A FURTHER STEP on the Road to Recovery

A Statement by the Prime Minister of Canada

THE Dominion of Canada will offer for public subscription within the next few days the 1934 Refunding Loan. It is an undertaking of such significance to every citizen that I think it fitting to present this brief explanation of its close relation to the welfare and continued progress of our country.

The 1934 Loan is not an incidental effort. It is a part—and an essential part—of the great debt conversion programme in which Canada has been engaged since 1931, and by which we are refunding at maturity the large sums borrowed for wartime purposes.

By this programme Canada has already refunded \$658,000,000 of maturing wartime debt, and completion of the 1934 Loan will bring the refunded total to over one billion dollars.

Striking evidence of our high credit standing was given within the last few months when Canada secured immediate over-subscription of a long-term loan in London at a price to yield the investor less than 3 1/2% and, in New York, obtained a one-year loan of \$50,000,000 bearing interest at 2 per cent.

2. National Economy The debt conversion programme, in the second place, is providing substantial savings in public interest charges. The debt which we are refunding was incurred with interest rates at artificially high wartime peaks.

The annual saving of over \$14,000,000 thus secured has a direct cash benefit to every tax-payer. This saving has much more than offset the interest charges on the debt which has been incurred to meet the extraordinary burden of unemployment relief.

THE GLORY OF THE SEASON

"Oh to be in Canada, Now that Autumn is here." The glory of the present season surpasses anything the other months of the year, have to offer,—delightful as the y may be. There is something about the afternoon of the year, that the morning does not possess. It has acquired a richness and mellowness that the vernal months have not.

MULOCK

Anniversary services will be held in the church here Sunday Oct. 7th. The special speaker will be Rev. C. R. Duncan of McMaster University, Hamilton.

that results in a wonderful combination. Canada's own national emblem—the maple, perhaps more than any other tree, comes into her full beauty at this season. To take a mo'or jaunt through Ontario, at present, we see Nature's colors at her best, and we become inoculated with the enchantment of the vista. Go, where you will Canada cannot be eclipsed for natural grandeur, and in a certain small section of her vast domain,—Grey County, there is as choice a stretch of scenic panorama as one might wish for.

The evening was very enjoyably spent in card playing and dancing. Mr and Mrs Herbert Aris and daughter Viola, of Clifford and Mr. and Mrs. C. Gibb, of Listowel, spent Sunday at the home of Mr and Mrs Albert Davis. The former is a brother of Mr Davis.

The question drawer in response to roll call, was well-filled and much was learned through the responses. Two new members were added to the roll. The minutes were read and adopted. The Treas. and Sunshine Com. gave their reports. A letter was read from Mrs Arch McLean, thanking the ladies for remembrance. Plans were made for the "At Home" to be held Oct. 19. A good play will be presented with Miss C. McLean as director, also a debate: "Resolved that the farmer has more pleasure in life than the farmer's wife."

This being a "Grandmother's" meeting, six grandmothers were present and all joined in singing "For they are jolly good fellows." Mrs D. Stewart gave a humorous recitation: Mrs Roy Hopkins a reading "Grandma's." Mrs G. Johnston put on a demonstration on tating, and last but not least, was a solo by the oldest grandmother present, Mrs Vesna, singing "Grandma's, bean."
