1935 Chevrolets Master and Standard Announced

BEAUTY, STYLE AND PERFORMANCE EMPHASIZED

New 1935 Master and Standard models have just been announced by Chevrolet. The Master models depart distinctly from previous Chevrolets in body design and the solid-steel Turret-Top body by Fisher is one of the striking improvements. Above is shown, the Chevrolet Master 2-passenger coupe. Centre panels show, on the right, the beautifully streamlined rear quarter of the new bodies; and on the left, a view of the solid-steel Turret-Top roof. Below is shown, Chevrolet Standard Coach, which achieves virtually the same performance as the Master. There are six models in the Standard line and ten in the Master line.

KNOX CORNERS

The meeting of the W.M.S. was held on Wednesday afternoon, May 10th at the home of Mrs. James Picken with 21 ladies present. The minutes were read and the roll call answered by Easter messages. Mrs. Wallace led in prayer. Mrs. McAllister Sr. read from the study book on the work of our deaconesses and home missionaries. Their never-failing energy and faithfulness in God's service often put us to shame. Mrs. McAllister also read a letter from her sister-in-law, who with her husband Rev. Chas. Rutherford are missionaries in India. Mrs. John Marshall was reappointed as leader of the Mission Band, and Mrs. Mearns as president of the Y.W.A. Mrs. C. McAllister read a letter from Mrs. Millar of Mount Forest on the financial part of the work. An Easter offering of about \$10 was given. The hostess served lunch at the close of the meeting.

Mr and Mrs James Petty and son Wilbert visited recently with Mr. and Mrs. A. Wise at Allan Park. Mr and Mrs Alex Smith of town visited last week with Mr and Mrs Ronald Smith. Mr and Mrs Geo. Hooper and children were visitors on Sunday at the Porter home.

The community was shocked to hear of the death of the late James Wilton who passed away quite suddenly Thursday morning last. Our sincere sympathy goes out to Mrs. Wilton and the Wilton families at this time in the loss of a kind husband and father, and they sorely miss him. The late Mr Wilton and family were members and faithfully attended the services at Knox for many years.

Mr and Mrs Ronald Smith and Mr and Mrs Wm. Thompson visited Sunday with Mr and Mrs C. Smith near Conn. Mrs. A. Picken and Mrs James Picken and Raymond attended the service at Varney Sunday.

Rev H. Caldwell and Mrs. Caldwell of Thorold, visited over the week end with Mr W. Caldwell and attended the funeral of the late Mr Wilton.

Mr and Mrs Albert Marshall spent over the week end in Toronto. Mr and Mrs Robert Harbour of Egremont visited on Saturday with Mr and Mrs Elmer Fee.

Miss T. E. Byers spent Friday of last week with Mrs. S. Koenig of Hampden.

MAPLE

Glad to report Delmer Lamont, who had an attack of pneumonia, is getting along quite nicely and will soon be around again.

Mr and Mrs Nell McEachnie of Hopeville accompanied by Mrs A. Henderson visited friends in Guelph last week.

Mr and Mrs J. D. Drimmie, Russell and Raymond spent an evening with Edith in Owen Sound last week. Miss Jean Lamont is visiting at her brother's, Ralph Lamont.

Mr. Alex Drimmie has rented his farm: the home place to Murray Ross and the west hundred to John Stevenson.

NEW HIGHWAY REGULATIONS

Bicycles on Ontario highways will have to display a white strip on the rear at night, according to a bill to amend the Highway Traffic Act introduced in the Legislature by Minister of Highways T. B. McQueen. The bill also provided that after July 1, 1936, all glass in motor vehicles must be of the 'safety' type.

CARD OF THANKS

Mrs. James Wilton and family wish to express their appreciation of the kindly sympathy and assistance of neighbors and friends in their recent bereavement.

THE ROLL CALL

JAMES J. WILTON

The ushering in of the joyous Spring season, brought sorrow and grief to the family circle and relatives of James J. Wilton when Death called him for higher service. He was one of the best-known farmers of Varney district, and as well throughout Egremont and Proton townships was he equally well-known and respected. The last call for deceased was sudden and certain. Mr. Wilton had been in his usual health and busy with the morning chores, when he was suddenly stricken with angina pectoris. He was able to get to the house, but in two hours he passed away.

Mr Wilton was born near Port Hope in 1868, and came to Proton township in 1886, residing near Hopeville. He later moved to Dromore, where he was married on Dec. 23, 1891 to Harriet Churchward. They resided at Dromore six years, when he worked at Mr. Robert Renwick's sawmill, being a valued employee. In 1897 they returned to Proton to take up farming and ten years later—in 1907, removed to their present home on No. 6 highway, south of Varney. To Mr. and Mrs. Wilton were born two children, Carrie and Elgin. Carrie became Mrs. Earl Meade and she died two years ago. Elgin lives in Normanby. In February, 1918, Mrs. Wilton died suddenly at a Red Cross meeting at Varney. In March 1920, Mr. Wilton married Mrs. Samuel Caldwell, and to them was born a son John James.

Deceased was a member of Knox Nomanby Presbyterian church until the union in 1925, when he became a member of Varney United church. He served as a township councillor for a short time, was a member of Varney United Farmers Club, a trustee of Maplewood cemetery and an all-round public-spirited citizen. His passing in the community life, leaves a big gap. "Jim" Wilton was a wise counsellor and friend. In the home life however, comes the biggest loss, for he was ever a kind and considerate friend. Chief mourners are his widow and two sons, Elgin and James; two step-daughters Marjory and Dorothy Caldwell and one step-son, Billy Caldwell. Two sisters of Mr. Wilton passed away previously this year—Mrs Smith and Mrs Peter Pettis. There yet remain of his family, three brothers: Wm. at Tessier, Sask.; Thomas, Dundalk; and Albert, Brandon, Man.

The funeral service on Saturday to Maplewood cemetery, was very largely attended. Services were conducted by his pastor, Rev. R. Mercer, Holstein, assisted by Rev. Harry Caldwell, Merriton, who read the scripture lesson and by Rev. R. Honeyman, Dromore, who led in prayer. Miss Winnie Blythe rendered a solo.

The pallbearers were two old neighbors, Palmer Patterson and Robert Elgin; two nephews, Albert Wilton of Midway and Earl Smith, Toronto, Harry Caldwell and Elmer Fee of Normanby. The flower bearers were Alex Smith, Durham; Wm. Grant of Mount Forest; W. J. Philp, Dromore and Don Gillies an old Proton neighbor.

Floral tributes were given by the family, Varney United church; Knox Church, Normanby; the Grant family, Mt. Forest; Mr. E. Fee, son Elmer and Mrs. J. Morice; Dorothy Caldwell's classmates of Toronto General hospital.

Friends from a distance attending the funeral were Mr and Mrs Earl Smith and family, Toronto; Mr and Mrs Albert Wilton, Midway; Rev. and Mrs. Harry Caldwell, Merriton; Mr and Mrs Melville Fraser, Dundalk; Mr and Mrs Stanley Smith, Mr Peter Pettis, Hopeville; Mr and Mrs Don Gillies and son; Mr. Alex Russell, Mr. Arch. Russell, Proton.

\$500 MINIMUM SALARY FOR RURAL TEACHERS

Rural school boards must pay their school teachers a minimum annual salary of \$500 or forfeit the township grant, an amendment to the School Act, introduced in the Legislature the other day, declares Hon. Harry Nixon, acting minister of Education, introduced the measure which was given first reading. Discussion of the bill will take place at the second reading. It provides that no school section shall receive the grant from the townships unless the minimum is paid to the teachers.

The easy going man usually travels down hill.

According to the third and latest computation, the Canadian wheat crop for 1934 is now estimated at 275,849,000 bushels. The revised estimate for 1933 is 281,892,000 bushels. The 1934 potato crop is now placed at 48,095,000 cwt., compared with 42,745,000 cwt. in 1933.

Among the West Indies

(Continued from Page 1)

was the emancipator of the country from Spain's oppressive rule some one hundred years or more ago, and the Venezuelans revere his memory. On to the British island of Grenada, a most beautiful one, and one where the natives seemed willing to work steadily. Next they had a whiff of old Holland, in the Dutch island of Curacao, where oil is the cheapest in the world. Then on to Panama with its renowned canal, and several huge locks, which was a scene of great interest. They crossed to the Pacific coast and visited the big stores in Colon, the main city there. This is a meeting place for goods from all over the world, and products of all nations are on sale at surprisingly low prices. Duties on goods are abolished here.

Homeward bound, Jamaica, a large British isle was the next stop and here the tourists were greatly impressed with the air of prosperity and order and the large sugar cane, banana and other plantations. The school system, the speaker believed was the best here of anywhere visited, and he would have enjoyed a month or two on the island. Hayti, the only large island entirely under native rule, was next call, then Nassau, the capital of the Bahama Islands.

The Bahamas are a famed winter resort with delightful climate, and are attracting more Canadians than ever. They are also a British colony. As it costs about \$20 per day to live at the large hotels in Nassau however, it is only the wealthy who can remain any length of time. Back to New York in March, the whole eventful trip was covered in four weeks' time.

The Chapter listened with keen attention throughout to the narrative and tendered Mr. Alder a hearty vote of thanks for sharing as best he could his trip with them.

A uniform gasoline price of 26½¢ a gallon, became effective in Goderich Monday, as a result of an agreement between the eighteen operators of service stations in that town. The object is to prevent any recurrence of a gasoline war.

AMONG THE CHURCHES

PRESBYTERIAN W. M. S.

The W.M.S. of the Presbyterian church held their regular monthly meeting Thursday, April 11th at the home of Mrs. C. Moffat. Mrs. Patterson, president, presided. Miss E. Calder led in prayer, Mrs. Edge gave Bible reading; Mrs. Derby had study book and gave an interesting paper on the "Strangers in our land." Mrs. Hepburn read a story of the work among the Ukrainians. Roll call was answered by a scripture verse containing word "Hope"; Mrs. McCannel gave a reading entitled "The Easter Message" and Mrs. Gordon Goddes a Lenten message with many fine points. Mrs. J. H. McFayden gave missionary gleanings. Miss Davis and Mrs. McCannel led in prayer, and the Lord's Prayer in unison closed the meeting.

KNOX AUXILIARY

The Easter Thankoffering of Knox Church Young Women's Auxiliary, was held Monday evening, at the home of Mrs. Harold McKechnie, with an attendance of 34. Mrs. C. McGirr, president, presided and Mrs. McKechnie as sec'y, gave minutes. Mrs. House had the devotional topic, "The First Easter Morn"; Mrs. D. McQueen offered prayer; Mrs. McGirr and Mrs. Stonehouse rendered a duet, composed by a Christian high cast Brahmin.

The guest speaker of the evening was Mrs. W. D. Staples, Hanover, who enlarged on the work of Alexander Duff, as found in the new study book "Builders of India."

As a young man of 24, a brilliant graduate of his university year, Alexander Duff left Scotland in 1820, imbued with the idea to do something for India from an educational as well as a religious standpoint. His trials, discouragements and successes were vividly portrayed by Mrs. Staples, who knew her subject matter so well. She closed with the thought that we in this present age and generation may be used as channels of blessings for promotion of Christ's Kingdom on earth, if we but catch the vision of Alexander Duff.

Light refreshments were served at close of evening. \$27.40 was the Thankoffering.
