A committee of management was appointed to arrange.

A meeting was held the evening following, Friday, in the Agricultural Hall, by that society, when officers were elected for 1935. Mr. W. G. The FIRESIDE PHILOSOPHER BY ALFRED BIGGS Time dries all tears. Don't advertise your good deeds. We generally get what we deserve. Say neither too much nor too little. Advice is the cheapest kind of help. Only a small part of what we learn stays with us. Nature provides strength enough for most burdens. Deeds are greater than words, but thoughts can be greater than both.

CANADIAN AUTHOR MAKES BIG HIT

The literary hit of the year has been made by Frederick Niven, an author residing near Nelson, B.C. whose novel entitled "Mrs. Barry" is described by Compton Mackenzie in the Daily Mail as a profoundly moving book, and is hailed as a classic worthy to stand beside Sir James Barrie's "Margaret Ogilvy". Although Frederick Niven has a long list of books to his credit, and has always enjoyed a following among the critics, this is his first appearance among the "best sellers". He worked his way through Canada early this century, and at one time handled baggage and freight for the C. P. R. at Nelson, B.C. He eventually took up a small holding on Kootenay Lake twenty years ago, where he has secured excellent local colour for his western stories. "Mrs. Barry" is a novel of life in Glasgow, where at one time Frederick Niven edited a newspaper.
