PRICEVILLE AND VICINITY

PRICEVILLE

The meeting held here on Wednesday night the 20th, dignified by the name of a circus, proved to be a dismal failure. The poor acting, profane, obscene and disgusting language, prompted one of our prominent citizens, in the event of them wishing to come back, to state that he would consign them to his Satanic majesty and that without a return ticket! Several of the audience left before the finish.

Miss Bertha James is at present on a visit to her sister, Mrs. Wm. Bowes, near Markdale, reuniting. The remarkable fine weather prevailing is the common subject of conversation when meeting with each other.

In connection with the holding of Communion service, Sunday March 31st, at St. Columba, a pre-communion service will be held on Friday evening previous. A congregational meeting will be held at the close of it. Choir practice will be held at 7.00 p.m. in preparation for Easter and other important coming occasions.

All here are well pleased with our worth-while M.P. and the prominence given to South-East Grey's clever and insistent member in the Globe and other prominent papers.

We are justly proud of her. Daisies of the garden variety are now in evidence and blinking visions of rhubarb pies are already in evidence.

Mr John Burnet is somewhat improved from his recent attack of double pneumonia. Mrs. Cameron Smollie, his daughter, is in attendance.

The Willing Helpers are putting on a social evening in the church on Friday evening, March 29, when a program of games and contests will be given. A cordial invitation is extended to all. Lunch will be served.

Mr. C. E. Hincks, Clifford, spent the week end at his home. Mr. Gilvray McLean left last week for Kitchener, after spending a few weeks at his home.

Mr and Mrs. Jim Sturrock and family have got settled in their new home north of Pricerville. A dance was held there last week, when a good time was enjoyed by all. Music was supplied by Robt. Plester, Douglas brothers and Bert Watson. Lunch was served at midnight and a jolly time was had by all.

Mr. J. P. Stewart and sister Dora, Ceylon, visited Sunday at A. Stewart's and attended church service.

Mrs. Nell Norman and daughter Ruth, Dundalk, visited at her father's last week.

Mr. Jno. Livingstone who had an operation in Toronto is still with his sister Mrs. Chas. McKinnon.

Messrs Edgar and Maurice McLeod, Swinton Park, visited, Wednesday at A. L. Hincks'.

Mr. Robert Stephenson returned home to Markdale, after the past 2 weeks at his sister's Mrs. W. J. Hincks.

SWINTON PARK

Is Spring really here? The sap is running freely; the pussywillows are out; the frogs are on the bandwagon with the same old tune. March came in like a lamb, and has been a most wonderful month of pleasant days. Hope they have been fully enjoyed. The storms of by-gone years have gone to other parts of the globe, so do not think we are yet to have them.

Many people have not got their usual amount of wood hauled, the snow going too early. There is danger of the grass being injured, these frosty nights and sunny days, especially because it was not strong last fall. Cars are running quite freely, even on our back concessions.

Mrs John Corbett spent the week end with her parents in Dundalk.

Mr and Mrs Ed. Haw visited Sunday at Walter Knox's.

Mr and Mrs W. J. McMillan and daughter Grace spent Sunday at Jno. Aldcorn's.

Mr and Mrs Wm. McCormack gave a house party last Friday night in honor of their daughter Jean, R.N., who is home on a holiday, having been on duty in Toronto for a long time.

Miss Marjorie McLeod R. N., is at her home here, Mr and Mrs. Neil McLeod's, resting after a long term nursing in Durham.

ZION

This Week's Budget Mr and Mrs Stewart Jackson, of Glamis, visited the latter part of the week with Mr and Mrs J. C. Cook, and Mrs. Cook accompanied them to her home near Chesley for a few days' visit.

A number in this community are busy making maple syrup. Mrs Robt. Vollett is much improved after her recent illness.

Mr. Tom McCassey cut a large pile of wood for Mr Howard Ritchie last week.

Messrs. R. T. and J. C. Cook cut wood for Messrs. P. Nelson, R. McClocklin and H. Timmins last week.

Mr. Clifford Cook had the misfortune to lose a valuable cow this week.

Mr. Tom Ellison is quite ill at his home. We hope for a speedy recovery.

The Women's Institute will be held on April 11th, at home of Mrs. W. J. Cook.

Last Week's Budget

Mr and Mrs. Oren Peart attended Mr. Robert Barbour's sale last week, the latter remaining for a few days with her mother.

The young people of Zion held a St. Patrick social in the church on Monday evening.

Mr. Ivan Edwards of Shelburne and Will of Toronto, visited Sunday with their parents, Mr and Mrs. R. T. Edwards.

After spending the winter months in Palmerston, Mrs. J. Acheson arrived here Saturday to spend some time with her daughter, Mrs. J. R. Edwards.

A number of our young people attended a party at home of Robt Peart at No. 9, in spite of the bad roads.

Mr and Mrs Herb Allen spent Friday in Owen Sound.

LIVESTOCK MARKET REPT

by DUNN & LEVACK, Toronto

March 26, 1935 Supplies of cattle were moderate for Monday's market and there was a steady demand for choice butcher cattle and cows, while heavy steers were rather slow of sale and prices fully a quarter lower. Shipments to the United States were somewhat curtailed on account of a continued reaction of prices on Yankee markets.

One lot of extra choice heavy steers sold at 7 1/2, but the bulk on offer ranged in price from 6 to 6 1/2, medium from 5 1/2 to 6 cents. Choice butchers sold at from 5 1/2 to 5 3/4 with a few tops at 6 cents, fair to good at 4 1/2 to 5 1/4.

Choice baby beefs were in fair demand at from 6 to 7 cents, others lower according to quality. Choice butcher cows sold at from 3 1/2 to 4 cents, fair to good 2 1/2 to 3 1/4, canners and cutters 1 1/2 to 2 1/4. The bull trade has been very slow, choice bulls selling at from 3 to 3 1/4 cents; Bolognas mostly 3 cents.

The lamb market has been very disappointing, practically all of the choice lambs selling at 7 cents. The offerings consisted of almost 75 % Alberta feed-lot lambs. Indications are that supplies are much too heavy for the present retail trade. All classes of sheep sold steady, choice light butcher sheep selling at from 4 to 4 1/2. The calf market reacted somewhat this week, showing a decline of 50c per hundred. Choice calves selling from 7 to 7 1/2, with a few tops at 8 cents; fair to good 6 to 7; common and medium, 5 to 6.

The hog market is stronger and prices are gradually advancing, sales being made at from 15 to 25 cents higher than a week ago. Truck deliveries are selling today, Tuesday, at from 7.90 to 8 cents, and the f.o.b. basis 7.50 bacons.

RANDOM REMARKS

It isn't hard to tell the truth. The difficulty is to get the truth believed.—Lord Grey.

I don't like to talk to more than two men at a time—or one girl.—General Pershing.

It is wise to take the heaviest burden and expect the lightest reward.—Mr. H. W. Massingham.

If a man were to say that he was always accurate, he would show that he had committed his first inaccuracy.—Lord Moulton.

AMONG THE CHURCHES

QUEEN ST. UNITED W. M. S.

The March meeting of the Senior Auxiliary of Queen St. W.M.S.S. was held at home of Mrs. Twamley, on Thursday, March 21st, with Mrs. Winter in charge of the program.

Mrs. McCrae read the scripture lesson which taught the prayer of faith as did also the devotional leaflet "Ambitious friends" read by Mrs McClocklin which emphasized that people of strong faith and thorough-going followers of Jesus, were much needed at the present time.

Mrs. Winter introduced chapter VII of the study book, "Alexander Duff and Christian colleges in India." Mrs. Yiirs and Mrs. Prew took part in the discussion and facts were brought out that Duff, who was an honor graduate and physically a tornado, 24 years old, despite opposition in India and disapproval in England, established higher education as part of the preparation of minds for reception of the Gospel, which followed. Much was done between 1830 and 1930 A.D. but there is still much more to be done.

Miss Charlton contributed a fine instrumental. Mrs. McCrae, vice-pres. conducted the business period, arranged for a special collection for the famine fund for Africa, completed plans for supply work. Meeting closed with prayer by Mrs. Twamley.

IN DAYS OF YORE

15 YEARS AGO

Taken from Review file, Mar. 25/20 Durham Baptist choir have recently purchased gowns and will make their initial appearance in them on Easter Sunday, holding a song service in the evening. All the town churches will now possess gowned choirs.

The trustees of U.S.S. No. 6, Elderslie and Sullivan, 2 1/2 miles north of Chesley, cannot secure a teacher for love or money this winter. \$17 has been already spent fruitlessly in advertising for one. Little Dan Cupid was responsible for attracting the last two away from school room.

Miss Lillian Walker has resigned her position on the Public School staff, to take effect at Easter. The Board have engaged as her successor for the second book classes, Miss Moore of Palmerston at a salary of \$650.

Mr. Alex McQueen left Monday to secure employment in Windsor where his brother Donald now is. Mr. Johnston Allen returned home Saturday after a few months as a guard transporting Chinese laborers home across Canada from the war zone.

Miss Annie McGirr returned home from Toronto on Thursday last, having completed her course at Technical school there. On Monday she went to Holstein to act as relieving teacher in the senior room in Holstein School.

Monday forenoon last, Mr. Peter Hay, a Dromore boy, and Miss Annie McDonald, daughter of Mr and Mrs Hugh McDonald, Upper Town, found their way to the Presbyterian manse where they were made man and wife by Rev. Mr. Whaley.

We believe we are quite safe in asserting that Dougald McKinnon has established a world record as an amateur walker. He struck out with the stride of a Mohawk from his home on the 13th of Sullivan to go to Chesley a distance of 3 1/4 miles and made it in half an hour. That beats the Grand Trunk's record some days this winter.

A strong wind was striking Doug at right angles. With a gale to rearward careening him over the snow he believes he could have made the distance in at least five minutes less time. From his place to Scone is two miles and from Scone to Chesley is 1 1/4 miles but by following the longest side of a right-angled triangle he saved a mile so that he really only walked 2 1/4 miles on the crust in half an hour. There is a great saving in distance by going straight as the crow flies. It pays in the end to be straight in all material affairs and the good book has many warnings that those who would go straight as an angel's flight to glory must follow a straight course in life. There's a moral after all in Doug's hitting the straight trail.—Chesley Enterprise.

Dornoch corr.: Mr. Asket Allen has moved on the Stafford farm south of the burg and Mr. Colin McIntyre has moved on his own farm. We are pleased to have Mr and Mrs McIntyre back to Dornoch after spending three years in the West.

North Egremont corr.: Messrs D. Hooper and Tom Moore have the poles erected preparatory to having the phones installed in connection with Holstein central. All the rate-payers east of the 10th sidroad on the 22nd con. with one exception have signed for the phones in their residence.

25 YEARS AGO Taken from Review file, Mar. 24/10 Much to the surprise of the community the hotelkeeper in Holstein, was proven by Inspector Davis to have been keeping forbidden liquor beyond a legal quantity in his possession and to have been selling it. A fine was imposed, which with the costs amounted to \$112. The proprietor came there with the intentions and purpose to run a temperance house, but it appears he must have had a relapse.

Mr Arnold Noble and Mr. J. Hay Swinton Park, each treated themselves to a new organ last week bought from W. J. McFadden, town.

The cement works are now partially in operation, about 25 men having been recently taken on. It is expected operations will be in full swing in a couple of weeks.

Rev. Mr. McDonald who is resigning from the pastorate of Dornoch and Rocky congregations, was presented with an address and purse of \$22 by his Latona members last week.

Tuesday afternoon there was another crowd at the C.P.R. Station to cheer the departure of friends and neighbors off for the "West." What this country would do just now without a West to go to, is a hard thing to say. Among the number going we noted Mrs. R. Pettigrew and six or seven members of her family on the way to Saak, Mr. Pet-

ugrew having preceded them with the stuff two weeks ago. Mrs. Jas. Watt, formerly of Hampden, and her daughter Jessie, also went to join her husband. Mrs. R. Morice and children going to complete the home out West and with her goes Mr. J. Morice, who in spite of his 87 years was determined to make his home still with his son and the grandchildren he has been long associated with.

The March horse fair showed a falling off in numbers and quality of horses, but the crowd of humans was as large as ever and so were buyers, chiefly from Toronto. Some 33 sales were made, one as high as \$250, and an old plug for \$15.

Hampden corr.: Captain O. M. Snider went to Toronto last week on Military business.

We regret to report the death of Mr. Matthew Mearns an old and respected resident, at the age of 64.

Mr. Harry Lavelle who spent the past year in Ottawa came back to town last Saturday and will probably appear in a Durham uniform on the lacrosse field this summer.

On Monday last the brave spirit of Thos. Swallow, Sr., left its frail tenement at the home of his daughter in Toronto, where only a short time previously he had arrived from Durham.
