## A Lifetime in the Teaching Profession

**MR. JOHN A. GRAHAM RESIGNS AS PRINCIPAL OF DURHAM SCHOOL AFTER 16 YEARS AT THE POST**

John A. Graham calls it a day in his teaching career and last week handed to Durham Public School Board his resignation. This act is simple in itself, but behind the act, there is a story with it that would make an interesting biography, of a man who has spent a lifetime educating young Canada. For that matter many of Mr. Graham's pupils are now doing the same thing. Forty-four years in the teaching profession is his record and he retires with the respect and admiration of parents as well as pupils.

We all knew that sooner or later this day would come, for like the brook he could not keep on forever. But in his period of teaching, at different localities Mr. Graham has left an enviable reputation behind him. Not only was the curriculum thoroughly taught, but many little side excursions blended with moral tips and advice.

Mr. Graham began teaching in January 1885. The first two years were spent at Latona, where he yet tells many interesting tales of his first school and boarding place, among the Ledinghams, and of the moral upbringing these children received. He next taught school north Paisley, then to Ewart's school, north of Chesley, where he spent four years. From there he came to Grey County, to Edge Hill, where he taught for six years. Two years more were spent at S.S. No. 14, Egremont, (Boohtille) and four years at Huton Hill, Bentinck. A few months were spent at No. 9, Glenelg when he accepted a position as book-keeper of the National Portland Cement Co., which position he handled efficiently for seven years.

But he was not through his teaching career as yet, for it brought him to Rocky Saugeen school, which he had charge of for six years, walking this stretch of three and a half miles night and morning from his home in town.

In September 1919, he accepted the Principalship of Durham Public School and since that date has been at the helm continuously, not losing a day through illness. On various occasions, the Review has given his records of successful work with his Entrance classes, and we do not purpose now to give it again in detail, other than to say that in years to come it will be the pleasure of any of his graduates to say that they were one-time pupils of John A. Graham.

While Mr. Graham will take a well-earned rest, we are sure he will not be idle, for he burns up with energy. With Mrs. Graham, their home in Upper Town, has been the mecca of many friends who wish for them happy years ahead and the good will of his ex-pupils, as he at present holds.

**New Mill to be Built on Rob Roy Mills Property**

"Saugeen Mills Limited" is to be the trade name of a new mill to be erected on the foundations of the former Rob Roy Mills here, burned down some three years ago. Two Toronto men, J. H. Hogg and H. R. Horning, are Pres. and Sec'y-Treas. of the new concern and have purchased the property from Mr. McGowan. They propose to conduct a seed and grain business and manufacture malt products, and while they will not rebuild the whole structure, they hope to build a portion, sufficient to get started in a few weeks. The Review and citizens generally are pleased to know the mill will again be a going concern and freedom from the fire demon, which has been the downfall of previous milling ventures.

**Mr Geo Skene, Dornoch, is a patient in Durham hospital, and Misses Mae Thompson and Nancy Bryon were recent tonal cases there.**

A meeting to make final preparations for No. 9, Glenelg Reunion Dinner, will be held in No. 9 school on Tuesday, July 16th at 8.30 p.m. All interested are asked to be present.

## U. F. O. Picnic Drew the Crowds

They were there from all parts of riding last Thursday afternoon - at the big U.F.O. picnic in Young's grove, and the torrid July day and shady surroundings furnished a real picnic atmosphere. The committee carried out its program in full, giving all good entertainment, whether in sports, program or dance. About 1000 or more were on the grounds in afternoon and nearly 2000 in evening.

In the grove a stage had been erected for speakers and entertainers, with seating accommodation in front. In afternoon splendid addresses were given by Mr. Herb Hannan, Sec'y of the U.F.O., Miss Agnes Macphail, M.P., and Farquhar Oliver, M.P.P. The popular Brunswick quartette supplied choice entertainment in song, story and dance both in afternoon and evening. Reeve W. H. Hunter of Egremont, was chairman of the day.

The sports were girls' and men's softball, and lacrosse, the ball games being limited to five innings. The girls' game, Durham vs. Mt. Forest, resulted in an easy win for Durham, 15 to 5.

1 2 3 4 5 runs h's  
 Mt. Forest 0 0 3 0 2 5 4  
 Durham 3 2 4 6 x 15 13

Desboro defeated Durham Frontenacs, 4 to 1 in a keenly-fought men's game. Clarence McGillivray and E. MacDonald was the Durham battery.

1 2 3 4 5 runs h's  
 Desboro 1 0 4 0 0 4 6  
 Durham 1 0 0 0 0 1 3

Then Edge Hill took a 12-10 contest from Huton Hill. Edge Hill slammed Hopkins for 8 runs in 2nd, but the westerners pulled up considerably afterwards, and nearly came even. Huton Hill got most hits but the Glenelg boys were more timely. Dan Firth hit the only home run, with 2 runs.

1 2 3 4 5 runs h's  
 Huton Hill 0 2 3 4 1 10 12  
 Edge Hill 0 8 3 1 x 12 8

In box lacrosse, a new game at these picnics, Durham won from O. Sound 4 to 1. A rough field enclosed by snow fence, and lack of condition, mainly of Durham boys who are not in lacrosse this year, all tended to slow up the game, nevertheless the crowd saw some good plays and got a few thrills. Two minutes silence was observed at the start of game in memory of the late Butch Ritchie, captain of last year's Durham-Owen Sound team. Snell, Murdoch, O. McDonald and E. McNeil, Donald scored for Durham and Hard on for O. Sound. Durham boys were goal. E. McEachnie; defence, Ken Wilson, O. McDonald; rover, Bolger, centre, Murdoch; wings, E. McDonald, Lauder; alternates, Dean, Snell, Rowe. Referees, Bert McDonald, Durham and Strachan, Owen Sound.

The dancing platform was thronged from 10 p.m. on, both round and square dancing being enjoyed to the strains of the Clifford Night Owls.

**ENGAGEMENTS**

Mr and Mrs R. L. Aitchison, of Sullivan, announce the engagement of their daughter, Marion Pearl, to Archibald D. MacIntyre, son of Mr. and Mrs. Colin MacIntyre, Dornoch, the marriage to take place the last of July.

**Ladies' Bowling Tourney.**  
 The Ladies' Bowling Club staged a successful tournament on the greens Wednesday, when fifteen rinks enjoyed the afternoon and evening. Eleven of the rinks were visitors. The high prizes were awarded in following order: Dundalk, electric lamps; Port Elgin, pyrex casserole; Hanover, refrigerator bowls. The visitors were all appreciative of the good time shown them, including a splendid supper.

## Council will Pay 25 p.c. Cost of Oiling

**TAX RATE SET AT 51 MILLS**

After considerable discussion on Monday night over the financial situation of the town, the Council voted to fix the tax rate for 1935 at 51 mills, a mill more than for the two previous years. Council would have liked to hold rate at 50 mills, but a deficit has already been incurred at this rate, largely through Town Hall renovation costs, and increased hospital costs. Another 50 mills rate would increase the deficit, whereas 51 should provide sufficient funds to take care of all expenditure, unless some large unforeseen payment looms up.

But for higher hospital and County costs, 50 mills would have been ample. However Durham's county rate is increased \$405 this year, (a result of the road-building spurge last year) and is now \$4455. \$1200 is estimate required to pay hospital accounts (nearly 2 mills) and \$800 is estimate for town's share of relief costs (over 1 mill). This year the High School Board ask for \$4200 from town, up \$550, while the Public School Board ask \$5450, a reduction of \$750 from last year.

By-law fixing rates was given its several readings and passed as follows:

Bylaw 639.....1.8 mills  
 Bylaw 828.....3 mills  
 Bylaw 735.....1.2 mills  
 Bylaw 756......8 mills  
 Bylaw 902.....5.3 mills  
 Bylaw 907......5 mills

Public Library .....1.2 mills  
 County rate .....6.8 mills  
 High School .....6.4 mills  
 Public School .....8.2 mills  
 Hydrant rentals .....3.7 mills  
 Hospital Accounts .....1.8 mills  
 Direct relief .....1.2 mills  
 General rate .....9.1 mills  
 Total rate is .....51 mills

Chairman W. R. McGowan of Bd. of Works presented statement of cost of calcium chloride as a dust-layer for streets at \$26.36 per ton in car lots or \$33.06 in less lots. About 7 or 8 tons would be required laying 5 tons to mile as Dept. of Highways does and the Dept. will loan their spreader. Reeve Hunter said that on narrower town streets 3 tons per mile would be ample. A resolution was passed, providing that citizens on any streets desiring dust layer must present a petition for same, and same will be applied on streets, the ratepayers to pay 75% of cost and Council 25%.

Mr. McGowan also reported about \$200 would be cost of new sidewalk in front of Calder block on Main St. Ratepayers to pay all cost on property and half cost of the width on streets. Other sidewalk repairs required, also culvert at Volain's, were mentioned, as well as the need of stop signs on several streets leading onto highways, which will be secured.

Sec'y Elvidge and Chairman Kearney of the Utilities Com. addressed Council, asking guarantee of \$500 for power costs to be incurred for Old Home Week celebration. Council felt this should come before Home Week Com. rather than them, and would lend support if Committee asked it.

Mrs. Nichol asked for fence erected around her sheds, for the street dancing, as a safety measure from fire, and Council will see to it.

Hanover hospital sent notice that they held town responsible for account of McDonald family as indigent patients. Clerk was authorized to reply that town did not deem them indigent.

General account's totalling \$543.92 were passed, also June relief acc'ts, amounting to \$209.26.

**REV. MR. AND MRS. GOWDY WILL HOLIDAY IN IRELAND**

On the resignation of John A. Graham as principal of Durham Public School, the School Board immediately engaged Mr. George Noble, for three years as a teacher on Durham school staff, as Mr. Graham's successor.
