SWINTON PARK

On Wednesday night, the 12th, very severe electrical storm crossed over, causing some loss of sleep. Mr. Herb. Harrison's house was struck, and much damage done, but no one was hurt.

George Plester and Gordon McLeod have done much of the threshing a round Boothville.

Oliver Milliner and Jimmie McLean who are running the Company outfit on con. 14, had a very costly break on Saturday last, while threshing at Sam McLean's. They have engaged Delbert Haw with his tractor to carry on for a time. Delbert also has a job of ploughing for James Hardy with tractor.

Everyone seems busy at present. The young folk are off to school again this morning. To Dundalk High School go Myrtle and Stella Corbitt, also Ivan Porter; to Flesherton, Mary and Irene Wilson and Douglas Clark.

Bob Black has secured a position in Toronto.

Mary Kinsman who was home from the city for two weeks' holiday, returned two weeks ago. Her sisters, Florence and Reta, also went to the city and secured employment. All these young people out of this locality makes us feel a little lonesome. We will be thinking, and watching with hope for all to be successful.

Mr Archie McTaggert has rented the Parslow farm on con, 14, for a term of years. Mr. McTaggert, Myrtle and Betty, also Marguerite Mc-Lean, Sundayed with Bethel friends.

Miss Myrtle McTaggert spent last week with her cousin Florence Bachelor of Inistoge.

Fred Knox and Harold Fawcett shingled one side of the barn on the John Aldcorn farm last week. Some have been taking up the murphys last week, and say a very fair crop. We found it hard work.

Mr., Mrs., and Miss Tressider were called to the funeral of a relative in the town of Lindsay last week.

Now just for a couple of weeks of fine weather so we can all go to the fall fairs. This morning a gentleman farmer told me he had not been at a show for 25 years, and he can't go now because he wouldn't know how to act. PATIENTS IN DURHAM HOSPITAL RESULT OF ACCIDENT

Rev Father Arnold, Toronto, who was driver, with Mr Patrick Horrigan and Mrs M. Heeney of Ayton, were badly injured when their car collided with another car on Friday last about 7 p.m. about a mile east of Maxwell, in Osprey Township.

M.ss Mary Horrigan and Mrs. D. Ryan, both of Ayton, received bruises and were badly shaken up, but were able to be taken to their homes. The others of the party were removed to Durham hospital.

The Ayton party were returning from a visit to the shrine at Midland and nearing the point of the accident a large truck load of wood driven by Mr. Bradley Smith of that neighborhood, came on the road from a sideroad. The car was turned over twice, and is nothing but a heap of ruins, while the truck was not damaged to any great extent.

Provincial police are conducting a full investigation into the accident, but to date no charges have been

Here and I here

Prince Iyesato Tokugawa, president of the Japanese House of Peers, and his son, Hon, lyegaso Tokugawa, Japanese Minister to Canada, met recently on board Canadian Pacific liner Empress of Russia. The Prince was on his way to London to attend the inter-Parliamentary Conference and took the opportunity to see his son who had come to Victoria from Ottawa to meet him.

Leaping into shark-infested waters in the China Sea halfway between Hong Kong and Shanghai, Carpenter Tom Ellworthy, of the S.S. Empress of Russia, saved the life of Mrs Makareff, passenger on the ship who had jumped overboard in a fit of dementia. The woman strongly resisted efforts to rescue her and 4th Engineer Dean went to Ellworthy's assistance, the two men succeeding in bringing her back aboard ship after long and exhausting struggles.

Beating the world's record in passenger traffic operation, Western Canada comes into the limelight this year with the 1252 mile continuous run from Fort William to Calgary of the Canadian Pacific locomotive number 2808. A number of locomotives of this class are now being built by the railway, equipped with roller-bearing boxes which will still further facilitate engine operations on long runs.
