TOWN TOPICS

MR. FOOT writes: For twenty years I suffered with a corn. Cream of Corn Salve removed it. At Calder's Drug Store.

Mr. MacArthur will be in Durham, Sept. 16th at Mrs. Vollette's Beauty Shop, permanent waving, finger waving. Make appointment if possible.

Will Mark Golden Wedding Date.
On September 23, Mr. and Mrs. Wm. Coffield of Detroit formerly of Worenoh, are celebrating their golden wedding. There were ten children born to them, of whom nine are living. The family intend to mark the event in a suitable manner.

Stores will close for Fair Day.
As a slight recognition of their co-operation with the Durham Fall Fair directors, the business men are closing their doors during the afternoon of second day, from 2.00 to 4.30 p.m., so do your shopping early, or later.

Male Choir Feature Services.
On Sunday last in Durham Presbyterian church, the members turned out in goodly numbers to greet their pastor, Rev. D. Gowdy, in his pulpit, after his vacation at his early home in Ireland. As well there was morning and evening a male choir of nearly thirty voices, who rendered special voluntaries at each service, and were complimented freely on the excellent music they provided.

A public meeting for women will be held in the Town Hall, Durham on the afternoon of Wednesday, Sept. 18th, 1935 at 2.30 p.m. The musical program will feature Margueritta Nuttall, golden voiced coloratura soprano, well known radio artist, assisted by Gladys Cornfield Howey. Community singing will be led by Miss Winnie Blyth. Mrs. (Prof.) Sissons and Agnes Macphail will deal with public questions from the standpoint of women in the home. Every woman welcome.

Will Drink Sanitized Milk.
Mr. Cameron Lauder, proprietor of the local dairy, is incurring considerable financial expense for the benefit of his milk patrons. It is not compulsory to do so, but as a further step to ensure his customers there are no bacteria germs floating round, he is installing a pasteurization plant and anyone who knows anything about this matter, will want to congratulate Cameron on his industry. While it will not turn milk into cream, or anything so remarkable as that, it purifies what we do get.

Back to Early Haunts.
Charles Ramage, senior Editor of the "Review," had a pleasant surprise on Sunday morning of this week, when his nephew, Walter Ferguson, with his wife and son of Stevensville, came to see him. Mr. Ferguson is retiring this year from teaching as Principal of Caledonia Public School where he has been for many years. He has taught 47 years in all and thinks it about time to stop. He is the second son of the late Alexander Ferguson, many years a teacher at S.S. No. 13, Egremont. He is twelve years since he was in Durham.

Stay in Your Own County.
Messrs J. C. Howell and George McLaughlin went on a fishing expedition recently over to Paisley where the big bass lie. Why not land some of them, they said. Fully equipped and with spirit's high, "J. C." had one at last on the line and the size must be one of Saugen's biggest, the way the pole was bending. He used all his piscatorial skill in bringing it to the surface, and called Geo. near by to come to help him land the monster. On the end of Cliff's line was a mud turtle! George also went after it and the little wretch bit for him also. The moral of this tale is to stay in your own country if you want the real thing. Bruce County bass do not bite for Grey County folk, or vice versa.

THE MORE THE MERRIER

With W. L. Taylor, ex-warden of Grey County, in the field of North Grey, as the Re-constructionist candidate, things are shaping up nicely for a race in the northern zone of Grey County. With Victor Portetous in the field as Conservative Standard Bearer; W. P. Telford, Liberal, Hudson Sout, C. C. F. candidate and now Mr. Taylor, there will be consolation to the defeated candidates that they have plenty of company. W. L. Taylor is an experienced municipal politician and possibly is well-known to the electors as any that could be obtained to enter this field.

No Reconstruction Candidate To Run in Grey-Bruce

Warren K. Cook, Dominion commissioner of the Reconstruction Party, stated on Wednesday that no Reconstruction candidate will be placed in the Grey-Bruce riding opposing Miss Agnes Macphail, Independent U. F. O. candidate in the forthcoming federal elections. He firmly spiked the rumor that his party would organize in the lady member's constituency in any way. "It has been brought to the attention of the National Executive that rumors are circulating, particularly in the Grey-Bruce district, that the Reconstruction Party would put another candidate in that riding to oppose Miss Macphail", Mr. Cook stated. "The Reconstruction Party has no intention of doing so, since the United Farmers of Ontario and Miss Macphail are giving their full co-operation to us. Miss Macphail has publicly announced she will support the Honourable H. H. Stevens in the House of Commons to effect legislation in the interest of Canadians", Mr. Cook added.

Spoke on Cancer and its Prevention

Before a fair-sized audience in the schoolroom of Knox Church Wednesday evening, Dr. McCullough, Chief Officer of Health for Ontario, delivered a most informative address on cancer: its prevention and cure, afterwards throwing pictures on the screen showing how cancerous growths have been removed and cured in a few weeks, or sometimes, several months' time.

Dr. J. L. Smith, M.O.H. for Durham, smiled and introduced the speaker. Time and space permit of only brief mention of his talk. The chief means of avoiding cancer, said Dr. McCullough, are to avoid irritation, and to self-educate yourself as to the disease, discover its early signs, and get prompt medical attention. He advised a periodical health examination; every man and woman over 35 years, should have a thorough overhaul every year. There are three methods of treatment for cancer: surgery, which is used in 70% of all cases and is best for in-ferior cancers; the use of X-rays, and radium, which methods are best for all surface cancers. Cancers in early stages can be removed or burned away; even some advanced cases can be successfully treated. People, he said, should have no fear of cancer: only fear of delay in attending to it.

Dr. McCullough's talk, interspersed with stories and incidents, was most attentively heard, while the views also were enjoyed. A standing vote of appreciation was tendered him at the close.

PREMIER VISITS HERMAN HAW'S HOME

Premier Mitchell Hepburn is campaigning for Liberal Leader, MacKenzie King in the West, but at the same time is not losing and side-lights of how modern farming is carried on in various parts of Saskatchewan and Alberta. While speaking at Swift Current, he was taken to Pennant, to see a combine in action. Whose farm should it be on, than that of our old friend, Herman Haw, formerly of Egremont Township! He was piloting that intricate machinery that has supplanted binder and threshers and has made the harvesters' excursion a thing of the past. Premier Hepburn was also introduced to the header and the barge, both of which are machines for the harvesting of crops where the straw and the yield is too limited to justify binding.

Institute to Make Exhibits

The Durham W.I. met Thursday afternoon at home of Mrs J. M. Burgess. Mrs W. D. Erwin presided. A very interesting talk was given by Miss Jean Harding on her duties and work in MacDonald Institute and her experiences at Bigwin Inn, Muskoka. She outlined the different courses of study and told something of student life in MacDonald Hall and Watson Hall. Mrs J. S. McIlraith gave a short report of the rally of Institute at Ravenna. Mrs G. Collinson spoke on the mot for the day, "If you want to be happy begin where you are."

whole would have exhibits of cream puffs and sour cream pie at the fall fair, each member having the privilege of competing, the branch supplying the prizes. An invitation was given to all members to be present on the evening of Sept. 11 to hear the address given by Dr. McCullough on cancer.

The planning of the program and lunch was done by group 2 with Mrs J. A. McGirr convener. Mrs J. McCaslin contributed a solo and Mrs. Bourne a violin selection with Miss Leah McComb accompanying on the piano.

Council Makes Drive to Collect Tax Arrears

Taxes and Relief were the two leading subjects before Durham Council at their regular monthly session on Monday. Accounts totalling \$922.39 recommended by Finance Com. were passed, also Relief accounts for August amounting to \$102.54. Chairman Duffield of Finance Com. stated that they had instituted a drive to collect tax arrears at middle of August, and since that time almost \$1000 of 1934 taxes and those of previous years has been paid in. There is yet some \$3700 of 1934 taxes outstanding and approximately \$5,000 of arrears. The tax collector is to continue the campaign of personal solicitation for another month anyway, and those who fail to respond in making at least partial payment, either to the Treasurer or the Tax Collector may expect some more stringent measures taken—seizure of goods, garnishee, or some similar means of collection. Mayor Kress reported that the Hydro Commission of Ontario has threatened to send a man up to Durham to cut off services if the local Utilities Com. doesn't do so, or collect arrears.

Chairman McGowan of Board of Works reported little street work. Two tenders had been received for building culvert under sidewalk at Queen and South Streets.—W. J. McFadden at \$18 and Geo. MacKay for \$12. Council left the matter with Board of Works.

Flooring in the cattle pens at market stockyards requires repairs and the cook house at river bank in rear of Clerk's Office might also be tidier. It was reported. These will be looked after. Mayor Kress stated several merchants had suggested that the strings of colored lights on four sides of main corner be left there to brighten and beautify the heart of the town. He thought it a good idea, and mentioned \$50 a year would be probable cost for current supplied. Coun. Duffield and Reeve Hunter were personally against it, not that they objected to making the corner more attractive, but it was an unnecessary added expense and the town's financial condition, while sound, warrants a strict economy. The Mayor announced. Mr. McKechnie concurred, but suggested putting a meter on and using these lights only on special occasions and paying only for power used. The Mayor is to take the matter up with the Board of Trade to see if they will sponsor it, and the lights are to be left as is at present.

The Clerk reported a visit from Mr. Mountain, Provincial Relief Inspector. He suggested the appointment of a Relief Committee at once for Durham, entirely outside of the Council. Also the appointment of a paid relief investigator, who would work, say 2 days a week, one day weekly making investigations and another day keeping the books. Coun. Duffield thought a Relief Com. independent of the Council would lift quite a burden off them, but feared a Relief Com. not responsible to the Council might run away with a lot of money. This relief problem, he believed will always be with us as long as the Dominion and Provincial Government's continue to agree to pay. We need not expect a return of prosperous conditions until the Governments cut down on their heavy taxation and say to the municipalities: "You pay 100 per cent of your relief costs or go off relief."

Coun. Stonehouse remarked he had served on relief committee six years and would be glad to be relieved. Some expressed the view it may be difficult to secure citizens to act on this committee. The Charity Com. was authorized to take Mr. Mountain's recommendation and bring in a report regarding it at next council meeting, suggesting some names of citizens who might act. A complete report of costs of installing new toilets in Town Hall basement, was presented, the total being \$385, which has already been paid. A motion passed refunding taxes to Durham Red Cross hospitals taken from school and improvement taxes.

Out'look is for Splendid Fair in Durham Friday

With the prospect of fine, bright weather both days, Durham Fall Fair this Thursday and Friday, promises to be the best in years. Judging from the interest taken, there will be a record entry list of exhibits, and a full hall, and well-filled stock pens, may be anticipated. Besides the horse judging below the hill, there will be special attractions in three trials of speed for good purses, and a girls' ball game, Durham vs. Hanover, is planned at 4.00 p. m. Come out early Friday afternoon for both pleasure and profit. If you have not been attending Durham fair make a start this year.

LIBERAL MEETINGS IN FLESHERTON AND HANOVER

Well attended meetings were those of Wednesday, in Flesherton and Hanover, when F. G. Avery, M.P.P., for Lincoln County, was present to address the electors in place of Hon. Ernest Lapointe, who found it impossible to be present. Mr. Avery made a splendid substitute for Mr. Lapointe and presented the issues before the electors to day in a very convincing manner. At the Flesherton meeting, the President of the Grey-Bruce Liberal Executive, Dr. T. H. Sneath presided. On the platform were the Candidate, Dr. W. A. Hall and Secretary W. E. Harris of Markdale, both speaking a short time. A fair representation of ladies were in the gathering.

BRIDE-TO-BE SHOWERED

A number of Bentinck people met at the home of Mr and Mrs George Brown Jr., last Wednesday night for the purpose of showering one of Bentinck's popular young men, Mr. Paul A. Schmidt and his winsome bride to be, Miss Martha Sproule of Durham. After the crowd had gathered, the young couple were given a seat in the centre of the assembly and a mock marriage performed with Miss Emma Messerschmidt acting the part of a beautiful bride and Miss Marjorie Chittick was the bashful groom. The bridegroom was Miss Helen Schmidt and the best man, Mr. Lloyd Chittick, while Mr. Arthur Adlam acted the part of the dignified person who performed the jovial marriage. After the mock marriage ceremony a large pink and white basket was carried into the room and placed beside Paul, who unwrapped the parcels and gave them to Miss Sproule, who read the mirthful hymns. The parcels were then placed on a nearby table by Miss Emma Messerschmidt. Paul thanked all on behalf of himself and Miss Sproule. A beautiful lunch was served and the remainder of the evening spent in dancing and card playing.

A.Y.P.A. CORN ROAST

The Anglican Young People's Association began their fall meetings with a corn roast in Orchard Grove, across the McGowan dam. A splendid big bonfire with plenty of corn games and singing made a pleasant evening for thirty young folk.

AUXILIARY PICNIC

Queen Street Evening Auxiliary spent a very pleasant time at supper in Harriston Park, Owen Sound, on Thursday. Five car loads were present.

OBITUARY

MICHAEL BURKE
Ther's died at his home on Tuesday, August 3rd, on con. 4, Glenelg, Michael Burke, after a long illness. He was 83 years of age.

Deceased was a smart, progressive farmer in his earlier days, and never knew what it was to be idle. He was born in Normanby Township, and wed a girl from same township, Mary McAuliffe, sister of John, David and Michael McAuliffe of town. Four children survive of the union: Alice and Mary, Mrs C. McKinnon and Mrs Crean, both of Guelph; Eddie and Leo on their farm in Glenelg. Shortly after their marriage, Mr and Mrs Burke moved over to Glenelg Township to have nearer access to school for their children. Since that date he has been a continuous resident of Glenelg. Some time after his wife's death, he wedded Margaret Dyle who survives him, as also two sisters, Mrs. Patrick Burke of Normanby and Mrs Jerry Meagher, Buffalo.

The funeral was on Thursday last at Aytton R. C. cemetery, conducted by Rev. Father Grace.

KNOWLES—HALBERT

A very pretty wedding took place on Saturday, Sept. 7, at high noon, at the home of Rev. R. G. Halbert, B.A., and Mrs Halbert of Queen St. parsonage, when their only daughter, Emma Kelce became the bride of Mr Airle Stuart Knowles. Only the immediate relatives of bride and groom were present. The bride who was given in marriage by her brother, William James Halbert, was becomingly gowned in her mother's wedding dress of white satin and lace with georgette sleeves, white satin slippers, wedding veil with wreath of lily of the valley and carried a beautiful shower bouquet of Ophelia roses. She also wore the groom's gift, a wrist watch, and the groom wore the bride's gift of gold cuff links. The marriage was performed by the Rev. Alex H. Halbert of New-tonbrook, Ont. Mrs G. R. Padfield presided at the piano and played Lohengrin's Wedding March as the bride entered the prettily decorated drawing-room and also Mendelssohn's March at close of the ceremony. During the signing of the register, Miss Norma Gagnon sang "Until".

The bride's mother wore a navy blue gown with corsage bouquet of roses and the bride's grandmother Mrs William Kelso of Providence, R. I. wore a black silk gown with corsage bouquet of roses.

After receiving congratulations, the wedding party proceeded to the dining room, where the wedding breakfast was served. The table was centered with lily of the valley and at either side were pink roses in bud vases. The toast to the bride was proposed by her uncle, Rev. A. H. Halbert, to which the groom responded. The friends assisting at the wedding breakfast were Mrs R. E. Richardson, Mrs J. C. McLean, Misses Inez Twamley, B.A., Bernice Whitmore, Olivene Yiirs, Margaret Storey and Abbey McLean.

The young couple left for a motor trip to Washington, D.C., and Virginia. The bride travelled in a blue tweed suit with navy hat. Upon their return they will reside at New Lowell, Ontario.

Mr. Thos Davis is at present in very poor health at the home of his daughter, Mrs C. G. McGillivray. Mr. Thos. Binnie left Tuesday to New Westminster, B.C., after five weeks' visit with his sister, Mrs T. McGirr and his numerous nephews and nieces situated in various parts of Ontario. Community singing will be led by Miss Winnie Blyth. Mrs. (Prof.) Sissons and Agnes Macphail will deal with public questions from the standpoint of women in the home. Every woman welcome.

CRASHED LOCAL CAR AND THEN RAN AWAY

An accident occurred here about 7.30 o'clock last Monday night when William J. Falkingham of Durham crashed into a car parked opposite Selms' Garage and owned by Mr. "Pete" Blumh. Falkingham was on his way home to Durham and did not stop after hitting the local car, but his license number was secured and a phone call went to the Durham police, who nabbed him as he entered that town. He claimed, it is said that another car approached him with glaring headlights, forcing him to the side of the road and making it impossible for him to see the Blumh car, which he did not remember hitting. However, he admitted that he was in the wrong and agreed to pay for the damage done, which included a smashed tail light, dented fender, blown-out tire and bent bumper.—Hanover Post.

Miss Dorothy I. Ritchie motored to Toronto on Friday to write her summer examination. She was accompanied to the city by Mrs W. J. Ritchie, Miss Lily Ritchie and Mrs A. Anderson.

Mr and Mrs F. H. Rutherford and family of Owen Sound spent a day last week with Mr J. D. McFayden and sisters.
