PRICEVILLE AND VICINITY

PRICEVILLE

Rev. and Mrs. Johnston and fam-  
ily visited relatives and friends in  
Owen Sound and vicinity, Wednes-  
day last. They were accompanied  
by the Misses James.

On Thursday evening another sat-  
isfactory dance was held in the ag-  
ricultural hall under the auspices  
of that society. Good management  
was assured by having as floor man-  
ager, Mr. W. G. McBride.

On Friday evening a large repre-  
sentation of the vicinity, some 60 in  
number gathered at the home of Mr  
and Mrs Malcolm McInnis, to show-  
er their son Allan and his fair young  
bride with good wishes, congratula-  
tions and the other good tangible  
things. Mr. Chas. Kennedy was  
chosen as chairman, who called up  
on Messrs Henry Beaton, Arch. Mc-  
Cuaig, J. D. McArthur, Robt. Pars-  
low, H. B. McLean and Rev. J. W.  
Johnston, who testified to the worth  
of the young groom and wished him  
and his fair bride long continued  
pleasures of life. Mrs. Wilfred Wat-  
son read the address, brimful of ap-  
preciation and good wishes, to which  
the groom replied felicitously on be-  
half of himself and his young wife.

They left on Saturday for his home  
Palgrave, where he teaches school.  
Mr. Malcolm McInnis also spoke,  
expressing his pleasure and that of  
his wife, at the kindly manifestation  
shown towards his son and his young  
wife. A dance was held at the close.  
Had distance not intervened with  
Shanks nags, we would have been  
pleased to express our heart-felt sat-  
isfaction with his willing assistance  
in the choir, and the more than us-  
ual rapid improvement made in read-  
ing the notes by him. We extend to  
his amiable wife our best wishes,  
though yet a stranger, we hope to  
meet again. The whole community  
joins in one pean of praise and good  
wishes to the young couple.

On Saturday we were honored with  
an invitation to a wedding at the  
home of Mrs. Mary J. Buckham  
where Miss Jessie Beatrice Lane was  
married to the man of her choice,  
Mr. Wesley William Flood of Swin-  
ton Park, by the Rev. N. McDonald

Miss Donaldia Nichol returned to  
her home after spending two weeks  
with friends at Collingwood.

This community was shocked when  
word came that Mrs Albert E. Haw  
near Salem had passed away early  
Sunday morning, after being stricken  
with a stroke two hours previous.  
Deepest sympathy is extended to the  
sorrowing husband and young fam-  
ily.

Miss Monica Lambert has taken a  
position at Mr. Ray McLean's.

Miss Anna McEachern spent East-  
er week in Toronto.

Mr. Murray McMillan went to To-  
ronto last week.

Mr. George McLellan and friend  
of Niagara, spent weekend at D.  
Campbell's. His wife who spent  
past week here returned with him  
Sunday.

Mr. Colin H. McLean had misfor-  
tune to lose a good horse recently.

Mrs. Wm. Reid, O.D.R. is ser-  
iously ill.

Friends here are sorry to hear  
that Miss Willa Patterson is very ill  
at the home of her sister, Mrs. A.  
Foster, Markdale.

Mr and Mrs A. Greenwood of Dur-  
ham have taken up rooms at Mr A.  
McLeans, where he is engaged for  
the summer months.

SWINTON PARK

MISS MARTHA J. MARTIN  
A little sketch of the life and  
death of a highly esteemed and loved  
lady, Miss Martha J. Martin, who  
died on Tuesday morning April 23rd  
at 79 Caithness ave., Toronto at the  
home of Mr and Mrs Charles Meila.  
Mrs. Meila was known to everyone  
here in her girlhood days as Marie  
Chislett.

Miss Martin came to Proton with  
parents and other members of the  
family, 57 years ago. Her father,  
John Martin, after time and trouble,  
was successful in having a Post Of-  
fice granted here, and the name of  
Swinton Park, was his choice.

Through the Post Office, Miss Mart-  
in became well acquainted with old  
and young, as she passed out the  
mail. There was always a cheerful  
word and smile accompanying it.

Miss Martin was also a member of  
the Presbyterian church here from  
the organization of the congregation.  
She was a cheerful, willing helper in  
every department and regular in at-  
tendance, while health permitted. For  
over 50 years she was one of the  
real helpers in all good works, in  
this neighborhood, but with falling  
health for several years, she has  
spent part of the time with Mrs.  
Meila in Toronto, coming back to  
the old home in summer, for the last  
ten years having almost lost her  
eye sight. She has been greatly hand-  
icapped but never cast down: al-  
ways cheerful, and could be heard  
singing hymns of praise, as she moved  
about in accustomed places. Death  
is at all times sad, but how  
great a number of people can say,  
"We are glad that we knew Martha  
J. Martin." During all those years,  
and in her passing there is no place

IN DAYS OF YORE

15 YEARS AGO

Taken from Review file, April 29/30  
Mr. Jos. Corkill is back to Dur-  
ham in his old position as hydro el-  
ectrician, which he occupied before  
going overseas.

Mr. Shirley McIntyre last week  
disposed of his Chevrolet car to Mr  
Robt. Lindsay, grocer, and purchas-  
ed through his brother Norman, lo-  
cal agent, a handsome McLaughlin  
Special car, D 45 model. It approaches  
the \$3,000 mark in value and is  
undoubtedly the finest in town or  
surrounding country.

We have read that way back in  
last century there was a year with-  
out a summer. It would seem safe  
to predict that this is going to be a  
year without a spring. This Thurs-  
day morning, April 29th, we woke to  
find two or three inches of snow  
covering the ground following some  
very bleak un-spring-like days.

Mr W. L. Dixon, teacher of Mel-  
anethon tp., spent over the weekend  
at his sister-in-law's, Mrs. T. Mc-  
Girr's. Mr. Dixon is giving up his  
school at the end of April owing to  
ill health.

Geo. Ryan Sr. died on April 23rd  
in his 82nd year.

Rob Roy Mills will enlarge and  
double capacity, moving their York-  
ton, Sask., plant to Durham. The  
town is to guarantee bonds for  
\$25,000.

After a residence of 10 or 12 years  
almost continuously in Durham, Mr.  
and Mrs Thos. Cowan and family  
are leaving Friday to reside in St.  
Marys where he has been appointed  
to the position of town electrician.

Saturday last there died at Edmon-  
ton, Alta., from after effects of pneu-  
monia, Hon. A. G. MacKay, Minis-  
ter of Health and Municipal Affairs  
in the Government of Alberta.

25 YEARS AGO

Taken from Review file, April 28/10  
Tartan is the name of a new Post  
Office established at Henry's Corners,  
Egremont, lot 5, con. 19. Mr.  
And. Henry is postmaster and con-  
tractor and the office opens Tues-  
day, May 3rd. Mail will be exchang-  
ed three times a week with Varney,  
on Tuesdays, Thursdays and Sat-  
urdays. Tartan and Thistle in North  
Egremont give a Scotch flavor to  
the district, still dominated however  
by the Irish name, Dromore.

We congratulate the district on at last  
getting supply from Varney way, and  
"have no doubt at all that H. H.  
Miller is at the bottom of it."

The weather has been somewhat  
chilly of late, with occasional show-  
ers, but on the whole, finely adapted  
for farming work which is well ad-  
vanced, the bulk of the seeding be-  
ing completed this week, fully two  
weeks ahead of the usual time.

The Trustees have been notified  
that Durham will retain the Model  
School for 1910 under the usual gov-  
ernment guarantee.

The Furniture Co. Management  
think the time has come for a step  
forward and that step is no less  
than the erection of a great new  
building fitted out with the best and  
most up-to-date machinery and cost-  
ing about \$25,000, on their property  
to the west of the present building.  
A great increase in the number of  
employees would be necessary, per-  
haps as many as 100 or 125 in all  
would be required and this would  
mean a great deal to the town.

General regret has been felt in  
town to learn that Barrister W. F.  
Dunn has decided to leave Durham  
and go West. He has formed a part-  
nership and will locate in the grow-  
ing town of Moosejaw, Sask., leav-  
ing next week. He has sold his busi-  
ness to Mr A. C. Grant of Essex.

It is our painful duty this week  
to record the death of a youth of  
this locality in the person of Mr.  
Arthur Weir, eldest son of Wm.  
Weir, deputy-reeve of Glenelg, in his  
22nd year.

We beg to congratulate Miss Viola  
Backus, Poplar Hill, Bentinck, and  
Mr. Sharp, Normandy, who are unit-  
ing heart and hand in marriage this  
Wednesday afternoon.

Priceville corr.: Dr. McArthur of  
this town treated himself to a new  
rubber tired buggy lately. The Dr.  
goes to Dromore every Thursday  
where he has a large number al-  
ways awaiting his service. The  
contractor of our town sidewalks has  
not put in an appearance yet al-  
though he made a commencement  
last fall. But we hear he is to be on  
hand late of May.

Holstein corr.: Rev. Mr. Little  
left last month for two months' vis-  
it to the West. He expected to spend  
Sunday last at Calgary, and from  
there intended to travel to the  
coast. Organizer Rainsbottom left  
here on Monday for Palmerston.  
More than 20 members here joined  
the I.O.F. as a result of his efforts.  
We are glad to learn that Dr. Seim  
who recently opened up a general  
store in Varney is doing a large busi-  
ness.

The youthful graduate is the only  
person who knows enough to run  
the nation successfully.

ALL AFTER CHRYSLER CAR

Nearly 200,000 Entries!

Thursday afternoon last was the  
last mail day for Durham, to make  
entries in the popular Toronto Daily  
Star Proverb Contest. There are in  
all, 1038 prizes, running from a  
handsome Chrysler sedan to a lowly  
one dollar cheque. In Durham there  
were about one hundred contestants  
and all who were striving for the  
Chrysler, are certainly going to get  
it! One contestant who wants the  
electric frigidaire, we understand,  
asked Hydro Commissioner C. C.  
Elvidge if the same house wiring  
would do for her frigidaire. An-  
other wants to know if he gets the  
gas tank of his car filled.

The contest has been a "night-in"  
puzzle for many and especially was  
the midnight oil burned. The trick  
is in applying the proverb best-suit-  
ed to the picture, and as there are  
48 of them for hundreds of proverbs  
it required some head-scratching.

But we are banking on a Durham-  
ite winning out and besides we now  
bespeak the first ride in that Chry-  
sler sedan!
