would wipe out the Ontario Department of Agriculture.

He has placed himself on record to effect this. The Toronto Globe, in reporting his speech at a banquet in Toronto on December 15, 1932, says:

"The departments of Game and Fisheries, AGRICULTURE, Labour, and Mines, the Motion Picture Bureau, Research Work and Colonization were a few which Mr. Hepburn cited as instances where curtailment or ABANDONMENT of one service could be effected without hurting administration."

WHAT OF THE FARMER ?

Possibly administration would not suffer. But what would happen to the farmer?

Where would he be with his overseas selling agent gone merely to set up a record for low spending?

Would it be true economy to wipe out, at one enthusiastic gesture, the agricultural research which makes available to every farmer, without money and without price, all the resources of science, skill, knowledge and experience for the enlarging of output and the improvement of quality at lower operating costs?

WOULD THESE HELP ?

Would it help the farmer to wipe out the department which held, for farmers and farm women, in 1933, a total of 93 courses in agriculture and home economics at as many centres throughout the province?

Would the monetary saving justify the elimination in every county of the trained agricultural representative, the man to whom the farmers look for advice in cases of plant or stock disease?

Through abandonment of the Ontario Department of Agriculture, Ontario's Liberal leader would abandon the Ontario Marketing Board.

Can the Ontario farmer afford to be without this board, or would its abandonment be another of the Costly Economies which Mr. Hepburn proposes.

The Ontario Marketing Board knew that fruit produced in Ontario was good fruit, but it knew also that it was not reaching outside markets in a way which made potential buyers aware of its goodness. Through co-operation with fruit growers, cooling places and a grading system were established.

In 1929, the year this policy was decided on, Ontario sold 65 carloads of apples beyond its own boundaries. In 1933, after ten cooling places had been established, sales in Great Britain alone totalled 450,000 barrels, valued at \$1,080,000.

In addition to this, there were correspondingly large sales on the continent of Europe and in the Canadian West. In the same five years the export of pears and plums grew from practically nothing to more than 100,000 packages. This is one service rendered by the Henry Government which the Ontario Liberal Party would wipe out in its effort to make good on the rash "economy" promise of its leader.

But this is only a small part of what the Ontario Marketing Board, product of the progressive Conservative administration, has done for the farmer.

PRICES WENT UP

In 1932 it saw another opportunity and this year saw Ontario Brewers who had abandoned Ontario barley using 1,000,000 bushels of the Ontario product at a price \$150,000 above the current market quotation.

The board turned to the problems of the turnip grower. As a result of its first season's work the board obtained one contract for 1932 for 40,000 bushels and the price obtained then before the farmers is between 50 and 100 per cent. better than before the board became interested in the situation.

Export sales of cattle in 1933 for the whole of Canada totalled 50,317 head, valued at \$3,159,194. Aggressive sales methods of the Ontario Marketing Board were responsible for TWO-THIRDS OF THIS TOTAL—\$1,783 HEAD, VALUED AT \$2,014,471—GOING FROM ONTARIO.

What the Ontario Department of Agriculture and its subsidiary, the Ontario Marketing Board—the Department which Liberal Leader Hepburn would wipe out—has done for the bacon industry needs no comment. The figures speak for themselves.

BACON SALES JUMPED

In 1932 Ontario sold thirty million pounds of Bacon in the British Market. In 1933 the figure has grown to 40,000,000 pounds. AND THE FIRST FIVE MONTHS OF 1934 HAVE BROUGHT INCREASED BACON RETURNS OF MORE THAN \$15,000,000 TO THE FARMERS OF THIS PROVINCE.

Export of dressed poultry has grown from a negligible figure to a total, in 1933, of \$1,226,098.

To improve live stock herds of the province it agreed to pay twenty per cent. of the cost of pure bred sires. In 1932 alone there were 430 applications and \$37,000 was paid. In the five years 442 approved herd sires were sent into Northern Ontario. On these the Ontario Government paid 30 per cent. of the cost, plus the freight.

Efforts of the department and co-operation of dairymen have improved the quality of the 86,000,000 pound annual production of Cheddar cheese from 89 per cent. first quality in 1924 to 96 per cent. first quality in 1932 and Ontario Cheddar Cheese now brings a premium of from two to three cents over cheese from other countries.

Ontario is the only province which loans money to farmers on the security of their lands and chattels. In 1933 it loaned in round figures, \$6,700,000 to 3,415 applicants.

PLEGGED TO ELIMINATION

This is the department which Mitchell Hepburn, leader of Ontario's Liberal Party, has pledged himself to eliminate.

In one fell swoop he would wipe out a department which has done more than anything else in the Dominion of Canada to see the farmers of this Province through the period of agricultural depression.

Ontario cannot afford the loss of its Department of Agriculture.

Ontario must have construction under the progressive Henry Administration.

Destruction under Liberal leader Hepburn would mean ruin.
