MR. AND MRS. MATTHEW BARBER, of Egremont
Who will celebrate their Golden Wedding on Christmas Day

Mr. Barber was born 82 years ago last December, on the 24th day of the month, on the farm now owned by his son Harold. Mrs. Barber, whose maiden name was Esther Bull, was born at Vickers, in Bentinck township. They were married at Vickers by the late Rev. Wm. Park, the first Presbyterian minister of Durham. The Review wishes them many more years of happy married life.

Nearly a Blaze
The coal oil heater under the C. N.R. water tank set fire last Thursday afternoon to some woodwork nearby, but fortunately the fire was noticed and quenched before anything serious resulted. The damage will be only \$5 or \$10.

Saturday Night Train Dec. 22
The Canadian National Railway will run a night train to Durham the Saturday before Christmas, making connection with afternoon trains out of Toronto, Hamilton, etc. It will reach Durham at 10.15 p.m. on Dec. 22nd, as a convenience to many holiday homecomers.

Our Greeting and Wish

The three wise men rode on that first Christmas and the manger-cradled Babe of Bethlehem, they bore gifts on their sledge-bows; gifts of gold, frankincense and myrrh. And so that the spirit of Christmas giving into the world's heart.

The injunction was to go into the highways and byways and seek out the poor and distressed, the humble and afflicted, the ragged children and the outcasts and the aged, and in the name of Him who was born on Christmas day, carry some sunshine into their lives. Give unto the poor and afflicted and your hearts shall glow with that peace which passeth understanding.

The dominant characteristics of the Christmas season are kindness, expressed by good will toward men, and the inward joy wrought by kind acts, and suggested by peace on earth. "The earth has grown old with its burden of care, but at Christmas it always is young," and with each recurring Yuletide we like to think of the spiritual blessings brought to the children of men on that first Christmas.

Our greeting to you is one of kindness in return for the good will you have displayed toward us. Our wish is that you may be filled with the fresh, clean joys of the season and receive a liberal endowment of that spirit which at this time rises like a mighty flood over the world.

Relief Problems Discussed at Closing Council Meeting

Durham Council met Saturday evening for their closing session of the year. Outside of the relief question, and new swimming pool bounds there was little else of importance before the Board.

Accounts totaling \$768.54 were passed.

Com. McDonald for Property Com. reported the ground work finished for the new toilets in Town Hall basement. The work is being proceeded with.

The Bell Telephone Co. asked permission to erect 2 poles on Countess St. West to D. Braithwai's home. This was granted, on condition that poles be moved at the Co's. expense if in the future, they are in front of any driveway.

The treasurer's report showed \$26,660 taxes paid, out of a total 1934 roll of \$32,971, which amounts to about 81%. During 1934, \$3,568.54 of 1933 taxes were paid, and \$2,858.08 of arrears previous to 1933.

Chairman McGowan, of the Board of Works stated new walls would be necessary for north and east sides of new swimming pool now being dug, as with present east street wall, the bottom of pool would come two feet below it. Neither wall would be suitable as a permanent wall for the pool and he recommended that new walls be built, in 25 feet from present north wall and 15 feet from east one. This would still leave ample room for the pool. The Council concurred in the suggestion.

Work, or no relief is the policy adopted by the Council. After some discussion, a resolution was carried as follows: "That cash relief system, as ordered by the Dept. of Public Welfare be adopted by this municipality, dating from Dec. 1st, as no other system is satisfactory to the Department."

No action was taken as yet towards paying relief rents. Reeve Hunter reported that relief labor would be utilized in work to be undertaken in grading and straightening out curves on new Provincial Highway, Durham to Fiesherston. Work would start next week, and the hill east of Ceylon village would be first tackled. Camps for the men are now being built.

Coun. Stonehouse thanked the Mayor for the courteous manner in which he had presided over the year's sessions, and for the harmonious year. Mayor Kress expressed his thanks for appreciation of his efforts, announced he expected to retire, and hoped to see one of the present Council fill the Mayor's chair next year. Coun. McKechnie paid tribute to the excellent service given by both the Mayor and Reeve, and he hoped to see them remain in office next year, and preside for the Old Home celebration.

Mayor Kress at the close invited the Council to his home nearby, where light refreshments were served.

A recount is being held in Chesley over the mayoralty, which Dr. Porterfield won with only 4 majority.

Knox S. S. Entertainment.
Knox church schoolroom was packed Tuesday night with scholars and adults for the S. S. concert. A bright program was provided, with main training in charge of Misses A. Ritchie, W. Blyth, H. Young and Rena Willis.

It comprised many recitations; two choruses by boys, and by little tots; songs by Joan and Buddy Farrell, Patsy Dalgarno; pantomime, "It came upon the midnight clear" by Vera Lauder, Jean Town, Emily Whitmore; doll drill by 12 little girls, and a very pretty Christmas star drill by teen age girls. The Santa Claus story was told by Dr. Grant, superintendent, and illustrated by lantern slides. Then Santa arrived, and each pupil received a book and a box of candy.

WILL SING CAROLS AT TREE SUNDAY EVENING

A new Christmas observance in Durham this year will be the singing of Christmas carols by the united choirs of the town around the Tree at main corner, next Sunday evening Dec. 23rd, at 8.15, immediately after church services. Others desiring to join in, will be welcome.

Santa Claus to be in Durham on Saturday Afternoon

The children of town and country will be tickled to know that the business men of Durham have persuaded Santa Claus to again visit Durham for a couple of hours this Saturday afternoon Dec. 22nd to meet all the children in the district, as well as the grown-ups.

And you know that Santa won't come without bringing something for every child. He'll have a well-filled bag of candy and other good things for each.

Santa Claus has sent word that this year he is coming by train and will arrive at Durham C.N.R. station about 1.00 p.m. Saturday. The children will then assemble for parade and march over to Main Street, past the Christmas Tree, and to the Town Hall, where the young folk will receive their gift.

So, children don't let mother and dad forget about this big event in Durham on Saturday. Have them bring you in to town early in the afternoon so you won't miss old Santa.

There are no boundary limits—all the young folks for miles around are welcome, and there will be a bag of sweets for each. Remember Santa arrives about 1.00 p.m. on Saturday at C.N.R. Station.

School teachers are requested to announce this event to their pupils.

Durham Hockeyists Win 8-4 from Fergus

A typical opening game, in which team play was but little in evidence saw Durham's 1935 O.H.A. Int. team take Fergus' into camp here by an 8-4 score on Monday.

Fergus, which team has an imported coach, and the advantage of a few weeks' training on Galt arena, was in much better condition than the local squad, and showed greater system in closing in on the nets.

The local boys will have to get into shape right smartly if they are going to cut any ice in the district race. It is but a week until the first league game, when only ten players can be used. Stars and near stars of past seasons cannot get by on their reputations, and unless they soon show much improved form, it may be mid-season before a winning streak develops.

However, if Durham lacked in condition, they held their own with an abundance of players and frequent line changes. The locals have not yet decided which players will work best together, and the alignments were frequently changed around to find the best combinations. After a couple more exhibitions in Fergus on Friday and in Owen Sound on Christmas Day—they hope to have more definitely placed forward lines to start the league season in Palmerston on the 27th.

Ross Currie displayed sufficient to reveal that he will be a valued centre man this winter, while the new cog in the local machine, Joe Raybould, of Walkerton is another centre and a real goal getter. Raybould like most of the locals, is not yet in condition. He played a fair game, though far from his mid-season standard. Of the local crew, the veteran 'Girle' McGirr, and two of the most youthful, Norman Tucker and "Fanny" Bolger, looked the best out there, their speed and smooth skating making them ever dangerous. But a big factor in the Durham win was Jack Schutz in the nets, who blocked many a hot one, especially in first two frames.

White, McGregor and Young were most in the limelight for Fergus. The Scotch town which has won Dominion-wide lacrosse fame has never been prominent in hockey, but this winter they have a well-balanced team which may make a reputation for itself in that sport.

It was somewhat a unique game on Monday. Only 3 goals scored in first two periods, then 9 in last one. Play was pretty ragged in first, Wilson scoring the only goal for Durham. In second, an Elvidge to Tucker play made it 2-0, then Fergus countered.

At opening of 3rd, Durham led 2-1, but Fergus forced the play and scored twice, leading 3-2 for the first time. Then came the avalanche. Durham broke loose and ran in 6 more, 3 of them on applying the famous pro, "power play," while Wilson of Durham accidentally gave Fergus another in clearing the puck. R. L. Saunders of Durham handled the game satisfactorily, imposing only 1
