DOWN TOPICS

Keep October 3rd open for DURHAM FALL FAIR.

Mrs Robert Burnett will be at home, Friday, Sept. 23rd, from 3 to 6 o'clock.

Dr. C. P. Park, of Hamilton, will be in Durham at his sister's on Saturday and Sunday of this week for consultation.

A special meeting of the L. O. L. of Durham District, will be held in the Lodge rooms on Friday evening, Sept. 21st, at 8 p.m. Banquet and business.

For Sale or Rent on William St., Durham, six-room brick house, acre and a half of land, garage and stable, hard and soft water. Apply at premises to Mrs Harry Simpson, at Durham; or 56 John St. E., Waterloo, Ont.

Glennelg Baptist church anniversary services will be held next Sunday Sept. 23, at 11 a.m. and 7.30 p.m. Rev. A. Forsyth, M.A., of Walkerton will be the anniversary preacher. Concert and supper Monday night at 8 p.m. Admission—25c and 15c.

Leased McColl-Frontenac Station

Mr Ross Currie, who has been employed with R. Campbell the past two years, has rented the McColl-Frontenac service station on Garafra St east, taking possession last Monday. He has also purchased the stock on hand of auto accessories, etc, and Don Campbell is his assistant. Ross is a good mechanic, careful and painstaking. His home is in Cayuga, where he played hockey last winter. He was formerly a professional player with the Chicago Black Hawks, was reinstated last year back into amateur ranks and it is anticipated, will be a valuable cog in the Durham hockey machine for next winter. The former lessee, Mr Wm. Armstrong, purchased a garage in Markdale, where he is now in possession.

Durham Captured Second Game from Kimberley 7-2

After losing the first game in Kimberley 1-3, Durham made a startling come-back in the second, here on Saturday afternoon, winning by 7-2. Combined with Camp McLean's masterly hurling, in holding the visitors to 2 hits, the Durham boys said it with base hits. They cracked out 11 safes which included 3 doubles, and a triple in a timely spot by Dean

Alonzo Smith, the former star Meaford twirler was in the box for Kimberley and the locals solved his delivery at various stages though not opportunely till the 8th, when they staged a 4-run uprising, and put the game on ice. Durham first broke into the run column in the 3rd and added 1 more in each of 5th and 6th innings. In the 8th two were on bases for Durham when Dean after several fouls, cracked out a triple over 1st base, later scoring which cinched the contest.

With 3 hits and 2 Kimberley errors in 6 1/2 frames, Durham counted 4 times, then eased up in the 9th allowing the visitors to score their first 2 and only runs of the match.

Dr Mountain and Ries contributed doubles which materially assisted in the earlier runs scored.

R. H. E. Kimberley 000 000 002 2 2 5
Durham 001 011 04x 7 11 4
Durham team: Camp, McLean, p.; N. Dean, c.; Dr. Mountain, 1st; K. Long, 2nd; G. McGirr, ss; Ed. Dickson, 3rd; L. Ries, R. McGirr, Alex. Taylor, Elmer Tucker, outfield.

The final and deciding game between these teams will be played this Thursday afternoon in Markdale at 3.00 p.m. A large contingent of Durham fans is expected to accompany the team. The winner will meet Colingwood in the finals next week.

DURHAM-O. SOUND COMBINE IN NEW LACROSSE LEAGUE

Seven Durham boys have joined up with Owen Sound in a new lacrosse grouping—a six team league, each team a combination of two towns. The Durhamsites on Owen Sound line up will be Yank McEneaney in goal; Ken Wilson and Lorne Ries on defence and Fred Murdoch, J. Lauder, F. Bolger and Buff Snider, forwards. Their first league game will be in Alliston on Friday night.

Division Court Cases Tried on Tuesday

Seven actions were before Judge G. W. Morley at Division Court here on Tuesday, two of which were postponed until November Court.

The first on list, C. B. Lawrence vs. Arch. and A. A. McArthur, was settled out of Court.

W. J. Vollett vs. John Legate was a suit to recover payment of a note, given for an account Legate was voluntarily paying up. The judge ruled Legate had no obligation to pay, and dismissed the action with costs to plaintiff.

Imperial Oil Co. vs. W. J. Molson, was a claim for gasoline, which defendant had leaked out of the Co's own pipes. Adjudged till Nov. 13th Court, to allow debt, to bring witnesses.

Mark Wilson vs. John Boyd, was an action for an acct. for meat and hay, the latter item being disputed as to quantity. The judge awarded Wilson the full amount of his claim, but Joe Davison had a previous order from debt for the funds garnished, and his Honor ruled that Davison be first paid \$10.00 on his order, and the balance go to Wilson.

Henry McCaslin vs. Edward Horton of Clifford was an action to recover payment of a note, and debt, entered a counter-claim of over \$200 for keep and care of his mother, Mr. McCaslin's wife, for two months. Judge Morley reserved decision.

W. J. Vollett vs. E. Roseborough was adjourned to November Court.

There was quite an array of legal talent representing the several litigants: Barristers J. H. McQuarrie, Durham; J. H. Shannon, Harrison; Campbell Grant, Messrs McAb and Klein, Walkerton. It was about 1.20 p.m. before the sitting was concluded.

GLENELG SCHOOL FAIR

Glennelg school fair took place on Thursday at No. 9 school. There was a big crowd present and the exhibits particularly in flowers and vegetables were very good. Baking, sewing and manual training exhibits were not as many as in some other years. Inspector G. E. Pentland was president and was in charge of school drills with Messrs Irwin Matthews, Patrick O'Connor and J. McKechnie assisting. Prizes were awarded to No. 9, 1st; Elge Hill 2nd; Rocky Saugene 3rd; and Bunesan 4th.

In the public speaking contest the prizes went to Danny Edge, 1st and Reta Ryan 1st in girls' class. In the singing contest Tom Firth won 1st, and Steven O'Henley 2nd. Mr. Stewart Cooper, agricultural representative, gave a talk on subjects of general interest. The school was opened to the public at 4 o'clock to view the exhibits.

SUMMER'S FAREWELL

On Friday of this week, the 21st of September the official summer season of 1934, passed into history. We may have a few days of warm weather yet as a reminder of what summer has done for us, but in the main we can say adieu to sweltering days and picnic diversions.

Not that the summer of 1934 was anything to stand out in memory for heat. June was a comparatively cool month and August was off color altogether for a summer month. Rather she was chill and dark. July gave us plenty of heat and with long continued spell of drouth, made an arid country out of Ontario as a whole.

September has been cool for September. The rain fall of last week was 1.72 inches, almost as much as has fallen in all previous storms of the month. There is a heavy crop of beech-nuts this year—does this mean an early and heavy winter as the pioneers used to believe? Also not for many years has the choke cherry crop been so heavy.

The lines of Tosti's famous classic "Good Bye Summer" fit in well here: "Falling leaf and fading tree, Lines of white on a sullen sea, Shadows rising on you and me. The swallows are making them ready to fly, Wheeling out on a windy sky; Good-bye Summer, good-bye, good-bye, Good-bye Summer, good-bye, good-bye."

'Old Home Week' Visualized a Big Thing

At an Old Home Week Committee Meeting on Friday night last, further plans and preparation were made to put across in a big way, Durham's first Old Home Week. Judging by letters already received from ex-residents abroad, and co-operation of the town people, it is going to be the biggest thing of the kind Durham ever put across.

Initial financial outlay is one of the first steps in an event of this nature for as we will and economize to the bone, it needs so much siller to make more siller. Even a Scotch community such as Durham, will not fall down on that speech. After considerable discussion it was decided to make a complete canvass of the town, to secure one dollar memberships in every home, if possible. Each contributor will then be enrolled as a member of "Durham Old Boys' and Girls' Association." Messrs D. C. Town, Dr. R. R. Burnett and P. Ramage were appointed in charge of the three wards for the canvass, which will be undertaken this week and next by members of committees.

The Durham Stone and Sand Company have offered valuable assistance in the use of their trucks and machinery to level off the ball field and race track on Durham Show grounds. This will be done after the road work is completed north of town this fall. All expense the committee bears in connection therewith is the gasoline used and the cost of labor.

A suggestion has been made that a field closer in town be used for the sports. But to former Durham residents, Durham Show Grounds with its natural amphitheatre of a hillside is a treasured spot and the battling ground of many a famous lacrosse fight.

Addresses of ex-residents are pouring in to Secretary B. H. Willis but there are yet many who should receive an invitation. Send in your addresses direct to Mr. Willis or the Review will take care of them for you, if they are sent here.

Yours for a big week in 1935.

I.O.D.E. Hold First Meeting

Canadian Greys' Chapter, I. O. D. E. held their first opening meeting of the fall season at the home of Mrs John Burgess, when a large number attended. A very substantial supper was first served, after which business was discussed. Miss Margaret Hunter, regent, occupied the chair and conducted proceedings.

Discussion arose as to the need of resurfacing the lower Town Hall hardwood floor, and generally cleaning the woodwork. It was agreed to have same done this fall.

Mrs T. Henderson and Mrs F. Irwin were appointed as members from the Chapter to represent them on the Town Relief Board the coming winter.

Plans for the 1934 Community were again to the fore. It is something that entails much work. Oct. 18th was the date decided upon for party, and several homes of Chapter members were offered for the night, among them Miss Hunter, Mrs Jas. McLachlan, Mrs. P. Lawrence, Mrs Grant, Mrs R. Burnett, Mrs Kearney, Mrs. T. M. McFadden, Mrs Henderson.

A Christmas dance will also be given by the Chapter, on Dec. 27th.

Mrs Grant brought in a motion at last meeting regarding taking some action re doing away with "Mofat's Hole." On interviewing members of Council it was learned to be a huge undertaking and the best method would be to build a fence surrounding locality and post danger signs. The Chapter felt this was the work of the Council to act upon.

The Chapter also agreed to co-operate with the Town Council in placing sanitary toilets in Town Hall basement, such work to be done when Council deemed the best time.

The members were also behind the Old Home Week Committee in aiding in whatever manner they could help arrangements towards success of "Old Home Week" in Durham in 1935.

Mrs Burgess was accorded a hearty vote of thanks for her work in entertaining the members.

Mrs T. M. McFadden and Miss W. Blyth rendered solos and Mrs J. F. Grant, Educational Sec'y, read an interesting geographical sketch of Ceylon, of her people, their exports and customs.

Presbyterian Choir Surprise Leader with Presentation

Mr and Mrs J. H. Harding received a genuine and pleasant surprise on Friday night last, when on the eve of their silver wedding anniversary, their fellow members of the Presbyterian choir, with their husbands, wives and friends, 34 in all, breezed in upon them at their home, to honor them upon the event. On behalf of the choir, Mr Stewart McArthur read a fine address, while Miss Weir and Mrs Lauder presented them with a beautiful silver cream and sugar on a silver tray, and a silver entree dish. Mrs Harding who is choir-leader, though taken unawares, briefly voiced sincere thanks. With Rev. D. Gowdy as the chairman, a program was given by members of the choir and games chorus singing enjoyed.

Mr and Mrs Harding have since been the recipients of other fine gifts. They have resided in Durham now for twenty-one years and during that time have been foremost in all good causes, in musical and church circles, and until two years ago, active in business life. Their many friends wish improved health for Mr Harding, and with it, many more joyous years for both.

MARK 39 YEARS OF WEDDED LIFE

Wedding anniversaries are pleasant occasions to mark, especially when wedding couples acquire the years so gracefully as do Mr. and Mrs. J. S. McIlraith of town. On Tuesday of this week, they quietly observed at their home, the 39th anniversary of their wedding day. We think it is a mistake to tell the number of years, for otherwise this couple could "pull the wool" over the people by several years. Anyway, despite what years will do, the "Review" is one of the many who extend congratulations, coupled with the hope that they round out the fifty year span in as good health and spirits as to-day.

No town is better than its citizenship and in this regard, Durham is exceedingly fortunate in having such citizens as Mr and Mrs McIlraith. Imbued with strong home principles, they also have a vision of what community public spirit means and do not stint service thereon. Knox Church in almost every line of activity, feels their leadership and values same.

As stated previously, Mr and Mrs. McIlraith marked the day quietly, the bride making an "anniversary" cake for the occasion. We hope it was as good as the County winner, Mrs. McIlraith won in a bakery contest a year ago.

Severe Electric Storm Does Much Damage

A severe electric storm passed over Durham district late Wednesday night and early Thursday morning, that left much damage in its trail, as well as many fast heart beatings at the time. It was the most severe electric storm of the past summer, though there were few of them. Both sheet and fork lightning figured in the display of electric illumination, and the heavens were a constant mass of flame for about an hour or two. The rain fell in torrents and the Bible prophecy in Exodus regarding there being no more floods upon the land as in Noah's time, was the only safeguard the citizens had re another old-time historic flood descending upon us.

Mrs. O. Cluchey, residing in the former Kate McDougall home, on Queen St., was stunned for a day, and had a burning sensation in her arm.

Mr Verne Watt's house was badly ripped up. Three windows were smashed and facing around the windows ripped off. The lightning followed the woodwork and each room was effected.

Mr. Frank Scott, South Glennelg, had three horses killed by the storm.

Mr Alex Hastie, pool-room proprietor, had his cottage on Queen St. also affected by Wednesday night's storm. The current ran down the gables and burned a hole through a tin cup. Otherwise there was little damage done. Mr and Mrs Hastie felt the house charged with current.

PERSONAL MENTION

Mr and Mrs Gordon Grant, Varney; Mr and Mrs Campbell Grant and Miss Florence, of Walkerton, were in attendance in Fergus on Saturday last, at the wedding of their brother, Roy to Miss Nicholls.

Mr and Mrs O. C. Eddy and infant daughter, Toronto, were guests the past week with Mr. and Mrs. Geo. Ylirs.

Mrs W. R. Alder is this week in Ottawa with her parents, visiting her sister, Miss Dora Helmkey.

Miss Anne Baldwin has left for Belleville to attend Albert College, where she will secure her first year in Arts, preparatory to attending Queen's University.

Mr Donald Knight has gone to Kingston to attend Queen's University.

Miss Dorothy McFarlane is now engaged as stenographer in the Good Roads Office.

Miss Lucy Robins of town and Miss Clara Jack, Zion, are students attending Stratford Normal School.

Mr James Henderson has secured a secretarial position in London.

Mr Percy Harling of Hamilton, spent Thursday with his brother, Mr J. H. Harding.

Miss Louise Jamieson left on Tuesday last week to attend Branksome Hall.

Mrs J. W. Crawford of Mt. Forest is visiting old friends in Durham.

Misses Jean Harding and Jean Webster left on Tuesday to begin a course of study in Macdonald Hall, Guelph.

Mr and Mrs Willett Snell, Mr John Snell and Mrs Livingston of Chateworth called on old friends in town on Thursday.

Rev B. D. Armstrong of Uptergrove, called on Mr and Mrs Renwick on Wednesday of last week.

Rev. W. H. Hartley, and wife, Kincairdine were in town over the week end, the guests of Dr D. B. and Mrs Jamieson. Mr Hartley conducted Harvest Home Services in his former church, Rev. J. R. Thompson taking the work at Kincairdine for the day.

Died at Hanover

Albert Wilken, aged 43, owner of the Hanover Arena, died suddenly, on Monday at his home. He drove his car home at noon, went into the house and 20 minutes later was dead. A doctor was called but life was extinct when he arrived. Mr. Wilken came to Hanover about two years ago and six months later his wife died. He leaves two small children, Arthur, aged 6 and Ann, 3.

NEW BLOOD FOR SOUTH GREY LIBERALS

The Chesley Enterprise put over some news last week when they announced Jacob Lembke, ex-reeve of Sullivan and ex-warden of Grey, as a candidate for the Liberal riding of Grey—Bruce. He is a brave man to want to try the nomination, for this will be conceded his biggest fight—not the election.

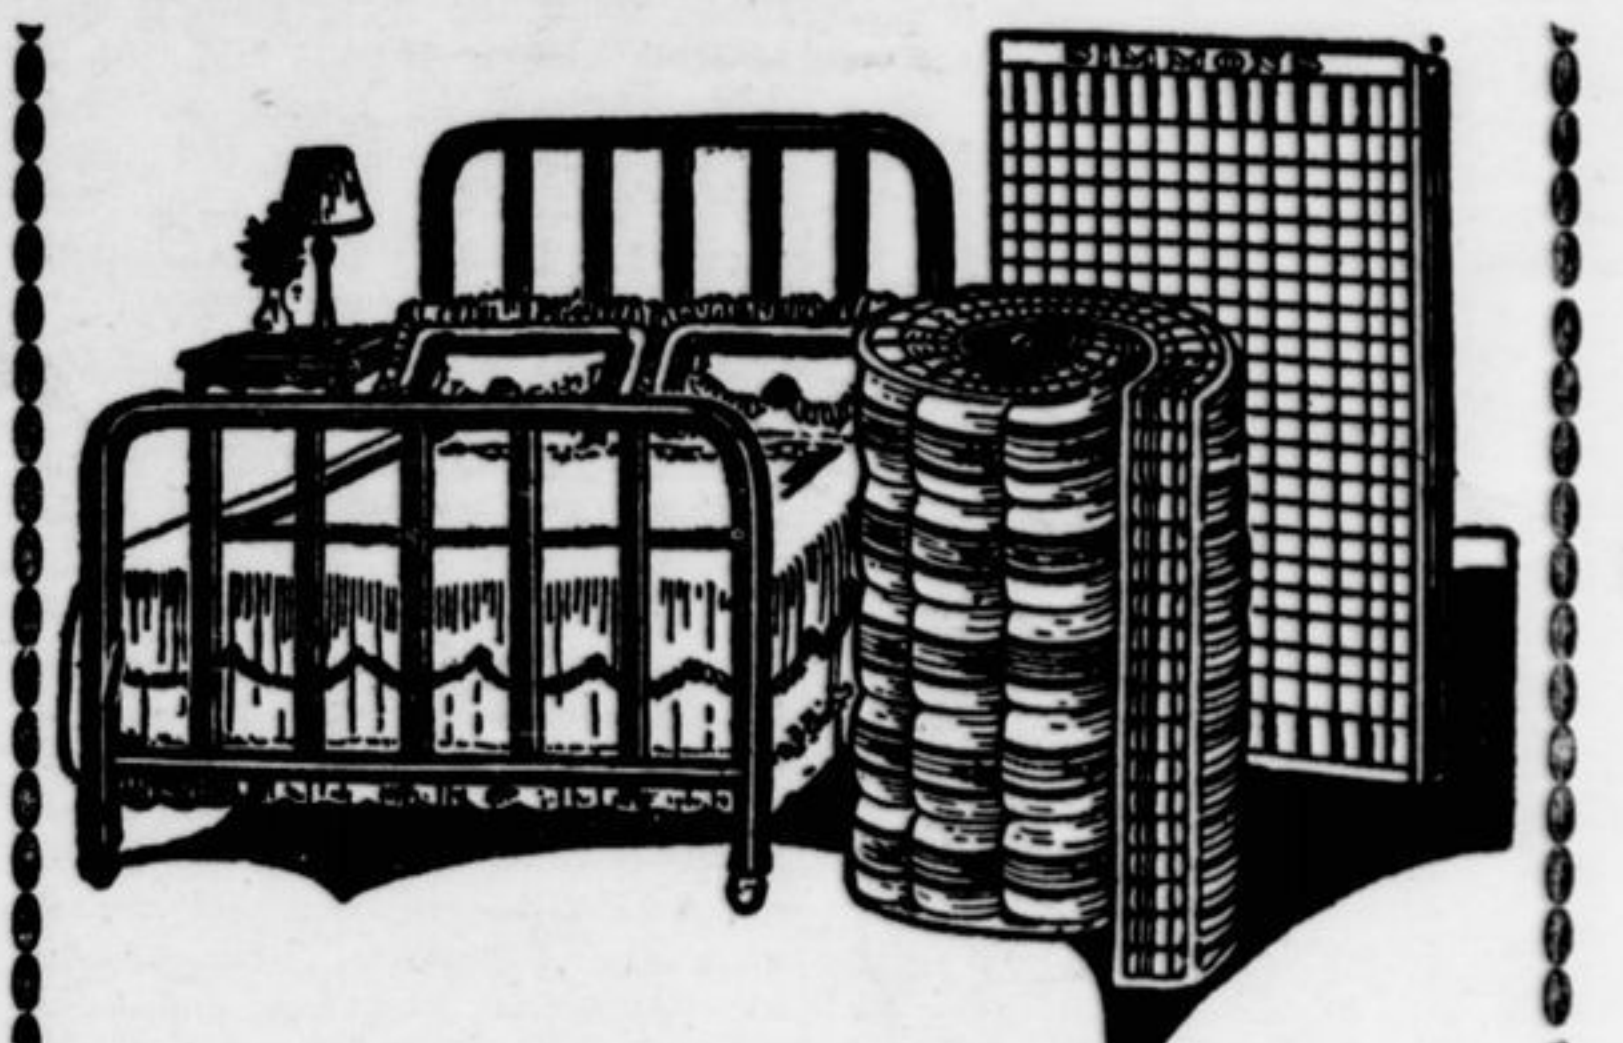

Mr. Lembke has gradually worked to the front of his own merits, is a progressive German-Canadian citizen and feels he has a flair for parliamentary life. In the recent bye-election in North Grey, he was runner-up against the successful candidate, Roland Patterson, for the Liberal nomination. As Sullivan Tp. rides in Grey—Bruce for the Dominion, he is in his jurisdiction when he wants to run as candidate here. The new riding is now so large that no new candidate is known to all its corners and once receiving the nomination, Mr. Lembke's chances should be as good as any in landing an upholstered seat at Ottawa.

WATER CONSUMERS' NOTICE

We have set up in our office a water softener, which softens the hard water softer than rain water. No need of any more plugged water fronts, furled tea kettles and such troubles from lime deposits—water 100% pure. This system of pure soft water for cooking, washing and bathing and all other uses has many advantages over all other sources of soft water. Call at the office and see for yourselves. We will demonstrate Saturday and Wednesday afternoons from 2 to 5 for one month, commencing Saturday, Sept. 22. Durham Public Utilities Com.
