Seriously Ill at Saginaw, Mich

Mrs. S. Arrowsmith, in response to a telegram received Monday from Saginaw, Mich., that her son George was very low with no hope of recovery, left Tuesday morning for his bedside, accompanied by Mrs. Nell McKechnie. They caught the morning train at Hanover and expected to reach Saginaw about 4.30 or 5 p.m. It is a long trip for an aged lady like Mrs. Arrowsmith who is about 90 years old. George, her only surviving son, took the "flu" last winter and never fully recuperated. He has been in the hospital there the past few weeks, suffering from asthma and heart trouble.

Dodged Train, Hit Pole.

A motor car belonging to E. Sweeney, of Dornoch, being driven by a relative, narrowly missed hitting the noon C. P. R. train as it was crossing the highway just east of the bridge in Walkerton. The driver did not notice the approach of the train until almost at the crossing and his only alternative was to run into the engine or to swerve to the side of the road. This he did and the result was that he hit a telephone pole with great force, breaking the front end of the car to some extent. The windshield was also broken when Mrs. Sweeney, who was a passenger in the car was thrown against it forcibly. Neither the driver nor the lady were badly hurt although Mrs. Sweeney suffered a bad bruise on the head and leg. It was a close call from almost certain serious injuries.

FUNSTON—KENNEDY

Tall standards of summer flowers, palms and ferns decorated Chalmers Presbyterian Church, Toronto, at 4 o'clock for the marriage of Selina Eleanor Elizabeth, daughter of Mr. and Mrs. Alexander Kennedy, to Mr. Cecil Joseph Funston, son of Mr. and Mrs. Hughie Funston. Rev. A. C. Stewart officiated and the wedding music was played by Mr. McMaster. During the signing of the register Miss Pearl Allen sang "All Joy Be Thine."

The bride, who was given in marriage by her father, wore a lovely gown of white chiffon over taffeta fashioned in Colonial style with accordion-pleated sleeves and flounces. Small buttons decorated the bodice from the neck to the flounces and the skirt was long and full. Her French model hat was of taffeta and crandine in the popular off-the-face style and she carried a bouquet of butterfly roses and baby's breath.

Mrs. Scott Ferguson attended the bride as matron of honor and wore a becoming gown of pale yellow mousseline de soie fashioned on long lines and flaring at the hem. Her large yellow picture hat was of the same material and she carried a nosegay of tallman roses and lily of the valley. Mr. Hughie Funston, brother of the groom, was best man, and the ushers were Mr. Robert C. Kennedy, Mr. A. Lorne Kennedy, Mr. Donald A. Kennedy, brothers of the bride, and a cousin, Mr. Cameron Kennedy.

Following the ceremony a reception was held at the home of the bride's parents, at 9 Abbot avenue, where the mother of the bride received, wearing a gown of white chiffon flowered in pink with white hat and corsage of pink sweet peas. Later the couple left by motor for a wedding trip to Chicago, the bride travelling in an aquamarine crepe frock with three-quarter length coat trimmed with navy blue braid. Her hat and accessories were in white. On their return Mr. and Mrs. Funston will live in Toronto.

Out-of-town guests at the wedding included Miss Mary Kennedy, Mr. Charles Kennedy, of Durham, Mrs. Alex McQueen and Mr. Charles McQueen, Varney; Mr. and Mrs. Walter Ewing, Durham; Mr. W. B. Todd, Rochester, N. Y.; Mr. and Mrs. Thos. McQuarry, Davenport, Iowa; and Mr. Bob Evans, of Chicago.

Splendid Services at Knox, Norm., 75th Anniversary

(By our Knox Corners corr.) As a congregation, the people of Knox, Normanby, have much reason to be thankful to the Giver of all good gifts for the beautiful weather and the wonderful attendance at the 75th Jubilee Services on Sunday. Everyone was pleased to see our former pastor, Rev. D. L. Campbell, again and to listen to his messages.

At the morning service the church was filled to the doors, and a large number outside were unable to gain admittance. Mr. Campbell took for his text I Kings 17: 7: "And the brook dried up." How true it is in our own lives, that the brooks of financial prosperity, of friendship, and the joys of family ties, have dried up and yet through it all, our God has been watching over us as He did over Elijah and has brought us out into a large place.

The choir sang an anthem "I will sing of the mercies of the Lord" and the Eventide male quartette from Mt. Forest sang two fine selections.

In the evening the text was "Come now therefore, that thou mayest bring forth my people, the children of Israel, out of Egypt." God speaks to Moses as He speaks to us today if we will hear. Moses was an old man before he entered on his real life work. Jesus was thirty years in training, but only three in active service, so let us not worry if the Lord sees fit to keep us long in training, that we may be the better fitted for His service. The choir sang a selection "Knocking at the door" and the male quartette three, and after the close of the service, they gave a number of old favorites, one of them "The little brown church in the vale."

The choir numbered twenty, the majority of them being former members, namely: Mr. and Mrs. John Leith of Holstein; Mrs. C. M. Leeson and Mrs. Morice of Varney; Mrs. Geo. Sharp of Durham; Mrs. Allan White, and Mr. Douglas Donnelly of Allan Park; Mrs. John Sharp of Hampden; Mrs. Koenig, Mr. Donald McIlvride, Mr. and Mrs. J. M. Marshall and Mr. R. R. Watson. We are very grateful for their assistance and to the quartette who gave so generously of their talent.

Rev. Mr. Honeyman read a list of those who had responded to the letters sent to one-time members. Mrs. Rev. Hill (nee Ella Barber) sent a gift of ten dollars. Mr. Campbell spoke of the eight years of his ministry at Knox, also of the teachers' training class of young people he had organized while here, and of which we were a member. Suitable psalm selections were sung in memory of the pioneers, and so our Jubilee services have been a time of rejoicing. Yet there is a note of sadness mingled with it, as we think of the many young and old who have passed on, who not so long ago, worshipped with us.

The following tribute to the pioneers was given:

We consider it appropriate that a word of appreciation be made for the sterling qualities and vision of pioneers who founded in this community this place of worship. Over 50 years ago some had chosen homesteads and others were following. They had severed family ties and relations in the old land and endured 5 or 6 weeks ocean voyage, coming to a new country that was still a virgin forest, a log shanty and small clearance being the only exception. Some old family records state that their children had been baptized before leaving their native land, others carried their children many miles through the woods when they learned of a neighboring community having a minister for a service and the ordinance of baptism performed. Think, for a moment of these early settlers without any luxuries and few of the necessities of life, with many trials, with sickness and no medical aid; with bereavement and only the sympathetic support of neighbors conducting a simple funeral service. Need we wonder they yearned for a place of worship and a pastor to minister to their spiritual needs. Their dreams did not materialize until Oct. 23, 1861. On this date Mr. Patrick Grieg was inducted to the charges of Hampden, Knox and East Normanby. Mr. Grieg continued to give excellent service for sixteen years. From that time, until the present, devoted men and saintly women in home, church and Sunday School have made valuable contribution to this end, and have spread far and wide an influence for good. These sacred memories have a mellowing effect upon the present generation and although they have passed on, their deeds still live, for which we are profoundly grateful. The church was beautifully decorated with hanging baskets and cut flowers.

Town Tax Rate Again Struck at 50 Mills

At their July meeting last Friday, Durham Council fixed a rate of 50 mills for 1934 taxation, the same as for 1933. The Public School Board cut \$450 off their last year's estimate, asking for \$6200 from the town, while the High School with an extra teacher required on staff since last fall, were obliged to ask for \$550 more, or \$3650. Bylaw 795 for chemical engine is not levied for, as last payment will be made this fall, saving 4-10 mills. Keep of patients in hospitals requires 2 mills instead of 1 mill, and town's share of relief costs was left at 1 mill. General rate is down from 5 to 8-10 mills. County rate is the same, and this and other expenditures are uncontrollable by the local Council.

Mrs. Richardson had repaired the sidewalk in front of her property on Countess St., and asked the town to share in the cost. Council voted to pay half cost. Council decided to lay new sidewalk in front of Smith's garage, but any further south property owners must share cost.

The guarantee contract on town pavements is to be presented at next meeting, as the five year term will be up this fall.

Accounts totaling \$876.81 were passed including \$200 to Library; also \$46.75 of relief accounts.

The petition of Kitchener city council to the Prov. Gov't., asking that the act be changed so that relief recipients must first be residents 6 months in the municipality instead of 3 as it is now, was endorsed by Durham Council. The local legislators would go further and make it 12 mos. instead of 3.

LATONA GARDEN PARTY SUCCESSFUL EVENT

The annual garden party of Dornoch Presbyterian Church, on Tuesday night, was favoured with fine weather. There was a large crowd, an excellent supper and a bright program supplemented with good music by the Durham band. What more could one ask for? The supper was of the usual first class Dornoch brand, both in quality and quantity. Rev. J. Gallo-way, pastor of Mulock Baptist Church was an ideal chairman, with a lengthy and varied program before him. It comprised addresses by F. Oliver M. P. P., C. R. McIntosh M. P., Allan Bell and the chairman; solos by Mrs. W. Blythe, Gordon Ransome, Jack Leuck; duet by Mrs. Stonehouse and Mrs. Stewart; quartette by Mesdames Stonehouse and C. McGirr, Chas. Lang and Cliff Buschlen, of Knox United Choir, Durham; recitation by Mary Dobie; piano instrumentals by Martin Duckhorn; and orchestra music by Messrs. McKechnie and Sharp, and the Sharp orchestra. The band music was much appreciated and a generous amount provided.

Mrs. Hannah Witter. A well known and highly respected resident of Durham and Egremont. Mrs. George Witter, passed to her reward at her home here on Saturday after four weeks illness from double pneumonia. She would have reached her 67th birthday on July 16th.

The deceased was born and raised at Breslau, Waterloo Co. Her maiden name being Hannah Zeller. Over 40 years ago she was wedded there to Mr. Witter, later moving to Durham, where he conducted a butcher business, then to the farm in Egremont at Boothville, where her husband died 14 years ago. A month later she and the family removed to Durham, and another misfortune befel them, the only son and brother, Wilfred being drowned a year after, when about 14 years old.

Surviving are three daughters, Mrs. Thos. Reid (Alberta), of Owen Sound, Mrs. Albert Pierson (Anna), of Durham, with whom her mother lived, and Mrs. Albert Moscrop (Faleda), of Toronto. There are ten grandchildren. She also leaves three sisters and two brothers in Kitchener, and the West.

The funeral service Monday, was conducted by her pastor Rev. W. H. Smith, and interment made in the Amos cemetery. Pall bearers were Wm. Henry, Doyle Braithwaite, Arthur Wyville, John McEachern, John Pierson, Don. McQueen. Beautiful floral tokens were given by the family, Mrs. Moscrop and Loretta Pierson, Ernest Witter, Eph. and Mrs. D. Souder, Mr. and Mrs. Fred Gerber, Mr. and Mrs. A. Rimmer, John Witter and Ed. Helwig. The flower bearers were Mrs. Herb and Mrs. Ed. Helwig, Georgina Witter, Mae and Sadie McEachern, and Loretta Pierson.

League Leaders Tied 2-2 in Collingwood

Durham's smart hardball team, aided by classy twirling by Camp McLean, sprung a surprise last Thursday by holding the unbeaten Collingwood nine to a 2-2 tie in Collingwood in 10 innings, and thereby hold top place in the Centre Grey League, still tied with the Simcoe entry. Each team previously had 3 wins and no losses. The largest crowd of the season saw the game which was called for darkness.

Durham counted 1 run when Ries singled in the 2nd, and scored from 1st on Watson's double. In the 6th Collingwood pounded McLean's offerings for four singles and a sacrifice to produce two runs, and in the 8th Durham tied 't up when Knistley as pinch hitter, drove in the last run.

Outside of 4 in the 6th, the home team got only one hit, while Durham secured 6 hits. McLean struck out 16 of the home team and Smith 14 Durhamites.

SPORT BRIEVITIES

(By Gallagher) And where are those "doubting Thomases" who didn't think perchance there was enough baseball material in Durham to form an entry in the Centre-Grey League? This town's bunch of willow-wielders are still draped on the top rung of the league ladder.

When the "Doc Burnettes" tied up the Collingwood team right in the latter's own ballwick, they showed class, as Hugh Caesar's boys in Simcoe County have a smart team.

The team from the byside town have a smart southpaw in Laverde Smith, and he is the lad who whiffed some twenty Dundalk guys in a recent game. While Smith fanned 14 of the Durhamites in last Thursday's fixture, our MacLean from the north of town did even better. He made 16 Collingwood lads swing at the ozone which hasn't been done yet in the Senior Grey County League.

Thought House in Flames: Turned in the Fire Alarm

The joke is on ex-mayor Murdoch over the false alarm sounded Friday night. Lying down on his verandah couch, he arose, and beheld banker Webster's house across the road and a little north, apparently ablaze. It quickly dawned on him that the Webster family were away on holidays, and possibly a short circuit had started the blaze. Calling the family they and another neighbor also thought it a blaze, and turned in the fire alarm. The brigade with chemical engine responded quickly, but could discover no fire to quench.

Meanwhile Mr. Murdoch rushed to the scene, and soon realized that the red illumination was caused by red shades on the lights in the house. The light shining through the fog and waving branches of the trees appeared to be dancing flames, when some distance off, while the fog above appeared like smoke. Miss Jean Webster had come home and turned on the lights unknown to the neighbors. And that was all there was to it. Fortunately it was only a laugh, instead of a catastrophe.
