WOULD WED A "GOOD" MAN .-Mrs. Lenora Z. Meder, attorney and well-known club woman of the Middle West, was speaking in Chicago, after having been elected president of the Chicago Business and Professional Women's Club, Among a number of other things the lady said this:

"Every clubwoman and every professional woman, old or would gladly chuck her career to marry a good man."

Good land, Lenora, we were not expecting anything like that. When a the lore of clubs and all such affairs, just as honorable to work with the rose to speak we expected something about the inborn desire of the present age for self expression, something about women's purifying influence when applied to world affairs and so on. Never did we expect to hear as the business of the country is exthat the woman young or old, would panding it cannot offer a sufficient Smoke Cigarettes chuck the whole thing and go scampering off from the moorings of singleness if a good man came her way. We must admit, though, that the

lady qualified her statement when she said something about marrying mestic service. Unless they make up a "good man."
