Hay and the euchre prizes by Miss Elsie Goodchild and Mr. Alex. Hay. Lunch was served about midnight, and dancing followed.

Taken Violently Ill.

Last Saturday morning Master Billie Noble, the 12 year old son of Mr. Albert Noble of town was taken seriously ill while on the street, believed to be caused by poisoning of some form, in some soft drink he had swallowed. He fell on the street and staggered into Kellar's garage, where he took off the contents of his stomach and was taken to Durham hospital. He was unconscious most of the day but by next morning was much better and able to return home in evening.

Hanover's New Treasurer.

Douglas D. Brigham, son of Mr. Wm. Brigham, has been appointed Treasurer of the Town of Hanover at a salary of \$800 per year. Previously Mr. John Taylor was both Clerk and Treasurer, but the Council decided to separate the offices. Mr. Taylor has been retained as Clerk at a salary of \$720, a saving of \$280 over what had been paid for the combined job. There were 18 applicants for town supervisor and assessor but none was appointed, the decision being left to the Finance Com. The constable's salary was cut from \$1500 to \$1200.

Walkerton May Get Silk Factory.

That Walkerton may secure an industry employing between 400 and 500 hands was the information conveyed to the town council by Mayor Campbell Grant at the regular meeting. He said 15,000 square feet of floor space would be required to house this new manufacturing concern. As the town has at present two large factory buildings which could be used by this industry which manufactures silk, there is some prospect that the town may be the future location for it. This company requests the guarantee of moving expenses and customs costs and the council was in unanimous accord that the mayor would receive every encouragement and aid possible in urging the industry to move to Walkerton.

Held "Conundrum" Supper.

In Knox Church schoolroom last Friday evening, a most successful conundrum supper was served by many of the ladies of the congregation to a large gathering. It was under auspices of a committee of the Ladies' Aid, Mrs. A. E. Rudd being convener. Each diner had a bill of fare placed before him or her, and those solving the conundrums knew what they were ordering: others took a chance on it, but all fared well. The tables and schoolroom were decorated in Valentine colors. Following the supper, crokinole and other games were played and a social hour or two spent. Mrs. D. C. Town accompanied for community singing. Miss Winnie Blyth rendered a solo, Mrs. Stonehouse and Mrs. W. H. Smith a duet. Rev. Mr. Smith presided for the brief program and for several contests, such as naming the wives of Biblical characters and naming places in Grey County. Sides were chosen for a contest of "who's who?" in Knox congregation. Rev. W. H. Smith asked the questions. The treasury was enriched by over \$25 by the social.

BORN

HOY—In Florence Crittendon hospital, Detroit, on Feb. 17th, to Mr. and Mrs. Murray Hoy (nee Annie McGill), a son (Curtis Dale).

THE ROLL CALL

WALTER RENWICK

The Renwick family of town was grief-stricken Tuesday by the message that their son and brother, Walter had died that day in the Isolation Hospital, Toronto. Never ill before, he had recently suffered from measles, which developed into pneumonia, and his condition Sunday became so critical that his mother was wired for. She left on Sunday evening, and a phone call Monday night gave hope that he would pull through.

Walter was the second son of Mr. and Mrs. Robt. Renwick, Jr. and was in his twenty-fifth year. He was born in Dromore, and nearly nine years ago the family moved to Durham. After coming to town, Walter was employed for some years by the Durham Furniture Co., but in recent years he has been working in Toronto as a painter, along with his brothers George and Robt., George having opened a shop in that city.

Besides the bereaved parents, his grandparents also of Durham, four brothers and three sisters will also mourn: George, Robert and Jean, all of Toronto, the latter a nurse-in-training; William, Herbert, Kathleen and Helen at home.

The remains were conveyed to the parental home Wednesday noon, and the funeral service will take place from the home on Thursday at 2:00 p.m. Interment will be made in Durham cemetery.

MRS. JANE TURNBULL

Ill for about two months from heart trouble, Mrs. Walter Turnbull of the 3rd con. N.D.R., Glenelg, was found dead in her bed last Thursday morning by her son Walter, after being as usual the previous night. Though not in good health recently she was an active woman all her life, and was on her feet until the night previous to her death.

Deceased was formerly Jane McDonald a daughter of the late John and Janet McDonald, and was in her 78th year. She was born on the home farm upon which she died, and all her life excepting two years, was spent there. Fifty-eight years ago, she was married to Walter Turnbull and to them one son, Walter, now of Priceville, was born. He is the only close relative surviving, excepting deceased's one brother Alex. C. McDonald of Durham who is now the last of a family of seven.

The funeral service was held on Saturday afternoon from the residence of a neighbor, Mr. Henry Beaton, and was conducted by Rev. J. T. Priest, pastor, Glenelg Centre Baptist church, of which deceased was a member. Interment was made in Priceville cemetery. The pallbearers were Angus MacArthur, Chas. Kennedy, Fred Cook, Arch. Beaton, Henry Beaton, Geo. Bell.

MRS. PETER FETTES

(By our Hopeville correspondent.)

There passed away in Orangeville hospital, Feb. 6th, a highly esteemed resident of this vicinity, Mrs. P. Fettes.

Mrs. Fettes whose maiden name was Jane Wilton, daughter of the late Thos. Wilton who with his wife (formerly Harriet Maker) and their three eldest children came over from England and settled in Alma Township near Listowel where Mrs. Fettes was born 60 years ago last 24th of December. When a girl of five years of age her father was killed by a falling tree and later the family moved to con. 9, Proton Township. She attended No. 13 school. Later the deceased worked for some time in Hamilton, and while there became a member of McNab St. Presbyterian church under the late Rev. Dr. Fletcher.

At the manse Cedarville on Oct. 17th, 1899, she became the bride of Peter Fettes. Rev. John Morrison performed the ceremony. They then settled on the groom's farm, Lot 16 con. 10, where Mrs. Fettes spent the remainder of her life and where she endeared herself to many by her cheerful disposition and willingness to help any one in need.

The chief mourners are the bereaved husband and her four brothers: Wm. at Tessier, Sask.; James at Varnoy; Albert at Brandon, Man.; and Thos. at Bethel. Her sister, Mrs. John Smith of this locality passed away Jan. 8th last and another sister Mrs. Wm. Gooden of Brandon, died three years ago. A half-brother Wesley Atfield was killed overseas.

Durham and Chesley Tied First Northwestern Semi-final

In Chesley on Tuesday night, Durham made a strong third period finish to score twice, and tie the score 3-3 in the first Senior North-Western semi-final. There was a big crowd on hand to see Chesley crash through with a few goals lead, but Durham's batting team surprised the populace by pulling even.

The first period saw no score, but in the second Pickard shot a passout to Green from the corner for the first and then rounded the defence to give his mate another pass for the second goal. Tiny Blumh flash d from end to end for the third before McGill and McDonald got together and passed their way to the first Durham goal. Chesley thus led 3-1 at end of 2nd.

McDonald gave McGill the pass for the next Durham goal and Blumh was serving time when the visitors tied it up, McIlraith passing to Rowe with a minute to play.

Eleven penalties, six to the Colts, were called by referee Barney Schaefer of Walkerton.

The proceedings were enlivened by a fight which broke out in the third period when Lawrence, snacked S. Schneider of the Colts a couple and then was on the receiving end of a pair from Joe Pickard. Lawrence and Schneider each received major penalties.

MRS. THERESA GIBBS

At her home in Windsor, Mrs. Harold S. Gibbs died last Friday in her fortieth year. She was formerly Theresa M. MacKay, daughter of Mr. and Mrs. Geo. MacKay, Durham, and has resided in Windsor since her marriage twenty years ago. COUNTY L. O. L. MEETS

Practically every Loyal Orange Lodge in South Grey, including the Mount Forest and Durham districts, was represented at the annual meeting held in the Orange Hall, Mt. Forest, on Tuesday, Feb. 5.

Besides a general discussion of business affecting the Order, a deputation from Guelph presented an invitation to join in the celebration to be held there on the 12th July, but the matter was not decided upon.

DURHAM'S FINE WIN

The Hanover Post says: Hockey fans who thought it was all over with Durham, when they took a 5-0 shellacking at Harriston in the first game of the group play-offs, got a pleasant surprise when Durham won the return game by 9-2 and the round by 9-7. It isn't every team that can spot their opponents five goals and still come out on top. Durham has a team that is rated highly in the intermediate O.H.A. and their friends think they will go far in the race, if indeed, they do not capture the honors. Still, there are some mighty good teams in Ontario, and they are going to have some tough hurdles to make before the laurel crown rests on their brow. However, our best wishes are with them.

Durham Women's Institute is presenting a fine play entitled "Tourists Accommodated" on Thursday evening, March 7th, in Durham Town Hall, along with musical numbers. As entire proceeds go to Old Home Week funds, a full house is desired. Tickets only 25c. Play at McFadden's Drug Store. Get yours marked early.

Chesley Plays 2nd Semi-Final Here Tonight

It will be a "battle royal" at Durham rink this Thursday night when in 2nd game, first round Senior Northwestern semi-finals Durham and Chesley clash to decide which team goes on. It was 3-3 in Chesley the first game, so don't miss this one.

While skating on a pond recently, Thornton Snell, youngest son of Mr. Joseph Snell, fell on the ice and another skater collided with him. The skate cut a gash in Thornton's head below the ear, which required several stitches to close.

Mrs. Hargrave, Sr., who resides with her daughter, Miss Wm. Henry, upper town, unfortunately slipped on the floor in her home Tuesday morning, and suffered a fracture of her right leg, below the hip. Mrs. Hargrave will be 92 years of age on Mar. 17th and owing to her age, and pain which would be caused her, the limb has not been set.

HON. D. MARSHALL PREDICTS HIGHER CATTLE PRICES

By The Watchman

Toronto, Feb. 20. — Cattle prices are going up.

To the urban dweller these words may not mean a great deal but to the man on the farm they are just about the sweetest words in the English tongue. And the prediction comes from one who knows whereof he speaks. He is none other than the Hon. Duncan Marshall, Ontario's Minister of Agriculture, who is not in the habit of making statements he can't back up with indisputable proof.

For some months past, Mr. Marshall has been engaged in tackling the problem of how to bring about changes which would give the farmers some much needed income. Cattle raising, along with other phases of Agriculture has been in the doldrums more or less for a longer period than most farmers care to think about. There hasn't been much money in raising cattle these last few years but farmers are noted for their dogged patience and they tightened their belts and awaited a better day.

Now, according to Mr. Marshall, that day is near at hand. Speaking to the Ontario Veterinary Association a few nights ago, the veteran Minister of Agriculture predicted that within the next six months the farmers of Ontario will be receiving the highest price for their cattle in many years. He based his prediction on facts which he had obtained from a personal visit to the stock-yards of Chicago and St. Paul, Minnesota and from exhaustive research into the entire problem.

DURHAM O. H. A. TEAM MAY PLAY OWEN SOUND

No word has yet been received by Durham O.H.A. team as to their opponents in first semi-final round, but it is expected to be against the winners of Owen Sound City League either Rangers of Northcliff. These teams meet Wednesday evening and the winner may be ordered to play Durham Friday and Monday nights. Owen Sound's other Int. team, the Olympics, will, it is expected, meet the winner of Elora-Acton. Meanwhile Durham since ousting Arthur, has been idle over a week.

HANOVER TEAM ARE DISTRICT CHAMPIONS

Durham rink on Monday night saw the playoff game staged between Hanover Rip-saws and Walkerton teams, for the championship of their Junior Northwestern League district. Hanover won it 5 to 1, their heavier and rugged team being too much for the Bruce captives. Mildmay was thrown out for using an ineligible player, as well as all games they had played. This left Walkerton and Hanover a tie. Each team won their home game, so they came to Durham to decide the district title. R. L. Saunders was the referee. A large crowd from both towns followed the teams here.

Discussed Poultry Breeding

The second meeting of the new Durham Poultry Association was held Tuesday night, when Mr. F. Thomas, C.P.R. agent, spoke on the "Breeding of Poultry," giving an outline of different breeds, their origin, etc., as far back as 1849. C. E. Herrington discussed the same subject in more detail. Next meeting will be in C.P.R. station on March 5th, at 8 p.m., to which all interested are invited. The subject will be "Feeds and Feeding."

The Durhams are asking for suggestions for a proper name for their hockey team. If they trim the Chesley Colts they'll be called plenty of names by the fans in this town. Maybe the Review or Chronicle could print a few of them after running them through a cleaning fluid or something. However, we'll bet the rest of the boys, to it by suggesting they be called the Holsteins. Durham being a suburb of the other burg with the cowish monicker—and besides the word, Durham, is too suggestive of bull.—Chesley Enterprise.

ENGAGEMENTS

The engagement is announced of Arnetta Katharine Hazlitt, daughter of Mrs. Harry Smith of Allan Park and the late William Hazlitt, to Mr. Maxwell Grierson, son of Mrs. McMillan Grierson of Toronto and the late Mr. Grierson, the marriage to take place quietly the latter part of February.
