PRICEVILLE AND VICINITY

PRICEVILLE

Rev. Dr. A. J. Irwin, Ontario Prohibition secretary paid a short visit to his cousins the Messrs. B. and E. James, and their sister Mrs. H. B. McLean.

Another extra fine dance, the best yet we hear, was held Friday night in the Agricultural hall, with an orderly, well-behaved crowd, the biggest ever. Mr. Wm. G. McBride was the efficient floor manager. The "Royal Nite Owl" orchestra, Mildmay furnished fine music. This has been reported as the last dance until colder weather comes.

Visitors over the week end, just for the day, were: Mrs. W. Walker, conveyed hither by the Misses Ella and Laura McKinnon, whom we are pleased to have met as old valued friends. They were accompanied by Mrs. Maltby (nee Jean Buckham), all from Toronto. Mrs. Aldcorn returned with them. Mr. Ed. Watson, G. Watson's here: Mrs. M. Kirkton Sr. at the home of Mr. and Mrs. Gordon Kirkton; Mr. McBride Sr. of Pala, was also a visitor at the station from Friday to Monday, looking hale and hearty.

We are again called upon to sympathize with sorrowing ones, in the death of our old neighbor for many years, Mr. Austin Hann. Of a hardy and virile constitution, he survived a fall of some 30 feet from the outside peak of a barn to the floor below, through a hole made to draw up shingles. This was twenty years ago this month. We have a sorrowful cause to remember, as just one month later our own dear daughter Mary, lost her life in a fall on a chair.

Mr. and Mrs. Will Bowses, Markdale visited at the home of his brother-in-law, H. B. and Mrs. McLean, Sunday.

The June meeting of St. Columba Women's Missionary Society and Women's Association was held at the parsonage on June 18th, and was well attended. Mrs. Harrison presided. Plans were made and committees appointed for the garden party to be held in the school grounds on July 19. The W.M.S. heard reports of the Grey Presbytery meeting held in Owen Sound last month, Miss Edith James and Miss Sadie Oliver reporting the morning and afternoon sessions. Tea was served and a social time was spent.

A Gaelic service will be held at the morning service on sabbath 28th of July, 1935. Preacher: Rev. N. McDonald. Come and hear the language of the 'Garden of Eden', spoken in true blue fashion.

The W.M.S. and W. Helpers held their monthly meeting Tuesday in the church with a good attendance. After the usual opening exercises, Mrs. W. J. McMillan gave a splendid paper on "Early missions in Ontario". It was decided to quit four quilts, Wednesday, June 26th in the basement. A reading was given by Mrs. D. Campbell on "Helena McDonald Memorial School at Jhansi".

Mr. and Mrs. W. Cook, Toronto, spent the weekend at the home of Mr. C. Wade.

Bethany S.S. purpose having their annual picnic in Mr. Geo. Pallister's grove, July 3rd.

The Christian and Missionary Alliance congregation are holding their usual convention from 4th to 7th of July. Rev. Brabylon, Toronto, will be the speaker.

Mr. S. Pepper made a business to O. Sound and Port Elgin last week.

Mr. and Mrs. W. R. Weir and children, Mrs. Robt. Renwick and daughter Helen, Durham, were first of the week visitors with their sister Mrs. John Sinclair.

Mr. and Mrs. Eccles and family, Toronto, were weekend visitors at the home of Mr. Walter Benham.

Mr. Lloyd Christie is at present helping his uncle Mr. Jas. Stephen who has been quite ill the past few weeks.

Mr. and Mrs. C. Mogk and children of Sperling, Man., and Mrs. D. S. McDonald, spent Monday afternoon at the home of Mr. Neil McEachnie.

The season for garden parties and picnics is in full swing, some special event for nearly every day.

Artemesia S. S. Convention
Held in Priceville

A fine meeting of the Artemesia S.S. workers and others in sympathy with the work, gathered together in St. Columba United Church on Wednesday last week. In the absence of the president, Mr. Beirnes, a gospel worker from Markdale was voted to the chair. Sec'y Graham, Vandeleur, read the minutes and the numbers representing each S.S. location. The financial statement also was given, all three being adopted and read. A discussion on the upkeep of schools was had, lack of attendance at Convention was felt to be a contributory cause. This was given as a reply to the information asked for. "What was the matter?" "What is wrong with the convention?" Rev. Bushel, Maxwell, asked. What is wrong with the church? He gave it as his opinion in a fine address that we should take stock, like any merchant, not only in the church but in ourselves. The church was the great organization. The words of the Saviour, "I will build my church", was duly impressed upon his hearers and how the gates of Hell would not prevail against it. Nothing was wrong with the Head of the church. Pilate found no fault in Him. Paul's desire to live is Christ. The church hadn't lived up to its object, but who

TABLE TALK

THE crispness and flavor of Kellogg's Rice Krispies is something to talk about.

Children love to hear Rice Krispies crackle in milk or cream. Nourishing and easy to digest. Just the thing for the nursery supper. They promote sound sleep.

would pull it down? Your job is to bring Christ to man, not man to Christ. Bring peace to earth and good will to men. God's Holiness was never questioned. Though a man fall, he shall not be undone. He would not place the people of 40 years ago, ahead of those today. He was proud of the young people of the church today. The cream of the country is in the chancel. A fine address attentively listened to.

Mrs. J. J. Eaton, representing the Ontario Religious Education Council, then gave an address, in which she gave the statement that it was such a privilege to be a S.S. teacher, to aid in the wonderful work. The work could be enhanced and interest of the children kept up by the use of pictures suitable for Christmas, for Easter in the opening of spring flowers, birds and butterflies, and any other special occasion. The value of pictures of Bible subjects, Christ among the doctors, the last supper, the Angelus, and so on. She gave a fine talk and advice on interesting the children.

A round table conference was held thereafter led by the same speaker, and a nominating committee appointed before adjournment for lunch. (We could all partake in that.)

On resuming for the evening session, after devotional exercises, the names of new officers were submitted by the nominating committee, and passed: Pres., Rev. A. Bushel, Maxwell; vice pres., Rev. N. McDonald, Priceville; sec'y-treas., H. J. Graham; children's dept., Miss Artley Markdale; girls' dept., Miss B. Weir, Priceville; Boys' dept., Mr. Chapelle, Flesherston; Y.P.S., Geo. Armstrong, Flesherston; Adults, Mr. Beirnes, Markdale; Home dept., Mrs. Hutchison; teachers' training, Rev. Warren, Markdale; missionary, Rev. Martin; temperance, Mrs. Ritchie of Priceville. Place of next meeting? The new officers elect were then installed by Mrs. Eaton in an address finishing up with a fine dedicatory prayer. The new president, Mr. Bushel having to get home for another meeting, the chair was taken by vice pres., Rev. McDonald, on Friday, June 25th, at 6:40 p. m., on High School grounds. A win for Durham will enable them to tie for the leadership; a loss means a fight for second place.

THIS AND THAT IN SPORT

DURHAM GIRLS 17, HANOVER 10

Hanover 'Alerts' played a return exhibition game here Monday night for the game played in Hanover on May 31, which was cancelled as a league game. Some smart and indifferent fielding plays, and heavy batting was shown, Durham winning 17-10 in six innings. Dot Taylor was Durham's leading hitter with a double and 3 singles while Florence Wendorf of Hanover hit a triple and 2 singles.

1	2	3	4	5	6	runs	hits

Durham	2	3	0	6	6	x	17

M. Litt pitched for Hanover, striking out 5, but issuing 7 walks. 6 for Durham girls, struck out 6 and gave but 2 walks.

The big girls' game of the season will be Harriston vs. Durham, on Friday, June 28th, at 6:40 p. m., on High School grounds. A win for Durham will enable them to tie for the leadership; a loss means a fight for second place.

IN DAYS OF YORE

15 YEARS AGO

Taken from Review file, June 24, 1920 \$1000 for a teacher in a rural school is something new in S. Grey, and Mulock section, centre Bentinck, leads the way. Their teacher Mr. Rudolph, has been reengaged for that sum for the fall term.

A hurray meeting of ratepayers and citizens was called for Monday night to meet with Mr. Max Steinberg, Mt. Forest, a pushing young business man and expert in the manufacture of overalls and some similar line of goods. Mr. Steinberg has had a similar business in Mt. Forest for some time and is not leaving there, but pressure of orders compels him to seek expansion and it appears that owing to lack of the necessary female labor, he cannot expand there and will try Durham.

Tuesday's papers tell of a fatal automobile accident at a ferry near Winnipeg, by which four persons lost their lives, amongst them Mr. Joseph Knisley, brother of Mr. Jesse Knisley of Durham, and his six-year-old son. Mrs. Knisley was the only one saved.

Mr. George (Sam) Hillis, well known here, was instantly killed at 2.35 Sunday morning by a freight train directly in front of Guelph station.

As would be seen in last week's Review official notice was given of an increase in Hydro rates, so considerable as to call for comment. Cost of Horse power is increased from \$23.00 to \$45.00.

Misses Jemima Lawrence, Edith Hughes and Armetta McKechnie of town and Esther McLean of Rocky Saugeen, who have been attending Normal School in Toronto and Stratford, returned home last week.

Mr. A. D. Browning is at present

25 YEARS AGO

Taken from Review file, June 23, 1910 Mr. and Mrs. Chas. Ramage, leave next Wednesday bound for Montreal whence they sail for the old land on the "Empress of Britain", one of the magnificent new C.P.R. steamers.

The C.P.R. station platform was crowded with citizens Saturday evening to greet the band and No. 4 Co. on their return from Niagara. Camp. After forming up, the home-comers marched through town to the armoury, the band playing the Success march. On Friday, review day at Niagara, Mr. and Mrs. H. A. Burnett on their honeymoon, and Mr. and Mrs. W. D. Mills, Misses Ruby Mills and Lyla Kelsey visited the camp.

The Council met Saturday night and opened the tenders for the erection of the new building which is to be the clerk's office, market scales, and all complete; to be erected on the lot purchased from the McKechnie firm which was secured for \$750.

After consideration it was moved by Robertson-McLachlan that the tender of Ritchie Bros. at \$1163 be accepted, it being the lowest, the tender immediately above being \$227 higher. This was carried, an amendment by W. Calder, that it first be put to the people, not finding a second order. The yeas and nays were called for and stood 5-1: Yeas—Robertson, McLachlan, Saunders, Snell, McCracken; Nays—Calder.

There's always sure to be something doing in the sporting line, and when the old rivals, Durham and Hanover meet, and last Friday's Juvenile lacrosse match proved no exception to the rule. The visitors evidently had an idea it was a Junior match or that they were up against a Junior team, for they brought over an aggregation that for size and weight, would do credit to a team in that series. It was 5.30 when the teams faced off and dark at the finish, the score being a tie, 6-6.

Quite a number from town are taking in or being taken in at Haag Bros. circus, Hanover, to-day, Wednesday.

Mr. Thos. G. Lauder was the local delegate last week to the High Court of the C.O.F., which met in Montreal from Tuesday to Friday.

Mr. Jno. Clark came home Tuesday from Cochrane in the far northland of Ontario. After a brief stay here he leaves with his family for the new home he has built in that flourishing outpost of civilization.

Priceville corr.: We welcome Mrs. Peter McArthur to our town as now one of our citizens. The young couple returned on Friday of last week after spending a couple weeks honeymoon throughout the various parts of Ontario and parts of the United States.

Hopeville corr.: The tremendous heat of last few days and Sunday caused the paint to stick to the people's clothes, but the managers are on the alert to have the trouble remedied... Quite a number of the young men for a distance around here meet on evenings to see and talk of the comet and stay out late.
