29 Lodges Celebrate 12th at Flesherston

GLENELG LODGE WINS PRIZE FOR BEST MARCHING

The 12th of July celebration held at Flesherston on Friday was a successful one in every respect, the largest crowd ever seen there being on hand to observe the 245th anniversary of the Battle of the Boyne. It is estimated that close to 4,000 people were there during the day, and with ideal weather conditions and a holiday spirit prevailing the program was carried out to the letter, and it was a tired crowd that wended its way homeward when the last dance was called on the street around the midnight hour.

There were 27 men's lodges and 2 ladies' lodges on hand to take part in the big parade which was held in the afternoon. The Honeywood Brass Band headed the procession, which marched around the village streets, and this was followed by County Master W. J. Wellwood, of Dundalk, who was in charge and Mr. G. Cairns of L.O.L. No. 2855 at Flesherston, was Marshall, mounted on a dashing steed.

As the parade marched around the streets the huge crowd gathered on both sides and applauded liberally. There was a keen contest for the marching honors, which was finally awarded to Glenelg L.O.L. No. 1192, whose general appearance and smart marching caught the eye of the judges. The L.O.B.A. lodge of Dundalk carried off the marching prize for the ladies lodges.

The parade wound up in memorial Park where a number of addresses were delivered in keeping with the day and the occasion. County Master, W. J. Wellwood was chairman, and an address of welcome was given by Mr. H. A. McCauley, Reeve of Flesherston, on behalf of the municipality. Other speakers were Mr. W. J. Miller, Deputy Grand Master of Ontario West; Mr. James Jackson, Owen Sound, Grand Treasurer of Ontario West; Mr. Geo. Wright, Past County Master, from Manitoba; Miss Agnes Macphail, M.P. for Southeast Grey; Dr. L. G. Campbell of Markdale. All the speakers were given excellent hearings, and the addresses were of a high order.

During the afternoon there was a sports program successfully carried out in the park, consisting of a soft-ball game between Flesherston and Dundalk, resulting in a win for the former by a score of 13 to 4, and a hardball game between Owen Sound Juniors and Walkerton intermediates resulting in a win for the former by a score of 7 to 6.

In the evening there was a concert, which attracted a huge crowd, the program being provided by the Maxwell Dramatic Society and this was followed by a street dance which was kept up until a late hour.

PICNIC PLANS TAKING SHAPE FOR NO. 9 REUNION

S.S. No. 9, Glenelg are leaving no stones unturned to make the second reunion of the section a success. A committee meeting to further the picnic reunion of the section on August 5th, on the Whi more-Newell grounds, (opposite the McGowan Mill) was held at the schoolhouse on Tuesday evening, 16th inst. The Refreshment Com. gave their report and to make certain of adequate supplies, 500 paper plates were ordered for the event. More names were added also to act on this committee, and altogether it will not be their fault if they are not equal for all the old boys and girls of the section who wish to attend. The grounds Com. also gave their report and agreed the grounds were very suitable for the event. A Registration Com. Mrs. Wm. Wallace and Mrs. Lawrence Chapman were appointed to act that day.

To complete arrangements, a further meeting will be held the evening of the 27th inst., in Alex. Aljoe's store of the various committees. No invitations are being issued and only through the press is the invitation going out to all ex-residents of this section to attend.

MRS. DOE is no longer wrinkled and worried. She uses Cress Corn and Cress Bunion Salve. At Calder's Drug Store.

DECORATE IS THE ORDER

Durham's great gala event, the Old Boys Reunion is a little more than two weeks away. After waiting all these years for just such an event, it would appear that everything is about ready to greet the great influx of visitors that will soon descend on the town.

The Decoration Committee asks the Review to notify the citizens to decorate their homes and business places with flags, bunting or in any manner that appeals to them. There should be no signs of depression in Durham for this one week at least.

Critically Injured in Auto Crash East of Durham

When a Ford coupe driven by Norman Watson, collided with McMeekin's truck, driven by Wm. Gray at corner of 2nd con., Glenelg and Prov. Highway No. 4, one and a half miles east of town, the three in coupe suffered severe injuries, only those of the driver being critical.

Watson, accompanied by Miss L. Collinson and Stanley Falkingham, of Durham was en route to the 12th of July celebration at Flesherston last Friday morning about 11.30, when he met the truck loaded with lumber, just on the corner. A telephone pole at edge of road on the turn, prevented Watson going closer in to avoid the crash and he smashed against the lumber suffering a broken jaw, gash in cheek and other wounds. Miss Collinson went through the top, and had right ear and upper lip cut and badly swollen, besides a gash in arm and nervous shock, while Falkingham required 17 stitches to close scalp wounds.

All were taken at once to Durham Hospital where Watson was unconscious for some time and had his jaw wired in place. It would not remain set and he was taken to Toronto Monday to have a plate attached to hold it. He is still in a serious condition. Falkingham was able to go home Saturday with his head bandaged. Lillian Collinson also was taken home after having wounds dressed, but suffered much for some days, being unable to take any food but liquids until pain and swelling of her lips subsided.

Norman Watson, owner of the car, which was badly damaged, is the son of Mr. and Mrs. Donald Watson of Glenelg. It is to be hoped no complications set in to hinder his recovery.

BACK TO SCENES OF YOUTH

On Thursday evening last, there came to Durham, former Durhamites on a hurried visit, or rather call, on old friends.—Dr. Allister Gordon, his sister Miss Mary Gordon, B.A., Picton, and their aunt, Mrs. Morris of Zorra. Dr. Allister was driving a new car back to his home, Lloydminster, Sask., and his leave was short at that. But they did want to see Dr. J. F. Grant and when directed to Bruce St., said, "that's no good, we didn't know the names of the streets in early days". When he was directed to the street west of the old Postoffice, (Arch. McKenzie's) then he knew. The three remaining sons of the late Alexander Gordon are all medical men, viz. Dr. Roy of London, Ont.; Dr. Allister, Lloydminster and Dr. Gilbert, Rosetown, Sask. Miss Mary will try to be back for Old Home Week.

Ontario Health Minister Gives Rousing Address to South Grey Liberals

DR. SNEATH AGAIN NAMED HEAD OF GREY-BRUCE RIDING

Declaring he did not see where any important legislation could emanate from a third or fourth party as he affirmed his belief in the two party system of government, Hon. J. A. Faulkner, Ontario Minister of Health speaking before a large and representative gathering of Liberals of Grey-Bruce riding at their annual meeting in Durham Town Hall on Wednesday afternoon, strongly urged a return of Liberal policies to Canada to bring about desired improvement in economic conditions. He accused Hon. H. H. Stevens of "stabbing" his former leader Hon. R. B. Bennett in the back and "double-crossing" him to promote his own ends, after giving full support to the Conservative Government until a few months ago.

Dr. T. H. Sneath, Durham, president of the local association, presided and called upon Col. F. Hunter, M.L.A. for St. Patrick riding, Toronto, to introduce the guest speaker Dr. W. A. Hall, Liberal candidate in the three-cornered contest in this riding, spoke briefly and was loudly applauded as he bespoke confidence of victory for himself and the Liberal party in the coming Federal election. He voiced a strong preference for Bennett over Stevens as he had no faith in what the latter would do, though he thought neither would command a large following in the next house.

On the motion of J. A. Patterson of Hanover and Dr. McArthur of Markdale, Dr. Sneath and W. E. Harris were re-elected president and secretary respectively. New vice-presidents named were Dr. Griffen, of Chatsworth; Mrs. Gruetner of Hanover, and Dr. W. C. Pickering of Durham. In his introductory remarks President Sneath referred to the loss the association had suffered in the death of their vice-president, J. H. Hunter, who for a long period had been active in Liberal interests.

After referring to the pleasure of his Durham reception, Hon. Dr. Faulkner touched on some of the activities of the Ontario Legislature dealing particularly with the Dept. of Health under his charge. Here, one of the first acts was dispensing with district health officers at a saving of \$40,000 with no disturbance to the welfare of the people. He announced their intention of appointing four extra tubercular clinics to cover the province in an adequate way. (At the close of his address, Dr. Sneath told the Health minister he would like to see the Durham hospital included in the itinerary of one of these clinics.) These clinics would cost considerable, the Cabinet Minister stated, but from an economic viewpoint it would be money well spent, as tuberculosis now costs the province over \$3,000,000 a year.

Ontario had eleven mental institutions maintained at a daily cost of \$12,000. Mention was made of the establishment of a unit to examine mentally ill persons instead of a jail as formerly, feeling that these persons deserved similar treatment as those with physical ailments. He congratulated the town on the local Hospital which he had visited, and related the heavy costs of hospitalization the Government pays in relief cases. Mention of relief led the speaker to severely castigate some of the unemployed who did not want work, at a time when farmers needed men, as well as the paid agitators who roamed the country. In the Dominion arena, Dr. Faulkner pointed out that Bennett's trade policies had proved disastrous to Canada and recent surtaxes on Canadian products by Japan and France had further affected Canadian industries. The policy of the Liberal party was not only close relationship in trade with British countries, but with all the world. "Open up the avenues of trade, and prosperity will then come to Canada" averred the Minister. "Goods produced in Canada must be sold elsewhere and goods which we can't produce must be brought in." Application of other Liberal policies, which were meant for the masses and not the classes, would do much to bring better conditions in Canada. To bring about this end, he urged support of the Liberal candidate Dr. Hall
