Authorities on Silver Fox Ranching Took Part in Profitable Discussions

The big convention of the Silver Fox Breeders of Ontario was held in the Agricultural Hall here when 42 gathered and discussed important business.

Dr. Russell discoursed on the qualities of certain foxes shown, provided by the breeder here, Mr Harold Karstedt. The speaker showed the desirable conditions to be had. He touched on the judging of silver pelts. He felt that fox breeders should have equal liberties and privileges to show with any other show-men in exhibiting without paying for concession of space.

Mr Harry Moran of Barrie spoke of the benefit of becoming members of the Association.

A paper on the general breeding of mink discussed the various habits of the mink. Mr Richardson of Port Elgin, quoted his experiences in handling and raising mink.

Mr Norman McDonald led in a profitable discussion on the dressing of the pelts and shaving the fat off. Another speaker gave a talk on diseases under control, what treatment to follow, the various causes, sanitation, cleanliness and disinfection recommended. Mr J. M. McGillivray gave an account of an affected fox and the treatment, and Mr McCabe also took part in the discussion. The Superintendent of the Government Experimental Fox station was also present and addressed the meeting.

SWINTON PARK

Monday was a beautiful day. The children at school were all out playing bareheaded, in the leaves, which are nearly all off the trees. The ground is so dry for this season of the year, and water still is scarce with some. Potatoes are all up—a good crop of very little value,—15c per bag at present, but they are good to eat.

Threshing is done in this locality,—a very good yield of good quality. Ploughing is well advanced.

There is some time for sports, if the game laws were only more lenient, so we would not feel like poaching. There are some partridge reported, also an odd deer and rabbit.

Wm. Watson is home on two weeks' holidays from Belle Isle Clubhouse, Detroit, where he has been employed for several years.

Mr and Mrs Walter Broughton of Collingwood township, former residents of this locality, are, we understand, to celebrate their diamond wedding on Wednesday of this week. Several friends and old neighbors intend going over to rejoice with them, and all others who have known the bride and groom of 60 years ago, are wishing for them some more happy years.

Mr and Mrs Tressider and daughters, who spent the summer months in the Park, returned to their home in Toronto last week, but intend to come up occasionally for the week end while the motoring is good, to be with their daughter, Mrs. Dick Hardy. We all, old and young, will be pleased to meet them.

15 YEARS AGO

Mrs. Thomas Brown has just sold her farm and home, "Bonnie Brae" just south of Durham, to a relative of Galt, Mr. Bert Hastings. He is a returned soldier, and with wife and child, arrived Tuesday to take up possession. Mrs. Brown intends leaving soon for Michigan for to spend the winter with her mother who is in poor health.

Mr. Robert Noble sold his 200 acre farm 2 miles south of Durham, on Wednesday to a neighbor, Mr. John Graby, the purchase price being \$13,000. The latter takes possession on March the 1st.

Mr. Campbell Dunsmoor purchased a new Birdsall huller and thrasher for sweet clover, in Toronto last week through the agent S. McIntyre. It is the first in this part of the country and does hulling and threshing in one operation.

At a meeting of the Directors of the Durham Furniture Co. this week, Mr. Peter Gagnon was appointed manager. He has been acting manager this year. Mr. Catton whose health has not been very good, was placed on the Executive Committee.

The local I.O.D.E. Society are tendering a banquet to the last four months arrival of returned soldiers on Friday evening in the Library, and a reception will follow in the Town Hall.

On Monday last, Egremont rate-payers appointed Mr. John McArthur to the Reeveship for the balance of the late George Lothian's term.

A quiet but pretty wedding was held at the home of Mr and Mrs Samuel Putherbough, 2nd con., W. G. R. Bentinck, on Wednesday, Sept. 24 when their daughter Miss Bertha became the wife of Mr Samuel McCarter, Toronto.

On August 27th about 200 Canadian heroes who had won distinction on the field of battle in France and Flanders, received their decorations at the hand of the Prince of Wales. The presentation took place at the C. N. E., Toronto, before a large crowd of people at the grandstand. One of the soldier heroes was Fred Knox, son of Robert Knox Swinton Park, who enlisted in the 24th Grey Battalion and after going overseas was transferred to the 58th Batt. It was in the battle of Arras in 1918 when Fred was acting as stretcher bearer and coming out of the trenches when a shell burst killing eight comrades and wounding 29. He gave first aid to the wounded and appeared to be the only one of the party who was able to give his pals help at the time. He was later wounded himself at Cambrai and was in the hospital when the order was given for decoration.

25 YEARS AGO

Last week's Ayton Advance announced the retirement from business of Mr. Aaron Wenger. The fact has a passing interest outside of Ayton. Mr Wenger has been a good deal in the public eye and might have been, had he chosen to accept a political nomination, a representative of his county in the halls of parliament. This offer he repeatedly refused.

Congratulations to Mr. F. W. Kelsey on the step he has taken in purchasing the photo galleries at Teeswater and Gorrie. His Durham business will still go on, largely under his own supervision as hitherto. Mr. Kelsey is an artist of no mean ability and members of his family are also expert at the business.

Mr. John McQueen delivered a piano cased, Bell, pipe tuned organ to Mrs. R. Dargavel, Dornoch recently.

McGowan's new elevator was first used on Monday when Mr. D. McKinnon of Egremont, delivered a load of peas. A load of oats was delivered next day.

Reay-Ferguson—At the residence of the bride's parents, 3rd con., Normanby, by Rev. George Kendall, on Wednesday, Sept. 29, Mr. Thos. Reay near Allan Park, was married to Bertha Ferguson.

OSPREY POLITICAL PLOT

Municipal politics in Osprey are commencing to boil already. Reeve W. L. Taylor has announced his intention of retiring from the municipal ring since he has been Warden of the County of Grey, it is rumored that Mr John Stephen of Maxwell will be in the ring for Reeveship. He has been a councillor for the past several years. As there has been an increase in the number of qualified voters in the Township, a Deputy Reeve will be elected this year and it is expected that Mr Hutchinson, a member of the present Council will contest the election for that seat. This will leave a vacancy or one seat in the Council, as with a Deputy Reeve there are only three seats. As election time draws near no doubt there will be other candidates for the offices announced.—Flesherston Advance.
