Municipal rumblings from the good old township of Bentinck have come to our ears, and the reports are that there will be a scrappy nomination meeting at the end of next month. The township council decided this year to crush gravel and haul it on to the roads by trucks, the work being done at a cost which could not be met by team labor. This saving enabled the council to lower the tax rate. To a certain extent, it seems to be the old argument of the machine versus hand labour. — Hanover Post

McQuarrie, Registrar of Electors for Grey-Bruce, on Monday and Tuesday received the returns of the many enumerators in the riding who completed their work of enumeration last week. A humorous play entitled "Seein' Maw Off" was given by the young people. "Auld Lang Syne" followed by the National Anthem brought a very pleasant entertainment to a close. The ladies then served a bountiful lunch. Proceeds were \$7.50.

Killed in Gas Explosion

To Mr. Allan Bell on Saturday last, came a telegram from Winnipeg, disclosing the sad news that his nephew, Lorne A. Brockest of that city, had been killed that morning in an explosion while installing an oil furnace. His son Lorne, aged 20 was seriously burned in the same accident. He is now a patient in a Winnipeg hospital and may not recover.

Two others were killed including J. C. Collinson, K. C., aged 56 years, Legislative Counsel for the Manitoba Government, in whose suburban Fort Gary home, an oil burning furnace was being installed. The four men were trapped in the basement as the explosion occurred and only Lorne Brockest was able to get out. He dashed, a flaming torch, several hundred feet through the yard of the home and jumped into the Red River. He was able to get out of the river again and fell in a faint on the bank, where he was found a few minutes later. Mr. Brockest was 45 years of age, and was wedded to Mary Ann Bell, daughter of Mr. James Bell, formerly of Glenelg.

TO RE-ORGANIZE FOR HOCKEY A meeting of all interested in hockey will be held in J. N. Murdock's office next Tuesday, Oct. 30th, at 7.30 p.m., to elect officers, and for other important business. All players and fans requested to attend.

Mr Oscar Bell, Kirkland Lake, paid a hurried over-night visit to his brothers here, en route back from a trip to the World's Fair at Chicago.

Partridge season in Grey, Bruce and Simcoe closed on Saturday, but one didn't wait to be shot and crashed through the storm-window and an inner window in the home of Mrs. J. Gordon in Dundalk. It was quite a dear meal to have drop in when it came to paying for the glass.

Hockey Club Holds Splendid Dance The town hall was crowded Monday night by local young people and many from Markdale, Hanover, Aylton, Priceville, Walkerton and elsewhere, to enjoy a night of stepping the light fantastic to the strains of Wright's orchestra from Brantford, which provided snappy music. Features of the night were exhibitions of tap dancing by Miss Betty Daniels, and Scotch dancing by Miss Anna McVicar, of Priceville accompanied by Piper McDonald on the bagpipes. The Hockey Club, which staged the event will have a balance to the good towards a fund for new uniforms for the players.

OLD LANDMARK CUT DOWN ON TUESDAY For possibly a century or more, before the white man came to Durham, two fine old maples have been growing on what is now West Bruce St., on the lots of J. P. Hunter and Dr. J. F. Grant. On Tuesday of this week the Jonathan of this David and Jonathan pair was hewn down, having reached a stage of senile decay through the action of the elements and the birds. Its companion still remains in its rugged majesty in the rear of Dr. Grant's home.

If trees could only tell their secrets, what a story this fallen monarch could relate of by-gone days, when Durham was in its youth! Fifty or sixty years ago there was only one house on the west side of Bruce street north of Lambton, that renovated and now occupied by Mr. Robert Aljoe. Where are now fine residences, was then a sport field, where cricket was then the popular game and many of its devotees and on lookers, reposed in the shade of these same maples. The rivalry which contestants here created, the schooners of beer consumed beneath its limbs, the lovers who betimes frequented the location; what stories might be told of them! The old landmarks are passing, for sooner or later Father Time takes toll of all.

Co-operative Store Burglarized on Sunday

About four a.m. Sunday morning, one or more burglars gained entrance into the Durham Farmers' Co-operative Co. store in the Middaugh block, by break into the glass in the door at back entrance from an alley and then inserting their hand, pulling back the bolt which locked the door. Once inside, an attempt was made to drill or pry open the safe as three holes were made in front, two at top of door, and another near the handle. It was evidently an amateur's job.

Loose change of a dollar or two had been left in the till, and this was cleaned out by the marauder, but as far as can be seen, nothing whatever of the stock was carried off. The door at entrance to store room also bore marks of attempts to pry it open and Mr E. Weppeler, the manager, has had extra locks put on all doors.

Mark Wilson's dog nearby, set up a furious barking about four o'clock but apparently no one got up to ascertain the cause. It possibly scared off the burglar, who we imagine, lives within the town limits.

COMMUNITY PARTY GOES OVER STRONG About 300 of the citizens of Durham and surrounding country were guests of the I.O.D.E. last Thursday night at their annual community party, and all enjoyed the night's gaiety. Eight of the members of the society gave their homes for bridge and euchre, prizes being awarded for the highest score, man and lady in each home. These were Mrs. Robt. Burnett, Mrs. G. C. Webster, Mrs. G. S. Kearney, Mrs. J. F. Grant Mrs. Jas. McLachlan, Mrs. Philip Lawrence, Mrs. T. M. McFadden, Miss Margaret Hunter. The prizewinners were Miss J. M. Weir, Mrs. C. Elvidge, Mrs. Hugh Firth, Miss M. J. McFadden, Miss H. Becker, Mrs. A. McDonald, Mrs. Jas. Rutherford, Mrs. Armstrong, Mrs. A. Aljoe and Messrs. J. McLaughlin, N. McIntyre, J. R. Elvidge, T. R. McFadden, John Lloyd, Percy Willis, H. Chatreau, M. McClymont, Arnold Noble.

At eleven p.m. the house parties were broken up and all repaired to the Town Hall where lunch was served, followed by dancing, until nearly two o'clock. Mr and Mrs J. Teeter and Miss E. Harding supplied the music for dancing. The society realized over \$100 for the event.

Special Services at St Paul's (By our Allan's Corners corr.) The Thanksgiving services in St. Paul's church, Egrement, which were held on Sunday last, were a fair success owing to the inclement weather. Rev. J. Thompson gave two inspiring addresses, both of which were highly appreciated. The choir, assisted by Trinity choir of Durham sang special Thanksgiving hymns for the occasion. Mrs W. Freeman of Teeswater sang a pleasing solo at the afternoon service. On Monday evening a fowl supper was served in the basement of the church. It was followed by a program consisting of the very numbers: Rev. J. Thompson these humbly acted as chairman, calling on the various characters. An opening selection by the choir; solos by Mr Hilton and Mrs Mark Wilson of Durham; Duet by Mr and Mrs R. Ramage; Trio by Mr and Mrs R. Ramage and Miss Lennox; A reading of one of Tennyson's poems, by Irwin Matthews; Also a very fine reading by Mrs J. Lennox; Instrumentals by Baker and Torry orchestra of Glenelg Centre. The program was brought to a close with the Lord's prayer and singing of the Doxology.

THE LATE MRS. MILLAR The funeral of the late Mrs. Millar, formerly Miss Eliza Falkingham, a sister of Mr. Wm. Falkingham of town, took place on Sunday to Durham cemetery on arrival of motors from her late residence in Brantford. The service was conducted by Rev. David Gowdy. Mrs. Millar was born in this community and spent her childhood days in Durham. Her married life has been spent in Brantford. Two of those accompanying the remains were former Durhamites and nieces of the deceased, Mrs. McCoy and Mrs. Robertson (Lottie and Ida Harbottle) of Sault Ste. Marie.

Pavement now Completed on No. 6 Highway

On Tuesday evening last, the last foot in the paving of Highway No. 6 between Williamsford and Chatsworth was laid by the Standard Paving Company, and the highway in its entire length from Owen Sound through Guelph and Hamilton to Pt. Dover, is now an all-paved route.

It was nearly 15 years ago that the late Mr. G. B. Ryan, of Guelph, conceived the idea of the organizing of this district for the purpose of constructing this highway. His suggestion met with the instant approval of the municipalities between Owen Sound and Hamilton, and a meeting was held at Guelph when the whole plan was outlined. It was the unanimous feeling of the meeting that representations be made immediately to the Ontario Government, and a deputation was sent to Toronto to urge the claims of this organization, which was called the Hamilton-Guelph-Owen Sound Highway Association. The government was sympathetic to the demands of the deputation and promised to make a start as soon as possible. The distance from Hamilton to Owen Sound is about 115 miles, and it was obvious that the road would have to be undertaken in sections, and the first section to be completed was that between Hamilton and Guelph, and as the years passed short sections were completed here and there, and now the entire distance is covered with as fine a highway as there is to be found anywhere in the province.

When the road was designated as a provincial highway by the Department, it was decided to include that part of the road south of Hamilton, running through to Port Dover, on L. Erie, the entire length of the highway being 178 miles. The value of this completed highway will be obvious to those who study the route, as there are many other highways intersecting it at Chatsworth, Durham, Mount Forest, Arthur, Guelph, Clapton's Corners, Hamilton, and other points south. It will prove to be an attractive highway for tourists from the United States, bringing visitors to this section of the country for fishing, hunting, camping, etc.

Mr. W. R. Alder, District Engineer, stated that it would require about two or three weeks more work to finish construction of the shoulders on each side the road, a large number of men being engaged on that work at the present time. Mr. Alder says he has heard no hint of any ceremony or celebration of this highway which now is one of the finest in the province, intimating that is a matter for the municipal authorities.

Mr. Alder says that the work on Highway No. 10 is practically finished for the year. The roadway on the west side of the pavement South of Fiesherton, which is but 10 feet wide for a distance of nearly 7 miles, has been levelled off and gravelled and is now in good shape for travel, but there is still a little shoulder work to be done on a portion of this highway.

With these two highways finished for the year there will be nothing but maintenance work for the balance of the year, requiring only a limited number of men. An effort will be made to induce the Department of Highways to pave the ten feet on the east side of the road on Highway No 10 next year, but at the present time there is no assurance that the work will be done.

The Baptists of Durham will hold their anniversary services on Sunday, Oct. 28th, when Rev. L. S. Haverstock B. A. of Guelph will be the guest preacher. Mr. Haverstock held important pastorates and has been pastor in his present charge for over eight years. There will be a choir of well blended voices assisted by singers from out of town.

Lacrosse Team win 12-8 from Allandale

In a listless game in O. Sound last Friday, the Durham-Owen Sound combines tied for first place in the Tri-County Box Lacrosse League, when they defeated Allandale 12 to 8. As Aurora has defaulted their remaining games, this win gives the local combines 6 wins and 3 losses for a total of 12 points with one game to play in Allandale on Friday night. Richmond Hill also has 12 points with 6 wins, 2 losses and 2 to play. Caledon has won 5, lost 3; Alliston 4 and lost 3; and Allandale 3 and lost 2. As the first three teams participate in the play-offs, all have yet a chance.

MURDOCK TOPS POINT MAKERS IN LACROSSE With a victory over Allandale last Friday in which one dozen goals and several assists were made by the local lacrosse squad, Murdock was still leading the point-makers today. He had a total of 31, 6 more than Chuck Harden who is running him a close second, Harden is the leading goal-getter with sixteen, Murdock leads in assists with sixteen. Snider is 3rd, a step behind Harden and the rest are trailing. The standing today:
