## Mr. and Mrs. Ben Sharpe Celebrate Golden Wedding

Mr and Mrs. Ben Sharpe entertained a number of their friends and relatives on Monday afternoon and evening of this week on the occasion of their 50th wedding anniversary. About 6.30 the guests numbering about thirty sat down to supper. The three-story wedding cake centered the table, with tall yellow tapers in gold colored holders placed at either end. Mrs. C. Kinnee, Mrs. Geo. Ylirs, Mrs. Robert Keith, Misses Verna Helwig, Eva Redford and Janette MacMaster served.

Following supper Rev. Mr. Halbert, spoke on behalf of Mrs. Halbert, himself, and the church, congratulating Mr and Mrs Sharpe on this happy occasion, and bringing greetings to them from the members of the congregation. Mr. Irvin Sharpe speaking for the children expressed the honor that they felt in being privileged to be members of a family whose parents were so happily celebrating their 50th wedding anniversary. He also spoke in appreciation of the counsel and advice they had always given and of the good Christian home they had always provided. Mr. Ben Sharpe, the groom of fifty years ago, then spoke for himself and Mrs Sharpe saying how happy they were to have their friends and relatives with them to help celebrate on this occasion. He said that fifty years may seem a long time when looking into the future, but they seem to pass all too quickly, and expressed a hope that many others might live to celebrate fifty years of happy wedded life. Mr. C. Kinnee and a few of the other guests also spoke a few words of congratulations, after which all joined in singing "For they are jolly good fellows."

The guests then returned to the living room when the notes of congratulations were read. Mr and Mrs Sharpe also received many beautiful and useful gifts which they will treasure with memories of this happy occasion. Several beautiful bouquets of flowers were also presented to them. Telegrams of congratulations were sent from two members of the family who were unable to be present, Mary (Mrs. S. Pawson) of Regina, Sask., and J. Harold of Toronto.

Mr. Sharp was born on 2nd con. of Egremont, two miles north of Holstein in the year 1861. His parents were the late Joseph and Sarah Sharpe. Four years later the family moved to 2nd con. south, Glenelg, where he spent his boyhood days. On March 4, 1885 Mr. Sharpe was married to Miss Sarah J. Hazlett, daughter of the late Mr and Mrs. Wm. Hazlett of Allan Park. They were wedded in Durham by Rev. C. V. Lake, Methodist minister, then resident here, his brother Joseph and sister Martha being the attendants. After marriage they spent 18 months on the farm in Glenelg, then removed to Durham in 1886. Mr. Sharpe was a carpenter by trade and erected many of the barns in town and vicinity.

To them were born a family of 4 sons and 2 daughters: Mrs. Sam Pawson, (Mary) of Regina, Sask.; Reginald of Mulock, Alfred and Irvin of Durham; J. Harold of Toronto. One daughter, Mrs. Fred Cass (Sadie) died in 1916.

Mr. Sharpe has been for over 20 years a member of the Official Board of Queen St., formerly the Methodist Church, and served the town as well for two years on the Council Board. He is now in his 74th year, and his bride of fifty years ago, in her 70th year, both in fair health and strength.

On Sunday afternoon and evening quite a number of friends and neighbors called to express their good wishes and spend a friendly hour with them.

Starting Monday next, March 11th Durham R. R. 3 mail courier will begin summer schedule, leaving Durham post office after arrival of noon mail, instead of at 9 a.m.

## CHANGE IN HOCKEY OFFICERS

Dr. D. B. Jamieson has been elected president of Durham Hockey Club, succeeding J. N. Murdock, who resigned. Jas. McLachlan has been elected as Vice-President.

## Durham Eliminated Owen Sound Olympics

Packing a punch they failed to display in the first game in Owen Sound, Durham's O.H.A. entry advanced to the third round play-downs here Monday night, when they handed Owen Sound's wonder team, the Olympics a 6-3 trimming after ten minutes of overtime play. When the locals lost 2-4 in Owen Sound last Friday, many were dubious as to their chances of overcoming the lead here, but the players were optimistic and they rose to the heights in the emergency, snatching the round 8 to 7.

The biggest crowd in years, estimated at 1,100, packed the rink. Had the highways been in good shape for motoring, hundreds more might have been expected, and many would have been disappointed, for 1,200 is jammed capacity. For such a mild evening as was Monday, the ice was in good shape the first half of the game, but it became sticky towards the close, foiling fast puck-carrying and team work.

As in the Harrison game here, Durham's fighting spirit carried them from behind, through to victory, in the most thrilling encounter of the season. The teams matched speed with more speed, and many organized rushes were quelled by the close checking which always predominated. Four times during the struggle was the score on round tied up by Durham, then lost or won. Period scores were 2-0, 4-1, 5-3, 6-3, with Durham always in the lead.

The locals clearly earned their win. For the first period they had an edge in the play but shorthanded with four penalties to one, they garnered only 2 goals. Elvidge took Schutz' pass at nets for the first and Schutz the second on a blazing wing slot which caught top corner of the nets. That tied up the round and heated the homesters for the next frame.

Battling at back of the visitors' nets, Elvidge brought down the house when he stickhandled puck in at side, to first put Durham ahead on round, in the second frame. Owen Sound made a determined bid, with the game slipping from their grasp and McMeekin snared a loose puck 12 feet in front of nets to beat Schutz for the Olympics 1st. goal. Again was the round tied, and again Durham forged ahead, when Elvidge stickhandled through till he hit the defence, passed to Raybould, who drew Neath out of nets and slipped the puck past him. It was the prettiest goal of the night.

At start of third period, O. Sound made their strong bid for victory and had the locals on the run. They ran in 2 quick goals to pull up to 4-3, only 1 behind on game, and 1 up on the round. Durham's chances were a-glimmering, but the team was undaunted. They fought back tenaciously and again the rafters rang when they were rewarded by the tying goal on round 5-3, off Currie's stick. Dean and McComachie were banished for mixing it, and with 5 men a side, on ice, Durham missed several glorious openings to clinch it. Once Tucker was right through on nets, but Neath rushed out, checked him as he shot and the disc went over the top. Full time saw the round a tie, which meant overtime; 5 min. each way till a goal was scored.

Both teams played cannily to start the overtime and the break came after 3 min. play. Raybould had broken through with every prospect of scoring, when McConnachie tripped him to avert it, and was banished 2 min. The Durham power play went into action, with five forwards attacking. Currie's sizzling shot rebounded off the boards, when Elvidge swooped in and beat Neath cleanly with the decisive goal. Still ½ min. to play then teams changed ends for second 5 min. overtime. Despite Olympics sallies they could make no heading against the steady local defence and Schutz's cool network, and their last hope faded when Moore was penalized for tripping Elvidge.

There were no stars with Durham Monday; it was an all-star line-up, with every man giving his best and they had to, to eliminate a team, the pick of the city, which should have been playing in Class A Intermediate.

The Olympics were also great in

defeat and might have gone far, had they not been pitted against Durham at this stage. With Buck Moore, a former pro, on defence and as coach, they had visions of a title, but it will not be in 1935. Their second forward line looked just as good as the first, though it was the McMeekin-Nicholls-Campbell line which broke into the score sheet.

**First Period**  
1 Durham—Elvidge (E. Schutz) 3:45  
2 Durham—E. Schutz 3:15

**Second Period**  
3 Durham—Elvidge 9:05  
4 O. Sound—McMeekin (Nicholls) 1:50

6 O. Sound—Moore (McMeekin) 2:10  
7 O. Sound—Nicholls (Campbell) :25  
8 Durham—Currie (Tucker) :16:04

**Overtime**  
9 Durham—Elvidge (Currie) 4:55

Durham: Goal, J. Schutz; defence, McGirr, Wilson; centre, Raybould; wings, Elvidge, Dean; subs, Currie, E. Schutz, Tucker, Ries.

Owen Sound: Goal, Neath; defence, Moore, Bleich; centre, McMeekin; wings, Campbell, Nicholls; subs, Lamson, Garbutt, Proctor, McConnachie. Referee: C. Talbot, Preston.

## Owen Sound up 2 In First Game There

Owen Sound Olympics came from behind last Friday night at home to snatch a two-goal lead from Durham, 4-2, in the first game of the crucial series. On sticky ice, the Olympics seemed to stand the going better, for they finished in better condition than Durham and stronger in the score column.

Durham scored the only goal of the first in a ganging play, and having the best of it throughout, should have had 3 or 4 more. McGirr made it 2-0 for Durham in 2nd when his shot slipped between Neath's feet, but Owen Sound tied it up, 2-2 before end of 2nd. In 3rd with Durham mostly shorthanded through penalties the Olympics added 2 more and had the better of the argument, Schutz's great netminding holding them from several more.

A crowded rink, including over 100 from Durham enjoyed the match.

**First Period**  
1 Durham, Dean (Raybould) 4:05

**Second Period**  
2 Durham, McGirr, 5:06  
3 O. Sound, Lamson, (Proctor) 3:10  
4 O. Sd., McMeekin (Campbell) 8:10

**Third Period**  
5 O. Sound, Moore, (Garbutt) 6:00  
6 O. Sound, Lamson (Proctor) 7:00

## Eria Put Durham Out

And how! Sad to relate, Durham's W.O.H.A. team absorbed the worst white-washing of the season, Tuesday night in Erin, when the Irish champions spread it on thickly, 11 to 0. The ice was soft, the Durham were off-color and the miniature rink did not help them. But give Erin credit—they're good and on their way to another title. Durham held them to 1-0 first period, then the homesters went to work and counted 5 each in 2nd and 3rd.

The return game is in Durham tonight, Thursday, and the locals believe they can win it. But as for the round, good-night!

## NOTES

Olympics entered a protest against Durham rink being too narrow (4 inches only), with the O. H. A., but withdrew it the day after the game.

"Chubby" McKenzie, sports editor of the Paisley Advocate, gets this off his chest: "Many hockey-wise lads of the district are selecting Durham to cop the intermediate 'B' title this season...but do not be deceived...the Olympics, if and when they meet them, will take the Bulls into camp by plenty...in fact we are registering our vote for the Olympics to do some title copping of their own." Tut, tut, Chubby, we used to think you had some judgment as a hockey prognosticator, but now we'll have to put you in the same class as Geo. Dulmage of the Sun-Times.

Well! Well! Three Owen Sound teams in the play-offs—Greys, Rangers and Olympics—and all beaten out in one short week. And Durham put the skids under two of them!

## THE ROLL CALL

JOHN BRYON

The town was saddened to learn of the death in Toronto last Saturday of John Clarence Bryon, son of Mrs. John Bryon, in his 36th year. He had been missing from his rooming house in the city since the previous Saturday, and when his sisters in Toronto could not locate him in three or four days, they became alarmed and sought the aid of the police force, and broadcasting, in an endeavour to find him. He was found Saturday, having been ill and suffered a lapse of memory. He had engaged another room in east end of the city and taken to bed, his new landlady caring for him in his sickness.

Deceased was the second son of Mrs. John Bryon and the late Mr. Bryon of Durham, and was born at Proton Station in 1899. In 1902 the family removed to Durham, and in 1915 when but 16 years old, Jack enlisted for overseas service with 147th battalion. He saw several years active service, was wounded in action, and returned home at Christmas 1918. Later he was employed for ten years with Lemon Bros. in Owen Sound, giving up his position owing to nervous breakdown. He has been in Toronto for some time.

Surviving are his mother, one brother, Wm. in Durham, and four sisters; Mrs. Arthur Greenwood, Florence in Durham; Mrs. Carlyle McDonald, Maud, of Bentinck; Mrs. Griffin, Laura, and Mrs. Smith, Gladys, of Toronto. His elder brother, Percy was killed in action in the battle of the Somme.

Jack was a fine physical specimen of manhood, a good-hearted agreeable chap who was a favorite among his fellows, whether in the army or civilian life.

A funeral was held at the Porter funeral chapel, Toronto, conducted by Rev. Walter C. Almaek, formerly of Durham, on Sunday afternoon, which was attended by many friends in the city.

The remains reached the house of his brother-in-law, Mr. Arthur Greenwood, Durham, on Monday noon, and the funeral held from there on Tuesday was largely attended. Rev. R. G. Halbert conducted the service, taking as his text, "And the sun goeth down while it is yet day." Mrs. J. L. Farrell and Mrs. A. C. Clements rendered beautifully the duet "God will take care of you," and "Nearer my God to Thee," a favorite hymn of deceased was sung.

The pall bearers were army comrades of his platoon, No. 9: Al and Mack Saunders, Harold McKechnie, James Lloyd, Vernon Elvidge, Percy Daniel. Present also in a body were the ex-service men of town and vicinity, a firing squad of 12 in uniform from Owen Sound, with Sergeant and bugler. Deceased was given a military funeral, interment being made in Durham cemetery.

The flowers were: wreaths from the family; Veterans' Club, Durham; Jas. Lloyd, E. G. Smith, Jack Lappin of Toronto; basket, Woman's Bakery (Continued on Page 4.)

## Council Will Check Abusive Relief Recipients

At Council session, on Tuesday, on Clerk Willis asking to be relieved of duties of Relief Officer, largely due to the abuse and worry connected with it, the Council were unanimous in assuring him they were behind him in refusing to accept any abuse or back talk from anyone getting relief, and to have constable make an example of such. The Charly Com. will meet Thursday to further discuss the matter.

Mr. J. A. Rowland's resignation from High School Board was accepted and Dr. D. B. Jamieson appointed his successor.

Mr. T. M. McFadden and Principal Robb were a delegation from the School Board to ask for use of Town Hall a maximum of five times a year for literary and other meetings, as H.S. has no assembly hall or room large enough to contain all pupils and outsiders, desiring to attend. Council freely granted their request.

Relief accounts of \$396.45 for Feb. were passed also \$3078.03 general accounts, which includes \$2450 to Utilities Com. for annual hydrants rental.
