Mr. John Schutz has bought the James Whitmore bush at McWilliams, and has a gang of men working in it. They are making their headquarters in the house on Mrs. Whitmore's farm. With their truck they are keeping the road open to Durham.

With assets totalling \$758,423.94 as at November 30, 1934, the Royal Bank of Canada became Canada's leading chartered bank from the point of view of assets under control. It replaced the Bank of Montreal, which has had a virtual monopoly on this position for many years past.

### Jack McGowan Elected.

The town of Southampton saw only Mayor McVittie and one councillor elected by acclamation on New Year's eve, no others qualifying. Another nomination was held, when Mayor J. C. Tolmie was returned as Reeve by acclamation, but 9 stood a contest for the other 5 council seats. The voting last Friday saw a Durham boy, John McGowan, elected in third place with 272 votes, only 45 behind the leader. Congratulations, Jack. With his brother Will serving a second term on Durham council and giving useful service as Board of Works chairman, the McGowans are becoming prominent in the municipal field. As the Chesley Enterprise aptly remarks: "If Jack only puts half the energy into his municipal work that he does into the looking after the affairs of the ball club he would still be a mighty good councillor."

### Reeve Mercer of Markdale Grey's Warden for 1935

Six were nominated for Warden on Tuesday night at opening session of Grey County Council, but five withdrew, giving Reeve J. C. Mercer of Markdale, the honor by acclamation. Others nominated were Reeve W. H. Hunter of Egremont; Reeve J. Dolphin of Derby; Reeve J. Hutchison of Thornbury; Reeve J. A. Davis of Artemesia and Reeve J. Himmler of Neustadt.

Following the meeting, Reeve Riley of Meaford marshalled an impromptu procession of the County Councillors through O. Sound streets headed by the boys' band and the new Warden.

### NEW HIGHLAND CHIEF OF THE FARQUHARSON CLAN

The Review Editor was pleased to receive the official announcement of the arrival in this world of "Duart William Farquharson." This is the first son of this line of the Farquharson dynasty and has been duly acclaimed with all the traditional honors. In every truth, time has passed quickly by since the father of this highland chief was an innocent mascot bent around the corners of the Review Office. The son cannot help but be a chip off the old block. That he is also a stalwart young chief, is evident in what the birth card says:

"Rica McLean and Robert Allan Farquharson announce the arrival of Duart William Farquharson on January 11, 1935. Duart William, nine pounds and two ounces, has earned the title of the Highland Chief in the Private Pavilion Nursery, and proudly shows his tartan on his shoulder."

### Miss Artina Gun Died on Sunday

A long and honorable career closed. Taught in many schools in South Grey.—Teacher in Durham for many years.

On Sunday evening, Jan. 20, the frail tenement of Miss Artina Gun, passed to a fairer realm, after some years of invalidism. There was no further illness which brought on death: rather the life blood forces refused to operate any longer. Since the death of her sister, Miss Lizzie, in 1926, Miss Artina has made her home with Miss May McCracken, in Upper Town, and from her has received the comforts and consideration any mother would receive from her daughter. She is one of the few members of the Gun family left here. Death has made heavy inroads in the family circle the past 5 years.

The funeral was held on Tuesday from Miss McCracken's home, and was conducted by the deceased's pastor, Rev. W. H. Smith. Interment was made in the Gun plot in Durham cemetery. The pall bearers were Messrs Arch. McLellan, Alex. Hay, Dr. Grant, Peter Ramage, J. C. Howell, and D. B. McFarlane. Among the floral tributes was a spray from the present Public School staff.

Over two years ago the "Review" prepared an article on Miss Gun, which so embodied her life-work and characteristics, that we make no apologies for publishing the same again.

"Born in Caithness, Scotland, 83 years ago, the daughter of the late James and Mrs. Gun, they crossed the Atlantic while she was eight years of age and eventually they settled at Singhampton. Her father was a man of more than ordinary intelligence in this far away day, and besides teaching on his Old Country certificate for a time, also conducted a book agency business. Another daughter Elizabeth and son James, comprised the family. Four years after their arrival in Canada, the mother passed away, and the father and two daughters eventually came on to Durham where son and brother Jas. meantime had settled to a medical practice. The sisters lived continuously with their brother until 1900, when Miss Lizzie purchased the residence, store and contents of the late Mrs. E. Davidson in Upper Town. This fancy goods store was conducted by Miss Lizzie until her death 6 years ago. Miss Artina thus secured all her education in Durham with the exception of the Junior years while at Singhampton. In the late 60's of the last century she received her life certificate from the Government.

Many school sections surrounding Durham were privileged to have Miss Gun as their teacher. As far as records tell, her first school was at the Rocky Saugeen, teaching in the old school on the farm of Mr. Archibald McKechnie, now occupied by his grandson Malcolm. The new school on the present site, was built in 1873. The salaries given teachers were not princely in those back years and on Jan. 7, 1874, Miss Gun's first salary receipt reads in fine Spencerian hand-writing:

"Received from trustees of Union S. S. Bent & Glenelg, the sum of \$123.80, as payment in full of my salary."

Artina Gun, teacher. Similar receipts are in the books for 1874, 1875 and 1876, with salaries at \$155.57, \$187.25 and \$190.98 respectively. While teaching in the section she boarded for a time with Mr. Archibald McKechnie's family and in good weather walked the distance to her home at Durham.

Other schools wherein she wielded an influence were at Priceville and South Line, Glenelg. At the latter school she taught at two different periods, the first time staying with Mr. and Mrs. Donald McKinnon, the grandparents of Mrs. Wm. Smith, Miss Julia and Annie Weir and Mrs. J. Burgess of Durham. During her latter teaching period here, she stayed with the McCannel family, S. S. No. 9, Glenelg and Crawford schools also had her at different periods and in 1893 she commenced duties in the Durham Public School, which were unbroken until 1918 when she resigned.

Miss Gun had the faculty of making her pupils work and neither did she spare the rod nor spoil the child. Continued on Page 4

### Durham Wins O.H.A. Games from Listowel and Milverton

DURHAM 11, LISTOWEL 2  
Fresh from a 9-5 victory over Harriston last Friday, Listowel hockey team arrived here Monday with bright hopes of snatching the first league game from Durham, in the O.H.A. Intermediate series, but the match was not long under way until they were disillusioned, for right from the start the locals commenced to pile up the goals. It stood 11-2 for Durham at the finish with period scores of 5-1, 3-1, 11-2.

It was Durham's smartest effort of the season, with every player displaying heads-up hockey. Speed and at times more speed, predominated and with more systematic team play as well than their opponents, Durham mounted up the score. The forward pass was worked as never before and was a potent factor in providing more speed.

The smoothest working combination on the ice was the Raybould-Elvidge-Tucker line. Raybould never showed better form here, netting 4 goals in 1st period alone, the first a sweet individual dash, when he drew goalie Oliver out of his nets, and lobbed the disc in behind him. Elvidge is also in improved form, his stick-handling teaming with Raybould producing three goals. The fans are delighted to see Dean back in real form again after a slow start. He is a neat puck carrier and a dangerous rusher. Two goals were his portion. With him were teamed Murdoch at centre and E. Schutz, who checked, back-checked and rushed most effectively but were unfortunate in not breaking into the scoring column.

The defence, C. McGirr, Wilson and Bolger valiantly upheld their end of the conflict. Their work was 100 per cent efficient, as neither Listowel goals can be charged against them. The first, a long shot from Kilpatrick's stick, was blocked by Schutz in the nets, striking his shoulder, but slid in before he could clear, while the last goal was accidentally pulled in by him in attempting to clear in the scuffle at nets. Schutz was otherwise in tip top form, and made the hard drives look easy. C. McGirr especially lightened his task by being in the right place at the right time to steal the puck after many a visiting team play, and feed it to his forwards.

The game was livened by two scraps—at beginning and just before the close, with Bean and E. Schutz the centre of action. They were sent to serve time, also numerous others during the game. Listowel drew 4 penalties to 1 Durham in 2nd, while Durham gathered 4 to 1 in final period. Below is the goal-table, without attempting to describe the many fast plays:

First Period
1 Durham—Raybould
2 Listowel—Kilpatrick
3 Durham—Raybould (Elvidge)
4 Durham—Raybould
5 Durham—Dean (Schutz)
6 Durham—Raybould
Second Period
7 Durham—Elvidge (Raybould)
8 Durham—Tucker (Raybould, Elvidge)
9 Durham—Elvidge (Bolger)
Third Period
10 Durham—Dean (Murdoch)
11 Listowel—
12 Durham—Raybould (McGirr)
13 Durham—Elvidge

Durham: Goal, J. Schutz; defence, C. McGirr, K. Wilson; centre, Raybould; wings, Elvidge, Tucker; alternates, Dean, E. Schutz, Murdoch, Bolger.

Listowel: Goal, Oliver; defence, Bean, Ruppel; centre, Ronalds; wings, Fritzk, Kilpatrick; alternates, Wenzel Robbie, Large.

Referee—Teasdale, Brampton.

Notes  
In Arthur Monday night, Arthur and Harriston tied, 5-5.

Durham has now won 5 straight league games. Their record this season to date is, won 7, lost 0, tied 1, the tie being an exhibition game in Fergus.

stale than Owen Sound, in their quest of it.

### DURHAM 4, MILVERTON 3

Durham's closest call yet in O.H.A. games was in Milverton Friday night, when they squeezed out a 4-3 win, after leading at one stage 3-0. The boys made the trip by cars in a couple of hours, over snow-ploughed roads following Thursday's big storm, going via Harriston, Listowel and Monkton. Winter's blasts no longer tie up highway traffic as they did even a decade ago.

It was the same Durham team as last year which did the trick. Neither of the two new centre men, Raybould of Walkerton or Currie now of town and out through injuries, could make the trip, but capable reinforcements were available in Raymond McGirr and Fred Murdoch. While lacking as much experience as the new men, both turned in a fine game and contributed their full quota to the victory. The boys claim it was their best game of the season, and remarkably clean as well, only one penalty being given by referee McCurry of Stratford.

Period scores were 2-0 for Durham, 3-1, and 4-3. Durham's sharpshooters were Elvidge, Dean, Bolger and E. Schutz, 1 each.

### HOME GAME IN WALKERTON

Durham's last scheduled home game in Int. O. H. A. series, with Harriston next Tuesday, Jan. 29th, has been transferred to Walkerton arena, and will commence at 8.30. Harriston are in second place in the district.

The game was transferred as a compliment to the many fans from that town and district following Durham team, also to the two players with Durham from Walkerton, Raybould and Trushinski. The latter has signed and will likely be in action Tuesday for his first game.

### FLESHERTON HERE TONIGHT

In the Int. North-western League, Flesherton plays in Durham tonight, Thursday in a crucial game for the locals. Durham lost the first game 1-5, but a win over Flesherton will tie the two teams for district leadership.

### Won Two Games from Chatsworth

Durham defeated Chatsworth in that village, Tuesday night in a Int. Northwestern league game by a score of 5-2. It was a cleanly played game, with some fast and clever hockey. The winners deserved their victory as they had a district margin on the play.

Mel McFarlane of Chatsworth forces tallied both goals for his team, making nice plays before banging the disc into the net. He got one in the 1st and one in the 3rd. For Durham McIlraith scored 2, Rowe 2, and Black the other.

Durham: Goal, McEachnie; defence, Ries and Black; centre, McGirr; wings, McDonald, Lawrence; alternates, McIlraith, Rowe, Falkingham.

Durham 11, Chatsworth, 5, was the result of the opening game of the new Senior North-western League in Durham on Friday night. Durham had to win to stay in the running, as Flesherton had taken two straight and Durham must yet win the next game here, against Flesherton, also in Chatsworth, to tie Flesherton for the group.

And judging by the way the boys went Friday night they're going to do this. Getting off to a shaky start, Durham improved as the game progressed while Chatsworth fell off. The visitors showed a smart forward line of Woods (one session with Durham Juniors), McFarlane and

He was one of the town's most prominent citizens.
