MEMORIAL SERVICE DRAWS A LARGE CROWD

The annual Memorial Service held on Aug. 5th, proved like its predecessors, very successful. There was a disappointment in first week of our principal speaker, Col. F. Fraser Hunter, who had been selected by Premier Hepburn, to represent the Gov't at the big Army Corps celebration and thus unable to attend.

Mr. John McQuaker, Owen Sound, a resourceful speaker, always welcome here, gave a fine address. Rev. J. W. Johnston, the new pastor here, led in prayer and acted in his capacity of chairman efficiently with appropriate references. Rev. Father Grace too, was splendid, commending the observance of this solemn occasion, as did the other speakers.

Miss McPhail and F. R. Oliver were in good trim and met with hearty approval. Rev. N. McDonald read the scripture message. A massed choir of some 30 voices, sang as a voluntary, "O Valiant Hearts" and furnished the harmony to the hymns sung, that was led by that fine musical organization, the band, from Hanover—liberal in their selections. The silver bars or chimes were a most pleasing feature.

Mr. Gordon Brown, a soloist in a Toronto church, contributed a solo in fine voice "A Friend in Galilee." The collection was taken up by 12 winsome teen age girls in fancy decorated plates. The organization in company with the Old Boys' Reunion invested in a fine new platform, 4 sections, 12 ft square.

The Monday sports following drew another large crowd. The day's enjoyment began with a Calithumpian parade at which a horse, "Barney Google" (W. Frook and Camoron McLean) and led by Neil Aldcorn, took 1st prize. A horse and cow hitched together, another horse in a coverless top buggy, a float loaded with clowns, etc., provided innocent amusement.

A Gray coach brought some 27 members from Toronto Saturday. The baseball game between Drew and Hanover, resulted in a score of 7 to 1, in favor of latter.

Football with Feversham and Priceville ended in a 1-1 tie though without prejudice we think Priceville had rather the better showing.

WATER SPORTS

Following were the prize winners: Girls under 15; Merle Roberts 1st, Anna McVicar, 2nd.

Boys under 15; Sherman Piper, of Ceylon, 1st; Alex Weir, 2nd.

Boys over 15; La Verne Piper, 1st; Alex Marshall, Ceylon, 2nd; Johnny McVicar, 3rd.

Free for All; Merle Roberts, 1st; Alex Marshall, 2nd; La Verne Piper, 3rd.

Greasy Pole; Tie between Frank Slatter and Douglas Turnbull.

Duck Race; Caught by Douglas Turnbull.

Twenty years ago this Saturday, Aug. 4, 1914, an old people's picnic, a most enjoyable affair, was held at Wilder's Lake, of the people in Egremont Twp. At the close of the event word was had from Durham that war had been declared; on a Tuesday if I mistake not.

The funeral of the late J. J. McRae, on Aug. 2nd, services and sermon held at home and thereafter the body moved to Pres. Church, where a service was held of praise, scripture reading and prayer, the latter by Rev. J. W. Johnston. The deceased had reached the age of 93 years.

He was a strong follower of Pastor Russell and lived a good life. A sturdy blacksmith in his earlier days it was quite fitting that two present of the calling and one of the past, should act as pall-bearers; Messrs Sheurman and Reilly and H. B. McLean; Colin A. and Colin H. McLean and A. McVicar. Mrs. McRae is still unable to move and will in all probability be taken to home of her son Duncan in Owen Sound. She is in her 91st year and has possession of all her mental faculties.

Mr John L. McKinnon and bride, of Saskatoon, are visiting relatives here.

Mr and Mrs Percy Chambers and son, Toronto, are visiting at her father's.

Mr and Mrs Dan McCannel, Mr. and Mrs Nell McCannel and son Arthur, Proton Station; Mr and Mrs. Don McDonald and Dorothy, of Toronto, visited Sunday at Mr Andrew Hincks and attended Memorial Service.

Mr and Mrs Nell Shortreed, Keswick, spent the week end at the parental home.

PRICEVILLE AND VICINITY

Mr and Mrs Harry Pedlar, Mrs Alex Carson and Bernice, Toronto, spent the week end here and returned Monday.

Mr and Mrs Eldon Runciman and son, Toronto, are holidaying here. Mrs A. L. Hincks and children, with Miss Agnes Macphail and her mother, visited recently at Angus McCannel's, Proton Station.

Mr and Mrs Waite and children, of Toronto, spent a few days at A. B. McArthur's.

Mrs Stanley Maltby, Toronto, spent the week end with her mother, Mrs. Buckham.

Miss Marjorie Meuser, O. Sound, and friend, Hamilton, spent the week end with Mrs Arch. McCuaig.

Martin McLeod, Tilbury, visited his sisters over the holiday and took in the big events Sunday and Monday. Misses Flora and Margaret Macfarlane and Mr and Mrs John Macfarlane, Toronto, spent the week end here.

HOPEVILLE

Miss Lyda Spence, Toronto, spent a few days with her parents, Mr. and Mrs. Thos. Spence.

Mr Chester Fowler, Mr Jack Tutton and brothers motored to Toronto Sunday, to see the latter's father, who recently met with a serious accident and will be a hospital patient for another month at least.

Mr and Mrs Robt Renwick and daughter Helen; Mr and Mrs W. R. Weir and children, Durham, were recent guests at home of Mr John Sinclair.

Mrs Paxman spent a few days last week visiting her daughter, Mrs S. Bryce, Holstein, while her nieces, the Misses Paxman, Toronto, looked after her household duties.

Mr Geo. Wale was home from Toronto for the holiday.

Mr and Mrs Harry Scott and Miss Beulah Burnett, Durham, spent Sunday with his mother, Mrs Jas Scott.

A large crowd enjoyed the holiday at Black's Beach. Water sports, a Calithumpian parade, pipe band, a good program, ball game and dancing at night provided good entertainment.

Tommy, the two year old son of Mr and Mrs Earl Walton met with a very serious accident. While with his father at the barn he pulled a heavy trap door on his legs, fracturing one from his knee to hip, a severe inch split. The little fellow is doing not so badly. It is quite a problem to keep a child of that age quiet, when at the least, it will take six or seven weeks before he will be released from bandages, etc.

The United Church Mission Band met Wednesday at Mrs R. Crawford's

SWINTON PARK

This is the morning after the night before in this locality as almost everybody spent the holiday at the picnic at Black's Beach. A very enjoyable day meeting and mingling with old acquaintances from far and near. Gate receipts proclaimed 500 in the afternoon and we think a like number for the dance in evening.

Many young people of both sexes, should not need another wash for a month, they spent so much time in the water. First sports were a swimming race, young men, in which Vincent Ellis of Holstein came 1st, and Geo. Jackson, Toronto, 2nd and Jimmie McLean, Proton; Boys' swim—Jimmie Essex, Winnipeg; Allen Haw and Donald Goheen; tub race, which created fun and many upsets, was won by Donald Goheen. Walking slippery pole was an amusing event, and Jimmy Knox of Bowmanville; Leslie Watson, Swinton, and R. J. McNulty, Victoria Corners, were the lucky ones.

Then a splendid program was enjoyed; instrumental music by the Haw pipe band, assisted by two McDonald brothers of Toronto, violins five in number; banjo, harp, piccolo, mandolin, gave an abundance of music. Also vocal numbers by at least 9 different persons; readings, recitations and speeches. Everyone called on responded. The most notable was Miss Macphail, M. P. and Wm Jack, reeve of Proton. Mr H. Watson occupied the chair. Good order prevailed. Seating accommodation was good.

Then lunch picnic fashion with rugs spread on the grass. Families or groups of families sat down and enjoyed friendly chat while they ate. Softball game, Proton centre versus the 'Little Wrens' of Swamp College resulted in the Wrens winning big. Then an hour of 'do as you like' going about shaking hands and meeting so many of the boys and girls home for the week end holiday.

Mr and Mrs Jack McLean of Milo, Alberta, came the farthest. Then the lights were lit and the dance enjoyed, not only by them on the floor,

but also by the onlookers.

Mr and Mrs Black received congratulations on their enterprise, as they have done much work in fixing up grounds, buildings, swings and slide. All enjoyed the day.

Fred Knox attended the Soldiers' reunion in city over week end and enjoyed meeting overseas chums

Mr and Mrs Billy Knox and children, now of Bowmanville, are holidaying at Bert Haw's and W. McCormick's, also with Mrs Knox of Ceylon. Billy is holding a very good job at Bowmanville and is still his happy self.

Mrs Jas Wilson, Boothville, who underwent a serious operation in Toronto two weeks ago, is now home and improving.

Harvest is progressing. Arthur Richardson has finished cutting a very good crop while many here have not started. Arthur leads this section in early to bed and early to rise and getting work done.

Rev. Mr Johnston, Priceville, will conduct service at Swinton Park next Sunday at usual hour, while Mr McDonald is on his vacation.

Four hundred thousand babies have been born at Banff during the past fortnight. It is not the fine mountain air that accounts for this phenomenon, but the mountain water, and the babies are rainbow trout from the Dominion Government Fish hatchery on the banks of the Bow River. They will be placed in the lakes and streams of the Rocky Mountain Parks.

Canadian Pacific Railway Police, Ontario No. 1 team, are champion revolver shots of the Dominion. After winning the Chief Constables Association Trophy in May, the team shot against the Lethbridge detachment of the Royal Canadian Mounted Police which had won the championship for Military forces, and defeated them 1412 against 1370. Possible score was 1500. The victorious team is composed of Investigator E. O'Brien, Sudbury; and Constables H. H. Gyves, Port McNicoll; J. H. B. MacDonald, Toronto; D. Prendergast, Sudbury, and W. E. Tingman, White River, Ont.

With a population that ranks 28th among the countries of the world, Canada is fifth in total exports and third in total turnover of trade.

Charles Olsen and Raffaele Maullari, rival round-the-world racers, are trying to make a trip circling the globe in less than 30 days using only "regular means of transportation." Olsen left Victoria on Canadian Pacific Greyhound Express of Asia June 13, and Maullari arrived at Vancouver on the Empress of France June 22. Airplanes come within the term of the contract since both men have already used them. The race at time of writing is very close.

A problem that has defeated the learned for centuries—the squaring of the circle—has apparently been solved by L. W. Hartman, Canadian Pacific Railway timekeeper at London, Ont. Hartman claims he devised a geometric method by which to reproduce the exact area of a circle in the shape of a square. University professors are now examining his solution. He was born in Rumania and never saw a college, but speaks English, French, German and Rumanian fluently.

Adelard Goulet, head barber of the Banff Springs Hotel, had what he regards as a close shave the other day when he was off duty on the golf links and met a black bear. He topped his drive and the bear beat a hasty retreat. Wild animals are very tame in this district this year.

The FIRESIDE PHILOSOPHER

By ALFRED BIGGS

True love asks nothing in return. Wise men are at home anywhere. An ounce of example is worth a ton of precept. Universal honesty would bankrupt locksmiths. Associate with those who know more than you know. Fussing over small matters destroys ability to tackle big ones. Those who boast of many friends are generally advertising themselves.

Instead of writing that weekly letter to distant friends, why not have the Review tell them the news of the district. Save yourself the trouble of worrying over what to say each week for \$2.00 for a whole year.
