Holstein Defeats Fergus by Score of 2-1

Holstein picked up a one-goal lead in Fergus on Saturday afternoon in the first game of the W. F. A. intermediate semi-finals, defeating Fergus by a score of 21. The return game will be played at Holstein on Saturday, Sept. 15th at 4 o'clock.

During the forenoon a heavy rain fell, leaving the field in a heavy condition, particularly around the east goal where all the goals were scored. Holstein has a reputation as a team of good "mudders" and they were fortunate to meet the fast Fergus team on a heavy field and if the return game is played on a dry field they may need that one-goal lead.

During the first 15 minutes of play Fergus held a slight advantage and it was during this time they scored their first and only goal of the game, Kelly cutting in on a scrimmage in front of the Holstein goal to hoist one high to the right-hand corner that gave McKenzie no chance to save.

After this reverse Holstein settled down and carried the play to the Fer gus goal where Gibson, Cowan and Patrick each had a try but Carrick in the Fergus goal made their efforts look easy and stopped each shot. Fergus came close again on a corner kick by Mooney that McKenzie stopped with his hands and Seim cleared That was the last real scoring chance Fergus had. For the remainder of the first half and all the second Holstein were on top of the play as the Fergus players bogged down in the heavy

Holstein evened the count after ten minutes of play in the second half when Ross came in fast to spear pass from Gibson and scored from few feet out.
