Mrs Hamilton of Mount Forest, is

The report goes on to state that ver Jubilee. Miss Marjory Johnston of Listowel it is not that the primary producer products are not needed, but simply that they cannot be sold at a price sufficiently high to maintain for him a reasonable standard of living nor, paradoxically, enough, at a price sufciently low to permit necessary consumption by all those in need. Government and educational bod-

ies, had, up to this time, the re- Mrs. Rae of Chesley. port says, been assisting the farmer by experimenting in productive methods, rather than with the equally important problem of marketing that he produces. Emphasis now might well be placed on the latter. Speaking of the packing industry, the report states: "Canada Packers Limited is the dominating unit, with a business greater than the next five

packing companies combined. has almost eliminated competition The report draws attention to the fact that there was uncontradicted evidence given by a former official of the Canada Packers that in Toronto it was the usual practice this firm to arrange with Swifts be fore the market opened as to the prices to be paid for the purchase

of livestock. A half page of the report is devo ed to the effect of shipping livestock direct to the packing plant by trucks. When livestock is delivere direct, the producer must take the packers own weight on the latter's scales. In the case of hogs, the producer must take the packer's grade also. That is, the producer in shipto the door of the abattoir is in the

grades and prices. Discussing prices, the report stat es: "The prices paid for livestoc! with his buzzsaw, cut wood in this ket price. The market price is the price set where there is a compet stockyards. The evidence submitted to us showed quite conclusively that the packer, with his large supplie

FROM A STAFF OF SEVEN TO SIX THOUSAND STRONG

From less than a corporal's guard to the equivalent of six regiments — this graphically illustrates the growth of the Bank of Montreal's staff in 117 years.

On the 23rd of August, 1817, the first four emloyees of the Bank of Montreal were appointed. They were the cashier, an accountant, a paying teller and a second teller. Shortly afterward a discount clerk, a second bookkeeper and a porter were

opened its doors on Monday, November 3rd - an establishment which was destined to play a conspicuous and beneficial part in the development of Canada's resources.

Throughour the many decades that have followed. the Bank of Montreal has made increasing effort to provide a banking service always adequate to meet the requirements of Canada's development.

These seven constituted the original staff when the The original staff of seven has grown to 6,300, loyally serving the public through 500 branches modest establishment on St. Paul Street in Montreal extending from sea to sea - and overseas.
