Friends of the Family

Look at the packages on your pantry or bathroom shelves and see what a multitude of brand names you recognize. Some of them have been familiar for years. You may have made the acquaintance of others only a few weeks ago. But even these are not suspected strangers. You have bought them confidently because they were advertised. And it is the same with your sheets and towels, your shoes and clothes, your electric appliances, the car in your garage—nearly everything you use

Advertised products have a standing that commands respect. They are not nameless, but vouched for by responsible firms. The fact that they are advertised is in itself an indication that their standards of quality are strictly maintained, that they represent honest value.

As science and discovery go on, newly developed products are constantly being advertised—ready to help you save money and improve your standard of living. Every advertisement of such a product you read in your newspaper is a letter of introduction to a new and possibly useful friend.

It will pay you to read the advertisements in this paper. By so doing, you will meet many choice products—worthy to become friends of the family.

PREMIER BENNETT IN A NEW LIGHT

Anyone listening to Premier Bennett's broadcasts, telling of the new deal or role the Conservative machine will carry out in the coming session, cannot but be mystified and pause and wonder, 'Can this be the same Premier Bennett of 1930, who went the length and breadth of Canada, promising almost the impossible? Five years ago these same proposals uttered to-day, would have been laughed at by the Conservative rank and file, as bordering on the radical.'

What does this death-bed repentance mean and from whom did it emanate? Many of his own followers see in it the work of his brother-in-law, Hon. W. D. Herridge, Canadian Minister to Washington, who sees in the launching of this "New Deal" another march over the Red Sea into the Promised Land of security for another 5 years.

In some quarters, Mr. Bennett's security is questioned. What, and where are his promises of 5 years ago? Many of his own followers have lost confidence in his statements and look on these new declarations as a loop-hole to evade past blots.

If the Conservative party only realize it, their strongest man to-day is Hon. H. H. Stevens. His trade investigations and findings have done untold good and made many wage-payers ashamed of themselves. Mr. Stevens has the high regard of both sides of the House.

While the Conservative party are not asking our opinion, they are merely standing in their own light, when they keep Premier Bennett at the helm.

MAYOR CAMPBELL GRANT GIVES ADVICE TO HIS COUNCIL

In his inaugural speech at Walkerton, Mayor Campbell Grant handed to his council members around him advice that should be taken by the council members of other towns, which includes Durham.

Addressing himself particularly to the new members of the 'Herald-Times' says "He warned them that they would be confronted with many problems not met with in private life, and asked them to give such public business, as had now been entrusted to them, the same careful attention that they would accord their own personal affairs."

"I have found in seven years of municipal life," said the Mayor.

ONTARIO FARM LOANS

Intimation is given out from Toronto that by the middle of January, the Ontario Farm Loan Board will have disposed of the 900 applications for loans which were reviewed by the previous board and when the last cheque has been paid out the board will cease to exist as a lending body.

Referring to police matters, Mayor Grant declared it to be the first duty of every Council to back up the police to full extent of their ability.

Out of a total tax roll in Tara of \$6,364.62, only \$93.00 was outstanding on Nomination Day. How do you do it Tara?

Relief in Barrie for the past year cost \$30,000. That town has at present 137 families or a total of little over 600 on relief.

Ontario government may decree a shorter trout season for next year. We are not so particular about the length of the season as we are about the length of the trout.

The Meaford Mirror claimed the Toronto newspapers were dull while Premier Mitchell Hepburn was holidaying in the South. At least he left room, Brer. Munro, for the Toronto municipal fight.

Ernest Dryden, designs for French and American dressmakers, makes the wonderful announcement that a woman with care, can be considered "well dressed" on \$1,000 a year. That reads all right for business, but we know of many a woman in town and near town who dresses herself and household on less than \$1,000, and is considered no slouch either.

Agnes Macphail says she is intensely interested in the Radio speeches and policies of the "New Deal" Premier Bennett is broadcasting to the people of Canada. While she says it is nice to realize Mr. Bennett realizing he has erred, the policies are the same she has advocated the past ten years, but were laughed at by Conservatives.

A German professor has proved to his own satisfaction and by actual experiment, that a few hours sleep before midnight has much greater recuperative effect than many more hours after that time. In serious nervous ill-health, he began his experiments a few years ago and has become an exceptionally healthy and vigorous man as a result. He has now started a health movement based on his theory and seems to have considerable success to report. Getting to bed with the chickens may not be the secret of health but probably this generation would have better health if it didn't turn night into day quite so much.

A town that never has anything to do in a public way, is on the way to the cemetery. Any citizen who will do nothing for his town is helping to dig the grave. A man who curses the town furnishes the coffin. The man who is so selfish as to have no time from his business to give to town affairs is making the shroud. The man who will not advertise is driving the hearse. The man who is always pulling back from any public enterprise, throws bouquets on the grave. The man who is so stingy as to be howling hard times, preaches the sermon, sings the doxology and thus the town lies buried from all sorrow and care.—Deseronto Post.

Arthur merchants and other business people have affixed their names to an agreement whereby they will observe the half holiday on Wednesday throughout the year, with the exception of the month of December.

Terms Cash. The terms that used to appear on auction sale bills giving so many months' credit on approved joint notes and a percentage off for cash, are apparently a thing of the past. A more abbreviated form is now common use and the most of these sales are usually "Terms Cash." Numbers of the posters also bear the admonition that nothing is to be taken from the premises "until satisfactorily settled for." It would appear that the farmer has gone on the cash and carry basis also. Can it be that the credit system is about to go from all phases of activity? A few years ago, everyone was urged to buy on easy terms. It would seem that the terms were so easy that everyone bought. The paying days are here. They have struck every walk of life, and the sales are apparently just another evidence of the cash basis being established.—Acton Free Press.

ROCKY SAUGEEN

The monthly meeting of the Rocky Saugeen U.F.W.O. Club was held at the home of Mrs Geo. Noble with a good attendance. Letters of thanks from recipients of Christmas cheer were read, also correspondence from Head Office. The roll call was answered by the payment of the fees and was well responded to. At the close of the meeting a social hour was spent, after which Mrs Noble and assistants served wafers and buns and everybody enjoyed themselves.

We have had a real January thaw and the cisterns were filled again. But the weather is getting colder and more wintry. Sincere sympathy is extended to Mrs Harvey Boyce and family in the death of son and brother David, whose funeral was held to Durham cemetery on Tuesday.

A young people's society is being organized this Tuesday evening in the church. We hope it will be a success and will also help our church attendance. Mr. Earl Vessie has had the house he bought near Dornoch, moved down and expects to be able to move in in a few days. Mrs L. McLean spent Saturday with her daughter Mrs Art McIntosh, Dornoch.

Mr. Wm Hill is spending a few weeks with his sister Mrs George Searis, Guelph.

Mr and Mrs Herb McLellan of Mitchell were guests for a couple of days with Mr and Mrs J. McCrae. Mr. Herb Miller spent a day recently with friends in Hamilton. The social evening which was to have been held at the home of Mrs Robert Lawson on Friday evening Jan. 25th has been postponed one week later, Feb. 1st.

The Rocky school annual meeting was well attended. Mr. Joe Crutchley was chairman and Mr Campbell McLean acted as secretary. The medical officer, inspectors and trustees gave favorable reports, and the auditors' report showed a good condition and a balance of over \$500 on hand and grants not all in. Mr. M. McKechnie replaces Mr M. Ritchie as trustee. Mr. Harold McKechnie is auditor. Mr. M. McKechnie took contract of supplying 15 cords of 20 inch wood at \$2.50 and Mr. Jas. Miller 3 cords of cedar at \$1.20. Mr. Jas. Miller appointed caretaker at \$75. Meeting went on record expressing appreciation of 20 years of service given by the late T. Turnbull as secretary.

CRAWFORD

Miss Nellie Stinson is visiting with Miss Margaret Lunney of Mulock at present.

Mr and Mrs C. McClocklin of Zion, spent a few days last week with their daughters, Mrs W. Campbell and Mrs Frank Twamley.

A number from Crawford attended the shower given Mr and Mrs Jas. Boyd who were married on New Year's Day.

The W.M.S. of Crawford church held their January meeting at the home of Edgar Boyce. Owing to the absence of the president, Mrs J. McDougall presided; roll call was answered by short New Year readings; Mrs Copp read the scripture lesson; prayer was offered by Mrs W. Anderson; a splendid and interesting article on "The Devastating Influence of Atheism on Children, by Mrs Maud Howe picturing the inroads which are being made by Atheist propaganda, was read by Mrs Boyce; Miss Ulva MacDonald was present and gave a fine reading entitled "When Men are Lost". After the close, Mrs Boyce served refreshments. Next meeting will be at Mrs J. McDougall's.

The Y.P.S. met at the home of Mr. Alex MacDonald last Friday evening. There was a good attendance. Meeting opened with a hymn and prayer by Mr. Wilbur Anderson; the scripture lesson was taken by Mrs Copp; roll call was answered by a New Year thought; excellent papers were given by Gordon Krauter, Mrs Will Campbell and Miss Alma Anderson; a trio by Stephen Stinson, Edward MacDougall and Ronald Mac Donald was much enjoyed and Miss Ulva MacDonald played a pretty piano solo. The meeting closed with the Mizpah benediction. Next meeting will be at the home of the president, Mrs A. J. Hastie.

Physicians Skill Is Tested

Little gray-eyed Philip gazes at you hopefully. Perhaps you can mend his damaged toy? Yes, that his damaged lungs, his weakened little frame, is a work of far greater moment. It will tax all the care and skill of the Queen Mary Hospital for Consumptive Children to bring this for Philip, as there is for so many other little children who are being cared for in this institution. Contributions to assist this great work are needed, however, and a welcome. Please send it to G. A. Reid, 225 College St., Toronto 2.

Instead of writing that weekly letter to distant friends, why not have the Review tell them the news of the district. Save yourself the trouble of worrying over what to say each week for \$2.00 for a whole year.

GREEN GROVE

Mr and Mrs Sam Patterson of town spent Tuesday at the home of their son, Mr. W. Patterson. Mr and Mrs Geo. Collinson and family spent Monday evening with Mr and Mrs Wes Arnett.

Miss Mary Mather of Priceville is assisting Mrs Lawrence McFadden for a month. Miss Gladys Firth of Zion, visited with her cousin, Mrs John Hamilton. Mr. Dolphie Lawrence cut up a big pile of wood for Lawrence McFadden and And. Lindsay the first of the week.

A number from this neighborhood took in the Junior Farmers' meeting at Edge Hill last Friday night.

Mr and Mrs W. S. Atchison of Egremont, spent last Friday with her parents Mr and Mrs John Lawrence.

Mr. Moon is serving hot lunches in the school this week.

HAMPDEN

The New Year weather has been somewhat stormy and blustery as though it was March and on its heels was a real thaw putting our sleighing out of commission and forcing the wheels onto the road which look much out of place on our back roads in the dead of winter. But any mode of conveyance is possible these days. Saturday a few sleighs were passing when an auto slipped along, so much for a mild winter.

We extend our sympathy to the friends and family of the late Mrs. Patrick Burns who passed away and was being laid to rest at Ayton before we were aware of her demise. Mrs. W. A. Boddy and daughter Isabelle are spending a few weeks with friends at Cargill and Dunkeld.

Mr. Bert Byers returned early in the week after spending the past two weeks at the O.A.C., Guelph, and with friends at Preston.

There was no church service here on Sunday, no doubt owing to roads and weather conditions. Mr. Alex Sharp has been assisting some of the neighbors with the wood problem with his gasoline outfit.

DORNOCH

The monthly meeting of Dornoch W.I. was held Jan. 9th at the home of Miss M. McIntosh, with 16 members and visitors present. Roll call "One good thing that happened me in the past year" was responded to by all. A paper by Miss M. McIntosh on the life of Robert Burns, and recitation by Mrs Fred Helt, were enjoyed by everyone. Some amusing Scotch stories were told by each one.

Mrs D. Campbell read a Scotch story Mrs G. Tracy recited, and Mrs. O'Neil and Mrs V. Sweeney sang "Mother Machree." Lunch was served by Miss McIntosh and helpers. Next meeting will be at home of Mrs. J. Crutchley on Feb. 13th.

Quite a number from here attended the shower at Williamsford hall Friday night, in honor of Mr. and Mrs. John Lunn. The bride received many useful gifts. We wish them all happiness and good luck for the future.

Mrs Alex. McIntosh had a beelast week taking out wood for next winter. Nothing like looking ahead. Miss Bolen, teacher, spent the week end with her parents at Kenilworth. Maxine Dargavel held her tenth birthday party on Saturday, Jan. 12 and had a wonderful time with a number of her little schoolmates.

Mrs J. Lang has returned from Mr Albert Wight's where she has been nursing the past week. She is not feeling any too well herself, but we hope she will soon improve, as she is a very useful woman at home and abroad.

Sunday was such a stormy day, that few ventured out to church, and fewer were out for pleasure. Dornoch is noted for being in the worst snow belt for miles around, and we are getting our full share this winter. Mr and Mrs Cliff Buschlen, Durham, visited the latter's parents, Mr and Mrs Wm. Smith on Sunday.
