CANADA

WARNING THE CHILDREN Parents might note that one of the

things it is necessary to warn their children of is never to try to dig a pirate's or a robber's cave in a sandbank. Scarcely a year passes that the death of a child, and sometimes more than one, is reported from the caving in of the sand. A fine lad of twelve has just lost his life in Toronto from this cause. The burrowing instinct the ladies of today are likely to make is strong in boys, but it is too danger. their exit from the world due to that ous to be encouraged.-Hamilton Her. very thing, the fashion. In this case

Critics may say what they like about the Ottawa agreements; the figures are there to speak for them selves. What they prove, beyond any question, is that Empire preferences are working that they are improving Empire trade steadily, and that for ly did not see him at all. The nicely-Canada they have meant everything, Because somebody must be getting the benefit of these growing exports Our farmers must be selling more and neither can sell more without considerable gain. A whole people-farmers, working men, business men, transportation employeesmust have more money than last year. -Ottawa Journal.

THE SPEEDSTERS.

For some reason Sunday traffic remiles.-Hamilton Spectator.

BETTER TIMES AHEAD.
